Two-thirds of the members elected having voted in the affirmative,

It was agreed to,

And the bill passed.

Mr. Roberts presented the following:

We vote “no” on this bill with deep regret, believing it unwise at this time to pass a salary bill that will not go into effect for more than seven months, and will take funds that are not available until the State shall settle with the City. It will probably involve a fixed charge of over one hundred and seventy thousand (170,000) dollars for next year, to which are to be added several hundred thousand dollars for interest on new loans, and whatever League Island Park shall cost, in addition to ordinary appropriations. This seems to indicate an increase in the tax rate, which we consider unwarranted in these depressed times.

CHAS. ROBERTS,

CHAS. F. ISEMINGER,

THOMAS MEEHAN,

LAW DEPARTMENT.

*Philadelphia, March 17, 1897.*

MR. W. H. FELTON,

DEAR SIR :—I have your favor of the 12th inst., enclosing copy of a proposed ordinance "to exempt properties owned by Church organizations, upon which churches are erected, from the payment of municipal assessments for the construction of sewers, the laying of water-pipes and the paving of cartways of public streets," which is referred to this Department for an opinion as to its legality.

In Church's appeal, *in re* Broad street, 165 Pa. St., 475, municipal assessments of this character are broadly distinguished from taxes in so far as concerns the exemption allowed by the Constitution of the State and prescribed by Act of May 14, 1874 (P. L. 158.) They are, however, in the opinion of the Court in that case, said to be referable to the taxing power, and not improperly recognized as a species of taxation (page 478) and on page 477, it is intimated that a legislative enactment extending the constitutional exemption to such assessments would be void.

Be it as it may, however, in regard to the right of the Legislature to exempt from assessments the properties in question, municipal corporations have no such inherent power, and, in the absence of distinct authorization, they cannot exempt persons or property from taxation or local assessment, or discriminate in favor of, or against either therein. See 2 Dillon on Munic. Corp., 4th Ed., Sect. 781, and note; 1 Desty Taxation, page 466; Cooley on Taxation, 153, and the numerous cases cited by these writers.

I am unable to find special authority in the premises granted to this or the other cities of the Commonwealth, either with respect to a general right to exempt or discriminate in levying the cost of public improvements, or in reference to the particular matters as to which this exemption is proposed. The right to charge against the abutting property the expense of paving the streets and laying water-pipe and sewers is granted by statutes which apply equally to all the property affected, and although the said statutes have been more or less modified by later legislation, in this respect they remain unchanged.

I have to advise you, therefore, that in my opinion the ordinance submitted is illegal.

Yours respectfully,

JOHN L. KINSEY,

*City Solicitor.*

Which was read.

Whereupon,

Mr. Hulst moved that the further consideration of the bill be indefinitely postponed.

Which was agreed to.

Mr. Hawkes moved that the above opinion of the City Solicitor, relative to payment by Church organizations for municipal improvements be printed, and a copy sent to each member of Councils.

Select Council informed Common Council that they had passed resolution (Appendix No. 170) entitled "Resolution of request to the Director of the Department of Public Works not to authorize work without an appropriation having been previously made."

Also, that they had indefinitely postponed Common Council resolution (Appendix No. 292) entitled "Resolution relative to the classification of the cities of Pennsylvania."

Also, that they had non-concurred in Common Council bill (Appendix No. 217) entitled "An Ordinance to reimburse the American Incinerating Company for laying a temporary roadbed in the Thirty-sixth Ward."

Also, that they had concurred in the following, to wit:

"An Ordinance to restore the salary of the Superintendent of Stables in the Bureau of Gas, and make appropriation therefor." (Appendix No. 154.)

"An Ordinance to authorize the Department of Public Works to pay for the construction of a portion of the sewers on Hillside avenue and Janette avenue." (Appendix No. 242.)

"An Ordinance to authorize the revision of the lines and grades of Carswell street, from Haines street to Mechanic street, and of Mechanic street, from Carswell street to a point 400 feet southwestwardly from the southwest curb line of Morton street." (Appendix No. 243.)

"An Ordinance to revise the lines and grades on plan No. 128, bounded by Fifteenth street, Twenty-ninth street, Le-

high avenue, and Allegheny avenue, in the Thirty-eighth Ward." (Appendix No. 246.)

"Resolution of request to the City Controller to counter-sign certain warrants for alterations at Independence Hall." (Appendix No. 255.)

"Resolution of request to the Director of Public Works, relating to the violation of the Alien Labor Law." (Appendix No. 293.)

"Resolution requesting the Governor of Pennsylvania to send the division of the National Guard of Pennsylvania to Philadelphia to attend the unveiling of the Washington Monument by the Society of the Cincinnati of Pennsylvania on May 15th, 1897, and its presentation to the City." (Appendix No. 300.)

"Resolution of instruction to the Department of Public Works, relative to repaving Chestnut street westward from Forty-second street." (Appendix No. 302.)

Mr. Hawkes moved that Common Council do now adjourn.

Which was agreed to.

So Common Council adjourned.

## APPENDIX No. 1.

OFFICE OF THE COMMISSIONERS OF FAIRMOUNT PARK.

*Philadelphia, October 1, 1896.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to request a further appropriation of twenty thousand (20,000) dollars to Item 3 in the current appropriation for the care and maintenance of the Park.

From this item the entire laboring force is paid, and the amount appropriated is thirty thousand (30,000) dollars less than the appropriation in 1895.

Owing to the heavy expenditures from the above item, repairing damage done by spring freshets to Wissahickon and East Park, it became necessary to greatly reduce the force, and place the remainder on half time July 1.

A further reduction must now be made unless the appropriation asked for is received.

The small earnings of the men employed but three days per week entails great hardships, and with the appropriation asked for the force can be placed on full time and the balance expended in the employment of many deserving men.

Very respectfully,

JAMES McMANES,

*President.*

## APPENDIX No. 2.

DEPARTMENT OF CITY CONTROLLER.

*Philadelphia, October 1, 1896.*

WENCEL HARTMAN, Esq.,

President of Common Council.

DEAR SIR:—I have the honor to report that an audit has been made by this Department of the accounts of the State Hospital for the Insane at Norristown for the period commencing June 1, 1885, to May 31, 1889, to which reference was made in the statement of this Department forwarded your Honorable Bodies August 1, 1896, in which it has been shown that there is due the City of Philadelphia, by the above institution, the sum of \$52,651.72.

This amount exhibits the excess over the per capita cost of the inmates charged to this City as furnished by the Board of Managers of the Hospital to this Department, and that appropriated and paid in quarterly instalments during the period above mentioned.

The cost of maintenance has been found to vary from 7½ cents to 28 cents less per week for each patient than that charged the county, yet notwithstanding this fact no return of moneys was made to this county, but used for the benefit of the Hospital in a manner not authorized by the Act of Assembly.

I would respectfully request that the chairman of the committee to whom this matter is referred notify the City Solicitor and myself, that we may be heard when the matter is under consideration.

Yours truly,

JNO. M. WALTON,

*City Controller.*

## APPENDIX No. 3.

## LAW DEPARTMENT.

*Philadelphia, October 1, 1896.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—On January 8, 1891, Mary Duncan, while walking across the pavement of No. 509 Spruce street, Philadelphia, fell into a coal-hole on said pavement, and was permanently injured. The coal-hole in question was covered by an iron grating, which, from wear, loosely fitted the hole, in consequence of which, persons treading upon the edge of it would cause it to be displaced. Miss Duncan subsequently brought an action against the city, and at the trial of the case in 1894, recovered a verdict of \$6,000.

In charging the jury the trial Judge said, in effect, that it is the duty of the city to examine the sidewalks in order to ascertain if they are in safe condition for travel, and if it fails to do so, and a person is injured, without fault on his or her part, the city is liable to answer in damages. Recognizing that this rule would be dangerous to the interests of the City, if established, as it would result in imposing additional burdens upon the City, an appeal was taken by this Department to the Supreme Court. The Supreme Court held that the City was not required to seek for defects, and that the jury should have been so instructed. The appeal was sustained and the case remitted to the lower Court for re-trial. There was no doubt when the appeal was taken, and there is none now, of the city's ultimate liability to answer for injuries sustained by plaintiff in consequence of the defective pavement, as the plaintiff will prove that the City had actual notice of the condition of the cover. Nor is there any doubt but that the damages will be equally as large, or larger, than the amount of the verdict rendered on the former trial of the case, as the plaintiff still suffers from the injury received and is unable to work at any kind of employment. I therefore deem it expedient to settle the case, which can be done for \$3,500.

Inasmuch as the duty of keeping the sidewalks in front of private property in repair rests primarily on the owner, the City has a right of action against him to recover the amount which it may be compelled to pay by reason of his negligence.

The owner of the property has been notified of the proposed settlement, and agrees to it. He further agrees to pay \$2,000 of the amount required to settle the case, on condition that the City relinquishes all claims against him for the balance. After giving the matter careful attention, especially with reference to the probability of the City recovering the amount in full which it may be required to pay if the trial is proceeded with, I am constrained to say that I believe the offer should be accepted, and therefore request you to authorize me to pay the plaintiff \$3,500 in settlement of said case and to accept the sum of \$2,000 in settlement of the City's claim against the owner, and to execute and deliver a release for the amount paid by the City in excess of the said sum of \$2,000.

Yours very truly,

JOHN L. KINSEY,

*City Solicitor.*

### RESOLUTION

Of request to the Director of the Department of Public Safety relative to the removal of poles on south side of Walnut street, between Second street and Third street.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department

of Public Safety be, and is hereby requested to take such action as will insure the removal of all poles (which are too close to the car tracks and thereby endanger the lives of our people) on Walnut street, south side, between Second and Third streets.

## APPENDIX No. 6.

### RESOLUTION

Of request to the Director of the Department of Public Works, relative to re-paving Orthodox street.

WHEREAS, By ordinance approved March 30th, 1893, entitled "An Ordinance permitting the Second and Third Street Railway Company to use electric motors to be supplied from over-head wires and to erect and maintain poles to support said wires," said railway company was permitted to use electric motors as propelling power of its cars on its tracks as the same are now authorized to be laid, on Orthodox street from Richmond street to Frankford avenue.

AND WHEREAS, Section 4, of said ordinance provided, "That the said company shall, under the supervision of the Department of Public Works re-pave in good, substantial and workmanlike manner with Belgian blocks, or other improved pavement, as directed by ordinance of Councils, or by the Director of the Department of Public Works, and to be done in a manner to be prescribed by and to the satisfaction of the said Department, all streets to be occupied by it not already re-paved with such improved pavement, said re-paving to be done from curb to curb for such length of street as shall be occupied by poles and trolley wires, or by other electric motive power system. Such paving shall be commenced upon each of the said streets as soon as the construction of the roadbed or of the poles or trolley wires, or other electric motive power system shall be commenced thereon.

AND WHEREAS, Under the terms of said ordinance, said railway company has erected its poles and wires upon said Orthodox street from Richmond street to Frankford avenue; but has neglected and refused to re-pave said street as required by the terms of said ordinance, and said street is now in a condition dangerous to public travel, therefore:

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department of Public Works be, and he is hereby requested to inform these Councils what steps have been taken by him to compel said railway company to comply with the terms of said ordinance, and also to furnish an estimate of the cost of re-paving said street.

## APPENDIX No. 15.

*Philadelphia, October 8, 1896.*

To the President and Members  
of the Select and Common Councils.

GENTLEMEN:—The Committee on Finance, to which was referred a communication from the Trustees of the Girard Estate relative to the widening of Delaware avenue, respectfully report they referred the same to a sub-committee (whose report is hereto appended), and in pursuance of said report submit the annexed bills, entitled “An Ordinance to strike Clifford street, east of Delaware avenue, from the City plan;” also, “An Ordinance to authorize the execution of a deed for a water lot on Delaware avenue south of Arch street to the City of Philadelphia, Trustee under the will of Stephen Girard, deceased;” also, “An Ordinance to authorize the construction of a bulk-head, where necessary, along the easterly side of Delaware avenue, between Vine and South streets, and the extension and reconstruction of City sewers, the laying and relaying of gas and water mains and electrical conduits, and the paying for same from funds set apart for the work by the Board of Directors of City Trusts; also, to authorize the Mayor of the City to enter security for the payment of damages;” and recommend their passage.

Jacob J. Seeds (*Ch’n*), Edward W. Patton, W. McCoach, Chas. F. Iseminger, Chas. Roberts, Thomas Firth, W. Van Osten, Chas. K. Smith, J. C. Keith, Wm. R. Knight, Jr., F. M. Harris, Watson D. Upperman, R. R. Bringhurst, W. F. Short, Sam’l P. Town, Jas. B. Anderson, William McMullen, Thos. J. Rose.

*Philadelphia, October 8, 1896.*

To the Chairman and Members  
of the Finance Committee.

GENTLEMEN:—Your Sub-Committee, to whom was referred the communication from the Trustees of the Girard Estate, relative to a conference in the matter of widening Delaware avenue, respectfully report that the

representatives met your Committee, and from statements made by Joseph L. Caven, Esq., and General Louis Wagner, we find that Stephen Girard left a fund of \$500,000, the income of which was to be applied to the improvements along the Delaware river front. They have an accumulation of about \$650,000 to \$680,000, which could be appropriated for this purpose and could be expended for building the bulkheads.

Your Committee also find that there is some question as to a portion of the title of Pier No. 2. The City bought this property for \$10,000. The Trustees of the Girard Estate are anxious to extend this pier, but are not able to do so until the title is confirmed. They will then enter into a contract to agree to advance the money from time to time as the work progresses, to pay for the bulkheads and sewer extensions, etc. Your Committee would recommend that the City make a contract with the representatives of the Girard Estate to enter into an agreement in writing, and then in consideration of that we would recommend that an ordinance be passed, authorizing the City of Philadelphia to perfect the title to Pier 2 to the Trustees under the will of Stephen Girard, and that the proper specifications be prepared, and invite proposals at once for the bulkheads and sewer extensions, etc. The Trustees will then enter into a contract for the money.

Your Committee would further recommend that the Chairman of the Finance Committee present the accompanying ordinances at once, with a favorable recommendation, and urge the immediate passage of the same.

F. M. Harris (*Ch'n*), Chas. F. Iseminger, Wm. Van Osten.

## AN ORDINANCE

To strike Clifford street east of Delaware avenue from the City plan.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of

Public Works be authorized and instructed to strike from the City plan all that portion of Clifford street lying east of Delaware avenue, in the Sixth Ward.

—

B.

### AN ORDINANCE

To authorize the execution of a deed for a water lot on Delaware avenue, south of Arch street, to the City of Philadelphia, Trustee under the will of Stephen Girard, deceased.

WHEREAS, By deed dated January 20, 1846, Gideon Scull and others conveyed to the City of Philadelphia a certain water lot lying on the easterly side of Delaware avenue, at a distance of 236 feet 10 $\frac{1}{4}$  inches south from the south line of Arch street, and containing in front on Delaware avenue 77 feet 10 inches, and extending eastward therefrom into the Delaware river, said purchase having been made for the purpose of protecting the property on the south belonging to the City as Trustee under the will of Stephen Girard; and

WHEREAS, By resolution adopted September 24, 1846, City Councils placed this property under the care of the Commissioners of the Girard Estates; and

WHEREAS, It is the desire of the Girard Estate to improve this and the adjoining property, and to further the plans for the improvement of the harbor, by the erection of a modern pier, partly upon it, partly upon the bed of Clifford street, but principally upon the property of the Estate of Stephen Girard; but said Estate does not feel justified in expending trust funds for this purpose until its title to the entire property is absolutely vested in Estate of Stephen Girard, deceased; and

WHEREAS, The Board of Directors of City Trusts, acting for the Girard Estate, is about to enter into an agreement with the Mayor of the City whereby funds of the said Estate, to an amount not exceeding six hundred and fifty

thousand (650,000) dollars, are set apart for municipal improvements on Delaware avenue, between Vine and South streets, in accordance with the terms and conditions of an ordinance of Councils to be passed for the purpose; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That in consideration thereof, the Mayor of the City be, and he is hereby authorized to execute and deliver to the City of Philadelphia, as Trustee under the will of Stephen Girard, deceased (acting by the Board of Directors of City Trusts), at a nominal consideration of one dollar, a deed for all that certain tract or water lot, beginning on the bulkhead line as laid out by the Secretary of War June 20, 1891, at a point 236 feet  $10\frac{1}{4}$  inches south of the south line of Arch street, containing in front or breadth along the said bulkhead line 77 feet 10 inches, and extending eastwardly into the River Delaware, with a frontage on the pier head line as established by the Secretary of War June 20, 1891, of 77 feet 8 inches.

### C.

#### AN ORDINANCE

To authorize the construction of a bulkhead where necessary along the easterly side of Delaware avenue, between Vine and South streets, and the extension and reconstruction of City sewers, the laying and relaying of gas and water mains and electrical conduits, and the paying for same from funds set apart for the work by the Board of Directors of City Trusts. Also, to authorize the Mayor of the City to enter security for the payment of damages.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and he is hereby authorized to enter into a contract or contracts for the construction of a bulkhead where necessary on the easterly line of Delaware avenue, as laid down upon the confirmed City

plan, from Vine street to South street, in the Fifth and Sixth Wards; also, for the extension and reconstruction of City sewers; the necessary alterations in gas and water mains and electrical conduits appurtenant to the above work, and necessary for its proper completion, to be paid for as herein provided.

SECT. 2. The work above authorized shall be paid on estimates drawn by the Chief Engineer and Surveyor, approved by the Director of the Department of Public Works, from funds set aside for the purpose by the Board of Directors of City Trusts. The total amount of the contracts shall not exceed the sum of six hundred and fifty thousand (650,000) dollars.

SECT. 3. The Mayor of the City is hereby authorized and requested to enter into an agreement with the Board of Directors of City Trusts, whereby the said Board will become liable to pay a sum not exceeding six hundred and fifty thousand (650,000) dollars for the expense of carrying out the work herein authorized.

SECT. 4. The Mayor of the City of Philadelphia be, and he is hereby authorized to enter security on behalf of the City for the payment of the damages agreed upon with the property owners, under authority of ordinance of Councils, approved March 11, 1895, and confirmed by ordinance of Councils, approved October 6, 1896. The Mayor is also authorized to enter security on behalf of the City for the payment of any damages which may arise by reason of the entering upon private property for the purpose of carrying on the work herein authorized.

### APPENDIX No. 17.

*Philadelphia, October 8, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—In accordance with the resolution of City Councils that a special committee of fifteen members from each Chamber be appointed for the purpose of representing the City of Philadelphia at the dedication of a monument by the Philadelphia Brigade Association on the battlefield of Antietam, September 17, 1896, and at the Re-union of

Veterans of the Army of the Potomac and of the Army of Northern Virginia, in Washington, on the day previous, we have the honor to submit that your committee was present, and that the proceedings, both at the Re-union in Washington, and at the dedication of the monument at Antietam, were of a national character.

Among those present, taking part in the proceedings, were the Governor of Pennsylvania, his staff, the Lieutenant Governor, the Attorney General, State Treasurer, Auditor General, and Secretary of the Interior of Pennsylvania; the Governor of Maryland, his staff, and all the officers of the National Guard of Maryland, from the Brigadier General commanding to lieutenants of companies; a company of the Maryland National Guard for police duty, and the Veteran Corps of the famous Fifth Maryland Regiment; a Justice of the Supreme Court of the United States, a Justice of the Superior Court of Pennsylvania, an Archbishop of the Catholic Church, the Chaplain of the Grand Army of the Republic, Department of Pennsylvania; a Commissioner of the District of Columbia, the Assistant Adjutant General of the United States, officially detailed to represent the War Department; the Mayor and City Councils of Wilmington, the City Councils of Baltimore, and many distinguished citizens from the North and the South.

In view of the impressiveness of the proceedings, and of their national character, and of the further fact that the Chairman of this committee was officially designated by the Philadelphia Brigade Association to speak for the City of Philadelphia at the Re-union in Washington, your committee respectfully recommends that a more elaborate report, which shall be appropriately illustrated, shall be prepared and printed, and ask for the passage of the annexed resolution.

George Hawkes (*Ch'n*), Robert S. Leithead, John W. Davidson, Chas. J. Hauger, John Dougherty, Henry S. Martin, Edwin E. Smith, J. Emory Byram, August Hohl, F. M. Harris, Chas. Kitchenman, Geo. B. Edwards, James A. Briggs, Henry Brooks, William McMullen, Thomas J. Ryan, Wm. G. Rutherford.

## RESOLUTION

Of instruction to the Clerks of Councils to print five thousand (5,000) copies, appropriately illustrated, of the report of the Joint Special Committee on Dedication of Monument by the Philadelphia Brigade Association, at Antietam.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Clerks of Councils be, and they are hereby instructed to print five thousand (5,000) copies, appropriately illustrated, of the report of the Joint Special Committee on Dedication of the Philadelphia Brigade Association, at Antietam. The cost of the same to be charged to Item 7, in the annual appropriation to the Clerks of Councils for the year 1896: *Provided,* The cost shall not exceed six hundred (600) dollars.

## APPENDIX No. 20.

OFFICE OF THE MAYOR.

*Philadelphia, October 15, 1896.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to herewith transmit for your consideration a communication received from Mr. Thomas M. Thompson, Director of the Department of Public Works, containing a report made by him in accordance with a resolution passed by your Honorable Bodies on the fourth day of June, 1896, relative to the construction of a City Aqueduct above Norristown. I am,

Respectfully,

CHAS. F. WARWICK,

*Mayor.*

—

DEPARTMENT OF PUBLIC WORKS.

*Philadelphia, October 9, 1896.*

HON. CHARLES F. WARWICK,  
Mayor of Philadelphia.

DEAR SIR:—On June 9, I received from Mr. George W. Kochersperger, Chief Clerk of Common Council, the following resolution, passed by the Select and Common Councils on June 4, 1896:

## RESOLUTION

In regard to a City Aqueduct.

WHEREAS, The City of Philadelphia is especially favored in having for its source of water supply a mountain stream, the waters of which, for a considerable distance, run over beds of limestone, which aids considerably in eliminating injurious elements; and

WHEREAS, Councils have now adopted measures that are intended to prevent the introduction of coal dust into the river, and the necessity for filtering expenditure on that account; and

WHEREAS, The one source of pollution seriously affecting our water supply to be guarded against now is, or in the future is, the sewage of Norristown and the territory below; therefore

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Joint Committee on Water be instructed to confer with the Department of Public Works, Bureau of Surveys, as to the feasibility of an aqueduct from the City's Water Works to some point above Norristown, and get an approximate cost of the same, and to report the result of their conference to these Bodies at an early date.

This resolution was forwarded to Mr. George S. Webster, Chief Engineer of Bureau of Surveys, with instructions to report upon the feasibility of such an aqueduct and furnish an approximate cost of the same.

I have the honor to enclose herewith, copy of Mr. Webster's report, and would respectfully request that you forward it to Councils for their consideration.

Yours respectfully,

THOMAS M. THOMPSON,

*Director.*

—

*Philadelphia, October 6, 1896.*

MR. THOMAS M. THOMPSON,

Director Department of Public Works.

DEAR SIR:—Referring to the resolution passed by the Select and Common Councils June 4, 1896, in which it was resolved that the Committee on Water be instructed

to confer with the Department of Public Works, Bureau of Surveys, as to the feasibility of an aqueduct from the City Water Works to some point above Norristown and give an approximate cost of the same, and report the result of the conference to these Bodies at an early date, I would state that without any detail surveys at hand to determine the exact location, I have made an approximate location from the United States Geological Survey plans of this section of the State, and find that the most direct and least expensive route would be on the west side of the Schuylkill River to a point opposite Fairmount Park, where it would be necessary to cross the river to connect with the pumping stations on the east side. There is also included in the estimate connections with the Roxborough, Queen Lane, Belmont, Spring Garden and Fairmount Pumping Stations; the estimate is based upon a conduit of sufficient size to deliver, under favorable circumstances, 300,000,000 gallons in each twenty-four hours.

From the length and approximate grade determined from the plans the carrying out of the project would include the construction of 73,400 feet of main conduit, and 12,000 feet of lateral conduit to pumping stations. A greater portion of the length of these conduits will necessarily be built in tunnel.

The project also includes seven gate houses, a bridge across the Schuylkill River, and bridges and culverts across various streams intersected along the route.

The estimated cost of doing this work is \$6,481,000.

Without additional surveys, giving the exact location and first determining precisely how property will be affected, it is difficult to give even an approximate estimate of the land damages by reason of the entering upon private property for the construction of the conduit, but, under any circumstances, they would probably reach \$2,500,000.

Yours truly,

(Signed) GEORGE S. WEBSTER,

*Chief Engineer, Bureau of Surveys.*

## CITIZENS' MUNICIPAL ASSOCIATION.

*Philadelphia, October 15, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—In behalf of the interests of the citizens and tax-payers, your constituents, the Citizens' Municipal Association would invite your earnest attention to the facts that

First. Your City is in the hands of a monopoly of electric lighting corporations which demand from the tax-payers between two hundred thousand (200,000) and three hundred thousand (300,000) dollars annually in excess of the sum for which the identical service could be secured if competition existed.

Second. That no competition can exist so long as the present practice of inviting proposals and awarding contracts is delayed until the close of the year. The existing monopoly, as well as the citizens at large, are aware that several months are required to erect an electric plant, hence the postponement of advertising for proposals until it is too late to erect a new plant is equivalent to a denial to your constituents of their right to competition, and is a compulsion to a misapplication of their money.

Third. As awards cannot be made until after money is appropriated, an ordinance should be introduced and referred to the Finance Committee with instructions to report promptly, making an appropriation of five hundred thousand (500,000) dollars for public electric lighting for 1897. This will be sufficient to invite competition. You are now in possession of all information necessary for making such an appropriation, as you have the Controller's estimates for 1897, and the amount of the contracts for electric lighting for 1896, (\$800,000), and the tax rate is already settled.

An appropriation of five hundred thousand (500,000) dollars now will save at least two hundred thousand (200,000) dollars to the City, which would otherwise inevitably be lost by the usual postponement.

This policy, if extended to all other City contracts, beginning January 1, would save annually a vast additional sum, not only in preventing monopolies in lines requiring months for erection of plants, but also in preventing combinations among bidders who are certain to succeed in such unlawful acts if the time limit prevents readvertising.

Your constituents are entitled to business-like economy in the administration of their affairs, and they will appreciate reforms now so readily at your command.

On behalf and by direction of the Executive Committee of the Citizens' Municipal Association.

Yours very truly,

JOEL J. BAILY,

*Chairman.*

### RESOLUTION

Discharging the Committee on City Property from further consideration of a resolution entitled "Resolution requesting the Director of the Department of Public Safety to advertise for a site for a bath house in the Twenty-third Ward."

*Resolved, by the Select and Common Councils of the City of Philadelphia, That the Committee on City Property be discharged from further consideration of a resolution entitled "Resolution requesting the Director of the Department of Public Safety to advertise for a site for a bath house in the Twenty-third Ward."*

## APPENDIX No. 23.

*Philadelphia, October 15, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered a bill entitled “An Ordinance to authorize the creation of a loan by the City of Philadelphia for three million (3,000,000) dollars for the construction and erection of a filtration plant or plants to connect with the several pumping stations embraced in the water supply of the City of Philadelphia, and return the annexed bill with a favorable recommendation, and ask its passage, accompanied with a resolution to publish a loan bill.

Jacob J. Seeds (*Ch’n*), Wm. McCoach, Thomas Firth, W. Van Osten, Chas. K. Smith, J. C. Keith, Wm. R. Knight, Jr., F. M. Harris, Watson D. Upperman, R. R. Bringhurst, W. F. Short, Sam’l P. Town, Jas. B. Anderson, William McMullen, Edw. W. Patton, Thos. J. Rose.

## AN ORDINANCE

To authorize the creation of a loan by the City of Philadelphia of three million (3,000,000) dollars, for the construction and erection of a filtration plant or plants, to connect with the several pumping stations embraced in the water supply of the City of Philadelphia.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Mayor of the City of Philadelphia be, and is hereby authorized to borrow from the highest bidder or bidders, at not less than par, on the faith and credit of the City of Philadelphia, a sum or sums of money not exceeding in the aggregate the sum of three million (3,000,000) dollars, for the purpose set forth in the second section of this ordinance.

SECT. 2. The proceeds or moneys raised and arising from the loan authorized by this ordinance shall be used

for the purpose of constructing and erecting a filtration plant or plants to connect with the several pumping stations embraced in the water supply of the City of Philadelphia.

SECT. 3. Interest on the loan hereby authorized at a rate not exceeding three and one half ( $3\frac{1}{2}$ ) per cent. per annum shall be paid by the City half yearly on the first day of the months of January and July in each year at the office of the fiscal agency of the City of Philadelphia. The principal of said loan shall be divided into twenty (20) series, of one hundred and fifty thousand (150,000) dollars each, alphabetically arranged, and one such series shall be paid annually at the said office, beginning on the thirty-first day of December, 1906, until the whole loan shall be paid; Series A shall be so paid on the thirty-first day of December, 1906, and the other series shall be so paid in their alphabetical orders, a series on the thirty-first of December of each succeeding year.

The certificates of said loan shall be in the usual form, in such amounts as the lender may require, in sums of one hundred (100) dollars and its multiples, in coupon form, and it shall be expressed in said certificates that the loan therein mentioned and interest thereon are payable in lawful money of the United States, free from all taxation.

SECT. 4. Whenever any loan shall be created by virtue of this ordinance there shall be thereafter annually appropriated out of the income of the City of Philadelphia, and from the money raised by taxation, a sum sufficient to pay the interest of said loans, and after the loan shall become payable there shall be annually appropriated for the payment of the principal the sum of one hundred and fifty thousand (150,000) dollars, until the whole principal shall have been paid.

---

## RESOLUTION

To publish a loan bill.

*Resolved, by the Common Council of the City of Philadelphia, That the Clerk of Common Council be authorized to publish, in not more than three of the newspapers of the*

City of Philadelphia, daily, for four weeks, the draft of the ordinance presented to Common Council on Thursday, October 15, 1896, entitled "An Ordinance to authorize the creation of a loan by the City of Philadelphia of three million (3,000,000) dollars, for the construction and erection of a filtration plant or plants to connect with the several pumping stations embraced in the water supply of the City of Philadelphia," and that the said Clerk at the stated meeting of Councils, after the expiration of four weeks from the first day of said publication, shall present to this Council one of each of said newspapers for every day in which the said publication shall have been made.

#### APPENDIX No. 24.

*Philadelphia, October 14, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred "An Ordinance to authorize the opening of Allegheny avenue, from Thirty-fourth street to the property line west of Thirty-fourth street, in the Twenty-eighth Ward," beg leave to report, that proceedings are now pending before a jury for the opening of Allegheny avenue, from Nicetown lane to Thirty-fourth street. One of the owners of property along this portion of the avenue is claiming heavy damages, owing to the fact that the avenue under the present proceedings would be opened to the dead end, and there being a short space immediately west of Thirty-fourth street which is not opened. The Assistant City Solicitor, who has charge of this proceeding, asked that the present ordinance be passed to open this portion, thereby making an outlet to the street, believing that the passage of this ordinance would save the City very large damages. We, therefore, report the ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), Jos. M. Adams, P. A. McClain,  
Wm. McCoach, Hugh Black, Watson D. Upperman, Sam'l

Lamond, W. F. Short, Jos. H. Brown, Sam'l K. Stinger, Thos. Wagner, Jr., P. E. Costello, Fred'k Stehle, T. J. Morton.

### AN ORDINANCE

To authorize the opening of Allegheny avenue from Thirty-fourth street to property line west of Thirty-fourth street, in the Twenty-eighth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to notify property owners over and through which Allegheny avenue will pass, from Thirty-fourth street to the property line west of Thirty-fourth street at the distance of 205 feet 11 $\frac{3}{4}$  inches, measured on the north line of said Allegheny avenue, and at the distance of 120 feet  $\frac{1}{4}$  inch, measured on the south line of said Allegheny avenue, that at the expiration of three months from the date of said notice the said avenue will be required for public use.

SECT. 2. That the Mayor of the City be, and is hereby authorized to enter security on behalf of the City of Philadelphia for the payment of any damages that may be assessed by reason of the opening of the said Allegheny avenue. Upon the filing of said bond and at the expiration of the said three months' notice, the Director of the Department of Public Works shall forthwith proceed to open the street.

### APPENDIX No. 25.

*Philadelphia, October 15, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred "An Ordinance to authorize the grading

of Atlantic, Clearfield, Conestoga, Courtland, Eighteenth, Fifty-second, Forty-eighth, Foulkrod, Guenther, Hilton, Lambert, Mechanic, Ninth, Nineteenth, Price, Pine, Ritner, Rittenhouse, Sixty-third, Sixty-three-and-a-half, Sprague, Spring, Thirty-eighth, Twentieth, Thirty-fifth, Twenty-fourth, Twenty-ninth, Wendover, Wilson and Wayne streets, Allegheny, Columbia, Greenway, Hillside, Warrington, Wyalusing and Winona avenues," beg leave to report, that we have considered the same and report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), Jos. M. Adams, P. A. McClain, Wm. McCoach, Hugh Black, Watson D. Upperman, Samuel Lamond, W. F. Short, Jos. H. Brown, Sam'l K. Stinger, Thos. Wagner, Jr., P. E. Costello, Fred'k Stehle, T. J. Morton.

## AN ORDINANCE

To authorize the grading of Atlantic, Clearfield, Conestoga, Courtland, Eighteenth, Fifty-second, Forty-eighth, Foulkrod, Guenther, Hilton, Lambert, Mechanic, Ninth, Nineteenth, Price, Pine, Ritner, Rittenhouse, Sixth-third, Sixty-three-and-a-half, Sprague, Spring, Thirty-eighth, Twentieth, Thirty-fifth, Twenty-fourth, Twenty-ninth, Wendover, Wilson and Wayne streets, Allegheny, Columbia, Greenway, Hillside, Warrington, Wyalusing and Winona avenues.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to grade the following streets to the established grade of the City with the necessary drains, viz.: Atlantic street, from Nineteenth to Twentieth street; Clearfield street, from "E" to "D" street; Conestoga street, from Master to Thompson street; Courtland street, from Sixteenth to Seventeenth street; Eighteenth street, from Wingohocking to Courtland street; Fifty-second street, from Market street to Girard avenue; Forty-eighth street,

from Woodland avenue to Greenway avenue; Foulkrod street, from Large street to Castor road; Guenther street, from Reed to Dickinson street; Hilton street, from Kensington avenue to Jasper street; Lambert street, from Tioga to Westmoreland street; Mechanic street, from Morton to Carswell street; Ninth street, from Tioga to Venango street; Nineteenth street, from Cayuga to Wingohocking street; Price street, from Willow to Wilson street, with necessary retaining wall; Pine street, from Sixtieth to Sixty-first street; Ritner street, from Second to Fourth street; Rittenhouse street, from Pennsylvania Railroad Bridge to Wissahickon avenue; Sixty-third street, from Greenway avenue to P. W. & B. R. R.; Sixty-three-and-a-half street, from Girard avenue to Haverford avenue; Sprague street, from Stenton avenue to Woodbine avenue; Spring street, from Church to Waln street; Thirty-eighth street, from Girard avenue to Pennsgrove street; Twentieth street, from Atlantic to Venango street; Thirty-fifth street, from Wharton to Reed street, with necessary retaining wall; Twenty-fourth street, from Tasker to Oakford street; Twenty-ninth street, from Wharton to Reed street; Wendover street, from Terrace street to Manayunk avenue; Wilson street, from Price to Centre street; Wayne street, from Roberts avenue, southeast of Germantown branch of Reading Railroad, to Berkley street; Allegheny avenue, from Kensington avenue to Rorer street; Columbia avenue, from Fifty-first to Fifty-second street; Greenway avenue, from Fiftieth to Fifty-first street; Hillside avenue, from Ashland avenue to Manayunk avenue, with necessary retaining wall; Warrington avenue, from Forty-ninth to Fiftieth street; Wyalusing avenue, from Merion avenue to Forty-eighth street, and from Thirty-eighth to Thirtyninth street, and Winona avenue, from Pulaski avenue southwest about 316 feet. The cost of said work of grading and the necessary drains and retaining walls shall be taken from Item 6, in the annual appropriation to the Department of Public Works (Bureau of Highways): *Provided*, Said streets shall be first dedicated or properly opened, and the grading shall be advertised for and contracts awarded in accordance with law.

## APPENDIX No. 26.

*Philadelphia, October 15, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinance to authorize the Department of Public works to draw, and the City Controller to countersign, a warrant to pay for paving in front of certain property on Engle street, between Price and Centre streets, beg leave to report, that the contractors for paving Engle street decline to proceed with the paving because a strip of ground 12 feet 6 inches in width by 172 feet 10 inches long, on the west side, is not sufficient to pay the assessment bills, and the street, therefore, cannot be paved. The present bill authorizes the payment of the bill against this property and the filing by the City Solicitor of a lien against the property; as this is the only way that the street can be paved we recommend the passage of the annexed ordinance.

Wm. F. Dixon (*Ch'n*), Jos. M. Adams, P. A. McClain, Wm. McCoach, Hugh Black, Watson D. Upperman, Sam'l Lamond, W. F. Short, Jos. H. Brown, Sam'l K. Stinger, Thos. Wagner, Jr., P. E. Costello, Fred'k Stehle, T. J. Morton.

## AN ORDINANCE

To authorize the Department of Public Works to draw, and the City Controller to countersign, a warrant to pay for paving in front of certain property on Engle street between Price and Centre streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized to draw, and the City Controller requested to countersign, a warrant in favor of the Mack Paving Company for the sum of about three hundred and sixty-two (362) dollars and ninety-five (95) cents to pay for the paving of Engle street between Price and Centre streets where a strip of ground twelve

(12) feet six (6) inches by one hundred and seventy-two (172) feet ten (10) inches, on the west side of the said Engle street, is not sufficient to justify the contractor in accepting assessment bills in settlement: *Provided*, That the Mack Paving Company, the contractors in this case, shall first endorse the assessment bills to the City of Philadelphia, after which they shall be turned over to the City Solicitor to bring suit against the owners of the property in behalf of the City.

## APPENDIX No. 27.

*Philadelphia, October 15, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred “An Ordinance to authorize the Department of Public Works to proceed with the paving of Woodland avenue, from Fiftieth street to Mt. Moriah lane, and transmit the bills for said paving to the City Solicitor for collection,” beg leave to report, that the contractors for paving Woodland avenue decline to proceed with the paving because of the uncertainty of the collection of the bills. The street is macadamized at the present time, and occupied by railroad tracks, making it uncertain whether the present paving is original paving chargeable against the property owners, or re-paving chargeable against the Railway Company. As this can only be determined by suit after the work is done, and as the avenue is a very largely used thoroughfare and badly in need of a permanent pavement we recommend the passage of the annexed ordinance.

Wm. F. Dixon (*Ch'n*), Jos. M. Adams, P. A. McClain, Wm. McCoach, Hugh Black, Watson D. Upperman, Sam'l Lamond, W. F. Short, Jos. H. Brown, Sam'l K. Stinger, Thos. Wagner, Jr., P. E. Costello, Fred'k Stehle, T. J. Morton.

## AN ORDINANCE

To authorize the Department of Public Works to proceed with the paving of Woodland avenue from Fiftieth street to Mt. Moriah lane, and transmit the bills for said paving to the City Solicitor for collection.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized and directed to proceed with the paving of Woodland avenue from Fiftieth street to Mt. Moriah lane, in accordance with ordinances approved March 30, 1894, and March 30, 1895, and contracts executed December 28, 1895, and May 8, 1896, and shall pay the total cost of said work out of Item 2, in the annual appropriation to the Department of Public Works (Bureau of Highways) for the year 1896.

Upon the completion of said work of paving, bills for the same shall be prepared and transmitted to the City Solicitor for collection.

## APPENDIX No. 28.

OFFICE OF THE MAYOR.

*Philadelphia, November 5, 1896.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to herewith transmit for your consideration a communication received from Mr. Thomas M. Thompson, Director of the Department of Public Works, containing a report made by him in accordance with a Resolution passed by your Honorable Bodies on October 8, 1896, relative to re-paving of Orthodox street.

I am, respectfully,

CHAS. F. WARWICK,

*Mayor.*

—

DEPARTMENT OF PUBLIC WORKS.

*Philadelphia, November 5, 1896.*

HON. CHAS. F. WARWICK,  
Mayor of Philadelphia.

DEAR SIR:—On October 10, 1896, I received from Mr. George W. Kochersperger, Chief Clerk of Common Council, the following resolution passed by the Select and Common Councils on October 8, 1896:

## RESOLUTION

Of request to the Director of the Department of Public Works, relative to re-paving Orthodox street.

WHEREAS, By ordinance approved March 30, 1893, entitled "An Ordinance permitting the Second and Third Streets Railway Company to use electric motors to be supplied from overhead wires and to erect and maintain poles to support said wires," said railway company was permitted

to use electric motors as propelling power of its cars on its tracks as the same are now authorized to be laid, on Orthodox street, from Richmond street to Frankford avenue; and

WHEREAS, Section 4 of said Ordinance provided, That the said Company shall, under the supervision of the Department of Public Works re-pave in good, substantial and workmanlike manner, with Belgian blocks or other improved pavement, as directed by Ordinance of Councils, or by the Director of Department of Public Works, and to be done in a manner to be prescribed by and to the satisfaction of the said Department all streets occupied by it not already re-paved with such improved pavement, said re-paving to be done from curb to curb for such length of street as shall be occupied by poles and trolley wires, or by other electric motive power system. Such paving shall be commenced upon each of the said streets as soon as the construction of the road-bed, or of the poles or trolley wires or other electric motive power system shall be commenced thereon; and

WHEREAS, Under the terms of said ordinance, said railway company has erected its poles and wires upon said Orthodox street, from Richmond street to Frankford avenue, but has neglected and refused to re-pave said street as required by the terms of said ordinance, and said street is now in a condition dangerous to public travel; therefore

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department of Public Works be, and he is hereby requested to inform these Councils what steps have been taken by him to compel said railway company to comply with the terms of said ordinance, and also to furnish an estimate of the cost of re-paving said street."

The re-paving of Orthodox street, east of Frankford avenue, has been the subject of much correspondence between this Department and Mr. J. J. Sullivan, President of the Electric Traction Co.; Mr. John Lowber Welsh, President of the Union Traction Co.; and Mr. J. R. Beetem, General Manager of the Union Traction Co.

Last fall, Mr. Sullivan promised this Department that

his company would re-pave Orthodox street, east of Frankford avenue; and the Department having received numerous requests from the citizens and Councilmen of the Twenty-third Ward that this street be re-paved with sheet asphalt, we proceeded to re-pave the portion for which the City was liable with this character of material, and notified the railway company to proceed with the paving of that portion of the street east of Frankford avenue with the same character of pavement, which notice has not been complied with.

Having received numerous complaints from the citizens of the Twenty-third Ward; also having been waited on by delegation of citizens and members of Councils from the same Ward, petitioning the Department to urge the railway company to have this street re-paved with sheet asphalt, and the work proceeded with at once, I finally, on October 7, (prior to the passage of the Resolution hereinbefore-referred to), forwarded a communication to the Chief of Bureau of Highways, instructing him to notify the Union Traction Co. to re-pave Orthodox street, east of Frankford avenue, and that, if it did not commence the repaving within fifteen days, I would forward a communication to Councils, asking for instructions in the matter.

The railway company has not complied with the notice and the work has not been commenced.

I therefore enclose you copies of the correspondence on the subject and have the honor to request that you transmit the whole matter to Councils for such action as in their judgment, they may see fit to take in the premises.

In this connection I would also state, that Mr. J. J. Sullivan, President of the Electric Traction Co. expressed a willingness to re-pave this street with granite block, claiming that he had arranged with my predecessor, Mr. James H. Windrim to re-pave the street with this character of material.

While Mr. Windrim does not deny this statement, he has however, no recollection of such an agreement.

My reasons for deciding to have this street re-paved with sheet asphalt, was because the members of Councils from the Ward and the citizens residing in the immediate local-

ity, requested that the street be re-paved with this character of material.

The estimated cost of re-paving Orthodox street, from Frankford avenue to Richmond street, with sheet asphalt, is about forty-nine thousand nine hundred and twenty (49,920) dollars.

Yours respectfully,

THOMAS M. THOMPSON,  
*Director.*

THOS. L. HICKS, ESQ.,  
Chief of Bureau of Highways.

DEAR SIR:—It was agreed last fall with Mr. J. J. Sullivan, President of the Electric Traction Co., that his company would re-pave this spring, with improved pavement Orthodox street, east of Frankford avenue.

If this work has not been commenced, please notify Mr. Sullivan that the Department desires him to proceed with the same as early as practicable.

Yours respectfully,

MR. J. J. SULLIVAN,  
President Electric Traction Co., Philadelphia.

DEAR SIR:—During last fall you agreed with the Director of the Department of Public Works that your company would re-pave this spring with improved pavement Orthodox street, east of Frankford avenue.

As the Department desires that this work shall be proceeded with as early as practicable, will you please inform

me when you will start this work, so that I may be able to report to the Director of the Department of Public Works.

Yours truly,

THOMAS M. THOMPSON, Esq.,  
Director, Dept. of Public Works.

DEAR SIR:—I am in receipt of reference No. 924, relative to the re-paving of Orthodox street, east of Frankford avenue, in which you call attention to letter forwarded to me under date of July 3.

In reply, would say that your letter of July 3d was received at this office on July 6th, due to the fact that the 4th of July was a holiday and the 5th was a Sunday. On Monday, the 6th of July, a communication was forwarded to Mr. J. J. Sullivan, President of the Electric Traction Company, advising him of your wishes in the matter, and directing him to proceed with the work. On July 11th we received a letter from Mr. Sullivan, advising me that he would call and see me about the matter in a few days, but, as yet, he has not called.

I have this day again written to him, with the request that he give the matter immediate attention, and advise us when we may expect the re-paving of this street to begin.

Yours truly,

(Signed) THOMAS L. HICKS,  
*Chief of Bureau of Highways.*

*Philadelphia, August 8, 1896.*

MR. J. J. SULLIVAN,

President Electric Traction Co., Philadelphia.

DEAR SIR:—I beg to remind you that under date of July 6th, I communicated with you on the subject of re-paving Orthodox street, east of Frankford avenue. Under date of July 10th you wrote, advising me of your intention to call and see me with regard to my communication.

I am this day in receipt of an urgent communication through the office of the Director of the Department of Public Works desiring to know when you propose to begin this work.

Immediate attention and an early answer will very much oblige us, as I desire to know what reply to make to the Director.

Yours truly,

(Signed) THOMAS L. HICKS,  
*Chief of Bureau of Highways.*

*Philadelphia, August 14, 1896.*

MR. J. R. BEETEM,

General Manager, Electric Traction Co.

MY DEAR SIR:—Last fall, Mr. Jeremiah J. Sullivan, President of the Electric Traction Co., promised the Director of the Department of Public Works, that his company would, this season, re-pave with improved pavement, Orthodox street, east from Frankford avenue.

The street in question has the trolley construction upon it, although no tracks have as yet been built, and it is admitted that the trolley construction fixes the liability of the company for this re-paving.

Relying upon the promise of Mr. Sullivan that this street should be re-paved this season, arrangements were made for the re-paving of the other portion of Orthodox street, which would have made a complete avenue with improved pavement, if the work of the railway company had been completed according to promise.

Under date of July 6th, I received an urgent request from the Director of Public Works to press the matter upon Mr. Sullivan's attention, and to ascertain from him when he proposed fulfilling his promise; after communicating with Mr. Sullivan, I received from him a letter acknowledging the receipt of my communication, stating that he would call to see me about the matter. This was July 10th, since which time I have heard nothing from him. Under date of August 8th, I again communicated with Mr. Sullivan, and am still waiting for his reply.

Will you kindly take this matter up, and let me know definitely what answer I shall make to the Director?

Very truly yours,

(Signed) THOMAS L. HICKS,  
*Chief of Bureau of Highways.*

*Philadelphia, August 18, 1896*

THOMAS M. THOMPSON, Esq.,  
Director, Dept. of Public Works.

DEAR SIR:—In reply to reference No. 924, hereto attached, I beg to make the following report:

As stated in my letter, under date of August 8th, relative to this reference, would say that I wrote Mr. J. J. Sullivan, President of the Electric Traction Co., on the subject of re-paving Orthodox street, east of Frankford avenue, requesting immediate attention and an early answer.

Not having received any reply, on the 14th inst., I wrote Mr. J. R. Beetem, General Manager of the company, informing him of the facts in the case, stating that I had written to Mr. Sullivan and had received no reply, and asking him to take the matter up and let me know definitely what the company proposed to do.

As soon as I receive a reply, I will forward copy of same to you.

This reference has been delayed, expecting to hear from Mr. Sullivan.

Yours truly,  
(Signed) THOMAS L. HICKS,  
*Chief of Bureau of Highways.*

---

*Philadelphia, Sept. 29, 1896.*

MR. J. R. BEETEM,  
General Manager, Electric Traction Co.

DEAR SIR:—I have been waiting patiently for a definite answer as to when your company intended complying with the notices of this Bureau regarding the re-paving with improved pavement of Orthodox street, in the Twenty-third Ward, where the overhead trolley construction has been erected, and of Wood street, between Second and Third streets, and Fifth and Sixth streets, where your company constructed the underground conduits, subject to the conditions imposed by the Ordinance of April 3, 1894.

In the case of Orthodox street, Mr. Sullivan undoubtedly promised the Director of the Department of Public Works last fall, that this street should be re-paved this season.

In the case of Wood street, there can be no question under the ordinance of the Company's liability.

I have therefore, to ask, that you kindly advise me without further delay, as to when I may expect you to begin the work of re-paving these streets.

Very truly yours,  
(Signed) THOMAS L. HICKS,  
*Chief of Bureau of Highways.*

MR. THOMAS L. HICKS,  
Chief of Bureau of Highways.

DEAR SIR:—In reply to your favor of the 29th inst., relative to the re-paving of Orthodox street, as well as the re-surfacing of Spring Garden street, would say, that we have referred this matter to our executive committee, and will advise you upon instructions from them.

Yours very truly,

*Philadelphia, Oct. 7, 1896.*

THOS. L. HICKS, Esq.,  
Chief of Bureau of Highways.

DEAR SIR:—Mr. J. Lowber Welsh, President of the Union Traction Co. called at this office and stated that Mr. Sullivan was ready to proceed with the re-paving of Orthodox street, which he proposed to do with Belgian block.

You will communicate with the Union Traction Co. at once, informing it that Mr. Sullivan agreed with this Department to re-pave Orthodox street with sheet asphalt, and the Department will decline to allow Belgian blocks to be put down. Furthermore, if the work of re-paving this street with sheet asphalt is not commenced within the next fifteen (15) days, we will forward a communication to Councils, stating the facts of the case, and asking for instructions in the matter.

I think the Department has been treated very unfairly by Mr. Sullivan in this matter, as he promised over a year ago to have this work done. We shall, however, insist upon his agreement with the Department being complied with.

Yours respectfully,  
(Signed) THOMAS M. THOMPSON,  
*Director.*

MR. J. R. BEETEM,

General Manager, Electric Traction Co.

DEAR SIR:—Attached hereto please find copy of a communication which I have this day forwarded to Mr. J. Lowber Welsh, President of the Union Traction Co., relative to the re-paving of Orthodox street, and in pursuance of the agreement of the Presidents of the various companies comprising the Union Traction Company syndicate I hereby serve notice upon you to commence the re-paving of Orthodox street with sheet asphalt within the next fifteen (15) days, and to push the work to a speedy conclusion, otherwise the Department will forward a communication to Councils, stating the facts of the case and asking for instructions in the matter.

Yours truly,

MR. J. LOWBER WELSH,

President, Union Traction Co.

DEAR SIR:—I am this day in receipt of a communication from the Director, Department of Public Works, stating that you called at his office and stated that Mr. Sullivan, President of the Electric Traction Co. was ready to proceed with the re-paving of Orthodox street, which he proposed to do with Belgian block.

I am instructed by the Director to communicate with you at once, informing you that Mr. Sullivan agreed with the Department to re-pave Orthodox street with sheet asphalt, and the Department will decline to allow Belgian blocks to be put down. Furthermore, if the work of re-paving this street with sheet asphalt is not commenced within the next fifteen (15) days we will forward a communication to Councils, stating the facts of the case and asking for instructions in the matter.

The Director is of the opinion that the Department has been treated very unfairly by Mr. Sullivan in this matter, as he promised over a year ago to have the work done. We shall, however, insist upon his agreement with the Department being complied with. You are therefore notified to commence the work of re-paving this street with sheet asphalt within the next fifteen (15) days and to prosecute the work to a speedy conclusion.

I would request the favor of a prompt reply as to your intention in the matter.

Yours truly,

UNION TRACTION CO., PRESIDENT'S OFFICE,  
304 Walnut street,

*Philadelphia, Oct. 23, 1896.*

THOS. L. HICKS, Esq.,  
Chief of Bureau of Highways.

DEAR SIR:—Yours of October 8th, referring to the paving of Orthodox street, was duly received:

You say "I am instructed by the Director to communicate with you at once, informing you that Mr. Sullivan agreed with the Department to re-pave Orthodox street with sheet asphalt, and the Department will decline to allow Belgian blocks to be put down. Furthermore, if the work of re-paving this street with sheet asphalt is not commenced within the next fifteen days, we will forward a communication to Councils, stating the facts of the case and asking for instructions in the matter.

"The Director is of the opinion that the Department has been treated very unfairly by Mr. Sullivan in this matter, as he promised over a year ago to have the work done. We shall, however, insist upon his agreement with the Department being complied with. You are therefore notified to commence the work of re-paving this street with sheet asphalt within the next fifteen days, and to prosecute the work to a speedy conclusion."

Your letter was referred to Mr. Sullivan to ascertain exactly what he did agree to do and he replies as follows:

"It is not true that I ever agreed to pave Orthodox street with sheet asphalt; sheet asphalt was never mentioned in regard to Orthodox street. In 1894 Director Windrim directed that it should be paved with blocks, and we were prepared to pave it and purchased the blocks for that purpose, but Chief Webster ordered us not to go ahead with the work, as he stated a sewer had to be put in. While we have not actually entered into a contract for this work, it has been promised to Mr. Horr, who has been following up the matter."

It appears, therefore, that your criticism of Mr. Sullivan is unjust, and that after Director Windrim had expressly authorized and instructed us to pave this street with Belgian block, you now insist upon our paving it with asphalt.

Owing to Mr. Horr's absence in the West it was not until to-day that Mr. Sullivan and he could see you and the Director in order to personally present the facts in relation to this street, and I deferred answering your letter until after they had had this interview with you. Mr. Sullivan now reports that, notwithstanding our agreement with Director Windrim, Director Thompson and yourself now insist upon our paving this street with asphalt.

We are advised by our counsel that as the City had elected to have this street paved with Belgian block, and had notified us to do so, it is bound by its election, and we cannot now be compelled to put down or pay for a different kind of pavement.

We are ready to proceed at once with the work in accordance with our agreement with Director Windrim, and hereby formally make to the City, through you, our offer to re-pave Orthodox street for the whole length occupied by our construction with Belgian block, but refuse to pave it with asphalt.

Having thus stated our position, we desire to add that, if the only question of expense involved was the original cost of asphalt pavement, we would waive any right that we have in the matter rather than provoke a controversy, but experience everywhere shows that the course pursued by the City, in allowing sheet asphalt pavements to be constantly cut open, and improperly patched, and the manner in which it waters the streets, or allows street contractors or street sprinklers or associations of property owners to do so, is such that the best asphalt pavements which can be put down are entirely worn out in the course of a few years.

The pavement on Spring Garden street is an example of this: It was laid by the City in 1890 and the Union Passenger Ry. Co. paid the bill therefor without suit. The pavement has been again and again opened and badly patched, and has been flooded with water so that it has rotted out. We have protested against the treatment which the pavement on this street has received at the hands of the City, but without avail, and now we are called upon to re-pave it. The sheet asphalt pavements which have been put down on other streets all over this town are being treated in the same way, and the same question is bound to arise within a few years.

We cannot believe that the City officials or the public will demand anything so unreasonable as that we shall be expected to re-pave the streets of this city every five or six years (or possibly every three or four years,) because such re-paving with sheet asphalt has been made necessary through the City's thus destroying or permitting others to destroy the paving we have done.

For the reasons above given we must refuse to comply with your request to pave Orthodox street with asphalt pavement instead of Belgian blocks.

Very truly yours,

(Signed) JNO. LOWBER WELSH,  
*President Union Traction Co.*

*Philadelphia, Oct. 23, 1896.*

JOHN LOWBER WELSH, Esq.,  
President, Union Traction Co.

MY DEAR MR. WELSH:—I am in receipt of your favor of even date, replying to my communication of the 8th inst., in which you advise me that Mr. J. J. Sullivan declares that he did not agree that Orthodox street should be re-paved with sheet asphalt, and that in 1894 Director Windrim directed that the street should be paved with blocks. You then say, that it appears that my criticism of Mr. Sullivan was unjust, and that after it was agreed that the street should be re-paved with Belgian blocks, I now insist upon its being paved with asphalt.

In reply to the above, permit me to say in the most positive and emphatic manner, that I repeat the statements contained in my letter of the 8th instant, furthermore, there is nothing of record in the Department of Public Works or Bureau of Highways to show that Director Windrim either authorized, directed or agreed to anything of the kind, and besides this, it is only at this late day that Mr. Sullivan presents the defense that any other kind of pavement was agreed upon, or that any arrangement was made with Mr. Horr for the re-paving of the street. In the next place, I am only now insisting upon Mr. Sullivan fulfilling the promises which he made to Director Thompson last fall, in consideration of the Director consenting to the postponing of the re-paving of Orthodox street until this season.

Only this morning, Mr. Sullivan was here to see me with Mr. Horr, and I went with them to see Director Thompson.

Mr. Sullivan attempted to present to Director Thompson the same statement which you present in your letter. The Director very quickly settled the controversy by telling Mr. Sullivan exactly what had been agreed upon between them, even reminding Mr. Sullivan that he had forgotten having written a letter to Director Thompson on the subject, hence, I say, Mr. Sullivan is not acting in good faith, and in my opinion, is resorting to methods which are not to his credit for the purpose of evading a responsibility which undoubtedly rests upon him.

So far as yourself and the members of your Board are concerned, you of course can only understand the situation as presented either by Mr. Sullivan on the one hand, or Director Thompson and this Bureau on the other.

As for your counsel advising you that the City had elected to have this street paved with Belgian blocks, and had notified you to do so, and the City is therefore bound by its election, let me suggest to you, that you have only Mr. Sullivan's statements at this late day that any such proposition was agreed to by any one, while the records of the Department do not show any such agreement having been entered into, and it can be unquestionably established that, upon the part of the Director of Public Works, the members of Councils from the Twenty-third Ward, a number of the citizens of the Twenty-third Ward and the records of this Bureau, that the understanding was that this street should be paved with sheet asphalt, and that in pursuance of that understanding the City arranged and did contract for the re-paving of her portion of the street, in order that the paving might be uniform.

As this whole matter has been turned over to the Director I have immediately transmitted a copy of your letter to him, and will advise you of his reply as soon as it shall have been received, or he may possibly communicate with you direct.

Very truly yours,

(Signed) THOMAS L. HICKS,

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinances to authorize the opening of Letitia, Greene, Johnson, Hansberry, Knox, Sixteenth, Grant, Levering, and Comly streets, and Roberts avenue, beg leave to report, That we have carefully

considered these ordinances, and from the best information obtainable we believe that all these streets are for the benefit of the general public and very badly needed.

Letitia street is opened to its full width of 36 feet, excepting a small end at Market street, where the street is so narrow that but one wagon can pass through at one time. Considering the large amount of business daily transacted in this street and the delays because of its condition we think the City is justified in opening the street. The Department of Public Works have estimated the damages at \$31,000. Part of the damages awarded will in all probability be assessed against the properties benefited.

Greene street is opened on either end, leaving this one block in the way of very large improvements. No improved property is disturbed by reason of the opening, consequently we think the opening will be a benefit.

Johnson street runs through property that is now either farmed or in the woods. A portion of the street has been in use by the public for many years, but no legal opening has ever taken place. The opening would be a decided benefit to the property and of great use to the residents in the vicinity.

The greater portion of Hansberry and Knox streets will be dedicated to the City, leaving small ends to be opened. As no improved property is disturbed the damages, if any, will be very small and will probably be assessed against the balance of the owners. Large building improvements are dependent on the opening of these two streets.

Levering street was used by the general public for a number of years, but recently one of the owners of property on the line of the street has erected a fence across the street. As his title only extends to the line of the street no damages can be awarded for the opening.

The necessity for opening Sixteenth street arises from the fact that Dounton, Staub, and Howard streets are all built upon and practically dead end streets, and will remain so until Sixteenth street is opened.

Grant street was plotted after very careful consideration by Councils in order to connect Bustleton and Torresdale. For a number of years the residents and owners of property

in this vicinity have petitioned Councils to provide such a means of travel. The section through which the street passes is entirely farmed lands, much of which has no direct connection with any public street or road. The majority of the owners of property have testified under oath they would not claim any damages by reason of the opening of the street, but on the contrary stated their properties would be largely benefited. A few owners, who will claim damage, cannot recover more than the ground taken for the street, and even this is exceedingly doubtful, as their properties would certainly be benefited by reason of having a direct outlet. Ground in the vicinity has recently sold for about \$300 per acre, so that in any event the damage will be very small. The opening of this street will be an improvement very badly needed.

Comly street is opened for the purpose of providing the residents in the vicinity with an outlet to the improved section of Frankford. The ground through which the street passes is owned by an estate who cannot dedicate. No improved property will be injured, so that very little damage should result.

Roberts avenue is very badly needed to permit the owners of property in the vicinity to develop. Repeated efforts have been made to change the line of the street so as to reduce the amount of the damage, but the efforts have always failed, as the Board of Surveyors have plotted this street in the present location for the purpose of providing an outlet to the large section to the southward. As the opening is for one block only, and no improved property being taken or disturbed the damages should not be very great.

In view of the reasons given above the Committee report the annexed ordinance with a favorable recommendation.

“AN ORDINANCE

Regulating the wage rate of laborers engaged upon City contract work.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That hereafter all contractors who desire to bid for contracts to collect and destroy garbage, clean streets, pave and re-pave streets, lay gas or water mains, build sewers, etc., shall first file a bond or agreement satisfactory to the City Solicitor, to pay their help on said work not less than the minimum rate of wages paid by the City to her laborers. All ordinances or parts of ordinances inconsistent herewith be and the same are hereby repealed,” and requesting “opinion as to whether such bill, if passed by Councils, would be legal,” is before me for reply.

Contracts in the City of Philadelphia are awarded in the method prescribed under Section 6 of the Act of Assembly of May 23, 1874, as follows:—“All stationery, printing, paper and fuel used in the Councils, and in other depart-

ments of the City government, and all work and materials required by the City, shall be furnished and the printing and all other kinds of work to be done for the City shall be performed under contract, to be given to the lowest responsible bidder, under such regulations as shall be prescribed by ordinance."

The 6th Section of Article IV, of the Act of Assembly of May 23, 1889, applying to cities of the third class is, as you will perceive, almost identical in form with the section of the Act of 1874 above quoted:—"All stationery, paper and fuel used in the Councils, and in other departments of the City government, and all work and materials required by the City shall be furnished, and all printing, advertising and all other kinds of work to be done for the City, except ordinary repairs of highways, shall be performed under contract to be given to the lowest responsible bidder, under such regulations as shall be prescribed by ordinance."

The City of Reading is a city of the third class. The Commissioners of the Water Department of that City under authority of Councils prepared plans and specifications, and invited proposals for the construction of an inlet, and in "said specifications stipulated that the person to whom the contract should be awarded should not employ any laborer, artisan, or mechanic upon the said work who was not a citizen of the United States, and that the said contractor should not pay less for labor on said work than \$1.50 per day for every person employed." A contract for said work was awarded to a certain bidder on the basis of the said specifications, and an injunction was thereupon applied for and granted to restrain said Commissioners, as well as the said City, from executing said contract with said bidder by the Court of Common Pleas of Berks County, on the ground that such an award would be unlawful and void and which judgment was affirmed on March 18th, 1895, by the Supreme Court.

The point in the latter case, you see, is exactly analogous to that in the one submitted by you to me. I therefore say to you that such an ordinance will be illegal.

Respectfully yours,

JOHN L. KINSEY,

*City Solicitor.*

DEPARTMENT OF PUBLIC SAFETY.

*Philadelphia, November 18, 1896.*

HON. CHAS. F. WARWICK,  
Mayor of Philadelphia.

DEAR SIR:—The Select and Common Councils of the City of Philadelphia on the 8th day of October, 1896, adopted the following:

## RESOLUTION

Of request to the Director of the Department of Public Safety, relative to the removal of poles on the south side of Walnut street, between Second street and Third street.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department of Public Safety be, and is hereby requested to take

such action as will insure the removal of all poles (which are too close to the car tracks and thereby endanger the lives of our people) on Walnut street, south side, between Second and Third streets.

In compliance with this resolution the Department sought the co-operation of the property owners and the officials of the Union Traction Company and the Hestonville, Mantua and Fairmount Passenger Railway Company, and I have the honor to report that all the trolley poles referred to in the resolution have been removed.

There are three large telegraph poles remaining, for the removal of which the Department will make strenuous efforts. It will be a very difficult matter, but all that is possible will be done to accomplish it.

May I ask that you transmit the above to Select and Common Councils.

I remain, with respect, yours truly,

FRANK M. RITER,

*Director.*

## REPORT OF JURY.

(Filed November 16, 1896.)

*To the Honorable the Judges of the said Court:*

The undersigned Jurors, appointed by your Honorable Court, to wit, on the petition of Jacob Henly, to assess the damages and benefits, if any, for the widening of Arch street, at No. 831, in the Ninth Ward of the City of Philadelphia, respectfully report:

That after due notice the jurors met on September 21, 1896, for organization. All of the jurors were present at this meeting. At this meeting and at subsequent meetings the jury were attended by Max Herzberg, counsel for the petitioner, and George E. Fili, Esq., Assistant City Solicitor, for the City of Philadelphia.

That at this meeting, to wit, on September 21, 1896, the jury were severally sworn or affirmed by one of their number upon their *voir dire*, and examined, touching their capacity to serve as road jurors in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve. The jurors were then severally sworn or affirmed by one of their number to perform their duties as road jurors in the matter of the opening of Arch street, at No. 831, impartially and according to their best judgment. The jurors then organized by electing Wm. H. Dickson, Foreman. After which the petition was read to the jury and the official plan produced, which is attached and filed with this report. The jurors then adjourned to meet on September 23, 1896, for the purpose of making a view of the premises. All of the jurors were present at said view.

That the jury met for the purpose of hearing testimony, consultation, review, and arguments of counsel, on the following days: September 25, 30, October 7, 14, 21 and 28, 1896.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which said street is to be widened, and considering as well the advantages and disadvantages to each and every property on the line of the said street by the widening thereof, and acting on their best judgment the jury do find that the property of the petitioner is not damaged by the said widening, and therefore award no damages.

All of which is respectfully submitted.

(Report of Jury filed November 9, 1896.)

*To the Honorable, the Judges of said Court:*

The undersigned jurors appointed by your Honorable Court to assess the damages and benefits, if any, caused by the opening of Paschall street, from Lancaster avenue to Fifty-second street, respectfully report :

That after due notice they met for the purposes of their appointment, at the Road Jury Rooms, No. 211 South Sixth street, March 17, 1896, at 1. P. M., for organization.

There were present, at the meeting, P. M. Stackhouse, Samuel Clarke, Caleb H. Horne, Theodore H. E. Gruel, Robert Summers and E. M. Walter, jurors, and Francis H. Thole, Esq., Joseph H. Rhoades, Esq., and P. J. McManus, Esq., for the petitioners, and J. Lee Patton, Esq., for the City of Philadelphia.

The jury organized by electing P. M. Stackhouse, Foreman, and Caleb H. Horne, Secretary, after which the jury were sworn or affirmed on their *voir dire* and found to be disinterested, competent and in all respects duly qualified to serve. They were then sworn or affirmed to perform their duties in the matter of the opening of Paschall street, from Lancaster avenue to Fifty-second street, impartially and according to their best judgment, after which the petition for the appointment of the jury was read to the jurors and the affidavit of service of notice produced, which is hereto attached and marked "Exhibit A." The jury then adjourned to meet on March 24, 1896, on the premises, for the purpose of making a view. On March 24, 1896, the jury met on the premises and viewed the same. At this meeting all of the jurors were present.

Robert Summers, one of the jurors, having resigned, the Court appointed James M. Cox in place of the said Robert Summers. James M. Cox appeared on October 6, 1896, and was sworn on his *voir dire* and found to be disinterested, competent and in all respects duly qualified to serve. He was then sworn to perform his duty as a juror in the matter of the opening of Paschall street, from Lancaster avenue to Fifty-second street, impartially and according to his best judgment.

Meetings were held for the purpose of taking testimony, hearing the arguments of counsel, and for consultation, on March 31, 1896, April 7, 14, 21, 29, May 6, 13, 20, 27, June 3, 17, 24, July 1, 8, 13, 15, 19, September 22, 29, October 6, 13, 15, 19, 22, 23, 26, and 28.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which the said street is to be opened, and considering as well all the advantages and disadvantages to the various property owners by reason of the opening of the said Paschall street, between Lancaster avenue and Fifty-second street, the jury do find and award the following damages:

Joseph Lentz.....	\$3,500 00
Charles H. Lentz.....	350 41
John Kelly.....	533 50
Patrick Morris.....	525 00

The jury also find that no property is benefited by reason of the opening of the said street, and that all the damages should be paid by the City of Philadelphia.

All of which is respectfully submitted.

THE COUNTY OF PHILADELPHIA

In the matter of the opening of McClellan street, from Eleventh street to Gerhard street, in the First Ward of the City of Philadelphia.

(Filed November 9, 1896.)

## REPORT OF JURY.

*To the Honorable the Judges of said Court:*

The undersigned jurors appointed by your Honorable Court to assess the damages and benefits, if any, from the opening of McClellan street, from Eleventh street to Gerhard street, in the First Ward of the City of Philadelphia, respectfully report:

That after due notice the jury met on the 20th day of February, 1896, at the Road Jury Rooms, 211 South Sixth street, for organization. The following jurors were present at this meeting: Robert H. Price, C. E. Stringfield, Samuel R. Wolf, John J. Daly, William Ring, and Robert McCain. At this meeting the following counsel were present: B. F. Fisher, Esq., attorney for claimants, and Charles E. Perkins, Esq., Assistant City Solicitor, for the City of Philadelphia. The jury organized by electing Robert H. Price, Foreman, and Samuel R. Wolf, Secretary. After which the jurors were sworn or affirmed, and examined touching their capacity to serve as road jurors in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve, after which they were duly sworn or affirmed to perform their duties as road jurors in the matter of the opening of McClellan street, from Eleventh street to Gerhard street, impartially and according to their best judgment. That at this meeting a copy of the petition was read to the jury, and the official plan produced for the use of the said jury. The affidavit of service of notice on the registered property owners was also produced, and is now on file in the Court of Quarter Sessions.

That the jury met to view the premises on February 22, 1896. Subsequent meetings for the purpose of hearing testimony and the arguments of counsel were held on February 24, 25, March 2, 4, 9, 13, 16, 18, 24, 30, April 1, 2, 3, 4, 6, 7, 9, and one meeting for signing.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which the said street is to be opened, the jury find the following facts:

That on January 1, 1868, Charles S. Close, Surveyor and Regulator of the Second District of Philadelphia, plotted the ground of real estate in the First Ward of the City of Philadelphia. On this plan McClellan street was laid out 35 feet wide, running westward from Eleventh street 255 feet, but the said McClellan street never was physically opened westward from Eleventh street to the distance of 204 feet, and the owners and occupiers of the lots situate on the said McClellan street never used and never had any access, ingress or egress to any portion of the ground called McClellan street at any time to the westward beyond a point 204 feet westward from Eleventh street, until McClellan street was legally opened from Eleventh street to Gerhard street, by ordinance of Councils, approved April 3, 1891.

The owners of the various lots however, upon both sides of McClellan street, sold and conveyed the same from time to time since said year 1869, describing the same as being situate on McClellan street a certain number of feet westward from Eleventh street, and on some of these lots the purchasers built two-story brick houses, fronting on McClellan street (see brief of deeds marked "Exhibit A.")

The Registrar of the Bureau of Surveys certified of date April 4, 1889, before Mr. Cassidy laid out Gerhard street, "that McClellan street, between Eleventh street and Twelfth street, is not laid out on the confirmed plan of the city, and it has not been dedicated or legally opened as a public highway." It was not placed on the plan of the city until after the passage of said ordinance of April 3, 1891.

During the year 1889, by sundry deeds of conveyance from all the various owners of the ground lying between Moore and Mifflin streets, between a line 204 feet westward from the west side of Eleventh street and a line 63 feet more or less eastward from Twelfth street, including the

soil of said Buck road and of McClellan street as plotted by said Charles S. Close, became vested in fee simple in John J. Cassidy, his heirs and assigns, as shown by sundry deeds offered in evidence. The said John J. Cassidy thereupon laid out over said lot of ground Gerhard street, extending from Moore street to Mifflin street, and proceeded to erect a row of brick houses upon each side of said Gerhard street, the erection of which had reached the laying of the first floor of joist, including the excavation of the cellars, and the stone work and part of the brick work. Thereafter, to wit, April 3, 1891, by ordinance of Councils, McClellan street was legally opened, from Eleventh street to Gerhard street, and placed upon the City plan. The jury further find that at the time of the said opening of McClellan street into Gerhard street by the City of Philadelphia, the said John J. Cassidy was the owner of the bed of what now constitutes McClellan street, and of all the properties abutting thereon from a point 204 feet westward from Eleventh street, and that previous to said opening he had started to erect three houses thereon, of all of which he was deprived by said opening, and the jury award him the sum of \$1,672.50, as and for his damage sustained thereby.

The jury also finds that no properties are benefited by the opening of McClellan street, from Eleventh street to Gerhard street, in the First Ward of the City of Philadelphia, and that as the said John J. Cassidy owned the bed of McClellan street, on which the said houses were erected, all the damages should be paid by the City of Philadelphia.

All of which is respectfully submitted.

SAMUEL R. WOLF,  
ROBERT H. PRICE,  
JOHN L. DALY,  
C. ELWOOD STRINGFIELD,  
WILLIAM RING,  
ROBERT MACCAIN.

### APPENDIX No. 62.

*Philadelphia, November 19, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinances to authorize the opening

of Wolf, Knox, Nash, Franklin, Butler, "11," Fifty-seventh, Race, Arch, Fifty-first, Archer, Short, Morris, and Twenty-third street, Glenwood, Erie, and Woodbine avenues," beg leave to report that we have carefully considered these ordinances and find that they are needed for the use of the general public, and their opening will very materially aid in the development of property and thus speedily return to the City whatever damage may be assessed for their opening.

To Woodbine avenue, Arch and Fifty-first street, a proviso has been added protecting the City from any damage.

Wolf street is graded and paved on either side of the portion to be opened, which can never be done without the payment of damages. The owners of property have filed agreements not to claim more than \$4,000 damages. We think it is of sufficient public importance to warrant the City in assuming the damage.

Knox street is all opened at the present time, excepting about 90 feet, which cannot be dedicated because the ground being owned by an estate who have not that power. There probably will be no claim made for damage for opening this street.

The portion of Nash street to be opened is included in the lines of a cemetery, who only ask damages in the sum of \$500, it costing them about this amount to replace their fence and make their property conform to the street levels.

Franklin street is needed in order to permit the owners of property to develop property that now lies dead. The street is opened to the width of 50 feet, and the present ordinance only takes five feet additional. The damages should not be great.

Glenwood avenue will be dedicated for more than three-fourths of the distance, the balance being owned by parties who refuse to dedicate. The opening of the street will develop property, permitting builders to proceed with the erection of houses which will very soon repay the City.

Erie avenue and Butler street are both actually opened on the ground and have been in use by the general public for a number of years. The records in the Bureau of Surveys, however, do not show any legal opening of Erie ave-

nue and a small portion of Butler street. Ordinances have been passed by Councils to pave these streets, but doubt has arisen as to the ability of the City to collect the bills because of the lack of proper records in the Bureau of Surveys. No possible damage can arise for opening these streets.

"H" street goes through property that will be benefited by reason of the opening. No damage ought to be claimed.

Most of the owners of property on the line of Fifty-seventh street will dedicate the ground to the City. As the property is all unimproved there ought to be no damage for the opening of the street. The dirt removed in grading Fifty-seventh street can be placed in Media street, thus having two streets graded for one cost, saving the City about \$5,000. In view of the urgent demands for grading Media street, Fifty-seventh street should be opened in order to procure the dirt.

Race street has been dedicated on the south half nearly the whole distance. The ground in this vicinity is being rapidly taken by builders, so that the opening will be a decided advantage to the property.

In the case of Archer street, a bond has been filed indemnifying the City against all damages by reason of the opening of the street.

Short street is legally and physically opened of the width of 30 feet and should be opened its full width of 40 feet, in order that the street improvements may be made. The damages should not be very great.

Twenty-third street will be dedicated for all the distance, excepting a small triangle near Fernon street. As there is no improved property on this small piece we do not see how any damages can be assessed.

On Morris street the owners of more than one-half of the property in the bed of the street have agreed to claim no damage. The balance of the owners have not given any intimation of what they will do, but as there is no improved property on the bed of the street and as the opening will be speedily followed by the erection of a large number of houses, we think the City is amply justified in assuming the risk of damages, which in any event will be very small.

For the reasons given above your Committee report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'u*), Wm. R. Knight, Jr., J. C. Keith, P. A. McClain, Thos. Wagner, Jr., Samuel Lamond, Jos. M. Adams, Jos. H. Brown, Saml. P. Town, Fred. Stehle, Jno. P. Buckley, P. E. Costello, John W. Davidson, Saml. K. Stinger, Watson D. Upperman, Hugh Black.

## AN ORDINANCE

To authorize the opening of Wolf, Knox, Nash, Franklin, Butler, "II," Fifty-seventh, Race, Arch, Fifty-first, Archer, Short, Morris, and Twenty-third streets, Glenwood, Erie, and Woodbine avenues.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notice said streets will be required for public use, to the full width as now on the City plan, viz.: Wolf street, from Eighth street to Moyamensing avenue; unopened portion of Knox street, from Logan to Seymour street; Nash street, from Church to Springer street; Franklin street, on the southeast side, from Germantown avenue to Emlen street; Glenwood avenue, from Twentieth to Twenty-first street; Erie avenue, from Seventeenth to Eighteenth street; Butler street, from Pulaski avenue to the easterly side of Seventeenth street; "II" street, from Westmoreland to Tioga street; Fifty-seventh street, from Haverford to Lancaster avenue; Race street, from Forty-ninth to Fifty-second street; Woodbine avenue, from Haverford avenue to a point where said avenue is now opened south of Lancaster avenue; Arch street, from Fifty-first to Fifty-one-and-a-half street; Fifty-first street, from Market to Arch street; Archer street, from Hunting Park avenue to Ruffner street; Short street, from Princeton to Friendship street; Morris street, from Point Breeze avenue to Twenty-eighth street; Twenty-third street, from Fernon street to Point Breeze avenue: *Provided*, That before said Glenwood avenue shall be opened the

owners of at least three-fourths of the property taken shall first dedicate the ground to the City; and before Woodbine avenue, Arch and Fifty-first streets shall be opened satisfactory agreements shall be filed by the owners of property not to claim damages.

SECT. 2. The Mayor of the City is hereby authorized and directed to enter security on behalf of the City of Philadelphia, for the payment of any damages which may be assessed by reason of the opening of said streets; upon the filing of said bonds, the Director of the Department of Public Works shall forthwith proceed to open said streets.

#### APPENDIX No. 64.

*Philadelphia, November 19, 1896.*

To the President and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the ordinance to amend ordinance auth-

orizing the placing of Rhawn street upon the City plan, between Hegerman and James streets, and to revise the lines and grades of streets affected thereby; also, authorizing the striking from the City plan of Hartell street, from James to Tulip street," beg leave to report, that satisfactory arrangements have now been made with the officers of the Pennsylvania Railroad Company as to the construction of the necessary bridge and the proper adjustment of the subject. The Pennsylvania Railroad Company has agreed to construct the bridge under the Philadelphia and Trenton Railroad. The passage of the annexed ordinance will place the street in a shape that work can be commenced as soon as an appropriation is made therefor. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'u*), Wm. G. Rutherford, P. A. McClain, James A. Briggs, Wm. Rowen, Jos. H. Brown, Saml. P. Town, Wm. H. Garrett, W. F. Short, George W. Conrad, W. G. Huey, Hiram A. Miller, Gustave R. Schaefer, Josiah Linton.

## AN ORDINANCE

To amend an ordinance authorizing the placing of Rhawn street upon the City plan, between Hegerman and James streets, and to revise the lines and grades of streets affected thereby. Also to authorize the striking from the City plan of Hartel street, from James to Tulip street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the first section of the ordinance approved the thirtieth day of January, 1896, entitled "An Ordinance to place Rhawn street on the City plan, between Hegerman and James street and to revise the lines and grades of streets affected thereby;" be altered and amended so as to read as follows: "That the Department of Public Works be authorized to place Rhawn street upon the City plan of the width of sixty feet, between Ditman street and the southeast line of the right-of-way of the Philadelphia and Trenton Railroad, and of the width of sixty-three feet from the southeast line of the right-of-way of the Philadelphia and Trenton Railroad to James street, in the Thirty-fifth Ward, in such a manner as to avoid grade

crossings with the Frankford and Holmesburg Railroad (Bustleton Branch) and the Philadelphia and Trenton Railroad; also to strike from the City plan Hartel street, between James and Tulip streets, and place upon the City plan Tulip street, from Decatur to Rhawn street, and to revise the lines and grades of all streets affected by said changes in the City plan: *Provided*, That the Pennsylvania Railroad Company shall agree that upon the confirmation of this portion of the City plan it will build a bridge at the Philadelphia and Trenton Railroad crossing with said Rhawn street, and do all necessary work within its right-of-way, one hundred feet wide, in connection therewith; the said bridge to be accepted by the City as a substitution for the bridge which the said Pennsylvania Railroad Company agreed to construct over the Philadelphia and Trenton Railroad on the line of Hartel street, in pursuance of the ordinance of March 29, 1887. The said Pennsylvania Railroad Company also to agree to allow the City of Philadelphia to construct a sewer within the line of its right-of-way from Rhawn street to Pennypack creek, in order to drain the depression under the Philadelphia and Trenton Railroad at Rhawn street."

## APPENDIX No. 65.

*Philadelphia, November 19, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to amend an ordinance approved April 13, 1896, entitled 'An Ordinance to place on the City plan May, Forty-five-and-a-half, Firth, Fifty-nine-and-a-half, Prescott, Hoopes, Ogden, Elberon, Baton, Bland, Dorrance, Ward, Wilder, Sears, Earp, Gerrett, Green, and Goodman streets,' " beg leave to report that Prescott street has been opened and in

use for several years but never placed on the City plan. All the owners of property, excepting one, are anxious to have the street placed on the City plan, for the purpose of building thereon. The improvements to be placed on the plan justify the city in assuming all risk of damages being awarded to this one owner. As there are no improvements on the street and the lots are of proper depth for building, we do not think any damage can be awarded, but as the balance of the ground is owned by different owners, none of them feel justified in filing a bond. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hults (*Ch'u*), Wm. G. Rutherford, P. A. McClain, James A. Briggs, Wm. Rowen, Jos. H. Brown, Saml. P. Town, Wm. H. Garrett, W. F. Short, George W. Conrad, W. G. Huey, Hiram A. Miller, Gustave R. Schaefer, Josiah Linton.

## AN ORDINANCE

To amend an ordinance, approved April 13, 1896, entitled "An Ordinance to place on the City plan May, Forty-five-and-a-half, Firth, Fifty-nine-and-a-half, Prescott, Hoopes, Ogden, Elberon, Baton, Bland, Dorrance, Ward, Wilder, Sears, Earp, Gerrett, Green, and Goodman streets."

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the first and only section of the ordinance, approved April 13, 1896, entitled "An Ordinance to place on the City plan May, Forty-five-and-a-half, Firth, Fifty-nine-and-a-half, Prescott, Hoopes, Ogden, Elberon, Baton, Bland, Dorrance, Ward, Wilder, Sears, Earp, Gerrett, Green, and Goodman streets," be altered and amended by inserting in the first proviso before the word "Green" the word "Prescott," so that the said ordinance shall read: *Provided*, "That the owners of ground within the lines of said streets, excepting Prescott, Green and Goodman streets, shall first dedicate the same as public highways, etc."

To authorize the construction of sewers in Ash, Adrian, Aramingo, Adams, Burton, Buckius, Costello, Church, Camac, Colona, Donnagana, Dauphin, Elizabeth, Franklin, Forty-second, Front, Hope, Julianna, Ludlow, Moore, Mountain, Marshall, Ontario, Preston, Reese, Righter, Riggs, Thirty-fourth, Thirty-first, Unruh, Verner, Westmoreland, and Willard streets, Haverford, Lehigh, Sedgley and Wayne avenues.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized to construct sewers in the following streets: Ash street, from Thompson to Richmond street; Adrian street, from

Thompson to Master street; Aramingo street, from Trenton avenue to Memphis street; Adams street, from end of the present sewer near Church street to Ruan street, and across private property to Frankford creek; Burton street, from Sixteenth to Eighteenth street; Buckius street, from Richmond to Salmon street; Costello street, from Stenton avenue to Beechwood street; Church street, from Elizabeth to Adams street; Camac street, from Venango to Angle street; Colona street, from Eleventh street east one hundred and forty (140) feet; Donnagana street, from Fifteenth to Sixteenth street; Dauphin street, from Third to Fifth street; Elizabeth street, from Church to Unity street; Franklin street, from Orthodox to Sellers street; Forty-second street, from Fairmount to Haverford avenue, and on Haverford avenue, from Holly to Brooklyn street; Front street, from Mifflin to McKean street; Hope street, from Thompson to Master street; Hope street, from Westmoreland to Ontario street; Julianna street, from Vine to Wood street; Ludlow street, from Fifty-sixth street three hundred and thirty-one (331) feet eastward; Moore street, from Ward to Twentieth street; Mountain street, from Twenty-first to Twenty-second street; Marshall street, from Tioga street to Sedgley avenue, thence on Sedgley avenue, from Marshall to Ontario street, thence on Ontario street, from Sedgley avenue to Hutchinson street; Preston street, from Filbert to Market street; Reese street, from Dauphin street to Lehigh avenue; Righter street, from Osborne to Lauriston street; Riggs street, from Dodia to Verner street; Thirty-fourth street, from Firth to Huntingdon street; Thirty-first street, from Gray's Ferry avenue to Wharton street; Unruh street, from sewer near Vandike to Ditman street; Verner street, from Riggs to Kansas street; Willard street, from Kensington avenue to Jasper street; Westmoreland street, from Third to Front street; Lehigh avenue (southwest side), southwest side only to be assessed, from Thompson to Fisher street; Wayne avenue, from Bristol to Dennie street.

SECT. 2. The Director of the Department of Public Works shall advertise according to law, announcing that bids will be received for the sewers above designated, and he shall allot them to the lowest responsible bidders; and it shall be a condition of said contract that the contractor shall

accept the sums assessed upon and charged to the properties lying upon the lines of said sewers in manner and form authorized by ordinance entitled "An Ordinance regulating the assessments upon property for the construction of branch culverts or drains," approved May 12, 1866, and supplement thereto, approved February 16, 1869, and any excess over and above said assessment in addition to that provided for by ordinance entitled "An Ordinance authorizing the Chief Engineer and Surveyor to draw warrants for street intersections, manholes and legal deductions in the construction of branch sewers," approved April 3, 1868, to be charged to the item for branch sewers, of annual appropriation made to the Department of Public Works (Bureau of Surveys), to an amount not exceeding the sum of twenty-three thousand (23,000) dollars.

SECT. 3. The Director of the Department of Public Works shall not award contracts for the construction of any of the sewers authorized by this ordinance until streets are on the City plan, legally opened, and all the properties abutting thereon assessed at full city rates: *Provided, however,* That where properties are assessed at less than full city rates, and the streets on the plan are opened, he may award contracts upon receipt of a duly executed agreement, binding owners to pay the regular assessment charges: *Provided further,* That assessments shall not be charged for the sewer on Unruh street, but no permit shall be issued for the drainage of properties on the line of this sewer until the regular frontage charges shall have been paid.

SECT. 4. That the Mayor be authorized and requested to enter security on behalf of the City of Philadelphia to indemnify owners of property against damages by reason of the construction of the sewer through private property, from Adams street to Frankford creek.

#### APPENDIX No. 67.

*Philadelphia, November 19, 1896.*

To the Presidents and Members of Select and  
of the City of Philadelphia.

We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to place on the City

plan a street 30 feet wide at the distance of 140 feet from Melvale street, from Clearfield street to Elkhart street; also, a street 30 feet wide, at the distance of 180 feet southeast from Melvale street parallel therewith, from Elkhart street to Ann street," beg leave to report, that a few years ago a number of streets were stricken from the City plan in this section, some of which have now dead ends. The placing of the proposed streets on the plan would provide an outlet for these streets and would not interfere with any of the machinery or extensive improvements made by the Philadelphia and Reading Railroad Company on their property. The only possible damage that can accrue will be for the ground taken. As the street will give an outlet to a very large section we think the ordinance should be passed. We, therefore, report with a favorable recommendation.

## AN ORDINANCE

To place on the City plan a street 30 feet wide at the distance of 140 feet southeast from Melvale street, from Clearfield street to Elkhart street; also, a street 30 feet wide, at the distance of 180 feet southeast from Melvale street and parallel therewith, from Elkhart street to Ann street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia, do ordain*, That the Department of Public Works be authorized to place on the City plan a street 30 feet wide, at the distance of 140 feet southeast from the southeast line of Melvale street and parallel therewith, and to extend from the northeast line of Clearfield street to the middle of Elkhart street; also, a street 30 feet wide, at the distance of 180 feet southeast from the southeast line of Melvale street and parallel therewith, and to extend from the northeast line of Elkhart street to the northeast line of Ann street.

*Philadelphia, November 19, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the ordinances to place on the City plan Marion, Shields, Clementine, Sergeant, Natrona, Douglas, Wanamaker, Hobart, Madison, Willard, Cantrell, Orkney, Ashmead and Hope streets and Kershaw avenue," beg leave to report that all of these streets are of legal width excepting Hope street, which has been opened and built upon for a number of years. To run Wanamaker and Hobart streets in a straight line would interfere very much with the proper development of the property, as the streets into which they run are not parallel. As all of these streets can be placed on the City Plan without any damage, we report the ordinance with a favorable recommendation.

Ellsworth H. Hults (*Ch'n*), Wm. G. Rutherford, P. A. McClain, James A. Briggs, Wm. Rowen, Jos. H. Brown, Sam'l P. Town, Wm. H. Garrett, W. F. Short, George W. Conrad, W. G. Huey, Hiram A. Miller, Gustave R. Schaefer, Josiah Linton.

## AN ORDINANCE

To place on the City plan Marion, Shields, Clementine, Sergeant, Natrona, Douglas, Wanamaker, Hobart, Madison, Willard, Cantrell, Orkney, Ashmead and Hope street, and Kershaw avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to place on the City plan Marion street, of the width of forty feet, from Queen to Hausberry street; Shields street, of the width of forty feet, from Woodland avenue to Paschall avenue; Clementine street, of the width of forty feet, from Twenty-eighth to Twenty-ninth street; Sergeant street, of the width of thirty feet, from Thirty-second to Thirty-third street; Natrona and

Douglas streets, each of the width of thirty feet, from Cumberland to Sergeant street; Wanamaker and Hobart streets, each of the width of thirty feet, from Haverford avenue to Callowhill street; Kershaw avenue, of the width of forty feet, from Fifty-second to Fifty-third street; Madison and Willard streets, each of the width of thirty feet, from "G" to Sundgard street; Cantrell street, of the width of thirty feet, from Twenty-eighth to Twenty-ninth street; Orkney street, of the width of thirty feet, from Lehigh avenue to Huntingdon street; Ashmead street, of the width of thirty feet, from Germantown avenue to Wakefield street; Hope street, of the width of twenty-five feet, from Susquehanna avenue to Norris street; Hope street, of the width of twenty-two feet, six and three-quarter inches, from Norris to Harrison street: *Provided*, That the owners of ground within the lines of said streets, excepting on Orkney, Ashmead and Hope streets, shall first dedicate the same as public highways, or shall file a bond or enter into a written agreement, satisfactory to the City Solicitor, indemnifying the City against all damages that may arise by reason of the placing of said streets on the plan and their subsequent opening, before this ordinance shall go into effect: *Provided, however*, That before said Orkney, Ashmead and Hope streets shall be placed on the City plan satisfactory evidence shall be furnished that said streets have been opened and in use for a sufficient length of time to protect the City from damages by reason of the placing of said streets on the plan: *Provided, also*, That the provisions of the ordinance approved April 8, 1890, requiring streets to run in a straight line shall not apply to Wanamaker and Hobart streets. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

*Philadelphia, November 19, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to

revise the lines and grades of the territory bounded by Dudley, Front, Mifflin and Otsego streets," beg leave to report that this section is now in a very dilapidated condition. Keeler's lane, now on the City plan, cuts the block in a diagonal direction, and as it does not run any farther than this one block no public necessity exists for retaining it on the plan. By striking this lane from the plan and placing thereon Dutton street, which is now built upon, and Hoffman street, the property can be developed to a very decided advantage without any detriment to any public interest. A proviso protects the City from any damage by reason of the change. We, therefore, report the ordinance favorably.

Ellsworth H. Hulst (*Ch'n*), Wm. G. Rutherford, P. A. McClain, James A. Briggs, Wm. Rowen, Jos. H. Brown, Saml P. Town, Wm. H. Garrett, W. F. Short, George W. Conrad, W. G. Huey, Hiram A. Miller, Gustave R. Schaefer, Josiah Linton.

## AN ORDINANCE

To revise the lines and grades of the territory bounded by Dudley, Front, Mifflin and Otsego streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to revise the lines and grades of a portion of the City plan bounded by Dudley, Front, Mifflin and Otsego streets, in the First Ward, so as to strike from said plan Keeler's lane, from Front to Otsego street, and to place on the plan Dutton street, of the width of 30 feet, from Mifflin to Hoffman street, and Hoffman street, of the width of 30 feet, from Otsego to Dutton street: *Provided*, That before said revision shall be made a bond or agreement satisfactory to the City Solicitor shall first be filed indemnifying the City against all damages by reason of said revision.

## AN ORDINANCE

Providing for the employment only of American citizens by contractors doing work for the City of Philadelphia.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That in all contracts hereafter let by the City of Philadelphia, or any department thereof, for the construction of public buildings, water works, sewers, or work of any description involving the employment of labor, there shall be a stipulation or covenant embraced in the contract that the contractor or contractors shall not employ any laborer, artisan, or mechanic upon the work undertaken or contracted for by him or them who is not a citizen of the United States: *Provided*, That the provisions of this section shall not apply to public work where the cost thereof is paid in whole or in part from assessments of benefits.

SECT. 2. That for every person who has not qualified as provided in Sect. 1, who may be found in the employment of such contractor or contractors on such city work, he or they shall, in said stipulation or covenant, agree to forfeit

five (5) dollars per day for every day that such person shall have been employed as aforesaid, and shall, in said covenant, authorize and empower the head of any department where such person or persons are employed to deduct from any sum or sums of money due said contractor under such contract the said sum of five (5) dollars per day for each person not a citizen of the United States, but employed as aforesaid, as liquidated damages for the failure of said contractor or contractors to observe and perform in this respect the conditions or terms of his or their contract.

SECT. 3. That it shall be the duty of the Departments to ascertain and require satisfactory proof of the citizenship of the laborers, artisans, or mechanics employed upon such work, and to keep a record of the number of days, or fraction thereof, upon which any person not a citizen as aforesaid shall have been employed.

SECT. 4. That it shall be the duty of the City Solicitor to insert in all contracts as aforesaid, and in all specifications of work to be done under such contracts, the stipulations and conditions provided for in this ordinance.

SECT. 5. That any ordinance or part of ordinance conflicting with the provisions of this ordinance be, and the same is hereby repealed.

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN :—I have the honor to herewith transmit for your consideration a communication received from Mr. Thomas M. Thompson, Director of the Department of Public Works, relative to an additional appropriation to the Bureau of Gas, Department of Public Works, for the year 1896.

I am, respectfully,

## DEPARTMENT OF PUBLIC WORKS.

*Philadelphia, November 25, 1896.*

HON. CHAS. F. WARWICK,  
Mayor of the City of Philadelphia.

DEAR SIR :—The appropriation to Item 2, of the Bureau of Gas, for the current year, is insufficient to pay the wages of the employees engaged in the manufacture of gas at the several gas works of the city; and unless additional money is provided for this item the Department will be unable to meet the demands of the pay-rolls due December 31, 1896.

I, therefore, respectfully request that you forward this information to Councils, with the recommendation that an additional appropriation of \$15,000 be made to the Bureau of Gas, Section 3, Item 2, of the annual appropriation for the year 1896.

Yours respectfully,

THOMAS M. THOMPSON

*Director.*

## LAW DEPARTMENT.

*Philadelphia, November 20, 1896.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR :—Your communication of November 19, enclosing the following resolution, received :

## “RESOLUTION

Of request to the City Solicitor in regard to the pollution of the Schuylkill water by coal companies.

WHEREAS, Under a joint resolution of Councils, passed on January 9 last, the attention of the City Solicitor was called to a violation of law on the part of coal companies in polluting the water used by our citizens for domestic purposes, and the City Solicitor in response to his opinion that the pollution was illegal was authorized to take such proceedings as he deemed judicious to protect the City's interest in the matter;

AND WHEREAS, The offensive pollution was again the subject of public comment the past week ; therefore

*Resolved, by the Select and Common Councils of the City of Philadelphia, That in order to satisfy the public mind, the City Solicitor is hereby requested, if not incompatible with public interest, to inform these bodies how far proceedings in the matter has progressed.”*

On July 15, 1896, we made application to the Supreme Court to take original jurisdiction, under the Constitution, in a proceeding to be instituted by the City against a number of corporations who, we alleged, were polluting the waters of the Schuylkill river. The Court made an order permitting the filing of a bill and taking original jurisdiction. The bill (copy of which I enclose you) was filed and served upon the defendants. No answer has yet been filed, but Messrs. Dickson and Hart, representing the Philadel-

phia & Reading Coal and Iron Company, have been in consultation with this Department with the purpose of devising some means for preventing the pollution of the river.

As soon as the defendants file their answer, if they deny the allegations of our bill, a Referee will be appointed to take testimony and report to the Court. We have been pushing the case with the intention of having it heard when the Supreme Court comes to Philadelphia, January, 1897.

Yours respectfully,

JOHN L. KINSEY,  
*City Solicitor.*

IN THE SUPREME COURT OF PENNSYLVANIA,  
EASTERN DISTRICT.

Sitting in Equity.

No. 246. Miscellaneous Docket, No. 1.

Commonwealth of Pennsylvania, ex relatione Henry C. McCormick, Attorney General, and the City of Philadelphia, Complainants,

against

The Philadelphia and Reading Coal and Iron Company, and Joseph S. Harris, Edward M. Paxson and J. Lowber Welsh, Receivers of said Company ; The Lehigh Coal and Navigation Company ; The Silver Brook Coal Company ; The Broad Mountain Coal Company ; The Roberts' Coal Company, and The Stoddard Coal Company, Defendants.

*To the Honorable the Judges of said Court:*

Your orators complain and say :

*First*—That the City of Philadelphia is a municipal corporation of the State of Pennsylvania.

*Second*—That “The Philadelphia & Reading Coal and Iron Company” is a corporation existing under and by

virtue of an Act of the General Assembly of said State, and that Joseph S. Harris, Edward M. Paxson, and J. Lowber Welsh, are the Receivers thereof, having been duly appointed by the Circuit Court of the United States for the Eastern District of Pennsylvania.

The Lehigh Coal & Navigation Company is a corporation existing under and by virtue of an Act of the General Assembly of said State.

The Silver Brook Coal Company is a corporation existing under and by virtue of an Act of the General Assembly of said State.

The Broad Mountain Coal Company is a corporation existing under and by virtue of an Act of the General Assembly of said State.

The Roberts' Coal Company is a corporation existing under and by virtue of an Act of the General Assembly of said State.

The Stoddard Coal Company is a corporation existing under and by virtue of an Act of the General Assembly of said State.

*Third*—That the City of Philadelphia owns, manages, and controls the works, apparatus, and contrivances, by which its citizens are and have been supplied with water for domestic and industrial purposes; that, by reason of the location of the City on the banks of the Schuylkill river and the volume and natural excellence of the water in its normal state or condition, it furnishes the City with a convenient and abundant supply of good, wholesome water.

In 1799 the City Councils having issued bonds to the amount of \$150,000 for improving the City's water supply, the municipal authorities, in 1801-2, established a pumping station on the banks of the Schuylkill river, near Chestnut street. From there the water was conveyed through wooden pipes, laid in the ground, to the distributing station located on the site of the New City Hall.

In 1807 (Act April 9, 1807, P. L. 189) the Legislature vested one Robert Kennedy with the right to maintain a dam and mill-race on property owned by him near the Falls of Schuylkill. This Act provides, *inter alia*, "That if at

“any time thereafter the corporation of the City of Philadelphia shall be desirous of erecting any works or machinery for the purpose of conducting the waters of said river to the said city, the right to erect is hereby reserved, but if by such erection the works of the said Robert Kennedy shall be materially injured or destroyed, the said corporation shall be liable to pay the whole of the reasonable expense incurred by the said Robert Kennedy, together with twenty per centum thereon, for his trouble and dis-appointment, on due conveyance being made for the whole of his right in the premises.” The rights of the said Kennedy were acquired by the City of Philadelphia, in 1818, for one hundred and fifty thousand (150,000) dollars.

In 1815 (Act 8 March, 1815, P. L. 72), a charter was granted to the Schuylkill Navigation Company to make a lock navigation on the river Schuylkill. By its charter the company was invested, *inter alia*, with the right to construct dams, locks or other devices whatever . . . and to make a complete slack water navigation from one end thereof to the other, so as to make a safe and easy passage for loaded boats, etc. The charter also authorized said company to use the water from the said river, sluices, or courses, to propel such machinery as they may deem proper to erect on the land which they may previously have purchased from the owner or owners, or may sell in fee simple, lease or rent for one or more years the said water power . . . to be used in such manner and on such terms as they may think proper: *Provided*, that it be so done that it shall not at any time interrupt navigation.”

In 1819, the City having previously acquired the right to maintain a dam at the falls of Schuylkill, as stated above, entered into an agreement with the Schuylkill Navigation Company by which the City acquired the right to construct a dam across the river at Fairmount. The dam was subsequently constructed at a cost of \$150,000. In 1820, a second agreement was entered into between the City and the Navigation Company, by which the top of the dam was established some 18 inches higher than the level fixed by the agreement of 1819. A third agreement was entered into between said parties in 1824, wherein it was provided

that the City should "forever have, hold, take, use and enjoy the whole water and water power of the river Schuylkill at Fairmount, that should remain after drawing from the dam there erected, so much as might be necessary for the purpose of the navigation of the said river and navigation works, without any restriction of or reservation whatever." The consideration for said last mentioned agreement being \$26,000. The dam was rebuilt by the City in 1842 and 1843, and again in 1872.

In 1832 (Act 26 March, 1832, P. L. 188), the Legislature authorized the Mayor, etc., of Philadelphia, to erect a guard pier and ice break at the foot of Coates street, Schuylkill, to protect the water works at Fairmount, and "preserve the purity of the water of the river Schuylkill." The Act of 1832 was subsequently modified by the Act of 1836 (P. L. 411, sec. 4), by which the city was authorized to acquire a strip of ground adjoining the south side of Coates street, for construction of said ice pier, buildings, etc.

By the Act 18th April, 1843 (P. L. 304), the Legislature authorized the several districts in the County of Philadelphia to erect water works and to take water from the Schuylkill river for the supply of their inhabitants. These districts were subsequently merged into the City of Philadelphia by the Consolidation Act, 2 February, 1854 (P. L. 21).

The preamble of the Act 31 March, 1860 (P. L. 476), appropriating ground for park purposes, recites that "Whereas the strip of ground on the west bank of the Schuylkill river, as hereinafter fully described, shall be owned by the City of Philadelphia, to prevent the erection of factories and breweries thereon, whose refuse fluids flow into the stream, and so pass into the forebay at Fairmount. And whereas, the natural advantage of the ground fits it eminently for a park, thus securing in the ownership thereof a place for the health and recreation of the people and preserving forever the purity of the water they drink." The Act of 12 February, 1861 (P. L. 30), appropriating an area of ground to park uses, declares its purpose also to be "to provide for the purity of the water at Fairmount;" 26 March, 1867 (P. L. 547). creating Park Commission, recites as one of its objects, "the preservation of the purity

of the water supply of the City of Philadelphia ; ” the Act 15th March, 1871, P. L. 363, gives the Commissioners of Fairmount Park the right to exclude manufactories from the Park so as to “ protect the purity of the waters of the Schuylkill and Wissahickon.”

From a town of less than 50,000 population in 1807, five years after its water system was established, Philadelphia has developed into a great city estimated to contain at least one million two hundred thousand people, and has an area in excess of one hundred and twenty-nine square miles, with a water front on the Schuylkill river of more than twenty-four miles. Since the erection of the pumping station at Chestnut street, Schuylkill, in 1801, the City has erected and maintains six pumping stations, having a daily capacity of 393,000,000 gallons ; eleven reservoirs, with a capacity of 1,417,860,000 gallons ; eleven hundred and seventyfour (1,174) miles of pipe, varying in size from four inches to forty-eight inches in diameter, for the distribution of water to private consumers, manufactories, etc. In the construction of these great works, exclusive of the cost of maintenance and repairs, the city has expended \$28,072,354.69.

*Fourth*—The Schuylkill river and its tributaries, for nearly a century, and until quite recently, have furnished the City of Philadelphia with an adequate supply of water suitable for domestic and other purposes. This its people have enjoyed the right, by reason of its geographical location, and by virtue of the power granted by the aforesaid acts of the Legislature vesting it with authority to establish water works for supplying its citizens with water from said river, and the aforesaid agreements by which it acquired the right to construct and maintain dams across the river.

*Fifth*—In operating collieries in the Schuylkill watershed vast quantities of coal dirt or refuse from the mines have been deposited on and about the lands adjacent to them, and contiguous to streams tributary to the Schuylkill river. These deposits are commonly known as “culm banks,” and are said to contain more than three hundred millions of tons of small coal and coal dirt. Some portion

of this dirt or refuse matter, from time to time, has been and continues to be carried by the elements into the Schuylkill river, and into the creeks or other water courses tributary thereto and finally reach the river.

*Sixth*—Within a few years the coal-dirt and refuse from the mining region has been washed into the bed of the Schuylkill river and its tributaries to such an extent as to make the water, after heavy rain storms, unfit for use. This proceeds mainly from two sources : First, the recent introduction of water into the “breakers” for the purpose of washing the coal in the various stages of its passage through them, and second, the establishment of small “breakers,” commonly called “washeries,” for the purpose of extracting from the “culm banks” the small coals which the former process failed to separate from the waste of the mines. Both of these classes of works discharge streams of water heavily charged with fine coal dirt, with the result that nearly all the streams in the coal region and for some distance below run very black and their beds and banks are now composed chiefly of coal dirt, so that every storm necessarily washes a considerable quantity of this material into the Schuylkill.

*Seventh*—For the purpose of washing the coal as it comes from the “breakers,” and the old deposits of “culm,” extensive buildings, called “washeries,” have been erected. Here the coal from the “breakers,” or “culm” from the banks, is washed by passing through a number of revolving screens, one within the other, and over and through which water continually passes while the screens are in operation. The coal is retained by the screens until cleaned and assorted, and then passes into shutes provided for the purpose of conveying it to cars ready for shipment. The dirt, dust, and polluted water, are conveyed from the washery by wooden troughs to the dumping ground. Many of the “breakers” and “washeries” have constructed dams of “culm” or “broken slate” about the “dump” to prevent the coal dirt from getting into the streams. Where “culm” is used as a breast, owing to the density of the material, sluices are in some cases constructed for the purpose of carrying the water from the

dump. In others, the water discharges over the breast of the dam. Where slate is used for the breast, the structure is sufficiently porous to allow the water to pass through it. In either case, however, the water from the dump enters nearby streams and finally reaches the Schuylkill river, heavily charged, in most instances, with coal dirt.

*Eighth*—The Select and Common Councils of the City of Philadelphia on the 7th day of May, 1896, passed the following Resolution: “*Whereas*, A large portion of the pollution of the City’s water supply is due to the operations of coal companies which suffer their waste to flow into the Schuylkill river, contrary to law; and *Whereas*, It is feasible for these companies to strain the waste waters by ash-filters at no serious cost to themselves; therefore, *Resolved*, *by the Select and Common Councils of the City of Philadelphia*, That the City Solicitor be and is hereby requested to inform these Councils what are the proper legal steps to be taken to protect the City’s water supply against these violations of law.” Afterwards, that is to say, on the 20th day of May, 1896, the said Select and Common Councils passed the following Resolution: *Resolved, by the Select and Common Councils of the City of Philadelphia*, That in accordance with the opinion of the Law Department, the City Solicitor is hereby authorized and directed to prepare a bill in equity in relation to the pollution of the River Schuylkill by coal companies or other parties, and to take such further steps as may, in his judgment, protect the City’s interests.”

*Ninth*—The Philadelphia and Reading Coal and Iron Company, one of the defendants herein, maintains, operates, and controls one of the largest plants for breaking and washing coal in the State, situate on the Schuylkill River, between Landingville and Schuylkill Haven. Coal is brought here from the other points to be broken and washed. The coal-dirt and polluted water is emptied into immense dams, breasted with “culm,” and provided with sluices for the purpose of carrying off the water, which is finally discharged in a polluted condition into the Schuylkill river. Said Company defendant also operates, maintains, and controls a colliery and breaker on Silver creek

(a tributary of the Schuylkill River) about one-half mile above New Philadelphia. Here, as in most of the collieries mining a dirty coal, water is used throughout the cleaning operations. The water leaving the breakers heavily charged with coal-dirt, is conveyed by wooden flumes to a dump or dam, some 300 feet square, 13 feet deep at the breast, and contains about 20,000 cubic yards of material. This is bounded on three sides by a weak bank of soft coal-dirt provided with three sluices through which the water passes into said creek charged with coal-dirt.

*Tenth*—The Lehigh Coal and Navigation Company, also defendant herein, maintains, operates, and controls a number of breakers, known as Numbers 5, 8, 9, 10, 11, 12, in which coal is washed, the coal-dirt and polluted water being conveyed in several instances directly into Panther creek, a tributary of the Schuylkill river. No effort practically is being made at these breakers to prevent the coal-dirt from entering the stream.

*Eleventh*—The Silver Brook Coal Company, also defendant herein, maintains, operates, and controls a breaker and washery on the upper Little Schuylkill river, the wash from which has filled up the dams and polluted the waters of that branch of the Schuylkill river.

*Twelfth*—The Broad Mountain Coal Company, also defendants herein, maintains, operates, and controls two washeries above New Castle Station, on a stream emptying into Mill creek, the latter being a tributary of the Schuylkill river. The operation of this Company is confined to "washing culm." The culm banks from which these washeries are supplied lie along the creek, and the culm is conveyed to the washeries in troughs by water taken from the stream higher up. After passing through the washery the water, heavily charged with coal-dirt, is emptied into said creek without any effort being made to prevent its pollution or filling up.

*Thirteenth*—The Roberts' Coal Company, also defendants herein, operates, maintains, and controls a colliery and breaker on said Mill creek, the wash from which is dumped into a dam breasted with slate base and topped off with

culm. Sluices are used for carrying off the water, which flows into said creek charged with coal-dirt.

*Fourteenth*—The Stoddard Coal Company, also defendant herein, operates, maintains, and controls a washery on Wolf creek, also a tributary of the Schuylkill river. The operations of this company is confined to washing the culm banks. The waste water and coal-dirt, after passing through the washery, are conveyed by a trough to the dump, the latter being enclosed by banks of slate. The water filtering through these banks into said creek is heavily charged with coal-dirt.

*Fifteenth*—In consequence of the coal-dirt or refuse and polluted water discharged or conveyed as aforesaid into said streams by said defendants or their agents, employees, servants or laborers, and by others not known to complainant, the several locks, pools or dams are gradually being filled, the navigation of the river is being destroyed, and the water, pure from the mountain sides, is so charged with the accumulated coal-dirt that it assumes an ink-like appearance. In times of storms or freshets these deposits are carried down the river, and finally reach the dams from which the City's supply is taken; as a result of which the water introduced into the City for the supply of its citizens at these periods is greatly discolored and charged with a large amount of coal-dirt, making it disagreeable to the sight and taste, unfit for domestic uses or manufacturing purposes, and prejudicial to the health of the community. Prior to the nuisance complained of, the waters of the Schuylkill were regarded as being reasonably pure and healthful and well suited for the uses of a great city.

*Sixteenth*—Unless the defendants, and such other persons or corporations as may, from time to time, operate coal breakers or washeries, for the purpose of breaking and washing coal as it comes from the mines, or in reclaiming the coal in the culm banks, are restrained from carrying on the work and disposing of the refuse as it is now done; that is to say, unless they are restrained from depositing coal-dirt or refuse on or near the banks of streams forming the source of the City's water supply, or elsewhere, without first taking

the necessary and proper precaution to prevent it from entering the streams, and shall be further restrained from discharging the dirt or refuse and polluted water from the "washeries" into the Schuylkill river, or the tributaries, a vast amount of coal-dirt or refuse will be deposited in the river, in addition to the large amount which it now contains, to the injury of your orators.

*Seventeenth*—Wherefore your orators alleging that they have no adequate remedy at law, and that unless the defendants be restrained and enjoined from depositing said coal-dirt, or refuse, into the Schuylkill river or its tributaries, the natural channels of the river, and its locks, pools or dams, will be filled with said coal-dirt or refuse, whereby the use of the stream for navigable purpose will be greatly lessened, and its waters rendered unfit for domestic and industrial uses, in consequence of which the people of the State will be deprived of their right to navigate said river as freely as they of right should do, and the citizens of Philadelphia will be deprived of a healthful and sufficient supply of wholesome water, pray your Honors:

1. That the defendants, their agents, employees, servants, etc., and all other persons, be enjoined and restrained from depositing coal-dirt or refuse on or near the banks of the Schuylkill river or its tributaries.

2. That the defendants, their agents, employees, servants, etc., and all other persons, be enjoined and restrained from discharging into said stream or streams the coal, dirt, refuse or polluted water from the breakers or washeries operated by them or any of them, or which may be so operated, or by any means or contrivances whatever, whether said coal dirt, refuse or polluted water shall proceed from washing the coal as it comes from the several mines, or in reclaiming coals from said culm banks or elsewhere.

3. That the defendants, their agents, employees, servants, etc., and all other persons, be enjoined and restrained from depositing or discharging coal-dirt or refuse, or water charged with said dirt or refuse, into the Schuylkill river or its tributaries above Fairmount Dam.

4. For such other relief as your Honors shall deem meet and equity shall require.

And your orators will ever pray, etc.

## APPENDIX No. 77.

## LAW DEPARTMENT.

*Philadelphia, November 23, 1896.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN :—Upon the receipt of a resolution passed by your Honorable Bodies on the 7th day of May, 1896, directing the City Solicitor to appear in the United States Circuit Court to defend the City's interest under foreclosure or mortgage proceedings against the Philadelphia and Reading Railroad Company, I filed the petition of the City for leave to intervene, and for a decree that the property sold be subject to the agreements, covenants and contracts entered into by the Philadelphia and Reading R. R. Company with the City of Philadelphia, under the Ordinance of March 17, 1894, in relation to Pennsylvania Avenue Subway.

I send you herewith a copy of the petition filed by me on behalf of the City. Notice of the filing of this petition was given by me prior to the sale of the property and franchises of the Philadelphia and Reading R. R. Co., under the foreclosure proceedings.

All of the parties interested consented to a decree of confirmation of the said sale being made, preserving the interests of the City of Philadelphia, as set forth in the agreements made, with the consent of the Receivers of the Philadelphia and Reading Railroad Co.

I also enclose herewith a copy of the decree confirming the sale of the said railroad company to Charles H. Coster and Francis Lynde Stetson. You will see that the said confirmation was made subject to the agreements with the City of Philadelphia in relation to the Pennsylvania Avenue Subway. The decree provides as follows : "And all such sales having been made also subject to the terms, conditions, reservations and obligations in the decree of sale heretofore made herein, including those therein described, in respect of (a) the Receivers of the Philadelphia and Reading Railroad Company and of the Philadelphia and

Reading Coal and Iron Company, including the Receivers' agreement with the City of Philadelphia concerning the Pennsylvania Avenue Subway, of which notice was given at the sale."

Respectfully yours,  
JOHN L. KINSEY,  
*City Solicitor.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR :—In compliance with the request of the resolution of Councils, passed November 21, 1895, I enclose you copy of the report of the jury appointed to assess damages for the widening of Pennsylvania avenue. The report includes properties affected, between Twenty-second and Twenty-seventh streets.

The amount claimed was \$791,435.33, and the amount awarded was \$436,723.69.

Yours respectfully,  
JOHN L. KINSEY,  
*City Solicitor.*

IN THE COURT OF QUARTER SESSIONS FOR  
THE CITY AND COUNTY OF PHILADELPHIA.

(Copy.)

(Report of Jury filed November 11, 1896.)

In the matter of the widening of Pennsylvania avenue,  
from Twenty-first street west (Twenty-third to Twenty-seventh.)

*To the Honorable the Judges of said Court:*

The undersigned, the jurors appointed by your Honorable Court to view the properties taken for the widening

of the said Pennsylvania avenue, from Twenty-first street west, and to assess the damages occasioned by the said widening, respectfully report :

That pursuant to due notice the jury met at the southwest corner of Fifth and Chestnut streets, on December 26, 1894, at 3 P. M., and organized, and all the jurors being found to be duly qualified they were sworn to discharge their duties impartially and according to their best judgment.

At this meeting Francis L. Wayland, Assistant City Solicitor, produced proof of service of notice of first meeting upon the property owners and tenants, and thereafter the jury held meetings by regular adjournment.

At the various meetings so held claimants were represented by following named counsel :

Alex. Simpson, Jr., Esq., for Sarah Evans, owner; David W. Sellers, Esq., for Samuel Kelly, owner, and James O'Brien, tenant; J. A. Clark, Esq., for Murray Heirs, owners; Robert Alexander, Esq., for John O. Sheets and Eliz. Sheets, owners; Leonard Fletcher, Esq., for Fairmount Steel Works; Samuel Peltz, Esq., for Chas. H. Binns, tenant; John Roberts, Esq., for Walter A. Brewster, tenant, and John T. Bateman, owner; Messrs. Wiltbank and Stevenson, for Fairmount Ice Works; Maxwell Stevenson, Esq., for Est. John McCosker, owner, for James Ruddie, owner, and Chas. Walter, tenant; Theo. M. Etting, Esq., and B. Gordon Bromley, Esq., for Mary Rappold, owner; W. H. Addicks, Esq., for Schuylkill Improvement Co., owners; J. Quincy Humsicker, Esq., for Josiah L. Haines, owner; Robert N. Simpers, Esq., for Mahlon Bolton; Wm. C. Hannis, Esq., for McIntyre Estate (Margaret Magee) owners; and Est. Wm. S. Perot; E. G. Hamersly, Esq., for Samuel Gilbert, owner; J. Willis Martin, Esq., for Est. Eli K. Price, owners; T. M. Daly, Esq., for Jane McBrearty, owner; Robert H. Hinckley, Esq., for Isabella Crawford, owner; Alfred C. Ferris, Esq., and J. D. O'Brien, Esq., for Chas. Sweeney, owner; E. Ellsworth Stout, Esq., for Gilmore Bros., tenants; Henry P. Brown, Esq., for Garber & Son, tenants; A. S. Ashbridge, Esq., for Est. Ferdinand Schlosser, deed;

owners, and John Martin, owner ; Ziba T. Moore, Esq., for John R. Foreman, owner, for Mary S. Breig, owner, and for Annie F. Trexler, owner, for Samuel H. Bateman, owner ; Hon. Henry J. McCarthy, for heirs of Geo. M. Popp, decd., owners, and Geo. M. Popp, tenant ; A. Atwood Grace, Esq., for Est. Francis Perot ; E. S. Dixon, Esq., for Samuel Townsend, owner, and Jos. S. Perot, owner ; C. C. & Jos. S. Townsend, Jr., Esqrs., for John H. Brinton, Executor and Trustee, owner ; Jos. H. Taulane, Esq., for E. Gaillard, owner ; Owen B. Jenkins, Esq., for Morris Wickersham, owner, and Francis L. Wayland, Esq., Assistant City Solicitor, on behalf of the City of Philadelphia.

After careful views of the property and full and careful consideration of the testimony presented, and hearing of the statements and arguments of counsel and considering and estimating the value of said properties before and their values after the widening of Pennsylvania avenue, and the advantages as well as disadvantages to said property from the said widening, at the established grade regulation at which said widening will be made, they, the jurors, do estimate and determine and do unanimously award to the following owners and tenants of properties which will be affected by the widening of Pennsylvania avenue to its full plotted width, between Twenty-third and Twenty-seventh streets, damages, as follows :

### APPENDIX No. 86.

*Philadelphia, November 25, 1896.*

**To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.**

GENTLEMEN :—The Committee on Police and Prisons, to which was referred the bill entitled “An Ordinance regulating the inspection and location of fire escapes,” respectfully report that they have examined and approved the same, return it to Councils favorably, and recommend its passage .

Robert S. Leithead (*Ch’n*), Henry Clay, Abraham Lev-

ering, Ellsworth H. Hults, George W. Conrad, S. C. Aiman, G. E. Schlegelmilch (for report), Jos. R. C. McAllister (for report), Henry Erdin (for report only), J. Sibbald, D. S. B. Chew, Wm. McCoach, Jos. Klemmer.

## AN ORDINANCE

Regulating the inspection and location of fire escapes.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That when any person or persons shall be about to erect any external stairway, to be used as a fire escape, from any building or buildings, within the City of Philadelphia, he or they shall make application to the Bureau of Building Inspection for a permit to do the same, the said application must be accompanied by such plans and specifications as shall be required by the Bureau of Building Inspection, and shall also set forth the location of the proposed fire escape. The Chief of the Bureau shall refer the said application to the inspector of the district in which the proposed fire escape is to be erected, and the said inspector shall report upon the adaptability of the proposed location, also whether the walls are sufficiently strong to carry the proposed escape. Upon receipt of a favorable report from the inspector, the Bureau shall issue a permit for the erection of the fire escape, the fee for which shall be one (1) dollar.

SECT. 2. No permit shall be granted for the erection of any fire escape which is not in accordance with the formula of construction adopted by the Bureau of Fire Escapes.

SECT. 3. Any person or persons who shall construct any fire escape without permit first secured, or who shall erect a fire escape not in accordance with the plans approved by the Bureau of Building Inspection, or shall change the location of said fire escape, or who shall violate any of the provisions of any section of this ordinance shall be subject to a penalty of fifty (50) dollars, and if such violation shall continue after notice given by the Bureau of Building Inspection, to have the same removed, an additional penalty of twenty-five (25) dollars shall be added for every month or fraction thereof the said violation is permitted to exist ;

all of the aforesaid penalties to be recovered as penalties of equal amount are or shall be recoverable for the use of the city.

*Philadelphia, November 30, 1896.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR :—I hand you herewith copy of the report of the jury in the matter of the opening of Fifty-sixth street, from Master street to Haverford avenue, in the Thirty-fourth Ward, filed November 28, 1896. The said street is not physically open as yet. The western half, from Wyalusing avenue to Supplee street, was dedicated to public use by Clifford Pemberton, Jr., and the whole of the street, from Supplee street to Master street, has likewise been dedicated to public use by Mr. Pemberton.

Yours very truly,

JOHN L. KINSEY,  
*City Solicitor.*

IN THE COURT OF QUARTER SESSIONS FOR  
THE COUNTY OF PHILADELPHIA.

In the matter of the opening of Fifty-sixth street, from Master street to Haverford avenue, in the Thirty-fourth Ward, of the City of Philadelphia.

(Copy.)

(Report of Jury filed November 28, 1896.)

*To the Honorable the Judges of said Court:*

The undersigned jurors appointed by your Honorable Court to assess the damages and benefits, if any, by reason of the opening of Fifty-sixth street, from Master street to Haverford avenue, in the Thirty-fourth Ward, of the City of Philadelphia, respectfully report :

That having given due notice of this their first meeting, the jurors met at No. 211 South Sixth street, on the 30th

day of June, 1896, at 3 o'clock P. M. There were present at this meeting W. W. Frazier, Lewis Fehrle, J. Redman Coxé, Horace Yardley, C. Elwood Springfield, and Alonzo M. Loudenslager, of the jury. There were also present at this meeting Joseph W. Gross, Esq., representing the petitioner, Henry W. Brooks ; E. Lederer, Esq., representing the Jewish Hospital Association of Philadelphia, and J. Lee Patton, Esq., Assistant City Solicitor, for the City.

The jury organized by electing Messrs. Yardley, Foreman, and Frazier, Secretary. The jurors were then sworn or affirmed by one of their number upon their *voir dire*, and examined touching their capacity to serve as jurors in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve. The jurors were then sworn by one of their number to perform their duty as jurors in the matter of the opening of Fifty-sixth street, from Master street to Haverford avenue, in the Thirty-fourth Ward, of the City of Philadelphia, faithfully, impartially and according to their best judgment. At this meeting a copy of the petition was presented and read, and the affidavit of service of notice upon the registered property owners produced. The official plan was also produced for the use of the jury. The jury then adjourned to meet on July 1, at 1 o'clock P. M., on the premises, for the purpose of viewing the same.

That the next meeting of the jury was held on the premises on July 1, 1896, when a view of the same was had. Subsequent meetings were held for the purpose of hearing testimony, arguments of counsel, and for consultation, on July 7, September 24, October 1, 8, 13, 21, 28, 29, 30, November 2, 4, 5, 6, 9, 10, 11, 12, 13, 14, 16, 17, and 18, 1896.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which said street is to be opened, and considering as well the advantages and disadvantages to all the property owners along the line of the said opening, the jury do find and award the following damages :

To the Jewish Hospital Association of Philadelphia, the sum of \$3,327.

To Henry W. Brooks the sum of \$4,066.

The jury do further find that no properties are benefited by reason of the said opening, and that all of the damages should be paid by the City of Philadelphia.

All of which is respectfully submitted.

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR:—Herewith I enclose copy of the report of the jury in the matter of the opening of Allegheny avenue, from Nicetown lane to Thirty-fourth street, Twenty-eighth Ward.

Allegheny avenue, between the points above indicated, has been actually taken and graded by the City. It has only been opened from Nicetown lane; at Thirty-fourth street it is a dead end, and is therefore, not used by the public. The street is entirely upon the property of John Dobson. By ordinance of recent date, the western end has been opened, making a connection with Ridge avenue. No buildings are taken by this proceeding.

Yours very truly,

## REPORT OF JURY.

(Filed December 2, 1896.)

*To the Honorable the Judges of said Court:*

The undersigned Jurors appointed by your Honorable Court to assess the damages and benefits, if any, occasioned to the owners of property by reason of the opening of Allegheny avenue, from Nicetown lane to Thirty-fourth street, in the Twenty-eighth Ward, respectfully report:

That they assembled for the purposes of their appointment on the eighteenth day of June, A. D., 1895, in the rooms set apart by the City of Philadelphia for the meetings of Juries of View, at 213 South Sixth street, Philadelphia. They were attended by Thomas E. White, Esq., attorney for John Dobson, who was the only claimant in this proceeding, and David Lavis, Esq., Assistant City Solicitor, for the City of Philadelphia.

That all the jurors were severally sworn or affirmed by another of their number, and upon examination found competent to serve. Each of the number was therefore sworn or affirmed by another of their number to perform the duties in the matter of the opening of the said Allegheny avenue, between the points named impartially and to the best of his judgment and ability. Thereafter the jury organized, electing \_\_\_\_\_, foreman, and \_\_\_\_\_, secretary.

That also at this meeting the City of Philadelphia offered the official plan, as required by law, in evidence, which was constantly used by the jury throughout the proceedings, and counsel for the petitioner offered in evidence the affidavit of service of ten days' notice upon the property owner affected by the said opening.

That the Jury met and viewed on the twenty-first day of June, 1895, at three o'clock, P. M. That on February 21, 1896, and at many other subsequent meetings, to wit: February 27; March 3, 5, 12, 19, 26, April 2, 9, 17, 24; May 1, 8, 15, 22, 29; June 1, 4, 5, 6, 8, 9, 10, 11, 12, 15, 16, 17, 18, 19, 22, 23, 24, 25, 26, 30; July 1; September 17, 24, 28; October 26, 27, 28, 29, 30, 31; November 2, 3, 4, 5, 6, 7, 9, 10, 11, 1896, heard evidence for the claimants and for the City of Philadelphia, and listened to the arguments of counsel.

That the jurors reviewed the premises affected by the said proceedings on the two days above mentioned, March 3 and November 10, 1896.

That after considering the matters submitted to them, they reach the following conclusion:

That the property of John Dobson as shown upon the plan is damaged by the opening of the said Allegheny avenue, between the points above mentioned, in the sum of \$30,550.

That one of the jury, to wit: C. Cadwallader, does not agree in the amount of damages awarded to the claimant, but is of the opinion that the extent to which the property of John Dobson is damaged is the sum of \$11,335.00.

That after reaching their estimate, as aforesaid, of damages suffered by the said John Dobson, the jury considered the question of benefits. They have concluded that no benefits have been received by the property owners, and they therefore recommend that all of said damages be paid by the City of Philadelphia.

All of which is respectfully submitted.

DEAR SIR:—I hand you herewith copy of the report of the road jury, in the matter of the widening of Merion avenue, from Fifty-first to Fifty-second street, in the Thirty-fourth Ward, filed December 2, 1896.

Merion avenue, between the points named, is at present physically opened, but not to its full width. The widening will take a house in the line of Merion avenue, owned by Edward Maguire, and was built prior to the laying out of Merion avenue on its present lines. It will also take off a corner of the property of Isaac Blum, also built before the present lines of Merion avenue were laid out. The lot of Edward Maguire, after the widening, will not be of sufficient size to enable him to move his house upon it.

REPORT OF JURY.

(Filed December 2, 1896.)

*To the Honorable the Judges of said Court:*

The undersigned jurors appointed by your Honorable Court to assess the damages and benefits caused by reason

of the widening of Merion avenue, from Fifty-first to Fifty-second street, in the Thirty-fourth Ward, of the City of Philadelphia, respectfully report :

That having given due notice of the first meeting, the jury met on October 5, 1896, at Room 377, City Hall. There were present at this meeting J. Redman Coxe, John W. Boileau, P. F. Gallagher, Wm. B. McFarland, Samuel S. Ellis, and Robert H. Price, of the jury. Also Wm. J. Wagenknight, Esq., representing Edward Maguire, petitioner ; J. Bayard Henry, Esq., representing Isaac Blum, and J. Lee Patton, Esq., Assistant City Solicitor, for the City of Philadelphia.

That the jury organized by electing John W. Boileau, Foreman. After which each juror was sworn or affirmed by one of their number on their *voir dire*, and examined touching their capacity to serve as jurors in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve. Each juror was then sworn or affirmed by one of their number to perform his duties as a juror in the matter of the widening of Merion avenue, from Fifty-first to Fifty-second street, faithfully, impartially, and according to his best judgment. The affidavit of service of notice upon the registered property owners was produced at this meeting, and read to the jury, and is hereto attached and marked "Exhibit A." The petition for the appointment of the jury was then produced and read. After which the jury adjourned to meet on the premises affected at 9 o'clock A. M., October 6, 1896, for the purpose of viewing the same.

That upon October 6, 1896, the jury met on the premises affected and viewed the same. At this meeting all the jurors were present. Subsequent meetings were held for the purpose of taking testimony, hearing the arguments of counsel, and for consultation, upon October 9, 12, 19, 22, 27, 30, November 2, 9, 13, 16, 18, 19, 20, 21, 23, 24, 25, 26, 27, 28, 1896.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which the said widening is to take place, and considering as well

the advantages and disadvantages to each and every property owner along the line of the said Merion avenue, from Fifty-first to Fifty-second street, the jury do find and award the following damages:

To Edward Maguire, the sum of \$1,350.

To Isaac Blum, the sum of \$200.

That the jury do further find that no properties are benefited by reason of the said widening, and that all of the damages should be paid by the City of Philadelphia.

All of which is respectfully submitted.

#### APPENDIX No. 94.

OFFICE OF THE CLERK OF QUARTER SESSIONS.

*Philadelphia, November 27, 1896.*

#### IN THE MATTER OF THE DIVISION OF THE TWENTY-EIGHTH WARD.

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to transmit herewith a full and complete copy of the whole "Record" as required by the Act of Assembly, of May 23, 1874.

Your obedient servant,

WM. B. AHERN,  
*Clerk.*

per B. N. Faunce, Record Clerk.

*To the Honorable the Judges of the Court of Quarter Sessions of the Peace for the City and County of Philadelphia :*

The petition of the undersigned represents that they are citizens and qualified electors of the Twenty-eighth Ward, of the City of Philadelphia ; that said ward has a territory of upwards of five square miles; that it has so increased in population that it has upwards of 14,000 qualified electors, representing a total population of upwards of 58,000, having 5,225 school children. That the means of access from one portion of the ward to another are difficult and circuitous, and that owing to the size of the ward, both as to territory and population, the members of Council and School Directors have great difficulty in giving proper attention to the duties of their office.

Your petitioners, therefore, by reason of the facts stated above pray your Honorable Court to appoint five impartial men to inquire into the propriety of dividing said ward on a line that may be best to serve the best interests of the people, and make a report thereon to your Honorable Court in accordance with the Act of Assembly in such cases made and provided.

And they will ever pray.

## IN THE COURT OF QUARTER SESSIONS FOR THE CITY AND COUNTY OF PHILADELPHIA.

*In re* Division of the Twenty-eighth Ward.

*To the Honorable the Judges of the said Court:*

The Commissioners appointed by your Honorable Court to consider the advisability of dividing the Twenty-eighth Ward, respectfully submit the following report:

That the Commissioners met on May 19, 1896, and after having been duly qualified organized by the election of Arthur Moore as Chairman and J. H. B. Amick as Secretary.

A plan of said ward was prepared which is hereto annexed and made part hereof.

Additional meetings were held on May 26, June 2, June 23, June 24, July 1, and July 8, 1896.

That the Commissioners on the second day of June, 1896, drove around the said ward, and visited many of the prominent places in it.

Two public meetings were held in said ward after advertisement in the "Public Ledger" and "Philadelphia Record," public newspapers of the City of Philadelphia, and after notice had been given by the posting of hand bills in the most prominent places in the ward, and also on the division house of each election division in the ward, a copy of which notice is hereto attached and made part hereof, one of which meetings was held in the hotel of William Ryan, on June 23, 1896, and the other at the hotel of Frederick Stehle, on June 24, 1896. These meetings were largely attended, and the unanimous sentiment of the persons there in attendance was in favor of a division of the said ward, and they also were unanimously of the opinion that the ward should be divided on a line running east and west along the centre of Lehigh avenue.

At these meetings petitions signed by over one thousand electors of the ward were presented asking the Commissioners to recommend the division of the ward on the line of Lehigh avenue. It was shown to the Commissioners that the ward had a territory of 5.014 square miles; that it has a population of upwards of 59,000, and upwards of 14,000 qualified electors, and that it has 5,225 children attending school.

By a decree of the Court of Quarter Sessions, made November 14, 1888, the then Twenty-eighth Ward was divided so that the portion thereof lying south of Susquehanna avenue was created into a new ward, numbered the Thirty-second Ward, and the remaining portion thereof, to wit: Beginning at the Schuylkill river and Susquehanna avenue, thence extending along Susquehanna avenue to Germantown avenue, thence to Roberts avenue, thence to Wissahickon avenue, thence to School lane, thence to the Schuylkill river, and thence to Susquehanna avenue, should be numbered the Twenty-eighth Ward.

By a decree of the Court of Quarter Sessions, made November 22, 1892, that portion of the then Twenty-eighth Ward lying east of Broad street, was created into the Thirty-seventh Ward, and that part thereof beginning at a point in the middle of Thirty-third street and Susquehanna avenue, thence extending northwardly to Ridge avenue, thence northwardly to Cumberland street, thence westwardly to the Schuylkill river, thence along the Schuylkill river to School House lane, thence northeastwardly to Wissahickon avenue, thence southeastwardly to Roberts avenue, thence northeastwardly to Germantown avenue, thence southeastwardly to the centre line of Broad street, thence southwardly along the centre line of Broad street to the centre line of Susquehanna avenue, thence westwardly to Thirty-third street, the place of beginning, was erected into the Twenty-eighth Ward. In this description that part of the Twenty-eighth Ward as it formerly existed, included between Susquehanna avenue on the south, Cumberland street on the north, Thirty-third street and Ridge avenue on the east, and the Schuylkill river on the west, was inadvertently left out of the Twenty-eighth Ward, so that the same although before the division of the Twenty-eighth Ward, a part of it, after the division it was included in neither. The Commissioners assume that the same is still a part of the Twenty-eighth Ward as it existed prior to the time that the Thirty-seventh Ward was cut off of it by the decree of November 22, 1892.

The Commissioners after having given due consideration to the testimony produced before them, having made a personal examination of the ward, its school houses, station houses, and other public places, are unanimously of the opinion that it is for the best interests of the inhabitants of the Twenty-eighth Ward that the same should be divided, and that the same should be divided on the centre line of Lehigh avenue, so that one of the said wards shall, beginning at the point of intersection of the centre line of Broad street with the centre line of Susquehanna avenue, thence extending westward along the centre line of Susquehanna avenue, and a continuation thereof to the eastern line of the Schuylkill river, thence northwardly along the eastern line of the Schuylkill river to a point where a continuation

of the centre line of Lehigh avenue would intersect the same, thence eastward along the centre line of Lehigh avenue to the centre line of Broad street, thence southward along the same to Susquehanna avenue, the place of beginning. And the other of said wards shall beginning at the point of intersection of the centre line of Broad street and the centre line of Lehigh avenue, thence extending westward along the centre line of Lehigh avenue, and a continuation thereof to the eastern line of the Schuylkill river, thence along the same and the various courses thereof to the point where a continuation of the centre line of School lane would intersect the same, thence northeastwardly along the centre line of School House lane to the centre line of Wissahickon avenue, thence southeastwardly along the same to the centre line of Roberts avenue, thence northeastwardly along the same to the centre line of Germantown avenue, thence southeastwardly along the same to the centre line of Broad street, thence southwardly along the same to the centre line of Lehigh avenue, the place of beginning.

All of which is respectfully submitted.

(Signed)     ARTHUR MOORE,

## DECREE.

In the Court of Quarter Sessions of the Peace, County of Philadelphia.

And now, to wit, November 13, 1896, it appearing that at an election held in the Twenty-eighth Ward, City of Philadelphia, on the third day of November inst., upon the question of the division of said ward, there were three thousand eight hundred and sixty-two (3,862) votes cast in favor of said division, and four hundred and seventy-three (473) votes cast against said division, the majority thereof being

in favor of said division. It is therefore ordered and decreed that said ward be divided agreeably to the lines laid down by the Commission appointed to inquire into the same, and that so much of said ward as may be comprised within the following bounds, to wit: Beginning at the point of intersection of the centre line of Broad street with the centre line of Susquehanna avenue, thence extending westward along the centre line of Susquehanna avenue, and a continuation thereof to the eastern line of the Schuylkill river, thence northwardly along the eastern line of the Schuylkill river to a point where a continuation of the centre line of Lehigh avenue would intersect the same, thence eastward along the centre line of Lehigh avenue to the centre line of Broad street, thence southward along the same to Susquehanna avenue, the place of beginning, shall be known as and called the Twenty-eighth Ward, of said City of Philadelphia, and so much of said ward as may be comprised within the following bounds, to wit: Beginning at the point of intersection of the centre line of Broad street and the centre line of Lehigh avenue, thence extending westward along the centre line of Lehigh avenue, and a continuation thereof to the eastern line of the Schuylkill river, thence along the same and the various courses thereof to the point where a continuation of the centre line of School House lane would intersect the same, thence north-eastwardly along the centre line of School House lane to the centre line of Wissahickon avenue, thence southeastwardly along the same to the centre line of Roberts avenue, thence northeastwardly along the same to the centre line of Germantown avenue, thence southeastwardly along the same to the centre line of Broad street, thence southwardly along the same to the centre line of Lehigh avenue, the place of beginning, shall be known as and called the Thirty-eighth Ward of said City of Philadelphia.

(Signed) ABRAHAM M. BEITLER.

## IN THE COURT OF QUARTER SESSIONS, PHILADELPHIA COUNTY.

In the matter of the Division of Twenty-eighth Ward.

The confirmed award in favor of Dr. J. H. B. Amick, Secretary, in the above matter, has been paid by the City of Philadelphia, to me upon writ of mandamus heretofore issued, and the Clerk is hereby authorized and requested to enter satisfaction of record therein.

THE PHILADELPHIA MUSEUMS,  
Office of the Board of Trustees, City Hall,

*Philadelphia, November 25, 1896.*

WENCEL HARTMAN, Esq.,  
President of Common Council.

DEAR SIR:—As Director of The Philadelphia Museums, I am in receipt of a communication from Common Council embodying a resolution, directing this institution to give certain information to Councils, regarding the use now being made of Blue Gum for paving in London and other European cities, and whether a supply of blocks could be obtained from plantations of Blue Gum in California, also probable cost and conditions.

I desire to state that The Philadelphia Museums, through its Bureau of Information, enters with pleasure into this investigation and will report as soon as possible the required

data. Letters have already been despatched to the Chiefs of Bureaus having in charge the paving in London and all other cities where this work has been done with this material. Full lines of inquiries have also been sent out to all sources of supply of this material. A full and complete report will be sent to you at the earliest possible moment.

Very truly yours,

W. P. WILSON,

*Secretary and Director.*

As satisfactory evidence must be furnished that the streets have been opened and in public use prior to June 6, 1871, no damage can result to the City. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch’n*), Hiram A. Miller, Josiah Linton, Gustave R. Schaefer, Wm. H. Garrett, George W. Conrad, P. A. McClain, Wm. G. Rutherford, Saml. P. Town, W. F. Short, J. Emory Bryam, James A. Briggs, W. G. Huey, C. E. Connell.

## AN ORDINANCE

To place upon the City plan certain streets, alleys and courts in the Fifth, Sixth, Seventh and Eighth Wards, opened and in public use prior to June 6, 1871.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be and the same is hereby authorized to place upon the City plan the following streets, alleys and courts, in the Fifth, Sixth, Seventh and Eighth Wards, of the

width as opened and built upon prior to June 6, 1871: Discount place, from Sixth street westward, north of No. 30 N. Sixth street; Philip street, from Lodge street northward, east of 219 Lodge street; McMullen's court, from Walnut street northward, east of 415 Walnut street; McKean's court, from Locust street southward, east of 610 Locust street; Lawrence street, from Locust northward, east of 421 Locust street; Leithgow street, from Locust street northward, east of 413 Locust street; Fairhill street, from Locust street southward, west of 526 Locust street; George court, from Sansom street northward, 120 feet west of Sixth street; Lawrence street, from Library street southward, west of 416 Library street; Sheridan street, from Barclay street to Middle alley, west of 626 Barclay street; Howard street, Lombard street northward, east of 113 Lombard street; Addison street, from Hicks to Mole street, 70 feet north of Lombard street; Hicks street, from Stone to Addison street, 100 feet west of Fifteenth street; Mole street, from Stone to Addison street, 66 feet east of Sixteenth street; Panama street, from Filmore street eastward, 62 feet south of DeLancey street; Watts street, from Lombard street southward, west of 1340 Lombard street; Addison street, from Twenty-second to Albion street, south of 409 S. Twenty-second street; Goodwin alley, from Goodwater street southward, 126 feet east of Eighth street; Osborn court, from Duponceau street westward, 90 feet south of Walnut street; Moravian street, from Ninth street westward, south of 130 S. Fifteenth street; Latimer street, from Juniper street eastward, 110 feet south of Locust street; Heberton street, from Twenty-first street westward, north of 226 S. Twenty-first street; Mullowney street, from Twenty-first street eastward, north of 237 S. Twenty-first street: *Provided*, That satisfactory evidence be furnished that the said streets, alleys and courts were opened and in public use prior to June 6, 1871.

## APPENDIX No. 98.

*Philadelphia, December 3, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to place Washington street, from Walker street to Frankford avenue, on the City plan, and to revise the lines of Washington street, between Walker and Cottage street,” beg leave to report that Washington street is desired for the development of property. As the street proposed to be laid out would make an offset south of Walker street the balance of the street should be revised in order to conform to the new line. A proviso protects the City from all damage. We, therefore, report the annexed ordinance with a favorable recommendation.

Elsworth H. Hulst (*Ch’n*), Hiram A. Miller, Josiah Linton, Gustave R. Schaefer, Wm. H. Garrett, George W. Conrad, P. A. McClain, Wm. G. Rutherford, Saml. P. Town, W. F. Short, J. Emory Byram, James A. Briggs, W. G. Huey, C. E. Connell.

## AN ORDINANCE

To place Washington street, from Walker street to Frankford avenue, on the City plan and to revise the lines of Washington street, between Walker and Cottage streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to place on the City plan Washington street, of the width of 60 feet, from Walker street to Frankford avenue, and revise the lines of Washington street, between Walker and Cottage streets: *Provided*, Before the confirmation of said plan a satisfactory agreement or bond shall be filed with the City Solicitor indemnifying the City against all damages resulting from the placing of said street on the plan and from the revision of said lines.

## APPENDIX No. 99.

*Philadelphia, December 3, 1896.*

To the President and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the lines of Parkside avenue, between Columbia and Bryn Mawr avenue, in the Thirty-fourth Ward,” beg leave to report, the present west line of Parkside avenue is eneroached upon by the slope of the bank of the Pennsylvania Schuylkill Valley Railroad, which will require the construction of a very expensive retaining wall. By shifting the lines of the street, so that the west line shall be 65 feet eastward from the centre line of the railroad the retaining wall will not be required. There will be no cost to the City by reason of said change, as the ground now belongs to the City of Philadelphia. We, therefore, report the annexed ordinance with a favorable ercommendation.

Ellsworth H. Hulst (*Ch’n*), Hiram A. Miller, Josiah Linton, Gustave R. Schaefer, Wm. H. Garrett, George W. Conrad, P. A. McClain, Wm. G. Rutherford, Saml. P. Town, W. F. Short, J. Emory Byram, James A. Briggs, W. G. Huey, C. E. Connell.

## AN ORDINANCE

To authorize the revision of the lines of Parkside avenue, between Columbia avenue and Bryn Mawr avenue, in the Thirty-fourth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be, and is hereby authorized to revise the lines of Parkside avenue, between Columbia avenue and Bryn Mawr avenue, in the Thirty-fourth Ward.

## APPENDIX No. 100.

*Philadelphia, December 3, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Police and Prisons, to which was referred the bill entitled “An Ordinance to regulate travel upon the streets and highways of the City of Philadelphia,” respectfully report that they have examined and amended the same, and return to Councils the annexed bill as amended, and recommend its passage.

Robert S. Leithead (*Ch’n*), Abraham Levering, George W. Conrad, S. C. Aiman, Jos. R. C. McAllister, F. A. Ballinger, Frank Stevens, John Sibbald, Henry Clay, William McMullen, Jos. L. Nobre, J. Emory Byram, Henry Erdin.

## AN ORDINANCE

To regulate travel upon the streets and highways of the  
City of Philadelphia.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That from and after the passage of this ordinance all persons driving or riding upon the streets or highways of the City of Philadelphia, whether on horseback, in carriages, wagons (barrows, handcarts), or other vehicles, or upon bicycles, triicycles or other mechanical contrivances, shall at all times drive or ride upon the right side of the street or highway (excepting when the left side is unobstructed by vehicles or horses), and shall pass all vehicles traveling in the opposite direction by driving or riding to the right of such vehicles, and shall pass all vehicles travelling in the same direction by driving or riding to the left of such vehicles: *Provided*, That whenever it shall be necessary for any person driving or riding upon any street or highway to turn from the right side thereof to avoid any obstruction or obstacle he shall turn again to the right side immediately after passing such obstruction or obstacle.

SECT. 2. Any person violating any provision of this ordinance shall be subject to a penalty of five (5) dollars, to be recovered as debts of like amount are now by law recoverable, and it shall be the duty of any police officer or constable observing a violation of this ordinance to forthwith arrest the offender without any process.

## RESOLUTION

Directing the Committee on Highways to investigate the question of surfacing with sheet asphaltum streets now paved with rubble and cobble stones.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Committee on Highways be directed to investigate the question of surfacing with sheet asphaltum streets now paved with rubble and cobble stones, and if found to be practical, to report to Councils the result of such investigation with probable saving to the City in the cost of re-paving streets in the manner proposed. The cost of such investigation not to exceed one thousand (1,000) dollars, and shall be taken from Item 7 in the annual appropriation to the Clerks of Councils.

## OFFICE OF THE MAYOR.

*Philadelphia, December 10, 1896.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to herewith transmit, for your consideration, a communication received from the Pennsylvania Museum and School of Industrial Art, signed by the Trustees of above-named institution, asking for an appropriation of fifteen thousand (15,000) dollars for the year 1897.

I am, respectfully,

CHARLES F. WARWICK,

*Mayor.*

THE PENNSYLVANIA MUSEUM AND SCHOOL OF INDUSTRIAL  
ART.

*Philadelphia, December 3, 1896.*

HON. CHARLES F. WARWICK,  
Mayor of the City of Philadelphia.

DEAR SIR:—The Pennsylvania Museum and School of Industrial Art is in great need of money to carry on the work for next year. As one of our trustees you are familiar with the excellent work we are doing in educating, as skilled textile designers and art workers, the youth of the City and State. As you are aware about forty (40) free scholars from Philadelphia alone are being taught here. The Legislature, owing to lack of funds, made us no appropriation this year and the City appropriation has not been paid to us, hence the sum of fifteen thousand (15,000) dollars which we ask from Councils for next year is absolutely indispensable to conduct the School. Some of our trustees in conference with you last June, laid the needs of the School before you and, therefore, we did not make a formal

application to you later in the year. We earnestly ask that you will recommend to Councils the passage of an appropriation of fifteen thousand (15,000) dollars, without which the work of the School may have to cease or at least be much hampered.

Very respectfully yours,

WILLIAM PLATT PEPPER,  
T. C. SEARCH,  
E. D. GILLESPIE,  
CHAS. E. DANA,  
JOHN STORY JENKS,  
ROBERT K. McNEELY,

## CIVIC CLUB OF PHILADELPHIA.

*Philadelphia, December 7, 1896.*

To the Mayor and City Councils  
of the City of Philadelphia.

GENTLEMEN:—The undersigned, representing the Civic Club, respectfully petition your Honorable Bodies to grant an appropriation of \$50,000 for the purpose of continuing the work of the restoration of Independence Hall and its adjacent buildings to their original condition and appearance, and to make them as they were in 1776, so far as is consistent with safety and modern conditions.

In thus petitioning your Honorable Bodies, we believe that we represent not only the wishes of our own membership but the feeling of the majority of this community.

Respectfully yours,

SARA Y. STEVENSON,

LAW DEPARTMENT.

*Philadelphia, December 4, 1896.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR:—I enclose you herewith, copy of the report of the jury in the matter of the vacation of Old Tacony road, from Princeton to Cottman street, filed December 3, 1896.

The jury awarded damages to various property owners affected by the said vacation, amounting to \$10,510.25, and assessed that amount as benefits, against the Philadel-

phia and Trenton Railroad Company and John F. Manning, a property owner. The street was vacated about a year ago.

Yours very truly,

JOHN L. KINSEY,  
*City Solicitor.*

THE COUNTY OF PHILADELPHIA.

In the matter of the vacation of Old Tacony road, from

(Copy.)

REPORT OF JURY.

(Filed December 3, 1896.)

*To the Honorable the Judges of the said Court:*

The jury of view in the above matter, to whom was referred back their former report for reformation along the lines laid down by the Court in its Opinion filed sur Exceptions to the said report, reconvened the nineteenth day of November, 1896, at eleven o'clock, A. M. There were present all the jurymen; Thomas A. Fahy, Esq., attorney for petitioner and others; John Roberts, Esq., attorney for Thomas Disston; Ferree Brinton, Esq., attorney for certain claimants; and George E. Fili, Esq., assistant City Solicitor.

The resignation of Messrs. Robert Summers and J. M. Fort, members of the original jury, were read, together with the order of the Court appointing in their places Mr. Jefferson H. Nones and E. Tyler Swope, and the latter two gentlemen were sworn according to the Acts of Assembly.

The exceptions filed to the former report by David W. Sellers, Esq., on behalf of the railroad company, were read to the jury, together with the opinion of the Court sur said exceptions, whereby the report of the jury was referred back to them with directions to reform the same so as to conform with the views expressed in the Opinion of the

Court. Subsequent meetings were held by the jury as follows: November 20, for a re-view of the premises; November 23, for consultation; November 24, for the presentation of testimony as to ownership of land; November 25 and 27, for presentation of testimony as to ownership of land; November 28, to make up report; and November 30, to sign report.

By the Opinion of the Court it appears that the first, third and fourth exceptions were sustained. These exceptions were:

First.—“The jury have awarded damages to claimants who are not owners of property abutting upon the said Tacony road.”

Third.—“The jury has assessed damages on a basis of a general benefit accruing, to wit, as an operating railroad company.”

Fourth.—“The jury has assessed damages on exceptant by virtue of its ownership of a piece of land not abutting on Tacony road, and which manifestly is not appreciated in value by said vacation in rental, use, or sale.”

The jury conceives its first duty to be, under the ruling of the Court upon the first exception to confine itself only to the damages suffered by the properties fronting upon Old Tacony road, and to discard from consideration the properties fronting upon St. Vincent street. Accordingly, the jury reforms this report in this particular by striking out the awards given to the property owners fronting on St. Vincent street, amounting in all to twenty-five hundred (2,500) dollars. As to the properties immediately fronting on Old Tacony road, the jury after a careful reconsideration of the evidence, and acting upon their best judgment, affirms its former finding that the owners thereof are damaged to the amounts set opposite their respective names, as follows to wit:

John Leonard, Old Tacony Road.....	\$ 1,075 00
Jesse Williams, Old Tacony Road.....	985 00
Elizabeth Harper, Old Tacony Road.....	515 00
Catharine M. Ashton, Old Tacony Road.....	300 00
William J. Read, Old Tacony Road.....	480 00
Mary Condon, Old Tacony Road.....	47 50

Richard J. Costigan, Old Tacony Road.....	85 00
Margaret Mother, Old Tacony Road.....	45 00
Jacob E. Pruetzman, Old Tacony Road.....	46 25
Elizabeth Garretson, Old Tacony Road.....	46 50
Lynford Knowles, Old Tacony Road.....	325 00
Lynford Knowles, Old Tacony Road.....	2,800 00
Ellen Delaney, Old Tacony Road.....	350 00
Patrick McCabe, Old Tacony Road.....	200 00
John Laffey, Old Tacony Road.....	500 00
Martha E. Cripps, Old Tacony Road.....	260 00
Ellen Carpenter, Old Tacony Road.....	1,750 00
Thomas Disston, Old Tacony Road.....	700 00
	<hr/>
	\$10,510 25

II. The jury having regard to the rulings of the Court on the third and fourth exceptions to their former report, and after a further visit to the neighborhood and a careful reconsideration of the entire case, find as facts:

First.—That the four pieces of real estate fronting upon Old Tacony road, marked respectively A., B., C. and D., on the plan or sketch of the locality hereto annexed and made part of this report, are owned by the Philadelphia and Trenton Railroad; and that the said Philadelphia and Trenton Railroad, the owner of the said pieces of real estate, has received special benefit from the said vacation over and above any benefit which may have been received by the said Philadelphia and Trenton Railroad in common with the owners of neighboring lands in general, in an amount not less than ten thousand three hundred and ten (10,310) dollars and twenty-five (25) cents.

Second.—(Affirming the jury's finding in their former report), that the real estate fronting upon Old Tacony road and marked "E" on the plan or sketch hereto annexed, is owned by John F. Manning, and that the said John F. Manning as owner of said real estate, has been specially benefited in an amount not less than two hundred (200) dollars.

Third.—That no other owner of land, except the said Philadelphia and Trenton Railroad and John F. Manning, has received any special benefit from the said vacation.

III. The jury therefore report that in their opinion, the said claimants are entitled to the sum of ten thousand five hundred and ten (10,510) dollars and twenty-five (25) cents, by way of damages to their properties for the vacation of Old Tacony road, and that they assess and apportion the same, as follows, to wit:

Against the said Philadelphia & Trenton Railroad.....	\$10,310 25
Against John F. Manning.....	200 00

---

\$10,510 25

All of which is respectfully submitted.

### SUPPLEMENTAL TESTIMONY TAKEN BEFORE ROAD JURY.

Meeting, November 25, 1896. Jury all present. Of counsel, Howard B. Lewis, representing Thomas A. Fahy.

Mr. Lewis offers to show by John C. Lewis that the four pieces of real estate fronting on Old Tacony road and marked on the plan or survey as "A," "B," "C," and "D," are owned by the Philadelphia and Trenton Railroad.

*John C. Lewis*, being duly affirmed, was examined as follows:

By Mr. Lewis:

Q. You are in the employ of the Pennsylvania Railroad Company?

A. Yes sir.

Q. In what capacity are you employed?

A. As assistant to the Real Estate Agent.

Q. What is the name of the Real Estate Agent?

A. John C. Wilson.

Q. Do you know of your own knowledge that Mr. Wilson was subpoenaed to be here as a witness to-day?

A. I do, from his own assertion.

Q. Do you know why he is not in attendance?

A. He is busily engaged with the officers of the railroad company, which compels him to be there until their consultation is settled. He requested me to represent him in the subpoena.

Q. You are familiar with the real estate in this City owned by the Company?

A. I am.

(Plan shown witness.)

Q. Do you observe on the plan shown you a piece of real estate marked with the letter "A"?

A. Yes, sir, it is a triangular piece of land bounded by Cottman street and Old Tacony road, and north of line marked centre line of the Philadelphia and Trenton Railroad.

Q. State to the jury, if you know, who is the owner of that piece of land marked on the plan as "A"?

A. It is owned by the Philadelphia and Trenton Railroad, and I am of the impression that the property goes to the centre of Old Tacony road.

Q. Examine on the plan the piece of real estate marked "B," and state, if you know, who is the owner of that land?

A. The owner is the Philadelphia and Trenton Railroad. It was the Haldoffer property. I know there that the property extends to the centre of the road. There is a width marked on the easterly line of St. Vincent street of 32 feet and one-eighth of an inch. In addition to that width, we claim the southerly one-half of Old Tacony road, extending along the northerly boundary of the Haldoffer lot for a distance of 121 feet and three-quarters of an inch.

Q. Examine the piece of land marked "C," and state who is the owner of that real estate, if you know?

A. That is the property of the Philadelphia and Trenton Railroad Company.

Q. And the piece of land marked "D," who owns that?

A. The Philadelphia and Trenton Railroad.

Q. Is there any other land fronting on Old Tacony road, and not already testified to by you, which belongs to that Company?

A. I cannot identify any other property except the pieces already pointed out.

#### TESTIMONY TAKEN BEFORE ROAD JURY.

Meeting November 27, 1896. All the jury present. Of counsel, Howard B. Lewis, representing Thomas A. Fahy, Ferree Brinton, Esq., and George E. Fili, Esq. This meeting was held at 3 P. M., instead of 11 A. M., for the special convenience of David W. Sellers, Esq., representing the Pennsylvania Railroad, but he did not appear, nor has he appeared at any of the meetings of the jury, although notified. The jury believe it is proper that mention of this fact should be made.

*John W. Frazier*, being duly sworn, was examined as follows:

By Mr. Lewis:

Q. Capt. Frazier, what is your official position?

A. Registrar of the Bureau of Surveys.

Q. Examine this tracing, and state what it is, and by whom it was made? (Tracing shown witness.)

A. This is a tracing, made by a draughtsman in the Registry Department of the Bureau of Surveys, from the Registry plan-book of the Survey Bureau, showing the names of the registered owners of property fronting on the

Philadelphia and Trenton Railroad, and on both sides of Tacony or River road, from Cottman to Princeton street.

Mr. Lewis offers in evidence the blue print or tracing above-described, which is hereto annexed.

## OFFICE OF CITY CLERK.

*Chester, Pa., December 12, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—Attached please find copy of Joint Resolution adopted by the Councils of the City of Chester, at the meeting held December 7, 1896.

Respectfully yours,

FRANK W. HARRISON,  
*City Clerk.*

## JOINT RESOLUTION.

WHEREAS, It is reported that the Councils of the City of Philadelphia are considering the advisability of establishing a hospital on the property recently used as a Quarantine Station, but by Act of the State Legislature removed, because it was considered dangerous to the health of the citizens of Philadelphia and Chester, and the adjoining neighborhood,

AND WHEREAS, Dangers from such a hospital in the same locality would be second only to a Quarantine Station,

AND WHEREAS, To establish a hospital there we believe would be in direct violation of the Act of the State Legislature; therefore, be it,

*Resolved, by the Select and Common Councils of the City of Chester,* That we do most earnestly protest against the establishing of any hospital on the property above referred to. Further, be it

*Resolved,* That a copy of this be sent to the Councils of the City of Philadelphia.

## APPENDIX No. 139.

OFFICE OF THE MAYOR.

*Philadelphia, December 23, 1896.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN :—I have the honor to herewith transmit for your consideration a communication received from Frank M. Riter, Esq., Director of the Department of Public Safety, containing a report made by the Chief of the Electrical Bureau, David R. Walker, in accordance with a resolution passed by your Honorable Bodies on October 8, 1896, relative to the removal of poles on the south side of Walnut street, between Second and Third streets.

I am, respectfully,

CHAS. F. WARWICK,

*Mayor.*

---

DEPARTMENT OF PUBLIC SAFETY.

*Philadelphia, December 21, 1896.*

HON. CHAS. F. WARWICK,  
Mayor of the City of Philadelphia.

DEAR SIR:—The Select and Common Councils of the City of Philadelphia, on the 8th day of October, 1896, adopted the following resolution:

“Resolution of request to the Director of the Department of Public Safety, relative to the removal of poles on the south side of Walnut street, between Second and Third streets.

*Resolved, by the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Safety be, and is hereby requested to take such action as will insure the removal of all poles (which are too close to the car tracks and thereby endanger the lives of*

our people) on Walnut street, south side, between Second and Third streets."

In compliance with this resolution, as heretofore communicated to you, all the trolley poles that were complained of have been removed.

Regarding the telegraph poles which were erected and under the control of the Philadelphia, Reading & Pottsville Telegraph Company and the Western Union Telegraph Company, I call to your attention the following communications:

---

*Philadelphia, December 19, 1896.*

"FRANK M. RITER, Esq.,

Director of Department of Public Safety.

DEAR SIR:—On December 8th I sent the following communication to L. Horton, Jr., Supt. of the Phila., Reading & Pottsville Telg. Co., in relation to the removal of telegraph poles on the south side of Walnut street, east of Third.

There has been many complaints about the trolley and telegraph poles on the south side of Walnut street, between Second and Third streets, owing to their close proximity to the cars while passing by, and a resolution was passed by the Select and Common Councils of the City, instructing the Director of Public Safety to have them removed. The trolley companies were notified to remove their poles and they complied with the request by removing the poles from the south side of Walnut street and erecting arms on the trolley poles on the north side of Walnut street, so as to support their wire over their tracks.

There still remains on the south side of Walnut street three of your poles, between Third and Dock streets, and which support about twenty wires, one southeast corner Walnut and Dock streets, one southwest corner Walnut and Dock streets, one between 224 and 226 Walnut street, which requires to be moved. The pole at the southwest corner of Dock and Walnut streets, particularly, is in a most dangerous position, as the cars while passing have

broken out some of the wood while coming in contact. Director Riter has instructed me to communicate with you and ask that the location of your poles be changed from their present location, either to the north side of Walnut street or to some other street, to remove the source of danger.

Should an accident occur to a person while getting on or off a car there might possibly be a suit for damages and a question as to who was liable would be a serious one, and probably would entail considerable expense in litigation.

Please advise me whether or not you will cause the locations of the poles to be changed to the north side of the street or removed to some other street, in order that I may communicate your conclusions to the Director."

"Your letter of December 8th, with reference to position of telegraph poles belonging to this company, on the south side of Walnut street, between Third and Second, was duly received, and after looking into the matter, it appears there is no space available to which the poles referred to can be removed.

I will say, however, that we expect, on completion of our underground system in Philadelphia, which will be in the near future, these poles can be dispensed with altogether, and we will then be ready to take them down.

This appears to me the most satisfactory solution of the question."

You will observe that the company is desirous of placing the wires underground as soon as possible, and I can see no way at present to relieve the company from the use of the poles in their present position. I would suggest that a reasonable time be granted the company to arrange for the placing of the wires underground.

Respectfully,

(Signed) D. R. WALKER,  
*Chief of Bureau."*

---

*Philadelphia, December 19, 1896.*

"FRANK M. RITER, ESQ.,

Director of Department of Public Safety.

DEAR SIR :—On December 8th I sent a communication to Wm. B. Gill, superintendent of the Western Union Tele-

graph Company, similar to that sent Mr. Horton, Jr., superintendent of the Philadelphia, Reading & Pottsville Telegraph Company, in relation to the removal of one of their poles on the southside of Walnut street, between Dock and Second streets.

On December 12th I received the following communication from Mr. W. B. Gill :

‘ I am in receipt of your favor of the 8th inst. and in reply thereto I beg to state that we will give the subject matter contained therein our earliest attention, and will take such action as is possible under the circumstances, to correct the objectionable existing features.’

My opinion in the matter is that the Western Union Co. will make an effort at an early date to have the poles removed from the street as soon as they can arrange to transfer their wires (about 100 in number) in another direction.

Respectfully,  
(Signed) D. R. WALKER,  
*Chief of Bureau.*”

I can see nothing that can be done at present, unless an ordinance of Councils should be passed, directing the removal of these specific poles. Then the question of the right to do so would be legitimately raised. May I ask that you transmit the above communication to Councils.

I remain, with respect,  
FRANK M. RITER,  
*Director.*

## APPENDIX No. 145.

*Philadelphia, December 23, 1896.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of parts of the City plans of the Twenty-fifth Ward,” having considered the same report with a favorable recommendation.

Ellsworth H. Hulst (*Ch’n*), C. E. Connell, A. T. Wadsworth (for report), Wm. H. Garrett, George W. Conrad, Josiah Linton, Hiram A. Miller, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, James A. Briggs, Saml. P. Town, J. Emory Byram.

## AN ORDINANCE

To authorize the revision of parts of the City plans of the  
Twenty-fifth Ward.

WHEREAS, by articles of agreement between The Pennsylvania Railroad Company, The Philadelphia and Trenton Railroad Company and the Connecting Railway Company and the City of Philadelphia, said Companies have agreed to dedicate to the City of Philadelphia such parts of their land now owned by the said Companies respectively as may be necessary for the opening of Butler street, of the width of eighty (80) feet, from Frankford avenue to Sepviva street, and also opening of Sepviva street, of the width of sixty (60) feet, from Butler street to Wheatsheaf lane, and said Companies have agreed to build a bridge on the line of the Philadelphia and Trenton Railroad over Butler street, in order to carry out the work of abolishing grade crossings at Wheatsheaf lane, which said agreement to dedicate is conditioned upon a decree of the Court having proper jurisdiction for the vacation of Wheatsheaf lane from Amber street to th north edge of the right-of-way of the railroad, therefore,

SECTION 1. *That the Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be, and is hereby authorized to revise parts of the City plans of Twenty-fifth Ward, in such manner as to strike therefrom Wheatsheaf lane, from Amber street to the north edge of the right-of-way of the Connecting Railway; to revise the north line of Sepviva street, so as to widen said street to sixty (60) feet from Wheatsheaf lane to Butler street; to widen Butler street to the width of eighty (80) feet from Sepviva street to Frankford avenue, and revise the grades so as to provide for a bridge over Butler street on the line of the Philadelphia and Trenton Railroad. Reserving, however, to the City the right to build and maintain a public sewer on the line of said Wheatsheaf lane whenever it shall be authorized and directed by ordinance, also reserving to the City of Philadelphia the right to build a foot bridge on the line of Wheatsheaf lane over the Connecting Railway and the Philadelphia and Trenton Railroad. *Provided*, The Philadelphia and Trenton Railroad Company agree to build a bridge to carry the said railroad over Butler street.

## LAW DEPARTMENT.

*Philadelphia, December 29, 1896.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR:—I enclose you herewith copy of the report of the jury in the matter of the opening of Jasper street, from Westmoreland street to Allegheny avenue, filed December 17, 1896. This street, between the points named, has not as yet been legally opened, the proceeding being to determine the advisability of its opening and to assess the damages occasioned thereby.

The jury decided that the street should be opened, and that no damages should be awarded.

Yours very truly,

JOHN L. KINSEY,  
*City Solicitor.*

—

IN THE COURT OF QUARTER SESSIONS FOR  
THE COUNTY OF PHILADELPHIA.

In the matter of the opening of Jasper street, from Westmoreland street to Allegheny avenue.

(Copy.)

REPORT OF JURY.

(Filed December 17, 1896.)

*To the Honorable the Judges of the said Court:*

The undersigned Jurors, appointed by your Honorable Court to assess the damages and benefits, if any, for the opening of Jasper street, from Westmoreland street to Al-

leggheny avenue, in the Twenty-fifth Ward of the City of Philadelphia, respectfully report:

That after due notice the jurors met at the Road Jury Rooms, No. 211 South Sixth street, on June 30, 1896, at 3 P. M. The following jurors were present: Samuel S. Ellis, Jefferson H. Nones, John D. Heins, J. Redman Coxe, James K. Shoemaker, and John Galloway. At this meeting the following counsel were also present: William H. Addicks, Esq., for John M. Kennedy; Edward Willard, Esq., for Walter Willard and Horace Willard, and David Lavis, Esq., Assistant City Solicitor, for the City of Philadelphia.

The jury organized by electing Samuel S. Ellis, Foreman, and J. Redman Coxe, Secretary, after which the jurors were each sworn or affirmed upon their *voir dire*, and examined touching their capacity to serve in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve. The jurors were then sworn or affirmed to perform their duties in the matter of the opening of Jasper street, from Westmoreland street to Allegheny avenue, impartially and according to their best judgment and ability. At this meeting a copy of the petition was read to the jury, and the official plan produced for their use. The affidavit of service of notice on the registered property owners was also produced, and is on file in the Court of Quarter Sessions.

The jury then proceeded and did view the premises and the properties affected by the opening of the said street between the points indicated, on the second day of July, 1896.

The jury held other meetings, as follows: July 2, 1896, 3, 6, 7, 9, 10, September 7, 21, 28, 29, 30, October 1, 2, 3, 5, 6, 15, 23, 26, and 27.

After due consideration of all the testimony submitted to them upon the question of the necessity for the opening of Jasper street, between the points above named, the jury determined that public necessity required the opening of the said street.

At several of the above named meetings the jury heard

testimony for the purpose of ascertaining any damages which might have occurred to the owners of property, or any other persons, by reason of the opening of the said Jasper street, between the points above mentioned, and also testimony in behalf of the City.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which the said street is to be opened, and considering as well the advantages and disadvantages to each and every property along the line of the said Jasper street, from Westmoreland street to Allegheny avenue, the jury do find that the advantages and benefits derived by the property owners from the opening of the said Jasper street, between the points named, fully compensate them for any damage which they may suffer by reason of the opening of the said street, and therefore they are of the opinion that no property along the line of Jasper street, from Westmoreland street to Allegheny avenue, is entitled to any damage.

Hereto annexed and made part of this report is the release of John M. Kennedy, dated October 7, 1896, to the City of Philadelphia, for any damage which may accrue by reason of the opening of Jasper street, in the event of all other property owners releasing their property from damages, except one certain Edward Willard; also, hereto attached and made part of this report, is the release of the Commonwealth Title Insurance and Trust Company, Trustee, dated October 6, 1896, to the City of Philadelphia, for damages which may accrue by reason of the opening of the said Jasper street, providing that all other property owners so release any claims that they may have by reason of the said proceeding, with the exception of the claim made by one certain Edward Willard; also, attached and made part of this report, is a letter, dated Cincinnati, Ohio, October 2, 1896, addressed to William H. Addicks, Esq., Attorney at Law, Girard Building, Philadelphia, signed by Mrs. Lizzie W. Morris, the representative of the Estate of Sarah T. Hefley, which states that the said Mrs. Morris will be unable to attend the meetings of the jury of view in the above entitled case, and that whatever they decide to do she will consent to the same, and that if the said

Jasper street be improved, the bill may be sent to her when the work is done and she will see that it is paid.

All of which is respectfully submitted.

JEFFERSON H. NONES,  
JOHN GALLOWAY,  
J. REDMAN COXE,  
JOHN D. HEINS,  
SAML. S. ELLIS,  
JAS. K. SHOEMAKER.

APPENDIX No. 151.

OFFICE OF THE MAYOR.

*Philadelphia, January 7, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to herewith transmit for your consideration a communication received from Mr. Thomas M. Thompson, Director of the Department of Public Works, containing a report made in accordance with a resolution passed by your Honorable Bodies on December 17, 1896, relative to permits issued for opening streets by the Bell Telephone Company.

I am, respectfully,

CHAS. F. WARWICK,

*Mayor.*

---

DEPARTMENT OF PUBLIC WORKS.

*Philadelphia, January 7, 1897.*

HON. CHAS. F. WARWICK,  
Mayor of Philadelphia.

DEAR SIR:—On December 18, 1896, I received from Mr. George W. Kockersperger, Chief Clerk of Common

Council, the following resolution passed by the Select and Common Councils on December 17, 1896:

### RESOLUTION

Of request to the Director of the Department of Public Works, relative to permits issued for opening streets by the Bell Telephone Company.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department of Public Works be, and he is hereby requested to inform these Councils by what authority permits are issued to the Bell Telephone Company to open streets throughout the City without first obtaining the consent of these Councils.

In reply thereto would state that the Department issued permits to the Bell Telephone Company to open streets, in accordance with an opinion given by the City Solicitor on September 18, 1895, in which it was held that by virtue of the authority conferred on the Bell Telephone Company by the ordinance of 1879, in order that the said company could comply with the regulations of the ordinance of June 17, 1882, the Director of the Department of Public Works was justified in granting a permit to said company to place its wires underground.

This opinion was reiterated in an opinion subsequently given to Mr. Edward W. Patton, Chairman of the Electrical Committee on June 27, 1896.

In this connection I would state that at the last meeting of the Board of Highway Supervisors, application was made by the Bell Telephone Co. for additional permits, but they were not granted, by reason of the passage of the resolution of December 17, 1896, and the question of granting said permits was indefinitely postponed.

I have the honor to herewith transmit this to Councils for their information.

Yours respectfully,  
THOMAS M. THOMPSON,  
*Director.*

N. B.—Copies of opinions referred to herein enclosed.

## LAW DEPARTMENT.

*Philadelphia, September 18, 1895.*

THOMAS M. THOMPSON, ESQ.,

Director, Dept. of Public Works.

DEAR SIR:—To your inquiry as to whether the Bell Telephone Company may lay its wires underground, my answer is as follows:

On July 31, 1895, I received a communication from A. M. Beitler, Esq., requesting my advice as to whether the American Telegraph & Telephone Company could give the Bell Telephone Company the right to lay wires in the conduits of the former without express authority from the city by ordinance. My reply to that communication was, that it could not.

Your present letter relates to the authority of the Bell Telephone Company to place its wires underground. Under the ordinance of December 24, 1879, the said Bell Telephone Company was “authorized to run and maintain its wires over and through the streets of the City of Philadelphia.”

On June 13, 1882, an ordinance was passed directing that prior to the first day of January, 1885, “all poles and wires erected for telegraph, telephone or electrical light purposes” should “be removed from the streets of the City of Philadelphia,” and prohibiting the erection or maintenance of poles and wires in streets thereafter, save only in excepted cases.

On June 21 1882, an ordinance was passed “to regulate the introduction and use of underground conduits.” Section 1 thereof provides that all “corporations to whom Select and Common Councils may thereafter grant the privilege and permission of running underground conduits, etc., shall conform to the requirements” of that ordinance. Section 2 of that ordinance prohibited the breaking of any streets, etc., for the purpose of laying conduits, etc., “unless permission of Select and Common Councils be first obtained.”

There is, you perceive, no expressed authority under the ordinance of 1879 granted to the Bell Telephone Company to place its wires underground, unless the language "over and through the streets" should be interpreted so as to have such meaning.

Councils did by that ordinance grant authority to the said company to run and maintain its wires, and in consequence thereof, the said company did so run and maintain them.

The ordinance of June 13, 1882, provided that by the first of January, 1885, all these wires so constructed should be removed, but without any provision therein as to what should be done therewith.

It is unreasonable to contemplate that Councils intended to have removed all these apparatus which had been erected under authority granted by them by a prior ordinance, without having in mind, although unexpressed, the thought that this would produce the result of forcing these wires underground. While there is no expressed provision in the ordinance of 1879 permitting the placing of the wires underground, neither is there at the same time, any prohibition thereof.

As stated in your letter, the said company are now willing to do this of their own accord, and as there will be no expense to the city connected therewith, and upon the compliance of the said company with all the provisions of the various ordinances relating thereto, I know of no reason why a permission so to do should not be granted by you. Certainly, such a result would be in fullest harmony with the same public demand that led to the passage of the ordinance of 1882, and such disposal of these wires would improve the safety, the convenience, and the appearance of the city. In fact, it is alleged that the accidental breaking of a trolley wire and the falling of it across a telephone wire would transmit through the latter an electric current of such force that it would be a menace to the lives and properties of those using it.

Yours respectfully,

JOHN L. KINSEY,  
*City Solicitor.*

(Copy.)

*Philadelphia, June 27, 1896.*

EDWARD W. PATTON, Esq.,

Chairman of Electrical Committee.

DEAR SIR:—Your communication in reference to the application of "The Bell Telephone Company, for the erection of terminal poles as outlets to reach its subscribers at points along the lines of its conduits," received.

It appears that the Bell Telephone Company have, by virtue of permits granted by the city, removed the overhead wires and placed them underground, but that they desire to erect terminal poles in order to make connection with their subscribers.

You request my opinion upon the following points:

1. "Does the ordinance of December 24, 1879, permit the Bell Telephone Company to erect poles in the streets of Philadelphia for the purpose of supporting these telephone wires?"

2. Does the ordinance of December 24, 1879, empower the Bell Telephone Company of Philadelphia to erect poles for the purpose of connecting subscribers to its underground system?

3. "If the said Bell Telephone Company has power to erect terminal poles for the purpose of connecting its subscribers with its underground system, is there anything in the general ordinances regulating the matter in which underground conduits shall be constructed in the City of Philadelphia, that prohibits the erection of such poles by any company?"

4. "If Councils granted such permits to the Bell Telephone Company as will permit the erection of terminal poles as aforesaid, is there any power vested in the Electrical Bureau to refuse the issuing of such permits except for such cause as would apply to locality only?"

In view of the ordinance of June 13, 1882, and June 21, 1882, designed for the purpose of avoiding and prohibiting overhead wires, and providing a system for placing wires

underground, the ordinance of December 24, 1879, referred to by you, can only be properly interpreted in connection with those ordinances of 1882.

The questions propounded by you may therefore be considered together, involving as they do not only the authority of the Bell Telephone Company under the ordinance of December 24, 1879, but also its obligations under that and the subsequent ordinances.

The ordinance of December 24, 1879 (page 267), authorized the Bell Telephone Company "to run and maintain its wires over and through the streets of the City of Philadelphia." This, it was ceded, gave the telephone company the right to erect overhead wires. The said ordinance provided "That the said Bell Telephone Company shall, before erecting any wires, as provided herein, file in the Law Department a written obligation to comply with all the ordinances of the city regulating or in any manner controlling telegraph or telephone companies in the use of the streets for telegraph or telephone purposes, which have been, or may hereafter be, enacted."

The telephone company, therefore, by its own agreement bound itself to comply with all the ordinances of the city regulating telegraph or telephone companies in the use of the streets. It was, therefore, subject to the ordinance of June 13, 1882, requiring the removal of poles and wires, and prohibiting their erection.

In an opinion under date of September 18, 1895, to Thomas M. Thompson, Esq., Director of Public Works, it was held that by virtue of the authority conferred upon the Bell Telephone Company by the ordinance of 1879, in order that the said company could comply with the regulations of the ordinance of June 13, 1882, the Director was justified in granting a permit to said company to place its wires underground.

If the ordinance of December 24, 1879, be considered separate from the ordinance of 1882, it would necessarily confer upon the said telephone company the power to erect poles in the streets of Philadelphia, as well for supporting telephone wires as for connecting with their subscribers. As, however, the telephone company by its obligation filed

under ordinance of 1879, agreed to comply with all ordinances regulating telegraph or telephone companies in the use of the streets, and as in obedience to the ordinance of June 13, 1882, it was permitted to place its wires underground, it cannot claim the right to both overhead wires and underground wires.

It is possible that under the authority of the ordinance of 1879, the telephone company would have the right to erect terminal poles if they cannot exercise their franchise without them.

If Councils by ordinance confer authority upon the telephone company to erect terminal poles, the Electrical Bureau cannot refuse to issue a permit. The Electrical Bureau would have the right to determine the locality of such poles and the method of their construction.

Yours respectfully,  
(Signed) JOHN L. KINSEY,  
*City Solicitor.*

## APPENDIX No. 152.

### LAW DEPARTMENT.

*Philadelphia, January 4, 1897.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR:—Yours of December 30, 1896, enclosing copy of a resolution of request to the City Solicitor, regarding the heating of street passenger railway cars, as follows:

“Resolved, by the Select and Common Councils of the City of Philadelphia, That the City Solicitor be, and is hereby requested to inform these Councils at their first meeting in January next, whether or not the City of Philadelphia can legally compel the various traction or street passenger railway companies to heat their cars during the winter months,” is before me.

I do not know that I can answer this more specifically than to quote from my opinion to William Findlay Brown,

Esq., Chairman of the Sub-Committee on Law, under date of March 4, 1896, in reply, among others, to the following question by him, viz:

“Under the reserve power of government, control and regulations have Councils the power to compel the passenger railway companies to do the following things: (a) To heat their cars?” wherein I said that “It is a general legal principle, than an ordinance regulating street passenger railways must be reasonable. The power of Councils to make regulations extends to matters relating to “the use of highways, and the safety and convenience of the public traversing thereon, and of passengers riding in cars. The advisability or necessity of heating cars should be determined by the corporations and the public demand, inasmuch as to the desirability thereof there might be a wide variance of opinion upon the part of the public.”

If the heating of the cars is a necessary convenience to the public using them, Councils have the power to make any reasonable regulation in reference thereto.

The various railway companies, under the ordinances granting the trolley privileges, agreed to be bound by the “terms and conditions of all laws or ordinances now in force on which may hereafter be passed, relating to the government, control or regulation of railways or railroads of any kind, within the City of Philadelphia.”

Under the agreements filed, Councils would also have the right to make reasonable regulations as to the heating of cars.

Yours very truly,

JOHN L. KINSEY,  
*City Solicitor.*

*Philadelphia, December 17, 1896.*

JACOB J. SEEDS, ESQ.,

Chairman Finance Committee.

DEAR SIR:—Your communication, with letter of the City Treasurer enclosed, was duly received. In his letter, the City Treasurer says: "There is now in my hands the sum of twenty-three hundred and fifty (2,350) dollars and fifty-eight (58) cents, representing five per cent. penalties collected from delinquent mercantile dealers at various times during my term of office to date. While the Act of April 7, 1830, under which these collections have been made, explicitly states that the penalty percentage shall be for the personal use of the Treasurer 'as a compensation for his services' in making collections from delinquents, I am not clear as to what disposition shall be made of the money." . . . "The enforcement of penalties was not in vogue when I came into office, in January, 1895, but recognizing the importance of having some legal limit to the indifference of delinquents, I asked the Attorney General, through the Auditor General, if the penalty of five per cent. imposed by the Act of 1830 was not still in force. In a lengthy opinion, Deputy Attorney General Elkin held that it was, but upon the strength of the Act of 1893, abolishing the fees and commissions of the Treasurer of this County for the performance of State work, he expressed the view that the penalties provided for the 'own use' of the Treasurer by the Act of 1830, should be

turned over to the State. It was under this opinion, upholding the law of 1830, that the penalties to which I have called your attention, were collected."

The several Acts of the General Assembly impose certain duties upon the City (or County) Treasurer. He is charged, among other things, with the collection of mercantile taxes. For the services rendered in such cases he is entitled to charge a fee of fifty (50) cents (Act of 1866, p. 104). If the license is not paid within ten days after the time fixed by law for payment, he is entitled to impose a penalty of five per cent. The former was allowed the Treasurer for his services in making out, registering and delivering the license, and the latter was a further compensation for his trouble in suing for and recovering the amount due the State. In addition to the fees above stated, the Treasurer also received from the State, a commisison on all moneys paid to it. (Act of 1834, p. 544). The expense of clerk hire, stationery, etc., was borne by the Treasurer and paid by him out of the fees, etc., received.

In 1876 an Act was passed providing as follows:

SECTION 1. "That in all counties in this commonwealth, containing over one hundred and fifty inhabitants, all fees limited and appointed by law to be received by each and every county officer therein elected by the qualified voters of their respective counties or appointed according to law, or which they shall legally be authorized, required or entitled to charge or receive, shall belong to the county in and for which they are severally elected or appointed; and it shall be the duty of each of said officers to exact, collect and receive all such fees to and for the use of their respective counties, except such taxes and fees as are levied for the state, which shall be to and for the use of the state; and none of said officers shall receive for his own use, or for any use or purpose whatever, except for the use of the proper county, or for the state, as the case may be, any fees for any official services whatsoever."

SECT. 15. "The salaries fixed and provided for by the foregoing provisions, shall be in lieu of all or any moneys, fees, perquisites or mileage which are now or may hereafter be received by any officer named in this Act; and all

said moneys, fees, mileage or perquisites, received by any of them as compensation, fees or perquisites, from any source whatever, shall in all cases belong to the county, and shall be paid into the Treasury (except where required to be paid to the state), as provided in this Act."

Prior to this Act, as above noted, the Treasurer was compensated for services rendered: First, by the fees allowed for each license issued, and where suit was brought to recover the amount due, an additional five per cent. for extra compensation; Second, a commission on the amount paid to the State.

After the passage of the Act of 1876 "all fees limited and appointed by law" were to be paid into the City (County) Treasury. The word "fees" was thought to include all moneys received by the Treasurer, whether received by him at the time of issuing the license, or subsequently paid to him by the State as a commission, and suit was brought against Treasurers Martin and Irvine to recover the commissions paid them by the State. It was held, however, (125 Pa. St., 583) that as the commissions were paid to the Treasurers by the State as its agents, they were entitled to retain them, the Court saying (p. 595): "From what we have already said as to the application of the act to county treasurers when acting for the county, as distinguished from duties performed as officers or agents of the state, it follows, that the fifteenth section, which substitutes a fixed salary for moneys, fees, perquisites or mileage, and which declares that they all shall belong to the county, is to be understood as meaning such moneys, fees, perquisites and milage, which shall be received by county officers for the performance of duties or services, which under the law, they are authorized or required to perform when acting in their capacity as officials of the county or municipality, and that it does not include the compensation which the state is required to pay to county treasurers as commissions for the collection of its revenues."

In a suit involving the State's right to recover fifty per cent. of the fees of certain county officers (*Commonwealth vs. Phila. County Officers*, 168 Pa. St., 290), the Supreme Court held that the County of Philadelphia was entitled

to receive all fees which, prior to the Act of 1876, belonged to the County Officers. There can be no doubt, from what has been stated above, that the fees and penalties were the perquisites of the Treasurer, prior to the Act of 1876.

I am of opinion, therefore, that the City Treasurer has the legal right to pay over penalty moneys in his hands to the City of Philadelphia.

Yours very truly,  
(Signed) JOHN L. KINSEY,  
*City Solicitor.*

### RESOLUTION

Authorizing and directing Richard G. Oellers, City Treasurer, to pay certain penalty moneys into the City Treasury.

WHEREAS, In a communication to Councils, dated November 11, 1896, Richard G. Oellers, City Treasurer, stated that he had in hand twenty-three hundred and fifty (2,350) dollars and fifty-eight (58) cents, representing five per cent. penalties collected from delinquent mercantile dealers at various times during his term of office, which he desired to give to the City of Philadelphia.

AND WHEREAS, In an opinion to the Finance Committee of Councils, dated December 17, 1896, the City Solicitor held that the City Treasurer has the legal right to pay over penalty moneys in his hands to the City of Philadelphia.

AND WHEREAS, The said Richard G. Oellers, City Treasurer, desires to be protected against any claim or action that may be made by the Commonwealth of Pennsylvania to recover said penalty moneys, therefore be it

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the said Richard G. Oellers, City Treasurer, be, and he is hereby authorized and directed to pay into the City Treasury the penalty moneys amounting to twenty-three hundred and fifty (2,350) dollars and fifty-eight (58) cents to which he called Councils' attention, together with such other moneys similarly

collected since November 11, 1896, the date of his said communication to Councils, or which may hereafter come into his hands.

## APPENDIX No. 156.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to authorize the Department of Public Works to pay for grading

certain streets," beg leave to report that Councils authorized the construction of a bridge on the line of Torresdale avenue, over the Pennypack creek, for the purpose of providing a road to the New County Prison, at Holmesburg, but for lack of money failed to pass an ordinance to authorize the grading of the street to the bridge. Charles A. Porter, having a contract for work on Holmesburg avenue, was requested by the then Director of the Department of Public Works and Chief of the Bureau of Highways, to place the surplus dirt on Holmesburg avenue, from Torresdale avenue, as approaches to the bridge, the haul being from ten to twelve squares. In order to deliver the dirt Mr. Porter built a temporary bridge over the creek. The estimated cost of the grading in accordance with certificate furnished to the Committee on Highways was about ten thousand (10,000) dollars. The amount claimed by the present ordinance, six thousand one hundred and eleven (6,111) dollars and sixty (60) cents is for 15,279 cubic yards of dirt placed on the street. As the work was absolutely necessary in order to reach the new prison, and as the price is less than the estimated cost, your Committee think the bill should be paid. In the case of Evergreen avenue, Councils passed an ordinance for the construction of a bridge over the Philadelphia and Reading Railroad. As the bridge was practically useless until the street was graded, and as no funds were available for this purpose, in the emergency, Mr. Heebner, at his own expense, paid for grading the street in advance of the City's action. As the amount to be returned is less than the average cost for grading streets in the neighborhood, in common justice this money should be returned, as Mr. Heebner received no personal benefit from the grading, but did it entirely in the public interest he should be paid the amount expended. In the case of Thirtieth, Hollywood and Myrtlewood streets, an ordinance of Councils was passed to authorize the grading of these streets. As no funds were available, Mr. W. T. B. Roberts, who had constructed rows of houses on each side of these streets, was compelled to do the grading in order to have the other municipal improvements made. As the cost of the work is less than the estimated cost at the time of the passage of the ordinance and as the City would

have been compelled to have paid for the work later on, your Committee feel that Mr. Roberts should be reimbursed, thus encouraging builders who are responsible in a large measure for the increase each year in the taxable property to go forward and build.

While your Committee is opposed to the system of work being done in advance of appropriations, we still feel there are cases in which the public good requires public spirited citizens to proceed with the necessary work, and it seems but just that Councils should repay them. We, therefore, report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, J. H. B. Amick, Jas. Wolstencroft, P. E. Costello, Saml. K. Stinger, Hugh Black, W. F. Short, P. A. McClain, Thos. Wagner, Jr., Thos. J. Morton, John W. Davidson, Samuel Lamond, Wm. R. Knight, Jr., J. C. Keith.

#### AN ORDINANCE

To authorize the Department of Public Works to pay for grading certain streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to draw, and the City Controller requested to countersign, a warrant in favor of Charles A. Porter, in the sum of six thousand one hundred and eleven (6,111) dollars and sixty (60) cents for grading Torresdale avenue, between Holmesburg avenue and Stanwood street, approaches to the new bridge over the Pennypack creek; a warrant in favor of the estate of Charles Heebner, in the sum of five hundred and ninety-three (593) dollars and thirty (30) cents, being the amount expended by said estate for the grading of Evergreen avenue, from Twenty-fourth street to Prospect avenue, and a warrant in favor of W. T. B. Roberts, in the sum of one thousand seven hundred and forty-eight (1,748) dollars, for grading Thirtieth, Hollywood and Myrtlewood streets, between Master and Jefferson streets, and shall charge the said amounts to Item 6, for grading, in the annual appropriation to the Department of Public Works, Bureau of Highways.

## APPENDIX No. 157.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to authorize the Department of Public Works to pay for certain bills for paving in front of narrow strips of ground,” beg leave to report that these bills were all referred to the Department of Public Works, who report that the amounts in each case are correct. As the work in each case was properly done and the contractors having fully complied with the specifications and the ordinances of Councils, we do not think the City is justified in giving bills which are not collectible, because the property in most cases are not worth the amount thereof. Since the completion of this work the Department in its specifications where similar facts exist give notice, and the contractors fixed the price of the work in order to protect themselves. In the cases provided for in the ordinance, in no instance was the cost of the work greater than corresponding work where collectible bills were received. As the City received the full value of the work done, we feel that the bills ought to be paid. A clause has been added requiring that the bills should be assigned to the City of Philadelphia, so that if the bills are ever collectible the City would receive the benefit thereof. We, therefore, report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'u*), Jno. P. Buckley, J. H. B. Amick, Jas. Wolstencroft, P. E. Costello, Saml. K. Stinger, Hugh Black, W. F. Short, P. A. McClain, Thos. Wagner, Jr., Thos. J. Morton, John W. Davidson, Samuel Lamond, Wm. R. Knight, Jr., J. C. Keith.

## AN ORDINANCE

To authorize the Department of Public Works to pay for certain bills for paving in front of narrow strips of ground.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of

Public Works be authorized to draw, and the City Controller requested to countersign, a warrant in favor of the Pennsylvania Asphalt Paving Company, for two hundred and eight (208) dollars and seventy-nine (79) cents, for paving in front of property on the north side of Emily street, east of Sixteenth street; in favor of the Mack Paving Company, for two hundred and twenty-nine (229) dollars and twenty-five (25) cents, for paving in front of property on the southwest side of New street, northwest of Tackawanna street; in favor of John M. Mack, for one thousand five hundred and twenty-nine (1,529) dollars and thirty-five (35) cents, for paving in front of property on the southeast side of High street, southwest of Hancock street; in favor of John M. Mack, for one thousand four hundred and forty-one (1,441) dollars and sixty-one (61) cents, for paving in front of property on the east side of Fifty-fourth street corner, south from Westminster avenue; in favor of John M. Mack, for one thousand four hundred and thirty-nine (1,439) dollars and forty-one (41) cents, for paving in front of property on the east side of Fifty-fourth street corner, north from Westminster avenue; in favor of John M. Mack, for sixty-four (64) dollars and eighty-four (84) cents, to pay for paving in front of property on the southeast side of High street, 467 feet 4½ inches northeast of Hancock street; in favor of Michael O'Rourke, for nine hundred and eighteen (918) dollars and sixty-six (66) cents, to pay for paving in front of property on the northwest side of Kensington avenue, and the northeast and southeast sides of Deal street, and shall charge the said amounts to Item 2, for paving, in the annual appropriation to the Department of Public Works, Bureau of Highways. Upon the payment of said bills the said parties shall assign to the City of Philadelphia all liens filed against said properties.

## APPENDIX No. 158.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to authorize

the City Solicitor to accept the agreement authorized by ordinance, approved July 2, 1890, and June 9, 1896, revising the lines and grades in parts of the Twenty-fifth Ward, and the Department of Public Works be authorized to confirm the plans for said revision," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation, and ask its passage.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, C. E. Connell, John Dougherty, Geo. B. Edwards, P. A. McClain, Wm. Rowen, Hiram A. Miller, George W. Conrad, Gustave R. Schaefer, Wm. H. Garrett, A. T. Wadsworth, W. G. Huey.

### AN ORDINANCE

To authorize the City Solicitor to accept the agreement authorized by ordinances, approved July 2, 1890, and June 9, 1896, revising the lines and grades in parts of the Twenty-fifth Ward, and the Department of Public Works be authorized to confirm the plans for said revision.

WHEREAS, By ordinance, approved July 2, 1890, the Department of Public Works was authorized to revise parts of the City plan in such manner as to strike therefrom Wheat Sheaf lane, from Coral to Amber street; to revise the north line of Sepviva street so as to widen the said street 60 feet, from Wheat Sheaf lane to Butler street, and to widen Butler street to the width of 80 feet, from Sepviva street to Frankford avenue, and to revise said grades so as to provide for a bridge over Butler street on the line of the Philadelphia and Trenton Railroad, reserving to the City the right to build and maintain a public sewer on the line of said Wheat Sheaf lane, whenever it shall be authorized and directed by ordinance: *Provided*, The Pennsylvania Railroad Company or its leased lines shall first dedicate such of its or their land as may be required for the purpose of this ordinance, and agree to build a bridge on the line of the Philadelphia and Trenton Railroad, over Butler street, and by ordinance of June 9, 1896, the said ordinance was amended by striking out the words "shall first

dedicate," and inserting the words "shall agree to dedicate," and as articles of agreement between the said Pennsylvania Railroad Company and the Philadelphia and Trenton Railroad Company and the Connecting Railway Company have been filed with the Law Department in accordance with the provisions of said ordinances, conditioned upon the decree of the Court having proper jurisdiction for the vacation of Wheat Sheaf lane, from Amber street to the north edge of the right of way of the railroad, and said companies also agree that the City of Philadelphia shall reserve the right to build a foot bridge on the line of Wheat Sheaf lane, over the Connecting Railway and the Philadelphia and Trenton Railroad; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the City Solicitor be authorized to accept the said agreement as filed, and the Department of Public Works be authorized to confirm the plans of the revisions authorized by the said ordinance, approved July 2, 1890, widening said Butler and Sepviva streets, and striking from the plan Wheat Sheaf lane, from Amber street to the north edge of the right of way of the Connecting Railway, and the necessary revision for a bridge on the line of Butler street.

APPENDIX No. 159.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the ordinances to authorize the Department of Public Works to pay for certain bills for the construction of sewers, beg leave to report that when the sewer on Gray's Ferry road was completed the bill was made out against the United States Naval Asylum, but the United States authorities refused to recognize the claim, and as no way exists in which the City could enforce it the contractor should be paid for his work. The bill for sewer

on Queen street is against property that is assessed at suburban rates, the ordinance providing that before a sewer in front of suburban properties should be built, a satisfactory agreement should first be filed. Through confusion in the certificate from the Board of Revision of Taxes the property was supposed to be assessed at City rates. When the bill was presented the owners of property entered suit to have the claim stricken off and the bill therefore is worthless. The bill for sewer on Hillside avenue was given in front of the strip of property 104 feet long, with but 5 feet depth on one end, running to a point. The grade on Hillside avenue ascends rapidly from Ashland avenue, and the lot in question, at its western end, is much lower than the grade of the street. As the property beyond a question will never be worth the sewer bill we think the contractor should be paid. The bill for sewer on Eyre street is in front of the narrow strip of property supposed to have been taken by the City in the opening of the street. The bill for paving in front of this strip having been paid by the City the contractor for the sewer should also be paid. The deficiency due from the sewer on Eleventh street was caused by reason of the fact that when the sewer was being constructed a pipe sewer was found in the street for a portion of the distance to which properties were connected, which invalidated some of the bills included in the original estimate of the cost. The deficiency due on inlets in District "D" was occasioned from the fact that estimates for this work were drawn by the thirteen District Surveyors, by reason of which fact the deficiency could not be determined until all the certificates were in. As the work in each of these instances was done in strict accordance with contracts, and as the subsequent facts could not be known at the time the contracts were made we think the bills are just and should be paid. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, C. E. Connell, John Dougherty, Geo. B. Edwards, P. A. McClain, Wm. Rowen, Hiram A. Miller, George W. Conrad, Ezekiel Gordon, Gustave R. Schaefer, Wm. H. Garrett, A. T. Wadsworth, W. G. Huey.

## AN ORDINANCE

To authorize the Department of Public Works to pay for certain bills for the construction of sewers and inlets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to draw, and the City Controller requested to countersign, a warrant in favor of Joseph Perna & Co., in the sum of two hundred and forty-four (244) dollars and three (3) cents, to pay for the construction of sewer in front of the United States Naval Asylum on Gray's Ferry road; a warrant in favor of Joseph S. Williams, Assignee of John S. Wynkoop, in the sum of seven hundred and sixteen (716) dollars and forty-four (44) cents, for the construction of sewer on the southeast side of Queen street, northwest of the Philadelphia and Germantown Railroad; a warrant in favor of David McMahon, in the sum of one hundred and four (104) dollars, to pay for the construction of sewer on Hillside avenue, between Ashland and Manayunk avenues, in front of the narrow triangular strip; a warrant in favor of W. B. M. Conklin, in the sum of one hundred and four (104) dollars, to pay for the construction of sewer in front of property corner of Belgrade and Eyre streets; a warrant in favor of George W. Ruch, in the sum of three hundred and six (306) dollars and thirteen (13) cents, deficiency in the amount of contract for the construction of sewer on Eleventh street, from Columbia avenue to Montgomery avenue; also, a warrant in favor of George W. Ruch, in the sum of three hundred and eleven (311) dollars and sixty-three (63) cents, deficiency in the amount of contracts for the construction of inlets, etc., in District "D," and shall charge the said amounts to the item for the construction of branch sewers, in the annual appropriation to the Department of Public Works, Bureau of Surveys. Upon the payment of the said bills the bills or liens against the respective properties shall be assigned to the City of Philadelphia, and no permit for the connection with the sewers shall be issued until the frontage charges shall have been paid.

## APPENDIX No. 160.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the ordinances to authorize the construction of sewers on Beechwood, Bridge, Chestnut, Emlen, Fifty-eighth, Greene, Hansberry, Helen, Jefferson, Judson, Knox, Logan, Leon, Manheim, Morris, Nevada, Richmond, Twenty-third, Twenty-sixth, and Warnock streets, Germantown, Westminster, and Washington avenues, beg leave to report that the sizes and location of these sewers have been approved by the Board of Surveyors, and are needed for the development of the property. We, therefore, report the annexed ordinance to authorize their construction with a favorable recommendation.

Ellsworth H. Hults (*Ch'n*), Josiah Linton, C. E. Connell, John Dougherty, Geo. B. Edwards, P. A. McClain, Wm. Rowen, Hiram A. Miller, George W. Conrad, Ezekiel Gordon, Gustave R. Schaefer, Wm. H. Garrett, A. T. Wadsworth, W. G. Huey.

## AN ORDINANCE

To authorize the construction of sewers in Beechwood, Bridge, Chestnut, Emlen, Fifty-eighth, Greene, Hansberry, Helen, Jefferson, Judson, Knox, Logan, Leon, Manheim, Morris, Nevada, Richmond, Twenty-third, Twenty-sixth, and Warnock streets, Germantown, Westminster, and Washington avenues.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to enter into contracts for the construction of sewers in Beechwood street, from Costello to Bloyd street; Bridge street, from Richmond street to the Delaware river; Chestnut street, from Leverington avenue, to Ripka avenue; Emlen street, from Upsal to Johnson street; Fifty-eighth street, from Market to Arch street ;

Greene street, from Walnut lane to Harvey street; Hansberry street, from Wayne avenue to Greene street; Helen street, from Somerset street to Hart lane; Jefferson street, from Orthodox to Gillingham street; Judson street, from Ridge avenue to Montgomery street; Knox street, from Seymour to Logan street; and on Logan street, from Greene to Knox street; Knox street, from Mannheim to Queen street; Leon street, from Washington avenue to Ellsworth street; Mannheim street, from Greene to Knox street; Morris street, from Point Breeze avenue to Twenty-seventh street; Nevada street, from Eleventh to Twelfth street; Richmond street, from Orthodox street to summit northeast of Orthodox street; Twenty-third street, from Fernon street to Point Breeze avenue; Twenty-sixth street, from Pine to Factory street; Warnock street, from Thompson to Master street; Germantown avenue, from Seymour to Logan street; Westminster avenue, from Fiftieth to Fifty-one-and-a-half street; Washington avenue, (to be constructed and assessed on the south side only), from Tenth to Leon street.

SECT. 2. The Director of the Department of Public Works shall advertise according to law, announcing that bids will be received for the sewers above designated, and he shall allot them to the lowest responsible bidders; and it shall be a condition of said contract that the contractors shall accept the sums assessed upon and charged to the properties lying upon the lines of said sewers in manner and form authorized by ordinance entitled "An Ordinance regulating the assessments upon property for the construction of branch culverts or drains," approved May 12, 1866, and supplement thereto, approved February 16, 1869, and any excess over and above said assessment in addition to that provided for by ordinance entitled "An Ordinance authorizing the Chief Engineer and Surveyor to draw warrants for street intersections, manholes and legal deductions in the construction of branch sewers," approved April 3, 1868, to be charged to the item for branch sewers of annual appropriation made to the Department of Public Works (Bureau of Surveys).

SECT. 3. The Director of the Department of Public

Works shall not award contracts for the construction of any of the sewers authorized by this ordinance until the streets are on the City plan, legally opened and all the properties abutting thereon assessed to full City rates : *Provided, however,* That where properties are assessed at less than full City rates, and the streets on the plan are opened, he may award contracts upon receipt of a duly executed agreement binding owners to pay the regular assessment charges.

## APPENDIX No. 161.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the ordinances to place on the City plan Beulah, Reger, Newkirk, Vici, Coral, Arcadia, Florence, Bevan, Rosewood, Carlisle, Hilton, Twenty-ninth, Percy, Hutchinson, Ogden, Redfield, Salford, and Gross streets, and St. Luke's place, having considered said ordinances, beg leave to report that Beulah street can only be made of the width set forth in the ordinance, because of buildings constructed on its line. To make the street 30 feet wide would cause considerable damage. The street is desired in order to give an outlet to a plot of ground owned by the City of Philadelphia. The portion of Reger street to be placed on the plan of the width of 25 feet has been opened and built upon for upwards of 50 years, and cannot be made wider unless buildings are taken down. The damages on Bevan street are estimated at fifteen hundred (1,500) dollars; the placing of the street on the plan will permit a number of owners of property to develop their ground, and be a decided improvement to the neighborhood. As no one owner is sufficiently interested to file a bond the usual condition has been left off this ordinance. St. Luke's place is desired to be placed on the plan in order to develop the property. As the street will not be opened to its full length for probably a number of years, a proviso has been

added that the owners of a portion of the ground dedicate. Gross street is placed on the plan through a suburban section now entirely developed, the owners of more than two blocks of the ground are required to dedicate, leaving only about 150 feet to be otherwise provided for. The provisions of the ordinance of April 8th are suspended in this case, as the proper development of the ground could not be made if the street was required to run in a straight line. We, therefore, report the ordinance with a favorable recommendation.

## AN ORDINANCE

To place on the City plan Beulah, Reger, Newkirk, Vici, Coral, Arcadia, Florence, Bevan, Rosewood, Carlisle, Hilton, Twenty-ninth, Percy, Hutchinson, Ogden, Redfield, Salford, and Gross streets, and St. Luke's place.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to place on the City plan Beulah street, of the width of 29 feet 7 $\frac{1}{4}$  inches, from Carpenter to Marriott street; Reger street, of the width of 25 feet, from Spring alley to dead end west of Spring alley, and of the width of 40 feet, from Greene street to the end of the present Reger street, west of Spring alley; Newkirk street, of the width of 25 feet, from Lehigh avenue to the Philadelphia and Reading Railroad; Vici street, of the width of 30 feet, from Frankford avenue to Coral street; Coral and Arcadia streets, each of the width of 30 feet, from Wheat Sheaf lane to Vici street; Florence street, of the width of 40 feet, from Almond to Edgemont street; Bevan street, of the width of 30 feet, from Anthracite to Huntingdon street; Rosewood and Carlisle streets, each of the width of 30 feet, from Shunk to Porter street; Hilton street, of the width of 50 feet, from Germantown avenue

to Thirteenth street; Twenty-ninth street, of the width of 70 feet, from Somerset to Indiana street; Percy street, of the width of 30 feet, from Clearfield street to Glenwood avenue; Hutchinson street, of the width of 30 feet, from Clearfield street to Glenwood avenue; St. Luke's place, of the width of 30 feet, from Sixteenth to Seventeenth street; Ogden street, of the width of 40 feet, from Markoe to Forty-seventh street; Redfield and Salford streets, each of the width of 40 feet, from Callowhill to Haverford street; and Gross street, of the width of 60 feet, from Jefferson street to Woodbine avenue: *Provided*, That the owners of ground within the lines of said streets, excepting Reger street, from Spring alley to dead end west of Spring alley, Newkirk, Twenty-ninth, Bevan and Gross streets, and St. Luke's place, shall first dedicate the bed of said streets to the City, or shall enter into a satisfactory agreement indemnifying the City against all damages by reason of the placing of said streets on the plan or their subsequent opening before this ordinance shall go into effect: *Provided, however*, That before said Reger street, from Spring alley to the dead end west of Spring alley, and Newkirk street shall be placed on the plan, satisfactory evidence shall be furnished that said streets have been opened, built upon and in use prior to June 6, 1871, and before Twenty-ninth street shall be placed on the plan the owners of property abutting on said street, between Somerset and Indiana streets, shall first enter into a written agreement satisfactory to the City Solicitor, not to claim any damages whatever, by reason of the placing of said street upon the plan, and before St. Luke's place shall be placed on the plan, the owners of property, from Sixteenth street to a point 264 feet west thereof, shall first release the City from all damages, by reason of the placing of same on the plan or its opening, or shall file a deed of dedication for said portion of said street, and before Gross street shall be placed on the plan, Mr. Lewis Jones shall first dedicate so much of the bed of said street owned by him: *Provided, also*, That the provisions of the ordinance of April 8, 1890, requiring streets to run in a straight line shall not apply to said Gross street. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

## APPENDIX No. 162.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the lines and grades of streets required to avoid grade crossings of the Philadelphia and Trenton Railroad, from Norris street to Butler street, in the Twenty-fifth and Thirty-first Wards, of the City of Philadelphia. To provide for the elevation of said railroad. To strike from the City plan Trenton avenue, from Lehigh avenue to Butler street; place on the City plan Wyoming street, from Somerset street to Ann street, from Clearfield street to Clementine street, and from Cope street to Virginia street; also, to place upon the City plan Wittee street, between Fulton street and Auburn street, and between Wayne street and Cambria street; also, to provide for the opening of said Wyoming street and Wittee street. To make an appropriation to pay for all of the above and the work incident thereto, and authorizing the Mayor to enter security for the payment of any damages that may accrue hereunder,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation, and ask its passage.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, C. E. Connell, John Dougherty, Geo. B. Edwards, P. A. McClain, Wm. Rowen, Hiram A. Miller, George W. Conrad, Ezekiel Gordon, Gustave R. Schaefer, Wm. H. Garrett, A. T. Wadsworth, W. G. Huey.

## AN ORDINANCE

To authorize the revision of lines and grades of streets required to avoid grade crossings of the Philadelphia and Trenton Railroad, from Norris street to Butler street, in the Twenty-fifth and Thirty-first Wards, of the City of Philadelphia. To provide for the elevation of said rail-

road. To strike from the City plan Trenton avenue, from Lehigh avenue to Butler street. To place on the City plan Wyoming street, from Somerset street to Ann street, from Clearfield street to Clementine street, and from Cope street to Virginia street; also, to place upon the City plan Wittee street, between Fulton street and Auburn street, and between Wayne street and Cambria street; also, to provide for the opening of said Wyoming street and Wittee street. To make an appropriation to pay for all the above and the work incident thereto, and authorizing the Mayor to enter security for the payment of any damages that may accrue hereunder.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Bureau of Surveys) be, and is hereby authorized and directed to revise the lines and grades of the City plans along the line of the Philadelphia and Trenton Railroad, from Norris street to Butler street, in the Twenty-fifth and Thirty-first Wards, so that all grade crossings of said railroad may be avoided; and to strike from the City plan Trenton avenue, from Lehigh avenue to Butler street, and to place upon the City plan Wyoming street, of the width of twenty-five (25) feet, between Somerset street and Ann street, and from Clearfield street to Clementine street, and from Cope street to Virginia street. Also, place on the City plan Wittee street, thirty (30) feet wide, parallel with Trenton avenue, between Fulton street and Auburn street, and between Wayne street and Cambria street: *Provided*, That before the Board of Surveyors confirm the plans of the revision herein authorized, the Pennsylvania Railroad Company, lessee of the Philadelphia and Trenton Railroad, shall file in the Department of Public Works (Bureau of Surveys), an obligation, approved by the City Solicitor, that it will raise the grade of its railroad between the south side of Norris street and the south side of Butler street, as in the revision of said plans may be found necessary, including the connection with the Commerce Street Branch on Lehigh avenue, in order to avoid all crossings with streets at grade: *And provided further*, That upon the elevation of said railroad between said points

no street nor road hereafter to be laid out or opened between the points above named shall be approved to cross the said railroad at grade. The said railroad company shall construct all the bridges and other work incident thereto within the lines of the right-of-way of said railroad in accordance with said revision, and shall also alter and reconstruct all sewers, water and gas mains, electrical conduits and other municipal structures incident to all the aforesaid work, and necessary for its proper completion. The changes in the elevation of the railroad and the construction of the bridges shall be done by said railroad company in such manner as not to materially interfere with the traffic on said railroad or streets.

SECT. 2. The said railroad, from the south side of Norris street to the north side of Somerset street, shall be supported on an iron or steel structure with openings the full width of the cross streets between house lines, with the privilege of placing iron or steel columns within the curb lines of the footwalks for the purpose of supporting the cross girders. The clear head-room under the girders of all cross streets between Norris street and Somerset street shall be at least thirteen (13) feet, with the exception of Susquehanna avenue, Dauphin street, Frankford avenue, York street, Huntingdon street, and Lehigh avenue, where the clearance shall be at least fourteen (14) feet. From Somerset street to the south side of Butler street the railroad shall be carried on an earthen embankment or iron or steel superstructure with openings at the cross streets of the full width of the streets between house lines, with the right to place iron or steel columns within the curb lines, giving a clear height under the girders at all cross streets of at least fourteen (14) feet. The connection with the Commerce Street Branch shall be supported on an iron or steel superstructure or such other structure as shall meet the approval of the Chief Engineer of the Bureau of Surveys, constructed along the northeast side of Lehigh avenue, descending with a generally uniform grade so as to reach the surface of Lehigh avenue at or near the north line of Cedar street, and crossing Cedar street and Lehigh avenue at grade, making connection with present line of railroad on Commerce street, south of Cedar street.

The detail plans and specifications for all retaining walls, abutments, bridges, superstructures and for all other parts of work herein authorized, shall be submitted to the Director of the Department of Public Works for his approval prior to the work which they represent being commenced.

SECT. 3. The Director of the Department of Public Works be, and is hereby authorized to appoint such inspectors as in his judgment may be required to secure the carrying out of the work in accordance with the approved plans and specifications, and to pay for the inspection and incidental expenses out of the appropriation for this work and in the manner herein authorized.

Such inspectors shall perform their duties under the directions of the Chief Engineer of Bureau of Surveys.

SECT. 4. Upon the completion of the work herein authorized, the Pennsylvania Railroad Company, lessee of the Philadelphia and Trenton Railroad, shall dedicate to the City of Philadelphia for highway purposes all portions of the bed of Trenton avenue, between Norris street and Lehigh avenue, owned and occupied by it, subject to the right of the said railroad companies to maintain their elevated structures over and upon the same. When the entire work shall be accepted by the Director of the Department of Public Works as complete and satisfactory, the said Pennsylvania Railroad Company, lessee of the Philadelphia and Trenton Railroad, shall receive as full payment from the City of Philadelphia the sum of seven hundred and fifty thousand (750,000) dollars, by warrants to be drawn by the Chief Engineer of the Bureau of Surveys, and approved by the Director of the Department of Public Works, in accordance with this and other existing ordinances.

SECT. 5. The sum of nine hundred thousand (900,000) dollars is hereby appropriated to the Department of Public Works, Bureau of Surveys, seven hundred and fifty thousand (750,000) dollars of which is appropriated to pay the Pennsylvania Railroad Company, lessee of the Philadelphia and Trenton Railroad, for the work of elevating its railroad, building the said bridges and other work incident

thereto as herein authorized. The remaining one hundred and fifty thousand (150,000) dollars is appropriated for the payment of any damages which may be assessed by reason of the change of grade or taking of any property necessary in the work of changing the grade of said railroad tracks; for the opening of Wyoming street and Wittee street, or any damages that may be caused by the revision of the plans herein provided for, and for the payment of salaries of inspectors and incidental expenses. The said nine hundred thousand (900,000) dollars to be taken from a loan created by ordinance approved July 16, 1896.

SECT. 6. Upon the confirmation by the Board of Surveyors of the revisions of the lines and grades herein authorized, and upon the placing of Wyoming street and Witte street between the points above designated upon the City plan, the Director of the Department of Public Works be, and is hereby authorized to notify the owners of property over and through which said Wyoming street and Wittee street will pass, that at the expiration of three (3) months from the date of said notice said streets will be required for public use. Upon the filing of the bond by the Mayor of the City, as authorized in Section 7, and at the expiration of the said three (3) months' notice, the Director of the Department of Public Works shall forthwith proceed to open said streets. The Director of the Department of Public Works is also hereby authorized to issue the usual notice to property owners affected by the work herein authorized.

SECT. 7. The Mayor of the City is hereby authorized to enter security on behalf of the City of Philadelphia for the payment of any damages which may be assessed by reason of the change of grade or the taking of any property necessary in the work of changing the grade of said railroad tracks or for opening said Wyoming street or Wittee street, or any damage that may be caused by the revision of the plans herein provided for: *Provided*, That there shall be a release of damages on behalf of the Pennsylvania Railroad Company, lessee of the Philadelphia and Trenton Railroad, or for any person holding property in their behalf, filed in the Law Department upon the confirmation of said revised plans by the Board of Surveyors.

SECT. 8. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 163.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the grades of Bridge street, between Young street and Frankford creek, and the lines and grades of a portion of plan No. 145, between Queen street and Roberts avenue, and between Wissahickon avenue and Wayne avenue,” beg leave to report that a new drawbridge is now being constructed on the line of Bridge street, over the Frankford creek, and in order to make the grade of the street conform to the level of the bridge a slight revision is necessary. The damages should in no event exceed the sum of five hundred (500) dollars. Plan No. 145, covering the territory proposed for revision is the original outline of plan made many years ago, and which in view of recent projected development should be adjusted to conform with the adjacent sections, and also better to provide for the laying out of future operations. Unless the revision is speedily made developments may take place that in the future will cause confusion between existing sections, and be the means of entailing damages on the City. We, therefore, report with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, C. E. Connell, John Dougherty, Geo. B. Edwards, P. A. McClain, Wm. Rowen, Hiram A. Miller, George W. Conrad, Ezekiel Gordon, Gustave R. Schaefer, Wm. H. Garrett, A. T. Wadsworth, W. G. Huey.

## AN ORDINANCE

To authorize a revision of the grades of Bridge street, between Young street and Frankford creek, and the lines and grades of a portion of plan No. 145, between Queen street and Robert's avenue, and between Wissahickon avenue and Wayne avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to revise the grades of Bridge street, from Young street to Frankford creek, in the Twenty-fifth Ward; also, the lines and grades of that portion of plan No. 145, in the Twenty-second Ward, between Queen street and Roberts avenue, and between Wissahickon avenue and Wayne avenue.

## APPENDIX No. 164.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to revise the lines and grades of portion of plan No. 152, bounded by Sixty-fifth and Sixty-sixth streets, Chester and Kingsessing avenues, and a portion of plan No. 156, bounded by Allegheny avenue, Sixth, Seventh and Clearfield streets," beg leave to report that in both these instances the existing intermediate streets are not located to develop the property to the best advantage. As the City has no special interest in the location of these intermediate streets, and as the owners of property are required to fully indemnify the City against all damages, the ordinance should be passed in order to permit the owners to speedily develop the property. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, C. E. Con-

nell, John Dougherty, Geo. B. Edwards, P. A. McClain, Wm. Rowen, Hiram A. Miller, George W. Conrad, Ezekiel Gordon, Gustave R. Schaefer, Wm. H. Garrett, A. T. Wadsworth, W. G. Huey.

## AN ORDINANCE

To revise the lines and grades of a portion of plan No. 152, bounded by Sixty-fifth and Sixty-sixth streets, Chester and Kingessing avenues, and a portion of plan No. 156, bounded by Allegheny avenue, Sixth, Seventh and Clearfield streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to revise the lines and grades of a portion of plan No. 152, bounded by Sixty-fifth and Sixty-sixth streets, Chester and Kingessing avenues; by striking from the plan Allman street, from Sixty-fifth to Sixty-sixth street, and to place on the plan in lieu thereof two 30 feet wide streets, from Sixty-fifth to Sixty-sixth street, and to revise the grades in the vicinity to conform thereto. Also, to revise the lines and grades of a portion of plan No. 156, bounded by Allegheny avenue, Sixth, Seventh and Clearfield streets; by striking from said plan Marshall street, from Clearfield street to Allegheny avenue, and placing on the plan in lieu thereof two 35 feet wide streets, from Clearfield street to Allegheny avenue: *Provided*, That before said revision shall be made, the owners of property affected by reason of said revision shall first enter into a satisfactory agreement or bond indemnifying the City against all damages by reason of said revision, and shall dedicate the new streets authorized to be placed on the plan.

## APPENDIX No. 165.

*Philadelphia, January 7, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize

the striking from the City plan of Westview street, from Emlen to Jefferson street," beg leave to report that this street has never been physically opened. The deeds of the property on the south side run to the north side of the street, thereby including the entire street bed. As an outlet sewer has been built the City has no general interest in the opening of the street, the damages for which would be large, and as provision has been made for maintaining the existing system of drainage the street ought to be stricken from the plan. We, therefore, report the annexed ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, C. E. Connell, John Dougherty, Geo. B. Edwards, P. A. McClain, Wm. Rowen, Hiram A. Miller, George W. Conrad, Ezekiel Gordon, Gustave R. Schaefer, Wm. H. Garrett, A. T. Wadsworth, W. G. Huey.

### AN ORDINANCE

To authorize the striking from the City plan of Westview street, from Emlen to Jefferson street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to strike from the City plan Westview street, from Emlen to Jefferson street: *Provided*, That the owners of property first enter into an agreement satisfactory to the City Solicitor to release the City from all damages that may arise by reason of the striking of said street from the plan, and give the City the right of way to enter upon the property within the lines of the said present Westview street, and at all times to maintain, renew and keep in repair the existing sewerage system.

### APPENDIX No. 166.

*Philadelphia, January 7, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—The Committee on Gas, to which was referred sundry bills to authorize the laying of gas-pipe in

certain streets, respectfully report that they have carefully considered the same, and submit the annexed bill with a favorable recommendation, and ask its passage.

Chas. K. Smith (*Ch'n*), W. G. Huey, Richard T. Irwin, Thomas Firth, E. Buchholz, John Pallatt, John Irvine, Bennett L. Smedley, Chas. M. Swain, Samuel Lamond, Watson D. Upperman, W. F. Short, Henry Clay, Jos. H. Klemmer.

### AN ORDINANCE

To authorize the laying of gas-pipe in certain streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized and directed to lay gas-pipe in the following streets, viz: Cantrell street, between Fifth and Sixth streets, in the First Ward. Seybrook avenue, from Sixty-ninth to Seventieth street; Lincoln avenue, from Sixty-ninth to Seventieth street; Sixty-ninth street, from Paschall avenue to Lincoln avenue, in the Twenty-seventh Ward. Lee street, from Ontario to Tioga street, in the Thirty-third Ward: *Provided*, That said streets shall be first dedicated or properly opened.

### APPENDIX No. 167.

### RESOLUTION

Of direction to the Commissioners for the Erection of the Public Buildings, relative to refurnishing rooms to be occupied by the Director of the Department of Public Works.

*Resolved, by the Select and Common Councils of the City of Philadelphia*, That the Commissioners for the Erection of the Public Buildings be authorized to expend a sum not exceeding one thousand (1,000) dollars in replacing the carpets and renovating the furniture in the rooms vacated by the Mayor, and now to be occupied by the Director of the Department of Public Works.

## APPENDIX No. 168.

## RESOLUTION

Of request to the Director of the Department of Public Works to erect certain gasoline lamps.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That inasmuch as twenty-four (24) of the gasoline lamps requested to be erected in resolution of the Select and Common Councils, passed November 19, 1896, cannot be erected for various reasons, such as, gas mains in the street, lamps already erected at places designated, etc., that these twenty-four (24) gasoline lamps be relocated by the Director of the Department of Public Works in such localities as are the most urgent.

*Philadelphia, January 19, 1897.*

FRANK M. RITER, ESQ.,

Director, Dept. of Public Safety.

DEAR SIR:—I am directed by the Board of Health to transmit to you the following copy of resolution adopted this date, and to request that it be forwarded to City Councils.

Yours respectfully,

JOHN J. McCAY,

*Chief Clerk.*

*Resolved*, That City Councils be respectfully requested to make an appropriation to the Department of Public Safety (Bureau of Health), for the year 1897, of six hundred (600) dollars, for a Druggist for the Municipal Hospital, the large number of patients treated in this institution (at the present time greater than any other hospital in Philadelphia, except the Philadelphia Hospital), making it imperatively necessary for the constant service of a graduated pharmacist to compound the prescriptions.

## APPENDIX No. 171.

DEPARTMENT OF CITY CONTROLLER.

*Philadelphia, January 15, 1897.*

WENCEL HARTMAN, ESQ.,

President of Common Council.

DEAR SIR:—I beg to advise you that the final results obtained from the books of this Department, which have been in process of settlement since December 31, 1896, discloses a deficit, for 1896, of \$1,459,569.03.

“The Act of June 11, 1879, Section 1, P. L. 130, recites that ‘The City Controller shall not countersign any warrants (except for payments of interest and for sinking fund), pertaining to any appropriations, until the said councils shall have first passed all appropriations necessary for the expenses for the current year of each department, board, commissions or trusts connected with said city; nor shall said officer countersign any warrants except as aforesaid, until the total of all appropriations, all estimates and other lawful obligations shall have been brought within the sum yielded by the tax levy and average income from other sources ascertained as aforesaid; and any appropriation or expenditure in excess of this total shall be void and shall have no binding force upon the municipality.’”

In view of the foregoing extract of the law, contained in the Act mentioned, I am compelled to forward a notification to you that the appropriations, based upon the receipts and expenditures, estimated and submitted on August 1, 1896, must be scaled and brought within the amount of the deficit, above ascertained. Said deficit being by reason of the non-receipt of the moneys due by the State for its proportion of personal property and school tax as estimated in statement August 1, last, the amount unpaid on January 1 being \$1,617,147.62.

It is, I presume, unnecessary to impress upon you the importance of acting upon this matter at as early a date as possible, that the warrants for the various departments, now ready, may be delivered for pending bills and contracts awaiting settlement.

Respectfully yours,

JNO. M. WALTON,

*City Controller.*

## APPENDIX No. 177.

*Philadelphia, January 15, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to amend ordinance, approved April 13, 1896, to authorize the opening of Bockius, Centre and Larc streets, and Cheltenham avenue" having considered the same beg leave to report that while most of the owners of property are willing to agree not to claim damages one owner objects, and for this reason the street has never been opened. As the opening is desired for the purpose of connecting two sections of the Twenty-second Ward now without proper street facilities, and as the opening will be followed by the immediate improvement of considerable of the property, your Committee think that the proviso should be removed. Whatever damage would accrue would be very speedily recovered by the City by reason of the improvements made. Your

Committee, therefore, report the annexed ordinance with a favorable recommendation.

## APPENDIX No. 179.

*Philadelphia, January 15, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to authorize a contract for completing the necessary work required to abolish grade crossings on the line of the Philadelphia and Trenton Railroad and the Frankford and

Holmesburg Railroad at Rhawn street or Delaware avenue, in the Thirty-fifth Ward, the opening of said street, and the entering of security for the payment of damages," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

Wm. F. Dixon (*Ch'n*), John W. Davidson, Samuel Lamond, W. F. Short, Thos. Wagner, Jr., J. C. Keith, P. E. Costello, J. H. B. Amick, Wm. R. Knight, Jr., James Wolstencroft, Jno. P. Buckley, Fred'k Stehle, Jos. H. Brown, H. Black, W. McCoach, P. A. McClain, Watson D. Upman.

### AN ORDINANCE

To authorize a contract for completing the necessary work required to abolish grade crossings on the line of the Philadelphia and Trenton Railroad and the Frankford and Holmesburg Railroad at Rhawn street or Delaware avenue, in the Thirty-fifth Ward, the opening of said street, and the entering of security for the payment of damages.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to prepare plans and specifications, advertise for proposals and award a contract, for all the material required to complete the work of grading according to the revised grades, the cartway and sidewalks of the approaches to the line of the right-of-way of the Philadelphia and Trenton Railroad at Rhawn street (formerly Delaware avenue), in the Thirty-fifth Ward, and also to construct a bridge under the Frankford and Holmesburg Railroad on the line of said Rhawn street, and for macadamizing such portions of said cartway and for paving with brick said sidewalks, and for re-setting such portions of the curb as have been set at the expense of the property owners between Torresdale avenue and State road, and also for constructing the necessary sewers, for re-laying gas and water-pipes, electrical conduits and other underground structures so as to abolish the grade crossings of said Delaware avenue and

to do all work incident thereto ; the cost to the City for the said work not to exceed thirty-five thousand (35,000) dollars, to be taken from Item 25 in the annual appropriation to the Department of Public Works, Bureau of Highways.

SECT. 2. That the Director of the Department of Public Works is hereby authorized to notify the owners of property along the line of Rhawn street (formerly Delaware avenue) of the width of 60 feet, between the Philadelphia and Trenton Railroad and Torresdale avenue, that at the expiration of three months from the date of said notice, the said street will be required for public use.

SECT. 3. The Mayor of the City is hereby authorized to enter security for the payment of any damages arising from the changes of grade made necessary to complete said work and for opening said street ; and upon the filing of said bond the Director of the Department of Public Works is authorized to proceed with the work.

#### APPENDIX No. 180.

*Philadelphia, January 15, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to permit the Franklin Sugar Refining Company to construct a tunnel under and across Swanson street, between Bainbridge and South streets, east of the Swanson street curb line,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

Wm. F. Dixon (*Ch’n*), John W. Davidson, Samuel Lamond, W. F. Short, Thos. Wagner, Jr., J. C. Keith, P. E. Costello, J. H. B. Amick, Wm. R. Knight, Jr., James Wol-

stencroft, Jno. P. Buckley, Fred'k Stehle, Jos. H. Brown, H. Black, W. McCoach, P. A. McClain, Watson D. Up-  
perman.

## AN ORDINANCE

To permit the Franklin Sugar Refining Company to construct a tunnel under and across Swanson street, between Bainbridge and South streets, and also a tunnel under and across Bainbridge street, east of the Swanson street curb line.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission is hereby granted to the Franklin Sugar Refining Company to excavate for and construct a tunnel under and across Swanson street, about sixty-four feet north of the north curb line on Bainbridge street. Also, to excavate for and construct a tunnel under and across Bainbridge street, about five feet east of the east curb line on Swanson street. Both tunnels to be about seven feet wide, and six and one-half feet high, constructed of stone side walls, arched over with iron beams and concrete. Both tunnels are to be used for pipe connections for *fire* and other purposes. In the construction of the work the Franklin Sugar Refining Company shall abide by the Department of Public Works for the removal of any sewer, gas-pipe, water-pipes or conduits, either above or below the tunnels; for the re-laying of the same to such points or positions as will in no way interfere with the said water or gas supply, and shall be at all cost or expense of any change or re-location as provided above. Before beginning the work the Franklin Sugar Refining Company shall submit plans and drawings of the proposed tunnels, and before a permit is issued by the Department of Public Works, said plans shall be approved by the Board of Highway Supervisors: *Provided*, That the Franklin Sugar Refining Company shall first make an agreement with the City, to be filed with and satisfactory to the City Solicitor, to indemnify the City against all damages which may be caused by reason of this privilege being granted it so long as the tunnels shall remain in said streets and shall repair and re-pave that part of the streets opened, and

also repair all defects in the street which may appear from time to time to be caused by said opening, as long as this privilege shall be retained by it, whenever requested by the Director of the Department of Public Works to put the street in order. The privilege hereby granted shall be revocable at any time by the passage of a resolution or ordinance to that effect.

The Franklin Sugar Refining Company shall first pay into the City Treasury the sum of fifty (50) dollars for printing this ordinance.

## APPENDIX No. 181.

*Philadelphia, January 15, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinances to authorize the opening of Thompson and Jasper streets and Park avenue, beg leave to report that Thompson street is opened and in use, with the exception of the properties on one end. Agreements have been secured from the owners of these properties agreeing not to claim damages in excess of one thousand four hundred (1,400) dollars. We believe that this amount is a very fair estimate of the damage.

Jasper street has been physically opened for a number of years, most of the property abutting on the street being built upon although no formal opening has ever taken place. The opening is desired at this time in order that the street may be improved. No damage can possibly result on this street.

More than three-fourths of the bed of Park avenue has been dedicated to the City. About a year ago Councils authorized a revision of the lines of the street in order to make the lots deeper and thus reduce the damage. The opening would be a decided advantage to all the property, excepting one lot on Susquehanna avenue, the damage for

which should not exceed two thousand (2,000) dollars. The opening of the street will be followed by the immediate building of a large number of houses.

In view of these facts your Committee recommend the ordinance, with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), John W. Davidson, Samuel Lamond, W. F. Short, Thos. Wagner, Jr., J. C. Keith, P. E. Costello, J. H. B. Amick, Wm. R. Knight, Jr., James Wolstencroft, Jno. P. Buckley, Fred'k Stehle, Jos. H. Brown, H. Black, W. McCoach, P. A. McClain, Watson D. Upman.

### AN ORDINANCE

To authorize the opening of Thompson and Jasper streets and Park avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notice, said streets will be required for public use, viz: Thompson street, from Tioga to Venango street; Jasper street, from Clearfield street to Allegheny avenue, and Park avenue, from Susquehanna avenue to Dauphin street.

SECT. 2. The Mayor of the City is hereby authorized and directed to enter security on behalf of the City of Philadelphia for the payment of any damages which may be assessed by reason of the opening of said streets. Upon the filing of said bonds, the Director of the Department of Public Works shall forthwith proceed to open said streets.

*Philadelphia, January 21, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred "Ordinances to open and grade Pine,

Forty-sixth, Waverly, Forty-seventh, and Spruce streets;" also, communication from the attorney of the estate of A. J. Drexel, deceased, beg leave to report that we have carefully considered the above, and find that the estate owns a tract of ground of about 28 acres in the vicinity of a section that would very rapidly be improved if the streets crossing this estate were opened and graded.

The attorney of the estate in his communication agrees to dedicate all the streets owned by them without cost to the City, in case Councils pass an ordinance prior to April 1, 1897, providing for the grading of these streets. While the estimate of the cost of forty-three thousand (\$43,000) dollars seems large, yet we feel that if the offer is not taken advantage of at this time the City in the very near future will be compelled to open these streets and pay for the damages, in addition to the grading. As the section would very rapidly be improved much of this expense would very speedily be returned to the City Treasury. We, therefore, report the annexed ordinance with a favorable recommendation, and ask its passage.

Wm. F. Dixon (*Ch'n*), John W. Davidson, Samuel Lamond, W. F. Short, Thos. Wagner, Jr., J. C. Keith, P. E. Costello, J. H. B. Amick, Wm. R. Knight, Jr., James Wolstencroft, Jno. P. Buckley, Fred'k Stehle, Jos. H. Brown, H. Black, W. McCoach, P. A. McClain, Watson D. Upperman.

### AN ORDINANCE

To authorize the opening and grading of Forty-sixth, Forty-seventh, Spruce, Pine and Waverly (or Ashburton) streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notice said streets shall be required for public use, viz: Forty-sixth street, from Locust to Waverly (or Ashburton) street; Forty-seventh street, from Spruce to Lombard street; Spruce street, from

Forty-sixth to Forty-seventh street ; Pine street, from a point about 150 feet west of Forty-fifth street to Forty-seventh street, and Waverly (or Ashburton) street, from Forty-fifth to Forty-seventh street: *Provided*, That the executors of the estate of A. J. Drexel, deceased, first file a deed of dedication of the property owned by said estate within the lines of said streets or enter into a satisfactory agreement not to claim damages by reason of the opening or physical change of grade on said streets.

SECT. 2. Upon the filing of the deed or agreement authorized by Section 1, the Mayor of the City is authorized and requested to enter security on behalf of the City of Philadelphia for the payment of any damages which may be assessed by reason of the opening of said streets over property not owned by the estate of said A. J. Drexel, deceased. Upon the filing of said bond the Director of the Department of Public Works is hereby authorized to enter into a contract for grading said streets to the established City grade at a cost not to exceed forty-three thousand (43,000) dollars: *Provided*, That not more than one-half of said work shall be contracted for during the year 1897.

*Philadelphia, January 21, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Municipal Government, to which was referred the bill entitled "An Ordinance directing the several Departments and Commissions of the City in the preparation of specifications for cement to

recognize the American product and relative to the public tests made of cement," respectfully report that they have examined and approved the same, return it to Councils favorably and recommend its passage.

E. Buchholz (*Ch'n*), J. S. Hammond, Howard M. Levering, Georges Hawkes, Thomas Meehan, Lalen C. Krisher, Edwin E. Smith, Danl. H. Buck, August Hohl, Geo. W. Brunell, A. Raymond Raff, Wm. G. Rutherford, Jos. H. Brown, Samuel Lamond, Henry Clay.

### AN ORDINANCE

Directing the several Departments and Commissions of the City, in the preparation of specifications for cement, to recognize the American product, and relative to the public tests made of cement.

WHEREAS, These Councils recently passed an ordinance requiring that all contractors for public work in this City "shall employ only American citizens,"

AND WHEREAS, It is equally important to the manufacturing interests of this country that American made goods should be used upon all City work by contractors,

AND WHEREAS, One of the articles that largely enters into building operations, viz.: Portland cement, is manufactured very extensively in this country, and particularly in the State of Pennsylvania,

AND WHEREAS, The American Portland cement when brought into competition with the foreign Portland cement, it shows that the quality is fully equal to, if not better than, that made abroad, and in order that Councils may be consistent, it is considered advisable that the Departments, Bureaus and Commissions in advertising for proposals for cement, shall specify that they desire it of sufficient strength and fineness for the work for which it is to be used, therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That hereafter in the preparation of specifications by the several Departments, Bureaus and Commissions in this City, wherein bids are

advertised for work where Portland cement is to be used, that they shall so word said specifications as to read: "That said cement shall be of a sufficient strength and fineness" and not specify that it shall be "foreign and imported."

SECT. 2. That hereafter, the Department in charge of the laboratory of the City, engaged in making tests of cements, shall publish the results thereof in such form as may be of use to the several Departments, Bureaus and Commissions of the City, as well as to the general public, in making up specifications for bids for Portland cement.

## APPENDIX No. 192.

LAW DEPARTMENT,

*Philadelphia, January 22, 1897.*

GEORGE W. KOCHERSPERGER, Esq.,

Chief Clerk of Common Council.

DEAR SIR:—I hand you herewith, copy of the report of the jury in the matter of the opening of the northeast side of Centre street, from Germantown avenue to a point 345 feet southeast, in the Twenty-second Ward, filed January 21, 1897.

Centre street has been partially opened for many years. There is no sidewalk on the northeast side in the portion covered by this proceeding. This opening will give them a sidewalk and street of uniform width. The work has not been physically performed.

Yours very truly,

JOHN L. KINSEY,

*City Solicitor.*IN THE COURT OF QUARTER SESSIONS FOR  
THE COUNTY OF PHILADELPHIA.

In the matter of the opening of the northeast side of Centre street, from Germantown avenue to a point 345 feet southeast, in the Twenty-second Ward of the City of Philadelphia.

*(Copy.)*

## REPORT OF JURY.

(Filed January 21, 1897.)

*To the Honorable the Judges of the said Court :*

The jury appointed by your Honorable Court to assess the damages and benefits, if any, caused by reason of the opening

of the northeast side of Centre street, from Germantown avenue to a point 345 feet southeast, in the Twenty-second Ward of the City of Philadelphia, respectfully report:

That after giving due notice to the registered property owners along the line of the said opening, the jury met in Room No. 377, City Hall, at 11 A. M., on November 6, 1896. At this meeting there were present, of the jury, Messrs. William S. Blight, William Linn, William J. Pollock, William H. Whitaker and W. W. Smithers. The jury were then sworn by one of their number on their *voir dire*, and examined touching their capacity to serve as jurors in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve. The jury was then sworn by one of its number to perform their duties as jurors in the matter of the opening of Centre street, from Germantown avenue to a point 345 feet southeast, impartially and according to the best of their judgment. The jury organized by electing William S. Blight, Foreman. There appeared at this meeting, Lewis D. Vail, Esq., representing Susanna T. Ball, and J. Lee Patton, Esq., Assistant City Solicitor, for the City of Philadelphia.

At this meeting the affidavit of service of notice on the registered property owners was produced, and is hereto attached, marked "Exhibit A." The affidavit of service of notice of their appointment, as also the date of their first meeting, was also produced at this meeting and is hereto attached, marked "Exhibit B." The petition for the appointment of a jury was also produced and read to the jury; also a plan showing the said opening, which was produced for the use of the jury. The jury then adjourned to meet on the premises affected on November 9, at 9 A. M.

On November 9, the jury met on the premises affected, at 9 A. M., there being present at this meeting all of the jury excepting Charles E. Nock. The jury then adjourned to meet on November 12, 1896, at 2.30 o'clock, in Room No. 377, City Hall.

On November 12, 1896, the jury met as agreed, at 2.30 o'clock, in Room No. 377, City Hall. All of the jurors were present at this meeting. Charles E. Nock was sworn on his *voir dire* by Mr Blight, the Foreman of the jury, and examined touching his capacity to serve as a juror in this proceeding. He was found to be disinterested, competent, and

in all respects duly qualified to serve. He was then sworn by Mr. Blight to perform his duty as a juror in the matter of the opening of Centre street, from Germantown avenue to a point 345 feet southeast, impartially and according to the best of his judgment. The jury then adjourned to meet on November 23, at 2 P. M.

Meetings were then held for the purpose of taking testimony, for argument of counsel and for consultation, as follows: 1896, November 23, 27, December 3, 7, 9, 10, 11, 12, 14, 17, 21; 1897, January 4, 7, 8, 9, and 11.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which said Centre street is to be opened, and considering as well the advantages and disadvantages, damages and benefits to the various property owners along the line of the said Centre street, between the points named, the jury do find and award the following damages:

To Susanna T. Ball                      -                      \$5,250.00.

The jury further find that no properties are benefited by the opening of the said Centre street, and that all the damages should be paid by the City of Philadelphia.

All of which is respectfully submitted.

WILLIAM S. BLIGHT,  
WM. H. WHITAKER,  
WILLIAM LINN,  
WILLIAM J. POLLOCK.  
W. W. SMITHERS,  
CHAS. E. NOCK.

### RESOLUTION

Of request to the Director of Public Works and the Director of Public Safety to have certain ordinance printed and the distribution of same.

WHEREAS, Ordinance of January 7, 1897 (Appendix No. 103 to the Journal of Select Council), to regulate travel

upon the streets and highways of the City of Philadelphia, will effect so many persons;

AND WHEREAS, It is important that this ordinance become familiar with those whom it will effect as early as possible, so that the enforcement of same will avoid much trouble and inconvenience to both those who travel upon the streets and the authorities; therefore, be it

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of Public Works and the Director of Public Safety be, and they are hereby, requested to have cards printed with the ordinance thereon, and have same, through the Bureau of Police, distributed and placed in bicycle clubs, dealers in bicycles, stables, and such other public places as will further the notice of this ordinance.

By a comparison of the receipts and expenditures of the City, as shown in the books of this Department, for the year to December 31st, 1896, there was demonstrated a deficit of \$1,459,569.03.

This deficit, I desire to state, was wholly the result of the non-receipt by the City of Philadelphia, of its proportion, due by the State, of amount of personal property tax and school moneys carried in the statement of this Department on August 1st, 1896, as estimated receipts, and with which there was exhibited a surplus of \$263,101.75. Had the sums due, aggregating \$1,601,147.62, not been withheld by the State authorities, a surplus would have been shown in the City's finances, nearly equalling that estimated on August 1st, last.

The Act of May 24th, 1893, requires "each County or City officer to render to the Auditor General and State Treasurer, under oath or affirmation, monthly returns of all moneys received for the use of the Commonwealth, designating, under proper heads, the sources from which said moneys were received, and to pay the said moneys into the State Treasury." Neglect to make the return and payment subjects the offender to a penalty of forfeiture of fees and the addition of ten per centum to the amount of tax found due.

The Act of June 8th, 1891, provides that "for the year 1892, and annually thereafter, three-fourths of the net amount of tax, based on the return of property subject to taxation for State purposes, shall be returned by the State Treasurer to such County."

It has been held that this return, by the State to the City, should be made *subsequent* to November 30th, the date of the closing of the fiscal year of the State, at which time all collections made have been remitted to the State Treasurer, and *prior* to December 31st, the date of the close of the City's fiscal year. This view is strengthened by judicial opinions in suits brought in 1893 to enforce payment of personal property taxes, due in 1891, by the then City Treasurer.

To provide for the deficiency thus created, a communica-

tion was forwarded to your Honorable Bodies, dated January 14th, 1897, requesting that the appropriations be reduced and brought within the amount of the deficit shown.

In response to this communication, a Joint Resolution was passed by Select and Common Councils, and approved by His Honor the Mayor, January 22d, 1897, authorizing and directing the head of this Department to meet the deficiency shown, by considering as an asset a portion of the said sum due, amounting to \$1,459,569.03, and to countersign warrants presented therefor.

The form of procedure suggested and authorized by this resolution being in the nature of a departure from the established mode of reducing appropriations to meet an ascertained deficit, impelled me to request of the Law Department an opinion as to whether the method proposed was in compliance with the law, and its adoption as directed, relieve the Controller of liability under existing acts or ordinances defining his duties.

The communication to the City Solicitor was dated January 22d, 1897, and was as follows:

JOHN L. KINSEY, ESQ.,  
City Solicitor.

DEAR SIR:—I herewith enclose a copy of Joint Resolution of Councils, in reference to final results obtained from the books of this Department, which have been in process of settlement since December 31st, 1896, disclosing a deficit by reason of the non-receipt of moneys due from the State for its proportion of personal property and school tax for 1896, with the request to be furnished with an opinion as to the legality of the mode of procedure therein recommended, of treating as cash assets, funds not received, or in control of the City or County of Philadelphia, and whether it is in conflict with any ordinances or resolutions of Councils, or acts of Assembly, particularly the Act of June 11th, 1879, inaugurating what

is known as "the pay as you go system," that has worked so beneficially for the City's interest since its adoption. \* \* \*

[Copy]

Yours truly,

[Signed]

JOHN M. WALTON,  
*City Controller.*

The answer of Mr. John L. Kinsey, City Solicitor, sustaining the action of your Honorable Bodies, and the corresponding protection sought by the Controller, was received on January 27th, 1897, and in consideration of the principle involved, on which this opinion rests, I deem it advisable to insert his communication in this report.

*Philadelphia, January 26th, 1897.*

JOHN M. WALTON, ESQ.,  
City Controller.

DEAR SIR:—Your favor of the 22d inst., enclosing copy of Joint Resolution of Councils, in reference to the amount of money in the State Treasury, belonging to the City of Philadelphia, received.

It appears there is, in the hands of the State Treasurer, the sum of \$1,601,147.62, a part of the revenue or income of the City of Philadelphia, for the year 1896. Of this amount \$1,015,478.56 is the share of the City, of the personal property tax for 1896, which was collected by the City Treasurer and paid over to the State during 1896, and \$585,669.06, the balance of school tax appropriated by the Legislature to the County of Philadelphia for the year 1896.

These sums were properly estimated by you in what would be receipts during 1896, and the appropriations made by Councils were consequently based upon such estimate. The failure of the State Treasurer to return to the City the latter's share of this personal property tax, and to pay over to the City the said school tax appropriated by the Legislature, has brought about an apparent deficit of \$1,459,569.03.

So far as the portion of the personal property tax belonging to the City is concerned, it is absolutely the money of the City, although in the possession of the State Treasurer.

By the Act of June 8th, 1891, it is provided that three-fourths of the net amount of personal property tax collected and paid into the State Treasury by the City, shall be returned by the State Treasurer to the City for its own use.

Out of the moneys so collected and paid into the State Treasury by the City Treasurer, for the personal property tax, the City is entitled to its share, and the portion so belonging to the City cannot be used by the State Treasurer, and, under the law, must be returned to the City.

As to the balance of school tax appropriated for 1896, the certainty of its payment makes it unquestionably a solvent debt. Both of these amounts are exactly ascertained, and being payable by the State, the sovereign power, the receipt of them by the City is ultimately certain and sure.

The delay in the return or payment of these amounts to the City does not cause an actual deficit, and, therefore, for the purpose of drawing warrants under the appropriations made by Councils for the year 1897, the sums so payable by the State to the City can be considered as an asset.

The Act of June 11th, 1879, Section 1 (P. L. 130), which provides that the City Controller shall not countersign any warrants except for interest and Sinking Fund, until the total of all appropriations, all estimates and all lawful obligations shall have been brought within the sum yielded by the tax levy and average income from other sources ascertained, as required by the said act, does not apply to this case.

The appropriations for 1896 were within the probable income, as estimated, and the delay in making payment by the State Treasurer, does not, in any manner, reduce that. The appropriations for 1897, likewise, are within the estimated income.

There is nothing in this act which requires you to refuse to countersign any warrants for appropriations for the year

1897 because of the delay in receiving the money from the State Treasurer. You would be justified in doing as requested by the resolution of Councils, and I am not aware of any law that will be violated by your so doing.

Yours respectfully,

[Signed]

JOHN L. KINSEY,  
*City Solicitor.*

The amount set aside to meet the payments by mandamus executions for the year has been exceeded by the amounts paid, although I am pleased to state that a decrease is shown from that of the year before.

The additions to the funded debt during 1896 were \$1,679,800, made up as follows: \$170,000 balance of refunding loan of December 10th, 1895, negotiated, series C-D-E-F and G, \$300,000 each, total \$1,500,000 of \$6,000,000 loan for the work on the Philadelphia and Reading Railroad Company Subway negotiated, and \$9,800 unclaimed matured loans returned by the Farmers and Mechanics National Bank.

The amount redeemed during the same period was \$556,925, making an increase in the gross funded debt for the year of \$1,122,875.

Deducting the City Securities held by the Sinking Fund Commission from the gross funded debt, which, by a decision of the Supreme Court of Pennsylvania, May 31st, 1894, are no longer to be considered as part of the debt of the City, leaves a net funded debt of \$34,447,770.22.

The real estate owned by the City and appraised by the Board of Revision of Taxes amounts to \$52,774,894, an in-

crease over the appraisement of January 1st, 1896, of \$1,934,-600.

The following table is an exhibit of the figures for ten years of the assessed valuation of real estate for taxation, the yield at \$1.85 per \$100, the average collectible within the year based upon the five years past, the amount of taxes collected within the year, and the delinquent taxes collected within the year, of preceding years.

#### APPENDIX No. 211.

*Philadelphia, February 11, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered a bill entitled "An Ordinance to amend an ordinance entitled 'An Ordinance to make an appropriation to the Inspectors of the County

Prison, for the year 1897,' " approved December 30, 1896, and find it impossible for the Inspectors to conduct the Prison with less than fifteen keepers, the fact of its not being allowed during the consideration of the bill in the annual appropriation was an error in preparing the bill, and return the annexed bill with a favorable consideration, and ask its passage.

Jacob J. Seeds (*Ch'n*), Chas. Roberts, Chas. F. Iseminger, Thomas Firth, Wm. Van Osten, Edward A. Anderson, Charles Seger, J. C. Keith, Clayton M. Hunsicker, Watson D. Upperman, William McMullen, Edward W. Patton, W. F. Short, Thos. J. Rose, W. McCoach, R. R. Bringham.

### AN ORDINANCE

To amend an ordinance entitled "An Ordinance to make an appropriation to the Inspectors of the County Prisons, for the year 1897," approved December 30, 1896.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the ordinance entitled "An Ordinance to make an appropriation to the Inspectors of the County Prisons, for the year 1897," approved December 30, 1896, be altered and amended by striking out in Item 18, Section 2, the words and figures "fourteen keepers, nine hundred (900) dollars each," and inserting in lieu thereof the words and figures "fifteen keepers, nine hundred (900) dollars each," and by striking out in total of section the words and figures "thirty-two thousand nine hundred (32,900) dollars," and inserting in lieu thereof the words and figures "thirty-three thousand eight hundred (33,800) dollars." And by adding the following proviso to Section 2: *Provided*, That the said Inspectors of the County Prison shall be allowed, when it is in their judgment to the best interests of the City, to purchase or contract without advertising bills for the Holmesburg County Prison not exceeding the sum of one hundred (100) dollars, and the City Controller is hereby authorized and directed to countersign warrants for bills so rendered upon the approval of the said bills by the Board of Inspectors of the County Prisons.

SECT. 2 That the sum of nine hundred (900) dollars be, and the same is hereby appropriated to Item 18, Section 2, of the annual appropriation to the Inspectors of the County Prisons, for the year 1897, for the purpose of carrying into effect the first section of this ordinance, from the first day of January, 1897.

GENTLEMEN :—The Committee on Finance, to which was referred a “Resolution authorizing the Director of the Department of Public Works to draw, and the City Controller to countersign, a warrant in favor of George W. Stewart against Item 4, in the annual appropriation to the Department of Public Works (Bureau of Gas), for the year 1897,” respectfully report that this work was emergency work and had to be done at that particular time, as a possible loss of \$30,000 or \$40,000 might have occurred had it not been done at that time, and return the annexed resolution with a favorable recommendation, and ask its passage.

Jacob J. Seeds (*Ch’n*), Chas. Roberts, Chas. F. Iseminger, Thomas Firth, Wm. Van Osten, Edward A. Anderson, J. C. Keith, Charles Seger, Clayton M. Hunsicker, Watson D. Upperman, Edw. W. Patton, William McMullen, W. F. Short, Thos. J. Rose, W. McCoach, R. R. Bringhurst.

## RESOLUTION

Authorizing the Director of the Department of Public Works to draw, and the City Controller to countersign, a warrant in favor of George W. Stewart, against Item 4, in the annual appropriation to the Department of Public Works (Bureau of Gas), for the year 1897.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department of Public Works be authorized to draw, and the City Controller requested to countersign, a warrant against Item 4, in the annual appropriation to the Department of Public Works (Bureau of Gas), for the year 1897, in favor of George W. Stewart, for the sum of one thousand five hundred and seventy-five (1,575) dollars, to pay for laying foundations on Retort House No. 1, at the Twenty-fifth Ward Gas Works.

## APPENDIX No. 215.

*Philadelphia, February 11, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the bill, entitled “An Ordinance to authorize the Department of Public Works to pay for grading Aramingo avenue, Garabaldi and Cornwell streets” beg leave to report that the owner of property on these streets was anxious to have the municipal improvements made, and as there was no money available at the time was compelled to grade the streets at his own cost. The amount of the ordinance is considerably less than the cost of grading streets in this vicinity. As the City would have been compelled to have paid a greater price, we report the ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), John P. Buckley, J. C. Keith, P. E. Costello, J. H. B. Amick, Saml. K. Stinger, John W. Davidson, Watson D. Upperman, Samuel Lamond, P. A. McClain, Edw. W. Patton, Jos. M. Adams, W. F. Short, Thos. Wagner, Jr., Wm. R. Knight, Jr.

## AN ORDINANCE

To authorize the Department of Public Works to pay for grading Aramingo avenue, Garibaldi and Cornwell streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to draw and the City Controller be requested to countersign a warrant in favor of Michael O'Rourke, in the sum of three thousand one hundred and sixty (3,160) dollars and twenty (20) cents, to reimburse him for money expended in grading Aramingo avenue, from Lehigh avenue to Canal street; Garibaldi street, from “G” street to a point about 281 feet eastward; and Cornwell street, from “G” street to a point about 300 feet

eastward, and charge the same to Item 6, for grading, in the annual appropriation to the Department of Public Works, Bureau of Highways.

## APPENDIX No. 216.

*Philadelphia, February 11, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the bill, entitled “An Ordinance to authorize the Director of the Department of Public Works to draw and the City Controller to countersign a warrant to pay for filling in the approach to the bridge on Torresdale avenue, over Pennypack creek,” beg leave to report that Councils authorized the construction of a bridge on the line of Torresdale avenue, over the Pennypack creek, for the purpose of providing a road to the New County Prison at Holmesburg, but for lack of money failed to pass an ordinance to authorize the grading of these streets to the bridge.

Mr. Charles A. Porter doing some work in the vicinity, was requested by the then Director of the Department of Public Works and Chief of the Bureau of Highways, to place the surplus dirt on Torresdale avenue as approaches to the bridge, the haul to this work being from ten to twelve squares up hill. In order to deliver the dirt, Mr. Porter, was compelled to build a temporary bridge over the creek. The estimated cost of the grading in accordance with certificate furnished to the Committee on Highways was about \$10,000. As the work was absolutely necessary in order to reach the New Prison and as the price is a saving of nearly \$4,000 over the estimated cost, your Committee think that the bill should be paid. We, therefore, report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), John P. Buckley, J. C. Keith,  
P. E. Costello, J. H. B. Amick, Saml. K. Stinger, John

W. Davidson, Watson D. Upperman, Samuel Lamond, P. A. McClain, Edw. W. Patton, Jos. M. Adams, W. F. Short, Thos. Wagner, Jr., Wm. R. Knight, Jr. (for report.)

## AN ORDINANCE

To authorize the Director of the Department of Public Works to draw and the City Controller to countersign a warrant to pay for filling in the approach to the bridge on Torresdale avenue over Pennypack creek.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be and is hereby authorized and directed to draw and the City Controller to countersign a warrant for six thousand one hundred and eleven (6,111) dollars and sixty (60) cents, in favor of Chas. A. Porter, for filling in on Torresdale avenue, north of Holmesburg avenue (between Holmesburg avenue and Stanwood street), at the approaches to the new bridge over Pennypack creek, the amount to be taken from Item 6, for grading in the annual appropriation to the Department of Public Works, Bureau of Highways. All ordinances or parts of ordinances inconsistent herewith, be and the same are hereby repealed.

## APPENDIX No. 217.

*Philadelphia, February 11, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the bill, entitled “An Ordinance to reimburse the American Incinerating Company for laying a temporary road-bed, in the Thirty-sixth Ward,” beg leave to report that we have considered said ordinance and have

received the annexed report from the Chief of the Bureau of Highways, which fully covers the reasons for this ordinance.

Wm. F. Dixon (*Ch'n*), John P. Buckley, J. C. Keith, J. W. Davidson, Watson D. Upperman, Samuel Lamond, P. E. Costello, J. H. B. Amick, Saml. K. Stinger, P. A. McClain, Edw. W. Patton, Jos. M. Adams, W. F. Short, Thos. Wagner, Jr., Wm. R. Knight, Jr.

WM. F. DIXON, ESQ.,

Chairman, Committee on Highways.

DEAR SIR :—In compliance with the request made by the Committee on Highways, at the meeting held yesterday (Monday), February 8, 1897, I respectfully make the following report on the bill to reimburse the Philadelphia Incinerating Co. the sum of \$413, expended in laying plank roads on Schuylkill avenue or Thirty-sixth street and Reed street in the Thirty-sixth Ward.

Under ordinance approved January 30, 1896, bids were received on April 14, 1896, for the grading of Schuylkill avenue, from Reed to Harmer street, and contract was awarded to Michael McMahon, who completed the grading August 4, 1896, Reed street, at Schuylkill avenue, having previously been graded. In doing this work the old railroad ties which had been laid on Schuylkill avenue and Reed street were taken up and they were so worn and rotted that they were not replaced, a few which were fit for use being used on Schuylkill avenue further down.

In the late summer of 1896, the heavy rain made the road simply impassable, owing to the fact of there being no system of drainage to carry the water off, and the traffic being so heavy, had soon become so very bad that teams could not get through the heavy clay soil, even though extra horses were employed, as the street had been graded out some four or five feet.

An appeal was made to the Department for relief and

we secured proposals and estimates for planking the road and found it would cost, by the lowest bid, the sum of \$413 to do the work, but not having any funds available for the purpose nothing could be done.

At this time Mr. R. Walter Peterson, representing the Philadelphia Incinerating Co., called to see what was being done, his company being under contract to dispose of certain collections of garbage and being under heavy penalty for completing their contract he had become quite anxious owing to the impassable condition of the roads.

After learning the condition of affairs and that we had no funds with which to do this work Mr. Peterson offered to advance the money on behalf of his Company. I explained to him that I had no authority to accept an advance or to authorize the work in any manner that would obligate the City in any way. He then desired to know what prospect there would be of getting the money back if they did the work. I again explained to him the situation, telling him I could not give him any assurance that the money would be returned, but that if he was willing on behalf of his Company to go on and do the work without cost or expense to the City and without any obligation expressed or implied and afterwards chose to ask Councils to reimburse them, that I should be very willing to report the facts and recommend the payment of the cost of the work. This proposition Mr. Peterson acceded to and the work was done after I presented the matter to the Director of the Department of Public Works, Thomas M. Thompson, Esq., and received his approval of the proposition.

This Bureau received the proposals and estimates and the work was done under our supervision and just as we would have had it done at the expense of the City had the funds been available. It was a real emergency and an actual necessity, as the Incinerating Co. would not have been able to fulfill its contract with the City in cremating the garbage, owing to the impassable condition in which the roads had been left by reason of the grading. The City and the general public have and have had the benefit of the road, and while there is no legal obligation to pay, there is real

equity in the claim, and I respectfully recommend the approval and passage of the ordinance as a matter of simple justice.

I am, very truly and respectfully,

THOMAS L. HICKS,

*Chief of Bureau of Highways.*

## AN ORDINANCE

To reimburse the American Incinerating Company for laying a temporary road-bed in the Thirty-sixth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works is hereby authorized to approve, and the City Controller to countersign a warrant for four hundred and thirteen (413) dollars, drawn in favor of the American Incinerating Company, to reimburse that corporation for laying a temporary plank road-bed in Schuylkill avenue or Thirty-sixth street and Reed street, in the Thirty-sixth Ward, a distance of about 600 feet, and shall charge the said amount to Item 21 for emergencies, in the annual appropriation to the Department of Public Works, Bureau of Highways.

## APPENDIX No. 218.

*Philadelphia, February 11, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to refund to the estate of Charles Heebner the amount paid by him for grading Evergreen avenue, from Twenty-fourth street to Prospect avenue, in the Twenty-second Ward,"

beg leave to report that Councils passed an ordinance for the construction of a bridge over the Philadelphia and Reading Railroad on the line of Evergreen avenue. As the bridge was practically useless until the street was graded, and as no funds were available for this purpose, in the emergency, Mr. Heebner, at his own expense, paid for the grading of the street in advance of the City's action. As the amount to be returned is less than the average cost of grading streets in the neighborhood, and particularly as Mr. Heebner received no personal benefit from the grading, but did it entirely in the public interest, we report the ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), John P. Buckley, J. C. Keith, P. E. Costello, J. H. B. Amick, Saml. K. Stinger, John W. Davidson, Watson D. Upperman, Samuel Lamond, P. A. McClain, Edw. W. Patton, Jos. M. Adams, W. F. Short, Thos. Wagner, Jr., Wm. R. Knight, Jr. (for report).

### AN ORDINANCE

To refund to the estate of Charles Heebner the amount paid by him for grading Evergreen avenue, from Twenty-fourth street to Prospect avenue, in the Twenty-second Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and he is hereby authorized and empowered to draw, and the City Controller to countersign, a warrant in the favor of the estate of Charles Heebner, for the sum of five hundred and ninety-three (593) dollars and thirty-three (33) cents, to be taken from Item 6, in the annual appropriation to the Department of Public Works, Bureau of Highways, the same being the amount actually expended by said estate for the grading of Evergreen avenue, from Twenty-fourth street to Prospect avenue.

## APPENDIX No. 219.

*Philadelphia, February 11, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to refund to Mr. W. T. B. Roberts the money expended for grading Thirtieth, Hollywood and Myrtlewood streets,” beg leave to report that an ordinance of Councils was passed authorizing the grading of these streets, but as no funds were available, Mr. Roberts, who had constructed houses on each side of these streets, was compelled to do the grading in order to have the other municipal improvements made. As the cost of the work is less than the estimated cost at the time of the passage of the ordinance, and as the City would have been compelled to have paid for the work later on, your Committee think that Mr. Roberts should be reimbursed. We, therefore, report the ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch’n*), John P. Buckley, J. C. Keith, P. E. Costello, J. H. B. Amick, Saml. K. Stinger, Watson D. Upperman, Samuel Lamond, P. A. McClain, Edw. W. Patton, Jos. M. Adams, W. F. Short, Thos. Wagner, Jr., Wm. R. Knight, Jr. (for report).

## AN ORDINANCE

To refund to Mr. W. T. B. Roberts money expended for grading Thirtieth, Hollywood and Myrtlewood streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to draw, and the City Controller requested to countersign, a warrant in the sum of one thousand seven hundred and forty-eight (1,748) dollars, in favor of W. T. B. Roberts, to reimburse him for money expended in grading Thirtieth, Hollywood and Myrtlewood streets, between Master and Jefferson streets, in

the Twenty-ninth Ward, and charge the same to Item 6, for grading, in the annual appropriation to the Department of Public Works, Bureau of Highways.

APPENDIX No. 220.

*Philadelphia, February 11, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Highways, to whom was referred the “Ordinances to authorize the opening of Chestnut, Fifty-first, Fifty-fifth, Sixty-first, Sixty-second, Lombard, Prescottt, and “K” streets, and Greenway avenue,” beg leave to report that for several years the question of widening Chestnut street, to its full width, on the north side, east of Tenth street, has been before Councils. Several efforts have been made to secure from the owners of the two properties affected a statement of the probable damage claimed by them by reason of this widening. The attorney representing the owner of No. 931 Chestnut street appeared before the Committee and stated that the owners considered the damage, by reason of the land taken, to be about \$6,000, and the cost of rebuilding the front about the same, making a total damage of \$12,000. The owners of No. 933 Chestnut street decline to give your Committee any figures whatever, but as No. 933 is a smaller property than No. 931, the damage to No. 933 will not exceed that to No. 931. An estimate has been secured from a reputable building contractor, who estimates the cost of rebuilding the present front of No. 931 at \$3,250, and No. 933, \$3,930, so that your Committee are satisfied that the cost of rebuilding the two fronts will not exceed \$7,500. Taking the estimate of the owners themselves for the claim they will make of \$6,000 for the land taken, the total cost of this improvement cannot exceed \$20,000. As the City of Philadelphia will be compelled at some time to pay for this widening, and as the

improvement is one very much desired and badly needed, we feel that even should the City be compelled to pay the full estimate of \$20,000 that Councils would be justified in widening the street.

Chestnut street, from Fifty-sixth to Sixtieth street is a main thoroughfare and largely built on east of Fifty-sixth street. A number of large property owners are keeping the improvement back, and in our opinion the damage would be trifling, if any, for the opening of the street. If damages were allowed for every foot of property taken and no benefits assessed the opening would be to the interest of the City, as improvements would rapidly be made when the street is opened. The properties being all large ones they would be benefitted rather than damaged. The opening of this street would be followed by the extension of the Chestnut street line of cars, giving to a section now badly in need of railroad facilities an opportunity to reach the City.

Fifty-first street, from Market to Walnut street, is the line of a main sewer, and the street should be opened before the sewer is constructed, thus permitting the City to collect the cost of the sewer from the owners of property. If the street is not opened in advance of the construction of the sewer, damages will have to be paid for the sewer and the City lose this cost. We believe it cheaper for the City to take the chances of damages (although we believe there should none be assessed) than to pay for the sewer.

Fifty-fifth street, from Market street to Baltimore avenue, is absolutely necessary to develop the property in that locality, and has to be used for the main sewer, for which an appropriation has been recommended by the Survey Bureau at the present time. If the street is opened now the damages both for the construction of the sewer and the street itself can be settled by one jury, which in no event do we believe can possibly exceed \$16,000. As there is no other street passable between Fifty-second street, which is now in very bad condition, and Sixtieth street, a great necessity exists for means of communication. This is one of the most urgent cases before your Committee, and we feel it should be passed at once.

Sixty-first street, from Kingsessing avenue to Woodland avenue, has been opened of the width of 40 feet, under the name of Ellis lane, for a number of years. The purpose of the present ordinance is to open the street to its full width as plotted in order that proper approaches can be made to the bridge crossing the Philadelphia and Baltimore Railroad. The street at the present time being opened to its full width on either end makes a narrow congested line of travel at a very dangerous point. As the property is all unimproved no damage should be charged against the City.

Sixty-second street, from Hazel avenue to Lombard street, and Lombard street, east from Sixty-second street, are needed for drainage purposes, and is through but one tract of land, the streets being opened up to this land on both sides, it gives the parties owning this tract a large amount of frontage which they do not now possess, and the benefits will exceed the cost of opening.

Greenway avenue, from Seventieth street to Church lane, is demanded by the parties making the improvements in this vicinity. It takes two properties only, and is the only obstruction on Greenway avenue, from Church lane to the County line. The street is very largely built up and as the obstructions as they exist in the bed of the street are keeping back improvements in the neighborhood the street should be opened. The estimated cost for opening this street is \$3,500.

Prescott street, from Forty-eighth to Forty-ninth street, has been in actual use for years, part of the title of the street being in owners now deceased. The owners of property fronting on the street are anxious to have the municipal improvements made, but ordinances cannot be passed until the street is legally opened. No damage can possibly accrue by reason of the passage of this ordinance.

"K" street, from Old Front to Cayuga street, is badly needed for the purpose of reaching Juniatta Park, the park at the present time being isolated without any improved streets leading to it. A proviso requires the Juniatta Park Land Association to dedicate all the land owned by said association, which is nearly three-fourths of the whole dis-

tance. The balance of the street is through vacant ground and no possible damage can accrue.

Your Committee have carefully considered all these ordinances and recognizing the great demands made on them for the opening of streets, have selected what they consider the more meritorious, and therefore report the ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), John P. Buckley, J. C. Keith, P. E. Costello, J. H. B. Amick, Saml. K. Stinger, John W. Davidson, Watson D. Upperman, Samuel Lamond, P. A. McClain, Edw. W. Patton, Jos. M. Adams, W. F. Short, Thos. Wagner, Jr., Wm. R. Knight, Jr.

### AN ORDINANCE

To authorize the opening of Chestnut, Fifty-first, Fifty-fifth, Sixty-first, Sixty-second, Lombard, Prescott, and "K" streets, and Greenway avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notice said streets will be required for public use, to their full width as now laid down on the City plan: North side of Chestnut street, from Tenth street to a point about 45 feet eastward; Chestnut street, from Fifty-sixth to Sixtieth street; Fifty-first street, from Market to Walnut street; Fifty-fifth street, from Market street to Baltimore avenue; Sixty-first street, from Woodland avenue to Kingessing avenue; Sixty-second street, from Hazel avenue to Lombard street; Lombard street, from Sixty-second street to about 200 feet east; Greenway avenue, from Church lane to Seventieth street; Prescott street, from Forty-eighth to Forty-ninth street, and "K" street, from Old Front to Cayuga street: *Provided*, That before said "K" street shall be opened the Juniatta Park Land Association shall dedicate to the City free of cost all the land owned by them between said streets.

SECT. 2. The Mayor of the City is hereby authorized and directed to enter security on behalf of the City of Philadelphia, for the payment of any damages which may be assessed by reason of the opening of said streets; upon the filing of said bonds, and at the expiration of the said three months, the Director of the Department of Public Works shall forthwith proceed to open said streets.

*Philadelphia, February 25, 1897.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council. .

DEAR SIR:—I hand you herewith copies of the reports made by the juries in the following road proceedings, this day filed in the Court of Quarter Sessions :

In re-opening of Lincoln avenue, from Washington lane to Johnson street, Twenty-second Ward. This street has not been actually opened, nor has it been graded to the confirmed grade of the City of Philadelphia. The land has not been changed in any wise, except in the bed of the proposed Lincoln avenue there has been constructed, partly through the property of George C. Thomas, a claimant, a large storm water conduit and a three foot sewer. The street is not otherwise improved.

In re-opening of Mt. Airy avenue, from Quincy street to McCallum street, in the Twenty-second Ward. This street has been actually opened and used for travel, and graded to the confirmed grade of the City, but is not paved or otherwise improved.

In re-opening of Berkley street, from Wayne avenue to Pulaski avenue, Twenty-second Ward. This street was graded in the year 1895, but has not been paved. At the present time houses are being erected upon this street, between the points named.

Yours very truly,

JOHN L. KINSEY,  
*City Solicitor.*

*To the Honorable the Judges of the said Court:*

The undersigned jurors appointed by your Honorable Court to assess the damages and benefits, if any, for the opening of Lincoln avenue, from Washington lane to Johnson street, in the Twenty-second Ward, of the City of Philadelphia, respectfully report:

That after due notice the jurors met on the 14th day of July, 1896, at 11 A. M., in room No. 577, City Hall, for organization.

The following jurors were present: John P. Watson, William Penn Cooper, William J. Pollock, William H. Whittaker, A. A. Grace, and P. M. Stackhouse. J. Bayard Henry, Esq., appeared for the petitioner and only claimant, George C. Thomas, and David Lavis, Es., Assistant City Solicitor, for the City of Philadelphia.

At this meeting, to wit, July 14, 1896, the jury organized and elected A. A. Grace, foreman, after which the jurors were sworn or affirmed by one of their number, on their *voir dire*, and examined touching their qualifications to serve as road jurors in this proceeding. Each juror was found to be disinterested, competent and in all respects duly qualified to serve. The jurors were then sworn or affirmed to perform their duties in the matter of the opening of Lincoln avenue, from Washington lane to Johnson street, impartially and according to their best judgment. At this meeting a copy of the petition was read to the jury

and the official plan produced for the use of the said jury. The affidavit of service of notice on the registered owner of the property through which the said Lincoln avenue is to be opened, was also produced and is on file in the Court of Quarter Sessions of said county.

The jury met on July 20, 1896, and made a view of the premises all the jurors being present at said view. Meetings for the purpose of taking testimony, hearing arguments of counsel and for consultation were held on the following days : October 6, 13, 19, 26, November 2, 9, 12, 16, 23, 30, December 3, 7, 14, 17, 21, 28, 1896, January 11, 19, 20, 21, 22, 23, 25, 26, 27, 28, February 1 and 18, 1897.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them and after a careful view and review of the lines and grades at which said street is to be opened, and considering as well the advantages and disadvantages to the said property of George C. Thomas, on the line of the said Lincoln avenue, from Washington lane to Johnson street, the jury do find that the property of George C. Thomas is damaged by the said opening, and they therefore award him the sum of six thousand (6,000) dollars as damages occasioned by the said opening.

The jury also find that no property in the immediate vicinity or along the line of the said Lincoln avenue has been specially benefited by said opening, and that all the damages awarded should be paid by the City of Philadelphia.

All of which is respectfully submitted.

WM. J. POLLOCK,  
WM. H. WHITAKER,  
A. ATWOOD GRACE,  
WM. P. WATSON,  
JNO. P. WATSON.

P. M. Stackhouse, one of the jurors in the above proceeding, is unable to concur in the award of his fellow jurors, and determines that the property of the said George

C. Thomas was damaged to the extent of three thousand (3,000) dollars by reason of the opening of Lincoln avenue, from Washington lane to Johnson street, and further, that no property in the immediate vicinity has been specially benefited, and recommends that the City of Philadelphia should pay the said sum of \$3,000.

All of which is respectfully submitted.

P. M. STACKHOUSE.

REPORT OF JURORS.

Filed February 25, 1897.

*To the Honorable the Judges of the said Court:*

The undersigned jurors appointed by your Honorable Court to assess the damages and benefits, if any, for the opening of Mt. Airy avenue, from Quincy street to McCallum street, in the Twenty-second Ward, of the City of Philadelphia, respectfully report:

That after due notice as required by law, the jurors met on the fourth day of June, 1896, at 3 o'clock, P. M., for organization, and elected A. A. Grace, foreman and William S. Blight, secretary.

The following jurors were present: R. Meade Bache, William S. Blight, A. A. Grace, William J. Pollock, C. Ellwood Stringfellow, and Thomas B. Scarborough.

E. G. Hammersly, Esq., appeared for Samuel Bradbury; Alexander and Magill, Esqs., for Sidney L. Wright, *et al*, trustees of the Carpenter estate, John Watters and Henry Bridenfield; Henry B. Brown, Esq., for John W. Moffley; W. C. Stoever, Esq., for Arthur Rodgers and Thomas Maguire; B. F. Hughes, Esq., for Mary McGarrity, deceased, and James Woods; David Lavis, Esq., assistant City Solicitor appeared for the City of Philadelphia.

At this meeting, to wit, June 4, 1896, the jurors were sworn or affirmed on their voir dire and examined touching their qualifications to serve as road jurors in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve. The jurors were then sworn or affirmed to perform their duties in the matter of the opening of Mt. Airy avenue, from Quincy street to McCallum street, impartially and according to their best judgment. At this meeting a copy of the petition was read to the jury and the official plan produced for the use of the said jurors, which was constantly used by them throughout the proceedings. The affidavit of service of notice on the registered owners of property through and before which the said Mt Airy avenue is to be opened, was also produced and is on file in the Court of Quarter Sessions of this County.

The jury met on June 11, 1896, and made a view of the premises, all of the jurors being present at said view.

Meetings for the purpose of hearing testimony, arguments of counsel and consultation, were held on the following days: June 18, 22, 25, 29, July 2, 6, 9, September 7, 14, 21, 28, October 5, 12, 19, 26, November 2, 9, 16, 23, 30, December 7, 14, 21, 1896, January 4, 11, 18, 19, 20, 21, 22, 23, 25, 26, 27, 28, 29, 30, February 1, 2, 3, 8, 9, 10, 11, and 12, 1897.

The jury do find, from the evidence produced before them, that there is a strip of land on the north side of Mt. Airy avenue, starting from zero at Quincy street and Mt. Airy avenue, running along the north side of Mt. Airy avenue to a point at Jefferson street and Mt. Airy avenue, where it is about five inches in width, and exists in front

of the properties located on the north side of Mt. Airy avenue situate between the limits of the said strip of ground and abutting on the north side of the said strip, depriving the properties which abut on the said strip of ground, of a frontage on Mt. Airy avenue.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which the said street is to be opened, and considering as well the advantages and disadvantages to the properties affected by the opening of the said Mt. Airy avenue, between Quincy street and McCallum street, the jury do find and make the following awards as damages occasioned by the said opening.

Carpenter Est (Sidney L. Wright, <i>et al.</i> , Trustees .....	\$4,500 00
Charles H. Bridenfield.....	548 67
Thomas Maguire .....	125 00
Arthur Rodgers.....	200 00
John W. Moffley.....	900 00
Mary A. Bradbury.....	1,200 00
John Louis Hamberg.....	799 26
Charles A. Schurch.....	521 67
William McGarrity.....	559 63
John and Regina Schoenherr.....	945 00
James Woods.....	559 63
Daniel Fitzgerald, tenant.....	250 00

---

The jury also find as a fact that all property for which damages were claimed in this proceeding, with the exception of the property belonging to and marked on the official plan "John W. Moffley," "Mary A. Bradbury," "Sidney L. Wright, *et al.*, Trustees," are affected by the strip of ground and in the manner hereinbefore set forth, that is to say, that they have no frontage upon the line of Mt. Airy avenue, but between the line of said Mt. Airy avenue and the house line of their properties there exists the before mentioned strip of land.

The jury also find that no property in the immediate

vicinity or along the line of the said Mt. Airy avenue, between Quincy street and McCallum street, has been specially or peculiarly benefited by the said opening, and that all the damages awarded as aforesaid, shall be paid by the City of Philadelphia.

All of which is respectfully submitted.

R. MEADE BACHE,  
A. ATWOOD GRACE,

REPORT OF JURORS.

Filed February 25, 1897.

*To the Honorable the Judges of the said Court:*

The jurors appointed by your Honorable Court to assess the damages and benefits, if any, by reason of the opening of Berkley street, from Wayne avenue to Pulaski avenue, in the Twenty-second Ward, of the City of Philadelphia, respectfully report :

That after due notice of their first meeting given to the registered property owners along the line of the opening of the said Berkley street, proof of which is hereto attached,

marked "Exhibit A," the jury held their first meeting at the Road Jury Rooms, No. 211 South Sixth street, on July 8, 1896, at 12.30 o'clock P. M.

At this meeting, there were present, of the jury, Messrs. Robert H. Price, Robert MacCain, Thomas Brennan, P. F. Gallagher, W. W. Frazier, and Joseph M. Smith. There also appeared at this meeting, Frederick J. Geiger, Esq., for William T. B. Roberts, and J. Lee Patton, Esq., assistant City Solicitor, for the City of Philadelphia.

The jurors were sworn or affirmed on their *voir dire*, and examined touching their capacity to serve as jurors in this proceeding. Each juror was found to be disinterested, competent and in all respects duly qualified to serve. The jurors were then sworn or affirmed by one of their number to perform their duties as jurors in the matter of the opening of Berkley street, from Wayne to Pulaski avenue, impartially and according to their best judgment, after which the jury elected P. F. Gallagher, foreman.

At this meeting, the petition for the appointment of a jury was presented and read, and a plan produced for the use of the said jury. The jury then adjourned to meet on July 10, 1896, on the premises, to view the same. On July 10, the jury met as agreed and viewed the premises, all the jurors being present.

Subsequent meetings were held for the purpose of taking testimony and for consultation, on July 13, September 30, October 5, 9, 15, 20, 22, 27, November 2, 9, 16, 20, 23, 27, 30, December 4, 7, 11, 14, 18, 21, 28, 1896, January 4, 11, 18, 25, February 1, 2, 8, 9, 10, 11, 12, 13, 15, 16, 17, 18, and 19, 1897.

P. F. Gallagher, of the jury, having died during the sessions of the jury, on the 20th day of January, 1897, Samuel S. Ellis was duly appointed by the Court a juror in place of the said P. F. Gallagher, deceased. The said Samuel S. Ellis was duly sworn by one of the jury on his *voir dire*, and examined touching his capacity to serve as a juror in the matter of the opening of Berkley street, from Wayne avenue to Pulaski avenue, and was found disinterested and in all respects duly qualified to serve. He was also sworn by one of the jury to perform his duties as a

juror in the matter of the opening of Berkley street, from Wayne avenue to Pulaski avenue, impartially and according to his best judgment.

During the course of the proceedings, Charles F. Eggleston, Esq., appeared for Annie C. Huber *et al.*

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a full and careful view and review of the lines and grades at which said Berkley street was opened, and considering as well as the advantages, disadvantages, damages and benefits to each of the owners affected by the said opening, the jury do find that no property has been injured or damaged by reason of the opening of the said Berkley street, between the points named.

All of which is respectfully submitted.

ROBERT H. PRICE,

ROBERT M. SMITH,

THOS. BRENNAN,

ROBERT MacCAIN,

SAM'L S. ELLIS.

We the undersigned dissent from the report as above and award to Wm. T. B. Roberts, six thousand (6,000) dollars, we do further find that no property is benefited by said opening.

Respectfully submitted,

W. W. FRAZIER,

JOSEPH M. SMITH.

Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the "Ordinances to place on the City plan Watts, Wade, Rockland, Ashmead, Lambert, Woodstock, St. Bernard, Stanley, Corlies, Commerce, Filbert, Hart, Mary, Jessup, Sartain, Fawn and Iseminger streets, Wor-

rells court, Whitebread place, and Gray's lane," beg leave to report that all of these streets run in a straight line from one public street to another street, and in all particulars comply with the present laws and ordinances. Provision has been made protecting the City against damages on all of the streets, excepting Hart, Filbert and Mary streets. On Hart street, four-fifths of the property will be dedicated. The balance of the street is included in the lines of old Hart lane, for years an open street. It is exceedingly difficult to locate the title to this property. No damage can possibly accrue. Filbert street will be dedicated for more than one-half of the property covered. The balance being vested in an estate who are unable to dedicate, and are anxious to have the street placed on the plan Mary street is for the purpose of giving an outlet to a very congested section. The opening of the street will require the taking down of two small properties. The estimated damage is five thousand (5,000) dollars. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, James A. Briggs, H. Black, Saml. P. Town, J. Emory Byram, C. E. Connell.

### AN ORDINANCE

To place on the City plan Watts, Wade, Rockland, Ashmead, Lambert, Woodstock, St. Bernard, Stanley, Corlies, Commerce, Filbert, Hart, Mary, Jessup, Sartain, Fawn, and Iseminger streets, Worrell's court, Whitebread place, and Gray's lane.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to place on the City plan Watts street, of the width of 30 feet, from Snyder avenue to McKean street; Wade street, of the width of 40 feet, from Manheim to Reger street; Rockland street, of the width of 40 feet, from Germantown avenue to Greene street; Ashmead street, of the width of 50 feet, from

Greene to Knox street; Lambert and Woodstock streets, each of the width of 40 feet, from Mill to Spencer street; St. Bernard street, of the width of 50 feet, from Springfield avenue to Florence avenue; Stanley and Corlies streets, each of the width of 30 feet, from Cumberland to Huntingdon street; Commerce and Filbert streets, each of the width of 30 feet, from Fifty-seventh to Fifty-eighth street: *Provided*, That the owners of ground within the lines of the above mentioned streets shall first dedicate the bed of said streets to the City, or shall enter into a satisfactory agreement indemnifying the City against all damages by reason of the placing of said streets on the plan or their subsequent opening before said streets shall be placed on the plan; Hart street, of the width of 30 feet, from Indiana to Clearfield street: *Provided*, The owners of at least four-fifths of the property within the lines of said street first dedicate the same to the City; Filbert street, of the width of 50 feet, from Fifty-eighth street to Gray's lane (or Salford street): *Provided*, That the owners of at least one-half of the property within the lines of said street first dedicate the same to the City; Mary street, of the width of 30 feet, from Woodbine street to a point about 45 feet westward; Jessup street, of the width of 12 feet, from Montgomery to Norris street; Sartain street, of the width of 12 feet, from Montgomery to Berks street; Fawn street, of the width of 12 feet, from Montgomery to Berks street; Iseminger street, of the width of 12 feet, from Montgomery to Norris street, and of the width of 10 feet, from Norris to Diamond street; Worrell's court, of the width of 16 feet, from Gillingham to Bowser street; Whitebread place, of the width of 10 feet, from Christian street southward to dead end: *Provided*, That before said Jessup, Sartain, Fawn, and Iseminger streets and Worrell's court shall be placed on the plan, satisfactory evidence shall be furnished that said streets have been opened, built upon and in use prior to June 6, 1871. Gray's lane (Salford street), of the width of 33 feet, from Market to Vine street: *Provided*, That satisfactory evidence be first furnished that said street has been opened and in use for a sufficient length of time to protect the City from any damages.

## APPENDIX No. 236.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the construction of sewers in Aspen, Blair, Bouvier, Cedar, Colona, Chew, Dutton, Dyre, Eleventh, Fox, Fillmore, Hoffman, Howard, Large, Ludlow, Market, Ontario, Prescott, Park, Ruan, Rainbow, Sergeant, Stone, Sixty-eighth, Twenty-second, Thirty-third, Thirty-fifth, Waterloo, and Wrekin streets; Aramingo, Girard, Park and Pulaski avenues, and Old York road,” beg leave to report that we have carefully considered the same and return the annexed bill with a favorable recommendation, and ask its passage.

Ellsworth H. Hults (*Ch’n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, James A. Briggs, H. Black, Saml. P. Town, J. Emory Byram, Ezekiel Gordon.

## AN ORDINANCE

To authorize the construction of sewers in Aspen, Blair, Bouvier, Cedar, Colona, Chew, Dutton, Dyre, Eleventh, Fox, Fillmore, Hoffman, Howard, Large, Ludlow, Market, Ontario, Prescott, Park, Ruan, Rainbow, Sergeant, Stone, Sixty-eighth, Twenty-second, Thirty-third, Thirty-fifth, Waterloo, and Wrekin streets; Aramingo, Girard, Park, and Pulaski avenues, and Old York road.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be, and is hereby authorized to construct sewers in Aspen street, from Forty-second street to Lancaster avenue; Blair street, from Susquehanna avenue to Trenton avenue; Bouvier street, from Westmoreland to Ontario street; Cedar street, from Dyre to Pratt street; Colona street, from Eleventh street eastward to present

sewer; Chew street (northeast sidewalk), from Cheltenham avenue to Woodbine avenue (northeast side only to be assessed); Dutton street, from Mifflin to Hoffman street; Dyre street, from Frankford avenue to Cedar street; Eleventh street, from Ontario to Westmoreland street; Fox street, from Cedar to Sepviva street; Fillmore street, from Horrocks to Large street; Hoffman street, from Dutton to Otsego street; Howard street, from Cumberland to Huntingdon street; Large street, from Foulkrod to Fillmore street; Ludlow street, from Forty-second to Forty-third street; Market street (south sidewalk), from Fifty-second to Fifty-third street (south side only to be assessed); Ontario street, from North Penn Railroad to Fifth street; Prescott street, from Forty-eighth to Forty-ninth street; Park street, from Catharine to Fitzwater street; Ruan street, from Adams to Leiper street; Rainbow street, from Blair street to Trenton avenue; Sergeant street, from Sepviva to Cedar street; Stone street, from Fifteenth to Sixteenth street; Sixty-eighth street, from Woodland avenue to Greenway avenue; Twenty-second street, from Catharine to Webster street; north side of Girard avenue, from Pennsylvania avenue to Thirty-third street, and on Thirty-third street, from Girard avenue northward; Thirty-fifth street, from Crawford to New Queen street; Waterloo street, from Cumberland to Huntingdon street; Wrekin street, from Cedar to Memphis street; Aramingo avenue, from Westmoreland to Ann street; Park avenue, from Susquehanna avenue to Dauphin street; Pulaski avenue, from Hansberry to Queen street; Old York road, from Roxborough street to Wingohocking creek.

SECT. 2. The Director of the Department of Public Works shall advertise according to law, announcing that bids will be received for the sewers above designated, and he shall allot them to the lowest responsible bidders; and it shall be a condition of said contract that the contractor shall accept the sums assessed upon and charged to the properties lying upon the lines of said sewers in manner and form authorized by ordinance entitled "An Ordinance regulating the assessments upon property for the construction of branch culverts or drains," approved May 12, 1866,

and supplement thereto, approved February 16, 1869, and any excess over and above said assessment, in addition to that provided for by ordinance entitled "An Ordinance authorizing the Chief Engineer and Surveyor to draw warrants for street intersections, manholes, and legal deductions in the construction of branch sewers," approved April 3, 1868, to be charged to the item for branch sewers in the annual appropriation made to the Department of Public Works (Bureau of Surveys.)

SECT. 3. The Director of the Department of Public Works shall not award contracts for the construction of any of the sewers authorized by this ordinance until the streets are on the City plan, and all legally opened, excepting Aramingo avenue, from Westmoreland to Ann street, and all the properties abutting thereon assessed at full City rates : *Provided, however*, That where properties are assessed at less than full City rates, and the streets on the plan are opened, he may award contracts upon receipt of a duly executed agreement binding owners to pay the regular assessment charges: *Provided, further*, That assessments shall not be charged for the sewers on Old York road and on Aramingo avenue, where property is assessed at suburban rates, but no permit shall be issued for the drainage of properties on the line of these sewers until the regular frontage charges shall have been paid.

SECT. 4. That the Mayor be authorized and requested to enter security on behalf of the City of Philadelphia, to indemnify the owners of property for the payment of damages by reason of the construction of the sewer through private property on the line of Aramingo avenue.

#### APPENDIX No. 237.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to strike from

the City plan Newkirk street, between Cumberland and Huntingdon streets, and to substitute two new streets therefor," beg leave to report that as laid out at the present time Newkirk street very much interferes with the profitable development of the property. As the streets in the block immediately south of Cumberland street are on the line with the projected new streets, and as the City is amply indemnified against all damages, we report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, James A. Briggs, H. Black, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

### AN ORDINANCE

To strike from the City plan Newkirk street, between Cumberland and Huntingdon streets, and to substitute two new streets therefor.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to strike from the City plan Newkirk street, between Cumberland and Huntingdon streets, and in lieu thereof to place on the said plan Newkirk and Dover streets, each of the width of 30 feet, from Cumberland to Huntingdon street: *Provided*, That the owners of ground on the line of said streets shall first dedicate the same as public highways, or shall file a bond or enter into a written agreement satisfactory to the City Solicitor, indemnifying the City against all damages by reason of the passage of this ordinance, and shall dedicate to the City of Philadelphia, free of cost, the property within the lines of said Dover and Newkirk streets.

## APPENDIX No. 238.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the Department of Public Works to confirm the plan of the revision of the grades of Twenty-second street, between the Philadelphia, Germantown and Norristown Railroad and Bellevue street, and also of all such adjacent streets as may be affected,” beg leave to report that Twenty-second street at the present time goes under the Pennsylvania Railroad with a clearance of less than eleven feet. As an agreement to do all the necessary work will be filed with the Department of Public Works, we report the annexed ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, James A. Briggs, H. Black, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

## AN ORDINANCE

To authorize the Department of Public Works to confirm the plan of the revision of the grades of Twenty-second street, between the Philadelphia, Germantown and Norristown Railroad and Bellevue street, and also of all such adjacent streets as may be affected.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to confirm the plan made in accordance with ordinance approved December 14, 1894, of the revision of the grades of Twenty-second street, between the Philadelphia, Germantown and Norristown Railroad and Bellevue street, and also of all such adjacent streets as may be affected by the change, upon the filing of a satisfactory agreement to complete the work of re-

grading and re-paving of cartway and sidewalks, re-setting of curb, lowering of tracks, manholes and inlets made necessary by reason of said change without cost to the City. Upon the filing of said agreement and the confirmation of said plan the Department of Public Works is authorized to permit the said work to be done.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

## APPENDIX No. 239.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the grades on the east side of Forty-first street, from Poplar street southward, to the bridge over the Pennsylvania Railroad, in the Twenty-fourth Ward,” beg leave to report that the change is made necessary by the reconstruction of the bridge over the Pennsylvania Railroad. As the City will be indemnified from all liability of cost we report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch’n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, James A. Briggs, H. Black, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

## AN ORDINANCE

To authorize the revision of the grades on the east side of Forty-first street, from Poplar street southward, to the bridge over the Pennsylvania Railroad, in the Twenty-fourth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be, and is hereby authorized to revise the grades on the east side of Forty-first street, from Poplar street southward, to the bridge over the Pennsylvania Railroad, in the Twenty-fourth Ward: *Provided*, That the City of Philadelphia be indemnified from any liability for cost or damage by reason of the said revision.

## APPENDIX No. 240.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred various ordinances to pay for the construction of sewers in front of churches, exempt churches from payment of sewer bills, and to refund amount paid by churches, beg leave to report that we have carefully considered the subject, and have agreed to report back with a favorable recommendation the various ordinances referred. The total amount involved in the present ordinance is two thousand two hundred and twenty-five (2,225) dollars and ninety-seven (97) cents. This covers all the bills now in the hands of the Committee. We, therefore, report the annexed ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, James A. Briggs, H. Black, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

## AN ORDINANCE

To authorize the Department of Public Works (Bureau of Surveys), to pay for the construction of sewers in front of various Church properties.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Bureau of Surveys), is hereby authorized to draw, and the City Controller is requested to counter-sign, warrants to pay for the construction of sewers in front of Church properties, as follows: In favor of Atkinson & Wilson, for sewer laid on Gay street, in front of the Ebenezer M. E. Church, at the south corner of Gay street and Latch avenue, in the sum of eighty-one (81) dollars and twenty-seven (27) cents; in favor of Thomas Cooper, for sewer laid on Wood street, in front of the English Lutheran Church, at the corner of Green lane and Wood street, in the sum of one hundred and eight (108) dollars; in favor of Robert Higgins, for sewer laid on Penn street, in front of Saint John's R. C. Church, at the corner of Cresson street, in the sum of three hundred and one (301) dollars and sixty-six (66) cents; in favor of Robert Higgins, for sewer laid on Ridge avenue, front of the Roxborough Baptist Church, situate on Ridge avenue, below Lyceum avenue, in the sum of seventy-five (75) dollars; Relieving the Ninth United Presbyterian Church, for payment of one hundred and forty-five (145) dollars to the City for the construction of sewer on Palethorp street southward, from Susquehanna avenue; in favor of Joseph McDonald, for construction of sewer on Aramingo street, northwest of Cedar street, in front of the Chandler United Presbyterian Church, in the sum of one hundred and thirty-eight (138) dollars and ninety-four (94) cents; in favor of J. J. Madden & Co., for construction of sewer on Twelfth street, south of Market street, in front of Friend's Meeting House, in the sum of one hundred and forty-three (143) dollars; to refund to the Trustees of the Frankford Preparative Meeting of Friends, for sewer laid in Orthodox street, in front of the Meeting House property, the sum of one hundred and sixty-two (162) dollars and seventy-five (75) cents; to refund to the German Lutheran Congregation, for sewer laid in Tackawanna street, at the corner of Plum street, the sum of one hundred and fifty (150) dollars; to refund to the Central M. E. Church, for sewers laid in Orthodox street, between Penn and summit northwest, and in

Frankford street, between Allen and Orthodox streets, the sum of two hundred and twenty-five (225) dollars and forty-five (45) cents; to refund to Saint Mark's P. E. Church, for sewer laid in Franklin street, between Sellers and Unity streets, the sum of one hundred and sixty-one (161) dollars and thirteen (13) cents; relieving Campbell African M. E. Church, from the payment of one hundred and sixty-two (162) dollars and twenty-two (22) cents, to the City for the construction of sewer in Oxford street, south of Paul street; to refund to the Saint Joachim's R. C. Church, for sewer built in Church street, between Franklin and Penn streets, the sum of one hundred and thirty-nine (139) dollars and five (5) cents; to refund to the Whitehall Baptist Church, for sewer built in Tacony street, between Bridge and Duncan streets, the sum of eighty-two (82) dollars and fifty (50) cents; to relieve Blockley Baptist Church, from the payment to the City of the sum of one hundred and fifty (150) dollars, for sewer constructed in front of Church edifice, on Fifty-third street, south from Wyalusing street, and on Wyalusing street, east from Fifty-third street; said amounts to be charged to the item for the construction of branch sewers in the annual appropriation to the Department of Public Works (Bureau of Surveys).

SECT. 2. That where a warrant is drawn in favor of a contractor, before payment shall be made he shall furnish evidence that the bill has not been paid to him, or where lien has been entered against the property that such lien has been satisfied, and where warrant is drawn to refund money paid by a Church organization evidence shall be furnished that the bill has been paid by them to the contractor, and, in any of the foregoing cases, where a bill against a Church organization, payable to the City of Philadelphia, has not been paid and a lien filed, the City Solicitor is authorized to satisfy the lien.

## APPENDIX No. 241.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the grades of Broad street, so as to enable said street to be carried over and above the branch line of the Schuylkill River East Side Railroad at Oregon avenue,” beg leave to report that this work is very urgent at the present time because of the rapid development of this section of the City. As the bond of the railroad company covers the cost of the work we report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch’n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, H. Black, James A. Briggs, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

## AN ORDINANCE

To authorize the revision of the grades of Broad street, so as to enable said street to be carried over and above the branch line of the Schuylkill River East Side Railroad at Oregon avenue.

WHEREAS, The Select and Common Councils of the City of Philadelphia by ordinance, approved July 3, 1885, authorized the Schuylkill River East Side Railroad Company to construct its railroad and a branch thereof within the limits of the City of Philadelphia, and to enter upon and occupy certain streets in said city under certain restrictions and conditions, as set forth in said ordinance.

AND WHEREAS, Section 7, of said ordinance, in authorizing the construction of the branch road, among other streets, on Oregon avenue, between Twenty-third street and the Delaware river, specifically provided “that in case

there shall be hereafter by authority of the Select and Common Councils of the City of Philadelphia, and the action of the Board of Surveyors of said city, such change made in the grade of Broad street at the point where the said branch railroad crosses the same, as will enable said Broad street to be carried over and above or under the said branch railroad, that it, the said Schuylkill River East Side Railroad Company, shall be at the entire cost of constructing the bridge upon the line of said Broad street over said railroad and the approaches thereto (in case the grade of said street shall be so changed as to pass over said railroad), or of constructing a bridge to carry said railroad over said Broad street (in case the grade of said street shall be so changed to pass under said railroad), and that it shall indemnify the City from any and all loss or liability in consequence of the claims of property owners upon said Broad street, between the points where the grade thereof is thus changed, for any damages which they may suffer in consequence of such change of grade."

AND WHEREAS, In the revision of the grades of Broad street, owing to the great importance of this highway, and to protect the lives and property of the travelling public it has been found advisable to carry the said Broad street over and above the said Schuylkill River East Side Railroad at Oregon avenue, therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That in accordance with the conditions of the ordinance approved July 3, 1885, entitled "An Ordinance relative to the construction of the railroad of the Schuylkill River East Side Railroad Company and of a branch thereof within the City of Philadelphia, authorizing it to enter upon and occupy certain streets in said city under certain conditions, and providing for the carrying into effect of such authority and conditions," the Department of Public Works, Board of Surveyors, be, and are hereby authorized to revise the grades of Broad street, north and south of the points where the branch line of the Schuylkill River East Side Railroad Company crosses the same at Oregon avenue, so as to enable the said Broad street to be carried over and above the said branch of the Schuylkill River East Side Railroad.

## APPENDIX No. 242.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the Department of Public Works to pay for the construction of a portion of the sewers on Hillside avenue and Jannette avenue,” beg leave to report that as the properties in question can never use these sewers we do not think that they should be made to pay for their construction. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch’n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, H. Black, James A. Briggs, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

## AN ORDINANCE

To authorize the Department of Public Works to pay for the construction of a portion of the sewers on Hillside avenue and Jannette avenue.

WHEREAS, The sewer in front of the property registered in the name of H. F. Schmidt, *et al.*, is built so that the bottom of the sewer is from 10 to 25 feet above the surface of the property, and so that any improvement placed upon the property cannot be drained into the sewer, and the sewer constructed on Jannette avenue, near the Philadelphia and Norristown Railroad, is at such a depth as to be several feet above the tracks of the Railroad, making it impossible to drain any portion of the railroad property into the sewer; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to draw, and the City Con-

troller requested to countersign, a warrant in favor of David McMahon, for the sum of one hundred and fifty-six (156) dollars, in payment of bill against property on Hillside avenue, between Ashland avenue and Manayunk avenue, and a warrant in the sum of four hundred and thirty-seven (437) dollars and forty-six (46) cents, in payment of bill against the Philadelphia and Reading Railroad Company, for the construction of sewer on Jannette avenue, between Sumac street and Manayunk avenue, and charge the same to the item for branch sewers in the annual appropriation to the Department of Public Works (Bureau of Surveys): *Provided*, That the said bills shall first be re-assigned to the City of Philadelphia.

---

## APPENDIX No. 243.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the lines and grades of Carswell street, from Haines to Mechanic street, and of Mechanic street, from Carswell street to a point about 400 feet southwardly from the southeast curb line of Morton street,” beg leave to report that Mechanic street, from Carswell street northwestward about 313 feet is upon the City plan, 20 feet wide. There is no curb regulation established upon the plan fixing the width of sidewalks. The street is built upon the entire distance on the southeast side, the buildings and front fences being about four feet back of the proper line. The street therefore is actually about 24 feet wide, and there is a 6-foot wide pavement and curbing upon the southeast side. There is no curb or sidewalk upon the northwest side.

The intersection of Carswell and Mechanic streets is about 16 inches above the confirmed plan elevation. At

a point 400 feet west of Morton street the curb elevations conform to the plan. These conditions have existed many years, and it would be advisable to revise to conform as near as possible to them. No damages are estimated to result from the proposed revision. As the revision of the grade of Mechanic street would affect that on Carswell street, north of Haines, and as there is now no sidewalk regulation upon the present plan, it would be advisable to include this in the proposed revision. It is proposed at an early date to pave Mechanic street, and it is desirable that the revision should be made prior to paving.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, H. Black, James A. Briggs, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

### AN ORDINANCE

To authorize the revision of the lines and grades of Carswell street, from Haines street to Mechanic street, and of Mechanic street, from Carswell street to a point 400 feet southwestwardly, from the southwest curb line of Morton street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to revise the lines and grades of Carswell street, from Haines to Mechanic (or Ployd) street, and of Mechanic (or Ployd) street, from Carswell street to a point 400 feet southwestwardly, from the southwest curb line of Morton street, so as to more nearly conform to the present actual conditions.

### APPENDIX No. 244.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to

whom was referred the bill entitled "An Ordinance to authorize the construction of a new bridge and the work appurtenant thereto, in a location north of the present line of Gray's Ferry avenue, over the Schuylkill river, in the Twenty-seventh and Thirty-sixth Wards, and to provide for the payment of all costs and expenses incident to said construction. To authorize the Department of Public Works, Bureau of Surveys, to revise the lines and grades of Gray's Ferry avenue; upon the confirmation of said revision to authorize the Department of Public Works to proceed with the opening of said Gray's Ferry avenue as revised. Also to authorize the Mayor to enter security on behalf of the City of Philadelphia for the opening of Gray's Ferry avenue, and for damages to private property," beg leave to report that the cost of this bridge is taken from the item in the annual appropriation to the Bureau of Surveys for this purpose. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, H. Black, James A. Briggs, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

## AN ORDINANCE

To authorize the construction of a new bridge and the work appurtenant thereto, in a location north of the present line of Gray's Ferry avenue, over the Schuylkill river, in the Twenty-seventh and Thirty-sixth Wards, and to provide for the payment of all costs and expenses incident to said construction. To authorize the Department of Public Works, Bureau of Surveys, to revise the lines and grades of Gray's Ferry avenue; upon the confirmation of said revision to authorize the Department of Public Works to proceed with the opening of said Gray's Ferry avenue as revised. Also to authorize the Mayor to enter security on behalf of the City of Philadelphia for the opening of Gray's Ferry avenue, and for damages to private property.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to prepare plans, advertise for proposals and enter into a contract or contracts, as provided by existing ordinances and laws, for the erection of a bridge and the work appurtenant thereto, over the Schuylkill river, consisting of a swing span and its necessary approaches, in a location north of the present line of Gray's Ferry avenue, and extending from a point near the intersection of Gray's Ferry avenue and Forty-seventh street, in the Twenty-seventh Ward, on the west side of the aforesaid river, to a point near Gray's Ferry avenue and Thirty-sixth street, in the Thirty-sixth Ward, on the east side of said river; also for the construction of a sewer along the northwest side of the right-of-way of the Philadelphia, Wilmington and Baltimore Railroad, from Gray's Ferry avenue to the sewer in Forty-sixth street, for the necessary drainage of the western approach to said bridge, and to charge the cost of the whole work to the appropriate items of the appropriation to the Bureau of Surveys.

SECT. 2. The Department of Public Works, Bureau of Surveys, be, and is hereby authorized to revise the lines and grades of Gray's Ferry avenue, between Thirty-sixth street and Paschall avenue, and all cross streets affected, in such a manner as to admit of the construction of the bridge authorized in Section 1, in a location north of the present bridge, in order to give the necessary clearance over the steam railroads crossed and the clearance required by the Secretary of War over the Schuylkill river.

SECT. 3. Upon the confirmation of the plans revising the lines and grades of Gray's Ferry avenue, the Director of the Department of Public Works be, and is hereby authorized to notify the owners of property over and through which Gray's Ferry avenue, as revised, will pass, that at the expiration of three (3) months from the date of said notice the said avenue will be required for public use. Upon the filing of the bond by the Mayor of the City, as authorized in Section 5, and at the expiration of the said three (3) months' notice, the Director of the Department

of Public Works shall forthwith proceed to open said avenue.

SECT. 4. The Director of the Department of Public Works be, and is hereby authorized to appoint such assistant engineers and inspectors as may be required, and to pay for inspection and incidental expenses, charged to the appropriations for the construction of the bridge herein authorized.

SECT. 5. The Mayor is hereby authorized, on behalf of the City of Philadelphia, to enter security for the payment of any damage which may be assessed by reason of the opening of Gray's Ferry avenue upon the revised lines, and for any necessary revisions of grades of adjacent streets, and also to indemnify the owners of private property who may be injured by reason of the construction of the herein authorized bridge and its appurtenances.

## APPENDIX No. 245.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to exempt properties owned by Church organizations, upon which churches are erected, from the payment of municipal assessments for the construction of sewers, the laying of water-pipes, and the paving of cartways of public streets," beg leave to report that we have carefully considered the subject, and as the result of such consideration report the annexed ordinance, and ask its favorable consideration.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, H. Black, James A. Briggs, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

## AN ORDINANCE

To exempt properties owned by Church organizations, upon which churches are erected, from the payment of municipal assessments for the construction of sewers, the laying of water-pipes, and the paving of cartways of public streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That all properties owned by Church organizations, upon which churches, chapels or Meeting Houses are erected, and in which religious services are regularly held, shall be exempt from municipal assessments for the construction of sewers, the laying of water-pipes, and the paving of cartways of public streets: *Provided*, That no portion of said properties used as a cemetery or burial ground, or upon which a parsonage or school house is erected, shall be exempt from said charges: *And also provided*, That in no case shall the exemption on the front be for more than one hundred and fifty (150) feet, and on corner lots the exemption shall not exceed two hundred (200) feet on the side front.

## APPENDIX No. 246.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades of plan No. 128, bounded by Fifteenth street, Twenty-ninth street, Lehigh avenue, and Allegheny avenue, in the Thirty-eighth Ward,” beg leave to report that this section is now almost entirely undeveloped, but is in condition to very rapidly improve upon the proper adjustment of the street lines and grades. If this work is delayed the damages will very rapidly accrue. The change at the present time can be made with little

or no damage. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, H. Black, James A. Briggs, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

### AN ORDINANCE

To revise the lines and grades on plan No. 128, bounded by Fifteenth street, Twenty-ninth street, Lehigh avenue, and Allegheny avenue, in the Thirty-eighth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be, and is hereby authorized to revise the lines and grades of plan No. 128, bounded by Fifteenth street, Twenty-ninth street, Lehigh avenue, and Allegheny avenue, in the Thirty-eighth Ward.

### APPENDIX No. 247.

*Philadelphia, February 25, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN :—We, your Committee on Surveys, to whom was referred the ordinances to place on the City plan Butler street, from Lawrence street to American street, and Thirteenth street, from Ontario street to Germantown avenue, beg leave to report that Butler street has been legally opened and in public use for many years, but at the time the grade railroad crossings at North Penn Junction were avoided, Butler street was stricken from the plan, and it has never been legally vacated. The estimated cost for damages resulting from the change of grade was about fifteen thousand (15,000) dollars, and for the construction of a bridge eighty-five thousand (85,000) dollars. As Butler street, with its connections, is the only direct

route from Frankford, Bridesburg and the adjacent settlements to the northwestern part of the City the street is thought to be very urgent.

Thirteenth street should be placed on the plan in order that the railroad tracks now on Broad street may be removed. The estimated cost is fifteen thousand (15,000) dollars. We, therefore, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Josiah Linton, Arthur T. Wadsworth, Hiram A. Miller, W. G. Huey, Wm. G. Rutherford, Jos. H. Brown, John Dougherty, P. A. McClain, H. Black, James A. Briggs, Saml. P. Town, J. Emory Byram, Ezekiel Gordon, C. E. Connell.

### AN ORDINANCE

To place on the City plan Butler street, from Lawrence to American street, and Thirteenth street, from Ontario street to Germantown avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to place on the City plan Butler street, of the width of 50 feet, from Lawrence to American street, and Thirteenth street, of the width of 50 feet, from Ontario street to Germantown avenue.

## APPENDIX No. 254.

OFFICE OF THE CITY TREASURER,

*Philadelphia, March 1, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN :—The Commonwealth of Pennsylvania has settled the personal property tax account due the City of Philadelphia for the year 1896, with the exception of \$121.86, deducted by the Auditor General and which he claims “is yet unpaid and due the Commonwealth.” I dispute that the sum of \$121.86 is due the Commonwealth, and have so advised the Auditor General on several occasions. The sum mentioned was paid out of the State funds to George D. McCreary, City Treasurer, as Commissions on Personal Property Tax collections during the few days of 1895, he remained in office. Mr. McCreary was clearly entitled to the money and I am informed, gave it to the City. The Commonwealth now withholds this sum out of the personal property tax due the City for 1896. To my last letter of demand the Auditor General replies that “when this balance is paid into the State Treasury, warrant will be issued for a similiar amount, being the balance due on three-fourths of personal property tax to be returned to Philadelphia for the year 1896 and thus our records will be balanced.”

In view of this refusal to make settlement, coupled with the counter claim of the Auditor General, I am obliged to refer the whole matter to your Honorable Bodies for such action as you may deem proper.

Very respectfully yours,

RICHARD G. OELLERS,

*City Treasurer.*

## DEPARTMENT OF PUBLIC WORKS.

*Philadelphia February 18, 1897.*

ELLSWORTH H. HULTS, ESQ.,

Chairman, Committee on Surveys.

DEAR SIR:—I send you herewith, a draft of an ordinance to amend an ordinance entitled “An Ordinance to

make an appropriation out of the loan authorized by ordinance of Councils approved January 15th, 1896, to the Department of Public Works (Bureau of Surveys) for the work necessary to widening Delaware avenue to its full width between Vine and South streets, and for the purpose of improving the channel of the Delaware River."

Will you please have this ordinance introduced in Councils at the earliest opportunity ?

Yours respectfully,

THOMAS M. THOMPSON,

*Director.*

---

### AN ORDINANCE

To amend an ordinance entitled "An Ordinance to make an appropriation out of the loan authorized by ordinance of Councils approved January 13, 1896, to the Department of Public Works (Bureau of Surveys) for the work necessary to widening Delaware avenue to its full width between Vine and South streets, and for the purpose of improving the channel of the Delaware River."

WHEREAS, Councils by ordinance have authorized the construction of a bulkhead along Delaware avenue as widened, between Vine and South streets, and have also authorized the improvement of the channel of the Delaware River, making an appropriation to the Bureau of Surveys on April 13, 1896, a proviso attached to the appropriation reading as follows: "Provided, The dredged material be placed beyond high water mark within the limits of the city of Philadelphia;"

AND WHEREAS, In the construction of the bulkhead and piers it is necessary to fill in about the piles supporting the bulkhead wall and piers, which filling cannot readily be obtained except from the material dredged in the Delaware River, therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain, That the ordinance ap-*

proved April 13, 1896, entitled "An Ordinance to make an appropriation out of the loan authorized by ordinance of Councils (approved January 13, 1896), to the Department of Public Works (Bureau of Surveys), for the work necessary to widening Delaware avenue to its full width between Vine and South streets, and for the purpose of improving the channel of the Delaware river," be amended by adding to the proviso in Section 1 of the ordinance the words "except rock, gravel and some such other suitable material as may be required in the construction of the bulkhead and piers and in the work of widening Delaware avenue, between Vine and South streets."

## APPENDIX No. 257.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered a bill entitled "An Ordinance authorizing the Director of the Department of Public Works to extend the contract for the improvement of the channel of the Delaware River," and find that it is important that the work should progress with all speed in order that the same may be done as quickly as possible, and return the annexed bill with a favorable recommendation, and ask its passage.

Chas. Roberts (*Ch'n pro tem.*), Chas. F. Iseminger, Wm. Van Osten Wm. R. Knight, Jr., F. M. Harris, Watson D. Upperman, W.F. Short, Thos. J. Rose, William McMullen, Edward W. Patton, W. McCoach, Saml. P. Town, R. R. Bringham, Jas. B. Anderson, Charles Seger, Edward A. Anderson, Clayton M. Hunsicker, Thomas Firth, Chas. K. Smith.

## AN ORDINANCE

Authorizing and directing the Department of Public Works to extend the contract for the improvement of the Channel of the Delaware River.

WHEREAS, By an ordinance making an appropriation out of a loan, January 13, 1896, to the Department of Public Works, Bureau of Surveys, for the widening of Delaware avenue and the improvement of the channel of the Delaware River, the Department of Public Works was authorized to expend the sum of five hundred thousand (500,000) dollars for the purpose of improving the channel of the Delaware River, and for all costs and expenses arising therefrom;

AND WHEREAS, It is important that the work shall progress with all speed possible in order that the same may be done; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be and he is hereby authorized and directed to continue the work of improving the channel of the Delaware River under the present contract (the sum not to exceed one hundred and twenty-five thousand (125,000) dollars, for the removal of the obstructions to navigation at Schooner Ledge, and pay for the same out of the appropriation of five hundred thousand (500,000) dollars made by ordinance of April 13, 1896, for the purpose of improving the channel of the Delaware River.

### APPENDIX No. 259.

*Philadelphia, March 2, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to amend the ordinance regulating paving and repaving of streets with vitrified bricks or vitrified block, and the laying of granite block pavements,” approved April 7th, 1893, having considered the same, beg leave to report that the thickness of the concrete under vitrified brick paving has not proven to be thick enough. Several inaccuracies and

absurdities have been discovered in these ordinances, which the present ordinance intends rectifying.

We therefore report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, Wm. R. Knight, Jr., John W. Davidson, J. C. Keith, P. E. Costello, J. H. B. Amick, T. J. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, Samuel Lamond, H. Black, W. McCoach, W. F. Short, Jos. M. Adams.

## AN ORDINANCE

To amend ordinances regulating paving and repaving of streets with vitrified paving bricks or vitrified block and the laying of granite block pavements, approved April 7th, 1893.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the ordinances approved April 7th, 1893, regulating the paving and repaving of streets with vitrified paving brick or vitrified block and the laying of granite block pavements in the city of Philadelphia, be altered and amended in each case so as to provide that the cement concrete foundation shall not be less than six (6) inches in thickness and that in the preparation of the cement concrete the broken stone to be used shall be of a size that its largest dimensions shall pass through a one and one-half ( $1\frac{1}{2}$ ) inch ring, and in no case shall cement concrete be used which has been mixed for a longer period than thirty (30) minutes.

Vitrified bricks or blocks to be used must be repressed beveled edge fire clay especially burned for street paving, the bricks to be not less than eight (8) inches long, four (4) inches wide and two and one-quarter ( $2\frac{1}{4}$ ) inches thick, the blocks to be not less than nine (9) inches long, four (4) inches wide and three (3) inches thick.

All materials of every kind and character must meet the department requirements, and such standard tests as may be applied to cements, paving brick, block, sand, gravel or other material entering into the pavements, must fully

meet the standard tests of the Department of Public Works, Bureau of Highways, which may from time to time be given out.

All ordinances or parts of ordinances inconsistent herewith be and the same are hereby repealed.

## APPENDIX No. 260.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to authorize the Department of Public Works to proceed with the paving of Wood street, Hillside avenue and Manayunk avenue, and to pay certain bills for paving said streets,” having considered the same, beg leave to report that all of these streets front on property which is not worth the amount of the paving bills. The contractors declined to proceed with the work because of the uncertainty of getting their money.

As the paving is absolutely necessary, we recommend the passage of the annexed ordinance.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, Wm. R. Knight, Jr., John W. Davidson, J. C. Keith, P. E. Costello, J. H. B. Amick, T. J. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, Samuel Lamond, H. Black, W. McCoach, W. F. Short, Jos. M. Adams.

## AN ORDINANCE

To authorize the Director of the Department of Public Works to proceed with the paving of Wood street, Hillside avenue and Manayunk avenue, and to pay certain bills for paving said streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized and directed

to proceed with the paving of Wood street, from Green lane to Leverington avenue, and shall pay the bills for paving the east side of said street; Hillside avenue, from Ashland avenue to Manayunk avenue, and shall pay the bills for paving the southeast side; also, Manayunk avenue, from Shur's lane to Hermit street, and shall pay the bills on the southwest side. The cost of said paving to be taken from Item 2, in the annual appropriation to the Department of Public Works (Bureau of Highways). Upon the completion of said work, the said Director is authorized to transmit the said bills to the City Solicitor for collection from the owners of property on the respective sides of said streets.

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was recommitted Feb. 18, 1897, the bill entitled "An Ordinance to authorize contracts for completing the necessary work required to abolish grade crossings on the line of the Philadelphia and Trenton Railroad and the Frankford and Holmesburg Railroad (Bustleton Branch) at Rhawn street (formerly Delaware avenue), in the Thirty-fifth Ward; the opening of certain streets and the entering of security for the payment of damages," respectfully report that we have again examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, Wm. R. Knight, Jr., J. C. Keith, John W. Davidson, T. J. Morton, P. E. Costello, J. H. B. Amick, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, Samuel Lamond, H. Black, W. McCoach, W. F. Short, Jos. M. Adams, Jos. H. Brown.

## AN ORDINANCE

To authorize contracts for completing the necessary work required to abolish grade crossings on the line of the Philadelphia and Trenton Railroad and the Frankford and Holmesburg Railroad (Bustleton Branch) at Rhawn street (formerly Delaware avenue), in the Thirty-fifth Ward; the opening of certain streets and the entering of security for the payment of damages.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be and is hereby authorized and directed to prepare plans and specifications, advertise for proposals and enter into contracts for the construction of all work necessary to complete the grading of the cartway and sidewalks of Rhawn street (formerly Delaware avenue) between Ditman street and State road, in the Thirty-fifth Ward, in accordance with the lines and grades as revised under authority of ordinance approved December 16, 1896; for repaving and macadamizing the said cartway; for repaving with brick such portions of said sidewalks; and resetting such portions of the curb as have been heretofore placed at the expense of the property owners; also for grading the cartway and sidewalks of Tulip street, from Rhawn street to the north side of Hartel street, and the necessary approach from Rhawn street, into Vandike street (formerly Lynfield street); for the construction of a bridge to carry the Frankford and Holmesburg Railroad (Bustleton Branch), over said Rhawn street; for the construction of the necessary sewers in Rhawn street, with outlet along the line of the right of way of the Philadelphia and Trenton Railroad from Rhawn street to Pennypack Creek; for relaying gas and water pipes, electrical conduits and other underground structures, and to do all the work incident thereto, required to abolish the grade crossings on the line of the Philadelphia and Trenton Railroad and the Frankford and Holmesburg Railroad (Bustleton Branch) at Rhawn street (formerly Delaware avenue), in the Thirty-fifth Ward; excepting the work within the line of the right of way of the Philadelphia and

Trenton Railroad (one hundred feet wide), the cost to the city for said construction work not to exceed thirty-five thousand (35,000) dollars; to be taken from Item 25 in the annual appropriation to the Department of Public Works, Bureau of Highways.

SECT. 2. The Director of the Department of Public Works be and is hereby authorized to notify the owners of property over and through which the following streets as laid down upon the City plan under authority of ordinance approved December 16, 1896, will pass, that at the expiration of three months from the date of said notice, said streets will be required for public use: Rhawn street, sixty (60) feet wide, from Ditman street to the southeast line of the right of way of the Philadelphia and Trenton Railroad; Rhawn street, sixty-three (63) feet wide, from the southeast line of the right of way of the Philadelphia and Trenton Railroad to State road; Tulip street, from Rhawn street to Hartel street; and Decatur street, from Tulip street to Vandike street (formerly Lynfield avenue).

SECT. 3. The Mayor of the city is hereby authorized to enter security for the payment of any damages arising by reason of the change of grade made necessary to complete said work and for opening said streets; and upon the filing of said bond, the Director of the Department of Public Works is authorized to proceed with the work.

## APPENDIX No. 262.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to authorize contracts for completing the necessary work required to abolish grade crossings on the line of the Philadelphia and Trenton Railroad at Magee street and at Vankirk street, in the Thirty-fifth Ward, the opening of cer-

tain streets, and the entering of security for the payment of damages," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, Wm. R. Knight, Jr., John W. Davidson, J. C. Keith, P. E. Costello, J. H. B. Amick, Thos. J. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, Samuel Lamond, H. Black, Wm. McCoach, W. F. Short, Jos. M. Adams.

## AN ORDINANCE

To authorize contracts for completing the necessary work required to abolish grade crossings on the line of the Philadelphia & Trenton Railroad at Magee street and at Vankirk street, in the Thirty-fifth Ward; the opening of certain streets and the entering of security for the payment of damages.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to prepare plans and specifications, advertise for proposals and enter into contracts for the construction of all the work necessary to complete the grading in accordance with the established plans of the City, of the cartways and sidewalks of Magee street, from Tulip street to State road; of State road, from Hellerman street to a point two hundred and seventy-five (275) feet northeast of Magee street; of an approach into Salter's lane southeast of State road; of Vankirk street, from Hegerman street to Tacony street; Keystone street, from Foust street to Howell street; Tulip street, from Vankirk street to Howell street; Tulip (or Edmund) street, from Vankirk to Foust street; for the macadamizing and re-paving of such portions of the cartways of said streets, as have heretofore been macadamized or paved; for re-paving with brick such portions of said sidewalks and for re-setting such portions of the curb as have been heretofore placed at the expense of the property owners; for the construction of the necessary sewer on Vankirk street, from Keystone street to Ta-

cony street; on Tacony street, from Vankirk street to Dark Run lane, and on Dark Run lane, from Tacony street to the Delaware river; for relaying gas and water-pipes, electrical conduits and other underground structures, and for doing all other work incident to and required for abolishing the grade crossings on the line of the Philadelphia & Trenton Railroad at Magee street and at Vankirk street, in the Thirty-fifth Ward; excepting, however, the work within the lines of the right of way of the Philadelphia & Trenton Railroad on the line of said streets: *Provided*, That the surplus material excavated in abolishing the grade crossings at Magee street be deposited on Torresdale avenue, south of Magee street; the cost to the City for the said construction work not to exceed twenty-five thousand (25,000) dollars; to be taken from Item 24, in the annual appropriation to the Department of Public Works, Bureau of Highways.

SECT. 2. That the Director of the Department of Public Works be, and is hereby authorized to notify the owners of properties over and through which the following streets will pass, that at the expiration of three months from the date of said notice, said streets will be required for public use: Magee street, from Tulip street to State road; Vankirk street, from Hegerman street to Tacony street; Tulip street, from Vankirk street to Howell street; Tulip (or Edmond) street, from Vankirk street to Foust street; and Keystone street, from Foust street to Howell street.

SECT. 3. The Mayor of the City is hereby authorized to enter security for the payment of any damages arising by reason of the construction of the sewer, the changes of grade made necessary to complete said work, and for the opening of said streets; upon the filing of said bond, the Director of the Department of Public Works is authorized to proceed with the work.

## APPENDIX No. 263.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to authorize the Department of Public Works, Bureau of Highways, to pay for cartway paving in front of property of the Schuylkill River East Side Railroad Company,” beg leave to report that the statement from the Department of Public Works shows that the paving of this street was authorized by ordinance of March 30, 1895. The work was advertised and bids opened June 4, 1895, and the contract awarded to the Philadelphia Paving and Construction Co., at two (2) dollars and three (3) cents per square yard, the estimated cost being one thousand two hundred and fifty (1,250) dollars. Under the supplemental contract made March 19, 1896, the total estimated cost for intersections and unassessable property was raised to two thousand four hundred (2,400) dollars, of which amount one thousand six hundred and sixty-one (1,661) dollars and eighty-two (82) cents has been paid to the contractors, leaving a balance of seven hundred and thirty-eight (738) dollars and eighteen (18) cents, which has not yet been reverted. On February 6, 1896, having been advised by the contractors that the Schuylkill River East Side Railroad Company has refused to pay for the paving in front of their property, an opinion was requested from the City Solicitor, who under date of February 28, 1896, replied that the railroad company was liable for the bill and that “it does not make any difference if the property belonging to the railroad company, which abuts upon Thirty-fourth street, is roadbed or right-of-way, or not,” and that “a lien filed against their roadbed can be sustained.” The contractors were advised that they should bring suit against the railroad company for the amount of their bill, which they did in the Court of Common Pleas No. 1, March Term, 1896, and the question was heard before the Court in Banc,

who decided that the railroad company was not liable for the payment of the bills for paving on Thirty-fourth street, as the property sought to be liened was, in fact, the right-of-way of the railroad and not subject to assessment for paving the cartway. From this it would appear that the opinion of the City Solicitor, under date of February 28, 1896, was in error, and the railroad company not being liable for the payment of these bills, it would rest with Councils to pass an ordinance to authorize the payment of the bills by the City. The work was done in accordance with the contract and specifications, and the bills approved by the assistant to the Chief of the Bureau of Highways, in that district.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, Wm. R. Knight, Jr., John W. Davidson, J. C. Keith, P. E. Costello, J. H. B. Amick, Thos. J. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, Samuel Lamond, H. Black, Wm. McCoach, W. F. Short, Jos. M. Adams.

#### AN ORDINANCE

To authorize the Department of Public Works (Bureau of Highways), to pay for cartway paving in front of property in front of the Schuylkill River East Side Railroad Company, during the year 1896.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized to draw, and the City Controller is authorized and requested to countersign, warrants in favor of the Philadelphia Paving and Construction Company, in the sum of nine hundred and thirteen (913) dollars and eighteen (18) cents, and in the sum of four hundred and fourteen (414) dollars and thirty-five (35) cents for paving done by order of the City in front of property belonging to the Schuylkill River East Side Railroad Company, on the west side of Thirty-fourth street, at the distance of one hundred and fifteen (115) feet north of Wharton street, containing in front on Thirty-fourth street, eighty-six and sixty-eight one-hundredths feet, and also for paving in front of property on Thirty-fourth street at the distance of two hundred

and one foot eight and one-eighth inches northward from the north side of Wharton street, containing on said Thirty-fourth street one hundred and ninety-one feet and four one-hundredths inches, during the year 1896, and shall charge the same against Item 2, (Bureau of Highways), in the annual appropriation to the Department of Public Works, for the year 1897: *Provided*, The liens which have been filed against the above described properties are marked to the use of the City of Philadelphia upon the record.

#### APPENDIX No. 264.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinance to authorize the Department of Public Works to pay a portion of the cost of paving and curb setting on Manayunk avenue, northwest of Shur's lane, respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, Wm. R. Knight, Jr., John W. Davidson, J. C. Keith, P. E. Costello, J. H. B. Amick, Thos. J. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, Samuel Lamond, H. Black, Wm. McCoach, W. F. Short, Jos. M. Adams.

#### AN ORDINANCE

To authorize the Department of Public Works to pay a portion of the cost of paving and curb setting on Manayunk avenue, northwest of Shur's lane.

WHEREAS, The property owned by Robert Boone, on Manayunk avenue, northwest of Shur's lane, for a distance of 47 feet 6 inches is so far below the level of Manayunk avenue, and walled off therefrom by one of the wing walls of the Manayunk bridge as to render the street improvements of no benefit or advantage to the property; therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to draw, and the City Controller requested to countersign, a warrant in favor of the Mack Company, for the sum of one hundred and ten (110) dollars and eighty-four (84) cents, to pay for paving Manayunk avenue, northwest of Shur's lane, in front of property of the said Robert Boone ; also, a warrant in favor of Dennis Mahoney, for the sum of sixteen (16) dollars and forty-eight (48) cents, to pay for curbing in front of the same property, and charge the same to Item 2, in the annual appropriation to the Department of Public Works, Bureau of Highways.

APPENDIX No. 265.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinances to authorize the opening of Government and Chester avenues, Thirty-ninth, Hoffman, Dutton and Dickinson streets, beg leave to report that provision has been made requiring the owners of property on these streets, excepting Arch and Dickinson streets, to indemnify the City against damages. Three-fourths of the property on Arch street will be dedicated. The balance of the ground is owned by an estate who have not the power to dedicate. As they are anxious to have the municipal improvements made, no possible damage can accrue by reason of the opening of the street.

On Dickinson street, four-fifths of the owners will dedicate, and possibly all of them. No improved property is on the bed of the street, so that no damage is occasioned by the opening. We, therefore, report the ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), Jno. P. Buckley, Wm. R. Knight, Jr., John W. Davidson, J. C. Keith, P. E. Cos-

tello, J. H. B. Amick, Thos. J. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, Samuel Lamond, H. Black, Wm. McCoach, W. F. Short, Jos. M. Adams.

## AN ORDINANCE

To authorize the opening of Government and Chester avenues, Thirty-ninth, Hoffman, Dutton, Arch and Dickinson streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notice said streets will be required for public use, to their full width as now laid down on the City plan, viz: Government avenue, from Broad street to Delaware avenue; Chester avenue, from Fifty-fifth to Sixtieth street; Thirty-ninth street, from Poplar to Pennngrove street; Hoffman street, from Dutton to Otsego street; Dutton street, from Mifflin to Hoffman street: *Provided*, The owners of property in the vicinity of the above streets first file a satisfactory agreement or bond indemnifying the City against all damages for opening the same; Arch street, from Fifty-seventh street to Gray's lane: *Provided*, The owners of at least three-fourths of the property in the bed of said street first dedicate the same to the City; Dickinson street, from Twenty-sixth street to a point about 200 feet west of Twenty-eighth street: *Provided*, The owners of at least four-fifths of the property in the bed of said street first dedicate the same to the City.

SECT. 2. Upon the filing of the agreement, bond or deed as provided in Section 1 for any of said streets the Mayor of the City is requested to enter security on behalf of the City for the payment of damages on such streets; upon the filing of said bond, the Director of the Department of Public Works is authorized to proceed to open said streets.

## APPENDIX No. 266.

*Philadelphia, March 2, 1897.*

To the President and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinance to authorize the opening of Duval, Pacific, Jefferson, and Fifty-fifth streets, Paschal, Fairmount, Erie, Montgomery and Hunting Park avenues, having considered the same, beg leave to report that Duval street has been actually opened and in use for a number of years. All the properties are built to the line of the street, but the municipal improvements cannot be made because the Bureau of Surveys report some technical difficulty, which will require an ordinance to overcome.

Pacific street, from Twenty-first to Twenty-second street, is in a section almost entirely improved. The only obstruction on the street is a small frame outhouse. The Department of Public Works estimates the damage at two thousand four hundred (2,400) dollars.

Jefferson street is all opened, except one-half of the street for about two-thirds of the distance. The back portion of one lot is now enclosed with a fence. The owner of the property declined to place any estimates of value of the ground taken, but as the municipal improvements are very much desired, the street should be opened.

Fifty-fifth street is badly needed in order to permit the owners of property to develop.

Paschal avenue is a public necessity in order that sewerage may be divided. The estimated cost at Fifty-fifth and Paschal streets is five thousand (5,000) dollars. The opening of these streets will be immediately followed by large buliding operations.

Fairmount avenue is opened, graded and paved, but on the south side has never been provided with sidewalk. Two old dilapidated properties extend over the sidewalk, and in order to open it it will be necessary to move them

back. The estimated cost is one thousand two hundred (1,200) dollars.

Erie avenue is badly needed in order to provide a connecting link between the northeastern section of the city with the city proper. Several years ago the street was moved about 500 feet north in order to provide deeper lots fronting on Pennsylvania Railroad. The railroad company has filed with the City Solicitor its agreement to dedicate. The damages on the balance of this street are estimated at eight thousand (8,000) dollars.

Montgomery avenue is all opened, excepting one lot which is now enclosed with a board fence. The title to the property only runs to the building line, but as the owner has placed the fence out beyond the line of the property covered by his title, the only way to have the fence removed is the passage of an ordinance to open. No damage will be occasioned by this opening.

Hunting Park avenue is now opened, graded, and paved, to the width of 50 feet, with a double line of railway tracks laid. The space between the curb and rail is not sufficient to permit a wagon standing alongside the curb. The street was placed on the plan of the increased of 100 feet in order to provide an outlet for a very much congested section. Something should be done at once to permit the owners of unimproved property to develop the same. The widening at the present time will be speedily followed by several large building operations. The damage estimated by the Department of Public Works is fifty-one thousand (51,000) dollars, and the benefits thirty-four thousand (34,000) dollars, but as the city would probably have to pay damages by reason of the narrowing of the street, your Committee did not see any other course than to open it.

For the reasons given above, your Committee report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch'n*), John W. Davidson, Samuel Lamond, Jno. P. Buckley, Wm. R. Knight, Jr., J. C. Keith, P. E. Costello, J. H. B. Amick, Thos. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, H. Black, Wm. McCoach, Jos. M. Adams.

## AN ORDINANCE

To authorize the opening of Duval, Pacific, Jefferson and Fifty-fifth streets, Paschall, Fairmount, Erie, Montgomery and Hunting Park avenues.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be, and is hereby authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notice said streets will be required for public use, to their full width, as now laid down on the City plan, viz : Duval street, from Adams to Greene street; Pacific street, from Twenty-first to Twenty-second street; Jefferson street, from Fifty-one-and-a-half to Fifty-second street; Fifty-fifth street, from Woodland avenue to Paschall avenue; Paschall avenue, from Fifty-fourth to Fifty-sixth street; Fairmount avenue, south side, from Thirty-third to Thirty-fourth street; Erie avenue, from Kensington avenue to Second street; Montgomery avenue, from Mascher to Hancock street; Hunting Park avenue, from Germantown avenue to Pulaski avenue.

SECT. 2. The Mayor of the City is hereby authorized and directed to enter security on behalf of the City of Philadelphia, for the payment of any damages which may be assessed by reason of the opening of said streets; upon the filing of the said bonds, and at the expiration of the said three months, the Director of the Department of Public Works shall forthwith proceed to open said streets.

## APPENDIX No. 268.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinances to authorize the paving of Wingohocking, Harvey, Ann, Seventeen-and-a-half, Kent, Viola, Sixty-eighth, Fifty-second, Stiles, Prescott, Oakford, Camac, Luzerne, Eeventh, and Taylor streets; Pulaski, Park and Glenwood avenues, respectfully report that we haave examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

Wm. F. Dixon (*Ch'n*), John W. Davidson, Samuel Lamond, Jno. P. Buckley, Wm. R. Knight, Jr., J. C. Keith, P. E. Costello, J. H. B. Amick, Thos. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, H. Black, Wm. McCoach, W. F. Short, Jos. M. Adams.

## AN ORDINANCE

To authorize the paving of Wingohocking, Harvey, Ann, Seventeen-and-a-half, Kent, Viola, Sixty-eighth, Fifty-second, Stiles, Prescott, Oakford, Camac, Luzerne, Eleventh, and Taylor streets; Pulaski, Park and Glenwood avenues.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the

Department of Public Works be, and is hereby authorized and directed to enter into a contract with a competent paver or pavers for the paving of the following streets with vitrified paving bricks, viz: Wingohocking street, from Seventeenth street to Germantown avenue; Harvey street, from Pulaski avenue to Wayne avenue; Pulaski avenue, from Ritzenhouse to Harvey street; Ann street, from Upland street to Kingsessing avenue; Seventeen-and-a-half street, from Ontario to Westmoreland street. The following streets with sheet lake asphaltum on broken stone base and binder, viz: Kent street, from Twenty-fifth to Twenty-sixth street; unpaved portion of Viola street, from Forty-second street to Belmont avenue; Sixty-eighth street, from Woodland avenue to Greenway avenue; Fifty-second street, from Baltimore avenue to Whitby avenue; unpaved portion of Stiles street, from Forty-ninth to Ackley street; Prescott street, from Forty-eighth to Forty-ninth street; Oakford street, from Twenty-third to Twenty-fourth street; Camac street, from Venango to Angle street; Luzerne street, from Germantown avenue to Clinton street; Eleventh street, from Ontario to Westmoreland street; Taylor street, from Baker to Luzerne street; Park avenue, from Susquehanna avenue to Dauphin street; Glenwood avenue, from Twentieth to Twenty-first street. The conditions of which contract shall be, that the contractor or contractors shall collect the cost of said paving from the owners of property respectively fronting on said streets, and shall also enter into an obligation to the City to keep said streets in good repair for five years after the paving is finished: *Provided*, Said streets shall be first dedicated or properly opened, and that the Director of the Department of Public Works first advertise for proposals for paving said streets and award the contract to the lowest bidder, and that the owners of property fronting on said streets shall not be charged more than the contract price.

## APPENDIX No. 269.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to repeal ordinance approved November 23, 1887, to authorize the Director of the Department of Public Works to grant permission when advisable to pave or re-pave streets at private cost,” beg leave to report that after having carefully considered the mode by which these streets are paved, they find in all instances the cheaper class of pavements are selected without regard to the surrounding improvements. As the City of Philadelphia is compelled to keep in repair all these streets, the work should be done only upon careful consideration by Councils of any proposed paving. We, therefore, report the annexed ordinance with a favorable recommendation.

Wm. F. Dixon (*Ch’n*), John W. Davidson, Samuel Lamond, Jno. P. Buckley, Wm. R. Knight, Jr., J. C. Keith, P. E. Costello, J. H. B. Amick, Thos. Morton, Saml. K. Stinger, P. A. McClain, Watson D. Upperman, H. Black, Wm. McCoach, W. F. Short, Jos. M. Adams.

## AN ORDINANCE

To repeal ordinance approved November 23, 1887, entitled “An Ordinance to authorize the Director of the Department of Public Works to grant permission, when advisable, to the owners to pave or repave the street, in front of their properties, with granite, Pennsylvania or Lambertville blocks, sheet asphaltum, asphaltum blocks or vitrified bricks, where the City will be at no cost or expense.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the ordinance approved November 23, 1887, entitled “An Ordinance to au-

thorize the Director of the Department of Public Works to grant permission, when advisable, to the owners to pave or re-pave the street in front of their properties, with granite, Pennsylvania or Lambertville blocks, sheet asphaltum, asphaltum blocks or vitrified bricks, where the City will be at no cost or expense," be, and the same is hereby repealed.

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to revise the lines and grades of Broad street, between Jefferson and Oxford streets, in the Twenty-ninth Ward," beg leave to report we have considered the same, and have added a proviso that the parties interested should file a bond indemnifying the City against damages by reason of the revision with this change. We, report the ordinance with a favorable recommendation.

Ellsworth H. Hulst (*Ch'u*), Hiram A. Miller, Wm. H. Garrett, A. F. Wadsworth, C. E. Connell, W. G. Huey, Josiah Linton, George W. Conrad, P. A. McClain, W. F. Short, John Dougherty, H. Black, James A. Briggs, Jas. B. Anderson.

## AN ORDINANCE

To revise the lines and grades of Broad street, between Jefferson street and Oxford street, in the Twenty-ninth Ward, of the City of Philadelphia.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works, Bureau of Surveys, be and is hereby authorized to revise the lines and grades of the west side of Broad street, between Jefferson street and Oxford street,

in the Twenty-ninth Ward, so as to make the lines thereof conform as nearly as practicable to the lines of those buildings which have receded from the present line of the street, *Provided, however*, That this ordinance shall not interfere with the yards in front of any of said buildings: *Provided, also*, That before this ordinance shall go into effect a satisfactory agreement or bond shall be filed indemnifying the City from all damages by reason of said revision.

SECT. 2. No new building shall be erected or old buildings altered hereafter to extend beyond the lines established by authority of this ordinance.

## APPENDIX No. 271.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the various ordinances to authorize the construction of bridges, having considered the subject, beg leave to report that the ordinances in the hands of the Committee called for an expenditure of over two million (2,000,000) dollars.

After a very careful consideration, the bridges authorized in the annexed ordinance have been selected, the cost to be taken out of the amount set aside in the eight million (8,000,000) dollars loan bill.

We therefore report the ordinance to authorize the construction of bridges, with a favorable recommendation.

Ellsworth H. Hulst (*Ch'n*), Hiram A. Miller, Wm. H. Garrett, A. F. Wadsworth, C. E. Connell, W. G. Huey, Josiah Linton, George W. Conrad, P. A. McClain, W. F. Short, John Dougherty, H. Black, James A. Briggs, Jas. B. Anderson (for report).

## AN ORDINANCE

To authorize the construction of certain new bridges ; to authorize the Director of the Department of Public Works to provide for the payment of all costs and expenses incidental thereto, and to authorize the Mayor to enter security for damages to private property.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be and is hereby authorized and directed to enter into contracts for the construction of new bridges as follows : Retaining walls, abutments and superstructure of Thirty-third street bridge, over Philadelphia & Reading Railway and the Connecting Railway in the Twenty-ninth Ward and Fairmount Park. On the line of Lehigh avenue, under the Connecting Railway in the Twenty-eighth Ward. On the line of Wyoming avenue, over Frankford creek, in the Twenty-third, Thirty-third, and Thirty-fifth Wards. On the line of Seventeenth street, over Philadelphia, Germantown & Norristown railroad, in the Thirty-eighth Ward. On the line of Seventy-first street, over the Philadelphia, Wilmington & Baltimore Railroad, in the Twenty-seventh Ward. On the line of Sedgley avenue, over the Richmond branch of the Philadelphia & Reading Railway, in the Thirty-third Ward. On the line of Allegheny avenue, under the North Penn Railroad, in the Thirty-third Ward. On the line of Dauphin street, under the Connecting Railway, in the Twenty-eighth Ward. On the line of Fifty-seventh street, over the West Chester & Philadelphia Railroad, in the Twenty-seventh Ward. Over the Schuylkill river, at or near the line of Passyunk avenue, in the Twenty-seventh and Thirty-sixth Wards.

SECT 2. That the following sums, to be taken from the items for the construction of new bridges, in the appropriations to the Department of Public Works (Bureau of Surveys), be and are hereby set aside for the construction of said bridges. For Thirty-third street, one hundred and eighty thousand (180,000) dollars. Lehigh avenue, under Connecting Railway, sixty-five thousand (65,000) dollars.

Wyoming avenue, over Frankford creek, one hundred thousand (100,000) dollars. Seventeenth street, over Philadelphia, Germantown & Norristown Railroad, sixty thousand (60,000) dollars. Seventy-first street, over Philadelphia, Wilmington & Baltimore Railroad, twenty-five thousand (25,000) dollars. Sedgley avenue, over Richmond branch Philadelphia & Reading Railway, forty-thousand (40,000) dollars. Allegheny avenue, under North Penn Railroad, twenty thousand (20,000) dollars. Dauphin street, under Connecting Railway, forty thousand (40,000) dollars. Fifty-seventh street, over West Chester & Philadelphia Railroad, twenty thousand (20,000) dollars. And to commence the construction of a draw-bridge across the Schuylkill river, at or near the line of Passyunk avenue, fifty thousand (50,000) dollars. *Provided*, That in the event of any of the aforesaid bridges costing less than the sums herein set aside for their construction, the Director of the Department of Public Works is hereby authorized, at his discretion, to use the said balances, or any part thereof, for the completion of any of the bridges herein named, for which the sum set aside is insufficient.

SECT. 3. That the Director of the Department of Public Works be and is hereby authorized and directed to advertise for proposals and to award contracts, as provided by existing laws and ordinances, for the construction of the said bridges, and in accordance with drawings and specifications to be prepared by the Department of Public Works, Bureau of Surveys.

SECT. 4. That the Director of the Department of Public Works be and is hereby directed to appoint such assistant engineers and inspectors as may be requisite, and to pay for inspection, transportation and incidental expenses, charged to the appropriations for the construction of the said bridges.

SECT. 5. That the Mayor is hereby authorized to enter security on behalf of the City, to indemnify the owners of private property which may be injured by reason of the construction of the said bridges.

## APPENDIX No. 272.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades of that portion of plan No. 16, bounded by Washington lane, Walnut lane, Wissahickon avenue and Wayne avenue, in the Twenty-second Ward,” beg leave to report that adjustments in the grading of Wayne avenue were necessary by the building of the bridge at Wayne and Duval streets, over and under the Chestnut Hill railroad. This change should be made permanent. It is also proposed to revise the lines of Washington lane, and to place on the plan Schuyler and Morris streets. The revision as contemplated by this ordinance can be done without any damage to the City, we report the ordinance with a favorable recommendation.

Ellsworth H. Hults (*Ch’n*), Hiram A. Miller, Wm. H. Garrett, A. F. Wadsworth, C. E. Connell, W. G. Huey, Josiah Linton, George W. Conrad, P. A. McClain, W. F. Short, John Dougherty, H. Black, James A. Briggs, Jas. B. Anderson.

## AN ORDINANCE

To authorize the revision of the lines and grades of that portion of plan No. 16, bounded by Washington lane, Walnut lane, Wissahickon avenue and Wayne avenue, in the Twenty-second Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to revise the lines and grades of that portion of plan No. 16, bounded by Washington lane, Walnut lane, Wissahickon avenue and Wayne avenue, and to place upon the City plan Schuyler street, from Walnut lane to Washington lane, and Morris street, from Walnut lane to Lincoln avenue, each of the width of 50

feet : *Provided*, That the owners of property within the lines of the said Schuyler and Morris streets shall first dedicate the same, and also, *Provided*, That the executors of the estate of H. H. Houston, deceased, first enter into an agreement satisfactory to the City Solicitor not to claim damages by reason of the revision of the lines and grades as authorized by this ordinance.

## APPENDIX No. 273.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades of Sixty-ninth street, from Lebanon avenue to City avenue, and to place on the City plan Woodbine and Overbrook avenues, from Sixty-sixth to Sixty-ninth street, and to revise such other streets as may be affected thereby,” beg leave to report that the property owners in the vicinity of these streets are anxious to develop the property, but are unable to do so on the lines as at present established. The revision is absolutely necessary in order to properly develop the land. We, therefore, report the annexed ordinance with a favorable recommendation.

Ellsworth H. Hults (*Ch’n*), Hiram A. Miller, Wm. H. Garrett, A. F. Wadsworth, C. E. Connell, W. G. Huey, Josiah Linton, George W. Conrad, P. A. McClain, W. F. Short, John Dougherty, H. Black, James A. Briggs, Jas. B. Anderson.

## AN ORDINANCE

To revise the lines and grades of Sixty-ninth street, from Lebanon avenue to City avenue, and to place on the City plan Woodbine and Overbrook avenues, from Sixty-sixth to Sixty-ninth street, and to revise such other streets as may be affected thereby.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of

Public Works be authorized to revise the lines and grades of Sixty-ninth street, from Lebanon avenue to City avenue, and to place on the City plan Woodbine and Overbrook avenues, from Sixty-sixth to Sixty-ninth street, and to revise such other streets as may be necessary between Sixty-sixth and Sixty-ninth streets, Lebanon and City avenues : *Provided*, That the provisions of the ordinance of April 8, 1890, requiring streets to run in a straight line shall not apply to the revisions authorized by this ordinance.

### RESOLUTION

Authorizing the Director of the Department of Public Works to draw and the City Controller to countersign a warrant in favor of George W. Stewart, against Item 4, in the annual appropriation to the Department of Public Works (Bureau of Gas), for the year 1896.

*Resolved, by the Select and Common Councils of the City of Philadelphia*, That the Director of the Department of Public Works be authorized to draw and the City Controller requested to countersign a warrant against Item 4, in the annual appropriation to the Department of Public Works (Bureau of Gas), for the year 1896, in favor of George W. Stewart, for the sum of one thousand five hundred and seventy-five (1,575) dollars, to pay for laying foundations on Retort House No. 1, at the Twenty-fifth Ward Gas Works.

## APPENDIX No. 276.

*Philadelphia, March 2, 1897.*

To the Presidents and Members of Select and  
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was re-committed February 25, 1895, Common Council bill No. 216, entitled "An Ordinance to authorize the Director of the Department of Public Works to draw and the City Controller to countersign a warrant to pay for filling in the approach to the bridge on Torresdale avenue, over Pennypack creek, beg leave to report that we have again considered this matter, and after a statement made by the Assistant Director of the Department of Public Works and the contractor, decided to again report the ordinance, and ask its passage." The annexed letter from the Department of Public Works fully explains the ordinance.

## DEPARTMENT OF PUBLIC WORKS.

*Philadelphia, March 2, 1897.*

Filling in approaches to bridge, line of Torresdale avenue,  
over Pennypack creek.

WILLIAM F. DIXON, Esq.,  
Chairman, Committee on Highways.

DEAR SIR:—Referring to your request for a statement of the grading done in filling in the approaches to the bridge on the line of Torresdale avenue, over Pennypack creek, I would state that this work was done previous to my

taking charge of this Department ; but from the records of the Department and from those who were in office at the time, I have gleaned the following facts :

At the time the contractor was grading Holmesburg avenue, the Department was requested to have the dirt taken from this cut, placed on the approaches to the bridge, on the line of Torresdale avenue, over Pennypack creek, so as to open up direct communication with the County Prison, as it was impossible to utilize the bridge until the approaches were filled in.

There was no ordinance authorizing the filling in of the approaches to this bridge and the parties asking for it were so informed. Mr. Charles A. Porter, the contractor doing the grading on Holmesburg avenue, also called at the Department and proposed to grade the approaches of this bridge by using the material removed from Holmesburg avenue. He also was informed that there was no ordinance authorizing the work—nevertheless, upon his own responsibility, Mr. Porter proceeded and graded the approaches to the bridge, using the material from Holmesburg avenue.

To reach Torresdale avenue, the contractor was compelled to build a temporary bridge over the Pennypack creek, and as the County Prison is built on an eminence, it became necessary for him to have chain horses attached after crossing the temporary bridge, in order to ascend the grade to reach Torresdale avenue. The building of the bridge and the additional horses required made the work a little more expensive than it would have been on a level haul. The grading of the approaches to this bridge was necessary and the City would eventually have been compelled to do the work and pay for it.

The work has been done and measurements certified to and the bill rendered is correct.

Yours respectfully,

THOMAS M. THOMPSON

*Director.*

## APPENDIX No. 278.

*Philadelphia, March 11, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—Your Committee on Gas, to whom was referred "Resolution to appoint a Special Committee to

interview the Board of Directors of the Northern Liberties Gas Company, relative to a reduction in the price of gas furnished to consumers by said company," respectfully report that they have considered and amended the same by making the Committee to be appointed a Joint Special Committee of five members from each Chamber, and return said resolution back as amended, and recommend its passage.

Chas. K. Smith (*Ch'u*), Thomas Firth, Henry Clay, Jos. M. Adams, Jos. H. Brown, W. F. Short, E. Buchholz, Samuel Lamond, Bennett L. Smedley, W. G. Huey, Chas. M. Swain, Richard T. Irwin, John Pallatt, Josiah Linton.

### RESOLUTION

To appoint a Joint Special Committee of five members from each Chamber, to interview the Board of Directors of the Northern Liberties Gas Company, relative to a reduction in the price of gas furnished to consumers by said company.

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That a Joint Special Committee of five members from each Chamber be, and is hereby authorized to be appointed, to wait on the Board of Directors of the Northern Liberties Gas Company, relative to a reduction in the price of gas furnished to consumers by said company.

### APPENDIX No. 279.

### RESOLUTION

Requesting the General Assembly of Pennsylvania to defeat an Act permitting the damming of the upper Delaware, and appointing a Joint Special Committee to prevent the passage of same.

WHEREAS, One or more bills have been introduced into the Legislature of Pennsylvania, including Senate bill No.

98, permitting the damming of the Delaware river, above Trenton.

AND WHEREAS, Such an enterprise is believed to be injurious to the fisheries and may prevent the City of Philadelphia from obtaining a supply of pure water from the upper Delaware, if such a source shall be considered desirable or necessary; therefore,

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That they earnestly protest against the passage of such an act and urge the General Assembly of Pennsylvania to defeat it.

*Resolved,* That copies of this resolution be forwarded to the Senate and House of Representatives of Pennsylvania, and that a Joint Special Committee of five members from each Chamber be appointed to take such steps as may be deemed proper and necessary to prevent the passage by the General Assembly of Pennsylvania of an act authorizing the damming of the river Delaware, above Trenton.

### RESOLUTION

Of request to the Director of the Department of Public Works to pave Wayne street, from Robert's avenue to Berkley street, with vitrified paving brick instead of granite blocks.

WHEREAS, By ordinance approved February 12, 1897, Wayne street, from Robert's avenue to Berkley street, was authorized to be paved with granite, Pennsylvania or Lambertville blocks, and as the grades of said portion of Wayne street will permit of the placing of a smoother pavement thereon, thus connecting two ends of the street now paved with vitrified brick; therefore,

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department of Public Works be requested to pave said Wayne

street, between the points named, with vitrified paving bricks instead of granite blocks as authorized by said ordinance.

## APPENDIX No. 281.

*Philadelphia, March 11, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN :—The recent, and I might add perennial, discussions as to the best means of improving the quality of the gas and increasing the quantity of the gas business, conducted by the City of Philadelphia, suggests a reminder to your Honorable Bodies, that the National Heat and Power Construction Company, of which I have the honor to be President, did on December 6, 1893, address a communication to the Chairman of one of your Committees, in reference to those all-important subjects, which I respectfully submit can now be reasonably considered.

That communication, after expressing the opinion, that the City of Philadelphia should continue to control its entire gas manufacturing plant, which "if properly managed" would produce gas at a much less cost than could be done by works controlled by private parties, protested against the purchase of the Philadelphia Gas Improvement Company's Works in the Twenty-fifth Ward, because, as alleged, they are of an "old type and cannot manufacture gas in the holders at 25 cents." My letter then proceeded to say "it is undoubtedly wiser to continue the present contract until, and only until, the City can improve her own plant by the substitution for all her coal retorts with modern generators, which will do the best work at the least comparative cost. But this substitution, to avoid mistakes must be cautious and gradual." It then described our apparatus, which makes not simply a water gas but a combined water and coal gas from bituminous slack carburetted with oil. Unlike the usual water gas, made from anthracite coke or coal which is non-luminous before

carburetted, ours starts with 4 or 5 candle power, thus enabling an increase to any desired candle power with the use of less oil than with any other known process. This, added to other economies in our fixing and steam superheating chambers, enables us to produce practically a "fixed" or perfectly mixed coal and water gas, rich in heavy hydro-carbons, a high illuminant and fuel, closely approximating natural gas in heat units. This latter quality, in view of the rapid growth of the use of gas as a fuel, and the consequent immense future demand therefor—when reduced in price—makes its great heat units quite as important as its illuminosity.

We then made and now renew the following offer : We will erect at the City's works, in the Twenty-sixth Ward, on a suitable site, contiguous to the City's holders, our apparatus with a capacity of 2,000,000 feet per day and generate 22 candle power gas (with bituminous slack, coke, boiler coal and oil, at or about the present prices), at a total cost for fuel, generating and purifying materials, and for labor connected therewith, not to exceed 25 cents per 1,000 cubic feet, in holders, at the same temperature (70 degrees) as supplied at Twenty-fifth Ward Works (as per testimony of Mr. Gartley); allowance to be made for contraction of gas, if delivered in excess of such temperature. We to have the use of the City's purifying apparatus and facilities for transporting and handling coal, oil, etc. The test to be for, say 30 days, conducted by joint representatives of the City, not interested in present systems supplying gas to the City, and of this company, under such regulations as may be hereafter mutually agreed upon. If the test sustains, or is better than our guarantee, then the City to pay a previously specified price for our apparatus, and to adopt or erect similar apparatus for its entire gas manufacture, as soon as practicable, paying us as a royalty, whatever the reduction of such cost of manufacture the said test may demonstrate below 25 cents per thousand feet—provided said royalty shall in no event exceed  $2\frac{1}{2}$  cents per thousand feet.

If our test fail to sustain our guarantee, we to remove our apparatus at our own cost and without any compensation whatever from the City.

We referred in that communication to our contracts then being executed for the erection of a large plant for the Kentucky Heating Company, at Louisville, Kentucky, for fuel purposes, and a similar plant at Elkhart, Indiana, for illuminating purposes. These contracts had been awarded to us after many examinations and comparative tests of every competitive process. We are happy to state that so successful have been our machines, that the Kentucky Company has since more than duplicated them, and both companies certify, in the strongest language, that we have more than sustained our guarantee during a period of three years of operations. The cheapness of coal and oil at both places of course makes the total cost much less than could prevail in Philadelphia.

With those assurances, we have no hesitation in renewing our offer, as above set forth, and as no possible risk can come to the City (the temporary use of a plot of unoccupied ground during the construction and test of our apparatus being all that is needed), there can be no reason for refusing this offer. But if we succeed and we would not risk so large an expenditure as is involved in this work, if we were not reasonably sure of success—not only are we benefited pecuniarily but we will have demonstrated, despite the criticisms of interested rivals, who now deny the possibility of the fulfillment of our guarantee, that the City can save, on its coal gas manufacture, from 50 per cent. to 60 per cent., and on its present water gas contract over 30 per cent. By the substitution of our generating machines throughout the entire City plant, even if the annual consumption of gas remain stationary, there would be a sufficient profit, at present selling prices, to devote to the improvement of the City works, fixtures, mains, etc., thus minimizing the waste and leakage, and placing the entire plant in an approximately perfect condition. With, however, the annual increase of consumption reasonably to be anticipated, there would soon be a large fund to devote to other much needed municipal improvements, unless such appropriation be postponed by a material reduction in the selling price of the gas. With the manufacture and sale of gas thus on a strict business basis,

divorced from all partisan or other improper considerations, either of the policies of increased revenue to the City or reduced cost to the consumer which your Honorable Bodies would adopt would be a consumation devoutly to be wished.

Very respectfully,

Your obedient servant,

(Signed) JOHN I. ROGERS,

President, National Heat & Power Construction Co.

## RESOLUTION

To appoint a Special Committee of five members of Common Council for the purpose of investigating charges of bribery alleged against Robert Harvey, a member of Common Council from the Thirty-fourth Ward.

WHEREAS, I, Robert Harvey, a member of Common Council from the Thirty-fourth Ward, having been accused before the Police Board of Inquiry, by one Granville L. Winnemore, a patrolmen of the Thirtieth Police District of the City of Philadelphia, on Monday, March 15, 1897, of receiving money illegally for the furtherance of an ordinance known as a bill to increase the salary of the employees of the Police Department of the City of Philadelphia.

AND WHEREAS, The impression seems to have pervaded the public mind that I have received compensation for my services in behalf of said bill ; therefore, be it

*Resolved, by the Common Council of the City of Philadelphia,* That a Special Committee of five members be appointed by the President with power to subpoena witnesses, to investigate the foundation of said charges, and make report thereon before the expiration of the present Councils.

OFFICE OF THE MAYOR.

*Philadelphia, March 18, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to herewith transmit for your consideration a communication received from Frank M. Riter, Esq., Director of the Department of Public Safety, forwarding a resolution passed by the Board of Health, relative to an additional appropriation to the Bureau of Health, for the year 1897.

I am, respectfully,  
CHARLES F. WARWICK,

DEPARTMENT OF PUBLIC SAFETY.

*Philadelphia, March 11, 1897.*

HON. CHAS. F. WARWICK,  
Mayor of the City of Philadelphia.

DEAR SIR:—The following is a copy of a resolution duly adopted by the Board of Health, March 9th :

"*Resolved*, That City Councils be, and they are hereby respectfully requested to make an additional appropriation to the Department of Public Safety (Bureau of Health), for the year 1897, as follows :

To Item 10, for clothing, bedding, furniture, repairs,

drugs, etc., which has become exhausted mainly on account of completing the fitting up and furnishing of the new diphtheria pavilion, required to meet the demand for immediate use, and by reason of a payment in the account of 1896, authorized by a resolution of City Councils, two thousand (2,000) dollars. Also, to Item 13, for insurance, improvements, repairs, appurtenances, etc., which has likewise become exhausted mainly on account of the annual payment for insurance due January 1, and a sum of nearly sixteen hundred (1,600) dollars for constructing an extra stack to make the heating apparatus available for the new pavilion, and for constructing a coal cellar, the former cellar having been appropriated for a laundry, and also for changing the location of the ventilation motor, by direction of the Fire Underwriters, to make the insurance available, two thousand (2,000) dollars. And also, to Item 12, for the purchase of vehicles, horses and harness, and for keep of, and repairs to same, one thousand (1,000) dollars.

These increased appropriations are required for the running of the hospitals. May I ask you to forward it to Councils when it meets to-day.

I remain, with respect,  
Yours truly,

FRANK M. RITER,  
*Director.*

### OFFICE OF THE MAYOR.

*Philadelphia, March 18, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN:—I have the honor to herewith transmit for your consideration a copy of the sworn testimony taken on Monday, March 15, 1897, before a Police Court of Inquiry, called by the Director of the Department of Pub-

lic Safety, to consider charges of unbecoming conduct on the part of certain officers in the Bureau of Police.

It will be seen that the testimony discloses that bribery was apparently used in connection with the passage of the ordinance entitled "An Ordinance authorizing an increase of salary of certain employees, Bureau of Police, and to amend a certain proviso, and to make an appropriation therefor," approved March 2, 1897.

I am, respectfully,  
CHARLES F. WARWICK,  
*Mayor.*

COPY OF EVIDENCE PRESENTED AT THE  
MEETING OF THE POLICE BOARD OF IN-  
QUIRY, HELD ON MONDAY, MARCH 15, 1897,  
TOGETHER WITH THE VERDICT OF SAID  
COURT.

Director Riter :

In accordance with the Act of 1st June, 1885, I will swear the Captains composing the Police Court of Inquiry: You do solemnly swear that you will perform your duties in the trial of the cases that are to be submitted to you, impartially, without fear or favor.

Captain Brown :

The Clerk will call the names of the officers who are on trial.

(Clerk Roop called the list of officers and they took their seats in the room.)

Captain Brown :

Officers, you are called here and charged with conduct unbecoming officers. How plead you, guilty or "not guilty." All the defendants pleaded not guilty.

*Officer Winnemore*, was sworn by Captain Brown, and examined by Director Riter, as follows :

Q. What is your name ?

A. Granville L. Winnemore.

Q. What District ?

A. The 30th.

Q. How long have you been on the force.

A. Going on nine years.

Q. Will you please tell us of the development of the organization for the purpose of advancing the interests of patrolmen in the matter of passing an ordinance introduced last fall for increase of their pay ?

A. As near as I can recollect the movement was started in the Beneficiary Association somewhere about July or August last. We were tiking over the matter and it was decided to let it lay over as we had been instructed or requested to allow it to lay over until October. Understanding that the firemen were to receive an increase of salary in October, we were requested to lay over with the understanding that we would be included in that increase. When October was reached the firemen received their increase and the police were not mentioned. The matter was again agitated in the Beneficiary Association. You recollect, Mr. Director, there was a committee waited upon you, myself being one and Officer Roach another, and I think a Third District officer and Jones of the Eleventh, but I am not positive. We asked your permission to go ahead, and work for the increase. If I recollect rightly you requested us to lay over a while but decided to give us another hearing. In the meantime the Beneficiary Association had held another meeting and part of that committee waited on you a second time, and we had your consent to see what we could do toward getting an increase. Your instructions were in case we visited Councils not to do so in uniform, but to present ourselves in citizen's clothes, which we faithfully carried out. Then, quite unexpectedly a movement started, I believe, in the Twenty-third District. A meeting was held at the hall, Twenty-third and Oxford. I was surprised when notified, but went

there. They had organized an association for the purpose of asking for an increase of salary. I told them what had been done already, and they decided to wait until I would get an answer from you. That meeting did wait, you gave your consent, and the next call of that meeting was held in Room 521, this building. At that time there was a draft of our bill made out, a very short one, asking you to include in your bill of appropriations an increase of 25 cents a day to the Police Department for 1897. You told us at the time that you could not do anything in the matter but did not prohibit us from going ahead with our movement, providing we did not get boisterous. I think that was your remark, as near as I can recollect. You also instructed us in regard to visiting our Councilmen and such like acts. We tried to obey you to the letter. We feel that we did so.

Q. When was the meeting held that you refer to at Twenty-third and Oxford ?

A. I have not the date. (Officer Smith stated that it was October 26.)

Q. Was that the inception of the organization which subsequently developed into an Executive Committee ?

A. The Executive Committee was appointed in this building. We only held one meeting at Twenty-third and Oxford. Then you gave me permission to use the wires to call a meeting in Room 521. We held all our meetings there after that with the exception of one, when you prohibited the use of that room. We held one meeting after that at Twenty-second and Callowhill. The next meeting we held was on last Thursday a week, by your direction, and disbanded. We adjourned *sine die*. At one of the meetings in the early part of the organization, an Executive Committee was appointed of which I was made Chairman.

Q. Of how many did that Committee consist at that time ?

A. Seven, originally.

Q. When appointed ?

A. I have not the date. The Secretary should have them.

Q. Approximately ?

A. I could not form any idea when the committee was appointed.

Q. After the meeting on the 26th of October the committee was appointed ?

A. The next week.

Q. About the first of November the committee of seven was appointed with you as Chairman ?

A. I think on the following Thursday.

Q. About the first of November ?

A. Yes.

Q. What did you do.

A. Then there was a resolution offered that the committeemen or delegates from the respective districts represented be requested to solicit a contribution of one dollar a head from the regular patrolmen. That was followed up with another resolution that the money that would be collected should be turned over to the Executive Committee to be used by them to the best advantage, which we feel has been faithfully carried out on our part. If we have committed an error it has been done thoughtlessly and without intent.

Q. When was the money collected and turned over to the Executive Committee ?

A. It commenced in November and ended in the early part of December.

Q. You collected no money after the early part of December ?

A. I do not think any money was collected after the second week in December.

Q. When the money was collected where was it handed over to you ?

A. Over the desk in Room 521. The Secretary sat on one side of the desk, sometimes the Chairman of the General Committee was present in the center. I generally sat on the other end. It was passed to the Secretary, counted and turned over to me.

Q. Did you get any receipts for it ?

A. No, sir ; I did not. The Secretary gave the districts receipts for it.

Q. What was the total amount of money collected by the Secretary and handed over to you ?

A. I have no definite knowledge, but judge somewhere around \$1,400.

Q. Then the money collected was collected between the early part of November and not later than the second week of December ?

A. Yes.

Q. After the money was received by you what did you do with it ?

A. I was instructed by the general committee to disburse the money to the Executive Committee. We had then in the meantime increased our Executive Committee to fifteen.

Q. When was that increase made ?

A. I could not answer that. Probably the Secretary could.

Q. Can you give us an idea ?

A. No, sir ; I could not form any idea when the increase was made.

Q. Did you give this money to the members of the Executive Committee ?

A. Yes.

Q. You received this money from Smith, who was Secretary of the Committee ?

A. Yes.

Q. Did you give him a receipt for it ?

A. No, sir ; no receipt passed.

Q. Would you be surprised to learn that the amount received is nearly \$1,700, and that with the Twenty-fifth District eliminated, it is \$1,650.

A. I do not think anything like that was received.

Q. You acknowledge having received \$1,400 ?

A. Somewhere between \$1,400 and \$1,500.

Q. How much did you give Officer Smith ?

A. Twenty-five dollars. I might have given him small sums at other times. I kept no record. My instructions from the general committee were to issue the money without question.

Q. To Officer Keene how much ?

A. Not less than \$25. No man received less than \$25.

Q. How much more than \$25 ?

A. I could not positively say.

Q. What is your impression ?

A. I have no impression on the matter.

Q. You have no impression ?

A. He might have approached me and asked me for money.

Q. How about Officer Dean ?

A. Same as the other.

Q. Twenty-five dollars to start with and anything else he asked for ?

A. Yes.

Q. Joseph W. Perrine ?

A. Perrine was a pretty active worker and received pretty well out of the funds.

Q. How much ?

A. A couple of hundred dollars if not more.

Q. Yourself ?

A. To the best of my knowledge I do not think I used out of the entire affair seventy-five dollars. I told you before fifty dollars, but I do not think I used over seventy-five dollars myself.

Q. Hetteroth ?

A. Another active worker who received pretty well out of the funds.

Q. On the same basis ?

A. What basis ?

Q. About \$200.

A. And over.

Q. Thomas R. Jones ?

A. Another active worker who received well out of the funds.

Q. About how much ?

A. It would run over a hundred, probably a hundred and fifty.

Q. Now those were all members of the first committee of seven ?

A. Yes, sir.

Q. Why was the committee enlarged ?

A. There appeared to be a great deal of work at that time for the members that composed the committee and the motion was made in the general committee to increase the committee and that motion passed, and the committee was increased to fourteen and the Chairman of the general committee was included as a member *ex-officio*, making fifteen.

Q. Who appointed the additional seven, bringing the committee up to fourteen ?

A. Stewart, Chairman of the General Committee.

Q. This was done by resolution of the general committee, which consisted of two delegates from each Police District.

A. Some of the Districts had three. Where there was a sub-station they were represented.

Q. It was done on the basis of representation from each District ?

A. Yes.

Q. Did they vest all the power in the Executive Committee ?

A. Yes.

Q. They were enabled to do whatever they thought desirable ?

A. They were given the power to do whatever they thought best to advance the purpose of the organization.

Q. Did you keep any records of the meeting of the Executive Committee ?

A. I did not.

Q. Were any kept ?

A. Not to my knowledge.

Q. Taking up the second portion of the Executive Committee, how much did you give Myers ?

A. He received \$25 first, and came back again and I don't rightly recollect what he received on the second term.

Q. Robertson ?

A. \$25. I do not recollect whether he received any more or not.

Q. Albright ?

A. \$25.

Q. Dougherty ?

A. \$25.

Q. Stewart ?

A. \$25.

Q. Handley ?

A. \$25 the first time and he came back again. I do not know how much more he got.

Q. McLees ?

Q. \$25. I do not know whether he got any more or not. We were instructed to give it out as it was asked for.

Q. Then I understand that to all the officers named you gave out money as they requested it, took no receipts from them whatever, nor kept a memorandum for the purpose of being accurate as to what you did pay them ?

A. No, sir ; the instructions of the General Committee were to issue the money as it was asked for and no questions asked. It appeared to be a mutual understanding. The money was freely contributed and freely distributed.

Q. Where did you keep the money when you had it on hand ?

A. At home in a book-case.

Q. Did you know for what general purpose the members of the committee used the money received ?

A. I did not.

Q. Was there not a sub-committee of the General Executive Committee ?

A. There was a Committee on Printing.

Q. Who comprised that committee ?

A. The only one I remember is Jones of the Eleventh. I do not know who the others were, but think Perrine was one.

Q. Was there any other sub-committee ?

A. Not that I recollect.

Q. What general work did you do in connection with the matter ?

A. Well, my work was ordinarily seeing different Councilmen, with the Councilmen who were doing our work, the man who was going to present the bill. I was out with him a great deal in different parts of the city. In fact nearly all over the city.

Q. Did you pay any money other than that which you paid to members of the force ?

A. You know, Mr. Director, I answered that question for you on Friday.

Q. That is the reason I ask you to answer it on Monday.

A. I did.

Q. To whom ?

A. To one man who was working very zealously for us. He was only a workingman and what money was given to him was given for his general expenses. He lost a great deal of time, and the amount is not much, and was given to him for his general expenses.

Q. Who was the man ?

A. Mr. Harvey.

Q. Who is Mr. Harvey ?

A. Robert Harvey, member of Common Council.

Q. Did you pay money to anyone else ?

A. No, sir.

Q. You do not pretend that you paid money to any other member of Councils, at all ?

A. No, sir.

Q. How much money did you pay Mr. Harvey ?

A. Only a few hundred dollars.

Q. When and where did you pay it ? What was the first payment ?

A. I don't recollect the first payment, I kept no dates.

Q. How much did you pay him the first time ?

A. One hundred dollars.

Q. Where did you pay it ?

A. In this building as near as I can recollect.

Q. About when ?

A. I do not recollect.

Q. How much was the next payment ?

A. Fifty dollars.

Q. Where did you pay that to Mr. Harvey ?

A. On my beat.

Q. Where is that ?

A. Kensington avenue and Buckins street.

Q. How did that happen to occur at that place ?

A. That is more than I can tell you; Mr. Harvey happened to be there.

Q. Did he seek you or did you seek him ?

A. I did not have to seek him up there.

Q. Did he ask you for it or did you offer it to him ?

A. That I do not recollect.

Q. When was this payment ?

A. That I do not recollect; I kept no dates.

Q. How much was the next payment ?

A. \$25.

Q. When and where ?

A. I do not recollect where that was, where that was passed to him, somewhere I think in his carriage. I would not be certain.

Q. How much the next time ?

A. \$25. That cleaned the pile out. We had \$22 that were in my possession and I put \$3 to it to make it \$25.

Q. Where was that ?

A. At my house.

Q. Did Mr. Harvey come there ?

A. He did.

Q. Did any other member of your committee know of your payment of these funds to Mr. Harvey ?

A. Not that I know of. I do not think they did.

Q. You did not consult any of them about it ?

A. No, sir.

Q. Did any of them consult you about it ?

A. I might have been consulted on the question.

Q. By whom ?

A. I do not recollect any one but Officer Smith. Smith is the only one that ever said anything of the kind.

Q. What did he say ?

A. Told me not to forget Bob Harvey. That is all.

Q. That is the only thing that was ever said to you upon the question ?

A. Some remark like that.

Q. Did you do anything in pursuance of that—did it start a train of thought that you subsequently acted upon ?

A. Not at that time.

Q. Did you ever inform Smith that you had given Harvey anything ?

A. Not to my knowledge.

Q. If you had you would know, would you not ?

A. Yes, sir.

Q. Then I understand that no member of the committee was cognizant of the payment by you to Harvey of any money ? And you never took receipts from any member of the committee and of course not from Mr. Harvey ?

A. I took receipts from no one. Even in the bills for printing I paid them and have no knowledge of taking receipts.

Q. The printing consisted of the general circular ?

A. The general circular and other matters, securing

data from the different cities and States, and I do not know what other general use the committee on printing had for the money.

Q. Securing data was simply writing a letter to the Police Department of other cities and getting replies, was it not ?

A. I presume so.

Q. Your committee was instituted for the purpose of aiding in the passage of an ordinance introduced by Mr. Harvey, which increased your pay ?

A. Yes, sir.

Q. Did that ordinance pass ?

A. I cannot say that it did.

Q. What do you mean by that ?

A. It did not pass in the shape in which it was drawn by the committee and introduced by Mr. Harvey, at that time.

Q. Is there anything further that you desire to say ?

A. Nothing except what I have told you before. If your committee has done anything wrong they have done it with the free consent of the patrolmen of Philadelphia, and they have done it with no intent to do an injury to any one. We had no knowledge and had no thought that we were committing an error when the contribution of one dollar was voluntarily asked from the patrolmen for the advancement of our purposes. There were a great many men in Philadelphia who did not give their dollar and a number did, and I feel that I am safe in saying that every dollar of the money that was collected was honestly used. I do not think a dollar went for any illegal purpose under any consideration.

Q. Have you finished ?

A. Yes, sir.

The Director asks "Is Mr. Harvey present or any one representing Mr. Harvey ?"

Mr. Joseph W. Gross and Mr. P. J. McManus. Mr. Gross says, "We represent Mr. Harvey and would like to have an opportunity of cross-examining the witness.

By the Director :

Under the peculiar circumstances of the case I think this request should be granted, but I first desire to ask Mr. Winnemore a few questions.

Q. Mr. Winnemore, what did you do with the \$75 which you appropriated for your own purposes ?

A. On several occasions we were here nearly all day and at other times and it was used for meals, the majority of it.

Q. Did you reimburse yourself for days that you were off ?

A. No, sir ; I am time out.

Q. Could you say that it was for the general entertainment ?

A. Of the committee. No one outside of the committee ever received anything out of it.

Q. Your \$75, you employed that for meals, etc. ?

A. Yes, sir.

Q. How many days were you absent during the months of October and November, December, and even January ?

A. I think I only lost—

Q. In these four months you were absent six days.

A. I didn't lose much time. I was down on my days off and every time I could get off.

### *Cross-Examination.*

By Mr. Gross :

A. What is your full name ?

A. Granville L. Winnemore.

Q. You were connected with what Police District ?

A. The 30th.

Q. As a patrolman ?

A. Mounted officer.

Q. And you, I believe, were the Chairman of the Executive committee appointed to further the police interests in the ordinance to increase their salaries ?

A. Yes, sir.

Q. You have mentioned Robert Harvey ? He is a Common Councilman from the Thirty-fourth Ward, as having had charge of the bill on the floor of Common Council ?

A. Yes, sir.

Q. Won't you tell us please when you first met Mr. Harvey in connection with this matter ?

A. I cannot recollect the date. He was brought up into one of our meetings.

Q. About when, October, November, December ?

A. I think the early part of November.

Q. Did Mr. Harvey call this committee or did the committee call Mr. Harvey ?

A. I could not answer that question. I never saw Mr. Harvey before he was introduced into the room.

Q. Who introduced Mr. Harvey to you ?

A. That's more than I can tell you.

Q. Don't remember then ?

A. No, sir.

Q. Do you know whether he came there voluntarily, or at your suggestion ?

A. I could not answer. Not at my suggestion.

Q. How often did you see Mr. Harvey subsequent to the time you met him in Room 521 ?

A. Frequently.

Q. Did you ever call at his house ?

A. I have.

Q. Did he call for you ?

A. He has.

Q. Did he ever call at your house ?

A. He has.

Q. Did you send for him ?

A. I did not.

Q. How much money did you say you paid Mr. Harvey the first time he received it ?

A. Near as I can recollect one hundred dollars.

A. And what did you say to Mr. Harvey when you paid the \$100 ?

A. Nothing.

Q. What did Mr. Harvey say to you ?

A. Nothing.

Q. For what reason did you give him the \$100 ?

A. Because I was instructed to.

Q. Who instructed you ?

A. Only as a general thing. The money was given to me to use to the best advantage and I knew Mr. Harvey was losing time, was only a workingman, and was under considerable expense, and for that reason I gave him the money.

Q. Mr. Harvey was under considerable expense in what direction ?

A. In losing time, going backward and forward from his residence to the city.

Q. Do you mean you compensated him for loss of time ?

A. Loss of time ; yes, sir.

Q. I understood you to say on your examination in chief that you accompanied Mr. Harvey throughout the city visiting certain persons ?

A. I have been with him on Sundays, etc.

Q. Was any of this money spent by Mr. Harvey for any but legal purposes ?

A. No, sir ; I don't think it was.

Q. You do not know what Mr. Harvey did with the money ?

A. I do not.

Q. What did you do when you went around visiting other persons ?

A. We had conversations on the bill that was to come before Councils.

Q. Who would you visit as a general rule ?

A. Nobody but Councilmen.

Q. You were present when you and Mr. Harvey visited other Councilmen ?

A. Yes, sir.

Q. And what conversation took place ?

A. Only ordinary questions. Mr. Harvey solicited them to work for the bill when it came before Councils.

Q. When did you pay Mr. Harvey money on a second occasion, and how much ?

A. I cannot say when it was.

Q. How long after the first payment was it ?

A. That I could not say.

Q. How much was it ?

A. \$50.

Q. Where was it paid ?

A. On my beat.

Q. Mr. Harvey came to see you ?

A. Yes, sir.

Q. And what did he say ?

A. We had a general talk.

Q. Did he ask you for \$50 ?

A. He did not ask me for \$50; no, sir.

Q. Did you voluntarily pay it to him ?

A. He said he was a little short, that's all.

Q. Is that all was said ?

A. At that time.

Q. Did he say what he wanted to use it for ?

A. No, sir.

Q. When was the third payment made ?

A. I could not answer.

Q. How long after the second payment ?

A. I could not say.

Q. How much was it ?

A. \$25.

Q. Where was that paid ?

A. I do not rightly recollect where.

Q. Where was it, at your house ?

A. No, not that payment.

Q. Was it in Mr. Harvey's house ?

A. Not that payment.

Q. Was it on your beat ?

A. It was not.

Q. Did Mr. Harvey seek you ?

A. I think it was in this building.

Q. You knew he would come in here ?

A. I expected he would be here.

Q. Did you seek for him ?

A. No, sir.

Q. Were there any further payments made by you to Mr. Harvey ?

A. The last one that I mentioned. The \$22 that remained in the funds and I put \$3 to it to make it \$25.

Q. You mentioned \$25 other than the last \$25 ?

A. Yes, sir.

Q. That makes the total of \$200 ?

A. Yes, sir.

Q. Where was that paid ?

A. At my house.

Q. Did you send for Mr. Harvey ?

A. I did not.

Q. Did he come there to ask you for the money, or did he come to see you on other business ?

A. He came there expecting it.

Q. How do you know that ?

A. Because I had promised it to him a day or two before that.

Q. Did he ask you for the money as soon as he came there ?

A. No, sir.

Q. Did he ask you for it at all ?

A. No, sir : I gave it to him immediately, because I knew what he was after.

Q. That was at your house ?

A. At my residence.

Q. Where do you live ?

A. Northwest corner Kensington avenue and Tioga street.

Q. Do you ever recollect calling at Mr. Harvey's house ?

A. On two or three occasions.

Q. By appointment or otherwise ?

A. He always wrote for me.

Q. Formal letter asking you to call at his house on a certain time ?

A. Yes, sir.

Q. And what would he do when you came there ?

A. A general conversation, nothing particular.

Q. Did Harvey ever ask you for any money ?

A. Not outright.

Q. To further this bill in Councils ?

A. No, sir.

Q. Did he ever say that he wanted the patrolmen to pay him for his support of this bill ?

A. Not to my knowledge. The only remarks that he ever made was that it was a very expensive piece of work for him and that he had to lose his time.

Q. Did he say anything about losing anything else or anything about the legitimate expenses he would be impelled to incur in order to gain favors ?

A. No, sir.

Q. Did Mr. Harvey ever say anything to you about the club in the Thirty-fourth Ward ?

Note.—An objection was made to this question by Capt. Brown, but was subsequently withdrawn.

Q. Do you recollect any conversation that you had with Mr. Harvey in relation to this committee purchasing tickets for a certain club in the Thirty-fourth Ward. Won't you just tell the Court what conversation you did have with him ?

A. It was not simply with myself. It was when the

tickets were brought there, there were numerous members of the committee that were acquainted with the fact that the tickets were there and if I recollect rightly there was a resolution passed to purchase \$100 worth of tickets. I think after that that was taken off the books and the tickets returned and \$100 donated to the club. That is independent of the money I paid to Mr. Harvey at other times.

Q. The entire Executive Committee, Mr. Winnemore, were perfectly cognizant of what was going on between you and Mr. Harvey ?

A. In regard to that club business.

Q. And they knew that Mr. Harvey was spending his time in endeavoring to further this bill ?

A. Yes, sir.

Q. Do you ever recollect Mr. Harvey saying to you that in order to make a success of this bill it probably would take considerable money in order to gain favors ?

A. No, sir.

Q. Never said that ?

A. No, sir.

Q. Did Mr. Harvey ever tell you that he would have to spend money to buy cigars to offer various members of Councils ?

A. He said it would cost him considerable money in certain ways and he could not approach people and talk to them. I think his language, as near as I can recollect it, was that he would have to treat.

Q. Mr. Harvey never said that he wanted pay for any of his work ?

A. I don't think I ever gave him anything only for his own purposes. For his legitimate expenses.

Q. And do you know whether Mr. Harvey had any legitimate expenses in furthering this bill ?

A. I don't presume to say that this money was used to further this bill. What I mean to say is his loss of time and his expenses. The money was paid to him for his loss of time and travelling back and forward.

Q. Loss of time and expenses ?

A. Time and expenses.

Q. The entire committee knew what you were doing with Mr. Harvey ?

A. As far as the club business is concerned.

Q. Is that all ?

A. That's all.

Q. Any other of the members of the committee know anything about it ?

A. Only as far as the donation to the club.

Q. Did any of the members of the committee other than yourself see Mr. Harvey ?

A. I knew that they saw him.

Q. They knew that you had given Mr. Harvey money, didn't they ?

A. No, sir.

Q. Did you ever inform your fellow members of the committee that you had given Mr. Harvey any money ?

A. No, sir.

Q. Do you remember Mr. Harvey saying to you that he wanted to treat these people and for that reason he wanted the money. And for expenses and loss of time, etc. He drove around the town with you, I believe ?

A. Yes, sir.

Q. Did he treat any persons while you were with him ?

A. I was on one or two occasions.

Q. You did see him treat various people, did you ?

A. Yes, sir.

Q. You do not know who paid for the carriage, do you ?

A. I think it was Mr. Harvey's own carriage.

Q. Do you know ?

A. No, sir.

Q. Who did you visit on your various rounds the times you were with Mr. Harvey ?

A. Went to various portions of the city. The 21st.

Q. Who did you see ?

A. We did not see the party we were after.

Q. Who were you after ?

A. Mr. Patton.

Q. Which Mr. Patton ?

A. Edward Patton.

Q. Who is he ?

A. A member of Select Council.

Q. Did you not find Mr. Patton on that occasion ?

A. No, sir.

Q. Did you go to see him again ?

A. Not at that time.

Q. Did you call on him again ?

A. We went a couple of times to see Mr. Patton but never could catch him at home.

Q. Did you ever catch him at any other place ?

A. We saw him in the building.

Q. Did you speak to him about this ordinance ?

A. In a casual way.

Q. Did Mr. Harvey see him ?

A. Mr. Harvey introduced me to Mr. Patton.

Q. Who else did you see ?

A. We went down in the Twenty-sixth Ward. We saw Mr. McCoach.

Q. Who is he ?

A. A member of Councils ; Select, I believe.

Q. Did you have any conversation with Mr. McCoach in relation to this ordinance ?

A. Only ordinary. He was requested and did the best he could for the bill and supported it when he came up as he promised to do.

Q. Was any treating done on either of these occasions ?

A. No, sir ; it was on Sunday when we saw him.

Q. Who else did you see ?

A. We went down town to Mr. McAllister.

Q. Who is he ?

A. A Councilman in the First Ward.

Q. Did you ever see him ?

A. We saw him in Councils.

Q. Speak to him about this ordinance ?

A. He was in our committee room.

Q. Ever pay him any money ?

A. No, sir.

Q. Who else did you see ?

A. Went to see Mr. Anderson.

Q. He is a Select Councilman, you say ?

A. Yes, sir.

Q. Where did you see him ?

A. Didn't see him at all, home.

Q. Where did you see him ?

A. In the building.

Q. Speak to him about this bill ?

A. Yes, sir.

Q. What did he say ?

A. Said he would do what he could for it.

Q. Pay him any money ?

A. No, sir.

Q. Who else did you see ?

A. Saw different Councilmen.

Q. I would like to know who they were ?

A. Mr. Upperman.

Q. Which Ward does he represent ?

A. Thirty-first Ward.

Q. Select or Common Council ?

A. Select Councilman.

Q. Who else ?

A. Mr. Clay. I guess when you come to write them down you have pretty nearly say we saw them all.

Q. Saw them all in one day ?

A. No, sir.

Q. Mr. Harvey went round ?

A. Sometimes he was with me and sometimes he wasn't.

Q. He introduced you frequently to these Councilmen ?

A. Yes, sir.

Q. You do not know what Mr. Harvey did with the money ?

A. No, sir ; I did not. I didn't ask him and I didn't want to know.

Q. What became of the remainder you had or any surplus ?

A. There was no surplus.

By Director Riter :

Q. You do not pretend to say for one instant that any improper suggestions were made to any members of Councils by you at all and these trips with Mr. Harvey ?

A. No, sir.

By Mr. Gross :

Q. Nor to Mr. Harvey either ?

A. No, sir.

Q. All the money you paid to Mr. Harvey were for legitimate uses ?

A. His own personal expenses as far as I know.

---

*Officer Samuel Smith, Sixth District, sworn.*

Q. Your full name ?

A. Samuel W. Smith.

Q. Sixth District ?

A. Yes, sir.

Q. When did the organization of patrolmen to which this executive committee belonged, form ?

A. The first meeting I have any recollection of was about October 26th.

Q. You were Secretary of the meeting ?

A. I was at that date. That's the day the officers were made ; the President and Secretary of the organization.

Q. You say that that consisted of a meeting of the delegates from the different police districts and they determined to organize by the election of a President or the appointment of an executive committee, which ?

A. The only thing was done there was the two offices, a President and Secetrary, at that time.

Q. They were elected by the delegates?

A. By the delegates that were there. The meeting was very slim that day.

Q. When was the executive committee formed ?

A. That was later on. I can't exactly tell the date ; sometime in November.

Q. How much money did you receive in all ?

A. About as near as I can get to it, somewheres between \$1,400 and \$1,500.

Q. What did you do with it ?

A. Turned it over to the Treasurer.

Q. When you received it from the delegates from the different districts you gave a receipt ?

A. Yes, sir.

Q. When you turned it over to the Treasurer, did you take a receipt ?

A. No, sir. I don't think I did. There might have been one. If there was it was stopped after that one. I didn't take any other receipts.

Q. Do you know what was done with the money ?

A. The only thing I could say was that the members of the committee were given a pro rata share, as far as I know, to the general running expenses.

Q. How much did you receive ?

A. Twenty-five dollars.

Q. What did you do with it ?

A. I paid myself for some time that I lost. I don't know how much I lost. And running around, and general running expenses.

Q. What was the charcter of the expenses ?

A. Cigars and car fare and some little articles that I bought—books.

Q. How many days were you off in October, November and December ?

A. I could not say exactly.

Q. As a matter of fact how many Councilmen did you ask to vote for this bill ?

A. I don't think I asked anybody outside of the Councilmen connected with my own ward and the Tenth Ward.

Q. That couldn't have required a great deal of time to have done that ?

A. It wouldn't require a great deal ; no, sir.

Q. You expended this money as you say, for car fare, for personal entertainment, and reimbursing yourself for the days you were absent ?

A. Yes, sir.

Q. Do you know anything about the payment of this money to Mr. Harvey ?

A. No, sir.

By Captain Brown :

Q. You say you got \$25 the first payment ?

A. Yes, sir.

Q. Did you receive any more ?

A. No, sir.

Q. Didn't receive any more ?

A. I may have received a dollar ; I think I did have a dollar from Mr. Winnemore one day after a meeting that I had some expense.

Q. That \$25 represented all that you received ?

A. You may say that ; yes, sir.

By the Director :

May it please the Court I would like to ask Mr. Gross whether he desires or intends to call Mr. Harvey.

By Mr. Gross :

I have no such intention.

*Officer Keene, sworn.*

Q. You were a member of the Executive Committee ?

A. Yes, sir.

Q. How much did you receive from Mr. Winnemore ?

A. \$50.

Q. When ?

A. I don't know the dates. I received them in two different payments, \$25 in each.

Q. What did you do with it ?

A. Spent about \$5 and I have the balance.

Q. Why didn't you turn it in ?

A. I haven't had an opportunity of turning it in. We held a meeting here on the 4th of March, I think, and we were informed that the meeting was for the purpose of adjourning forthwith.

Q. When you were present at the meeting did you make any statement that you had the money ?

A. I didn't make a statement that I have the money, but I made a statement that I thought it was a proper thing for the Executive Committee to meet and make a report, but we adjourned *sine die*.

Q. What did you spend the money for ?

A. Car fares.

Q. When did you get the money ?

A. The first payment I got the day the committee was organized, the Executive Committee, and the second payment, I think, was some two weeks after that.

Q. Why did you take the second when you hadn't spent the first ?

A. I didn't know what would be required of me and our Chairman said he didn't care about carrying that amount of money and we might as well carry the money as him, and that we had the money and were to use it.

*George Dean*, sworn.

Q. You were a member of the first Executive Committee of seven ?

A. Yes, sir.

Q. How much did you get from Mr. Winnemore ?

A. I got \$50, in two instalments.

Q. When were they paid to you ?

A. I could not exactly tell you the date, but now, since I think it over it was just prior to the Police parade.

Q. You gave no receipts for them ?

A. No, sir.

Q. What did you do with it ?

A. I lost two days. I paid myself for the time I lost and other expenses, meals, smoking, anything like that.

Q. You spent about \$45 in the entertainment of yourself and your friends ?

A. Yes, sir ; for the cause.

Q. As a matter of fact what number of Councilmen did you even ask to vote for it ?

A. I went to see the Councilmen of the Ward in which I reside and I had made several visits to the club house in which I belong trying to see some of the Councilmen, and while there I spent some of the money while waiting to see them.

A. I don't know that it would have been of much account.

Q. When was the last payment made to you ?

A. Just prior to the police parade.

Q. That was the 7th of November ?

A. Yes, sir. The first payment was made prior to the police parade and the second after it.

By Captain Quirk :

Q. Why did you take the second payment if you had money ?

A. That was about the time the committee was increased

from seven to fourteen. The original committee received \$25 a piece and then when the committee was increased the new committee got \$25, and I as a member of the old committee got \$25 more.

---

*Joseph Perrine, sworn.*

Q. You were a member of the Executive Committee of seven ?

A. Yes, sir.

Q. When did you get your first payment of money from Mr. Winnemore ?

A. At the meeting of the association ; I don't recollect the date.

Q. When did you get your last ?

A. Shortly before Christmas.

Q. How much did you receive in all ?

A. \$145.

Q. What did you use it for ?

A. General expenses.

Q. What was the nature of the general expenses ?

A. In my case I had used a considerable amount of money in time, in visiting the newspapers. I made that one of my specialties to visit the newspapers and solicit their aid.

Q. Did you reimburse yourself for the days you had lost ?

A. No, sir ; I did not.

Q. What did you do with the money ?

A. Spent it in a general way ; I can't tell you exactly.

Q. When you met any of your friends you would have a quiet dinner ?

A. There have been 40 or 50 dinners that I have paid for varying from 35 to 50 cents apiece, quite an item in care fare ; I visited every district in town.

Q. You don't mean to say that any of these dinners were given to Councilmen ?

A. I never had a Councilman to a dinner with me at any time, in fact, I wouldn't invite him to a 50-cent dinner.

Q. You didn't really see any Councilmen yourself ?

A. Not more than a few in my own Ward.

Q. You could really have done that without and effort or special exertion, could you not ?

A. I don't think so.

Q. And you say you received \$145 in all ?

A. \$145.

By Captain Quirk :

Q. The largest estimate of dinners that you make is 50 cents and that don't require a great deal of money ? What became of the balance of the \$145. How do you account for the balance of the \$145 ?

A. There were a good many other ways, car fare, etc.

Q. That's very indefinite ?

A. I visited every district in town, some of them several times.

By the Director :

Q. Why did you visit every district in town ?

A. To see the delegates. To see that they would visit their Councilmen and ask their support. That was the work the Executive Committee had to do.

---

*Harry Hetteroth, sworn.*

Q. Were you a member of the Executive Committee of seven ?

A. Yes, sir.

Q. When did you receive your first payment of money from Mr. Winnemore ?

A. About a week after we organized.

Q. When did you receive your last ?

A. Some time in December.

Q. How much was the total amount ?

A. \$170.

Q. What did you do with it ?

A. Spent it in different ways.

Q. What kind of different ways ?

A. I used it for car fare. Every day I was off I had to come in town on the steam road and that cost me 40 cents a round trip. When I worked on a long day I would be off in the afternoon. I would buy two meals and other meals when we had the meetings, cigars and different things like that.

Q. Did you see any member of Councils ?

A. Several.

Q. Ask them to vote for the bill ?

A. Asked them to vote for the bill.

Q. And that's about all you did ?

A. That's about all I did.

Q. Did you go through the different districts visiting the other delegates ?

A. Yes, sir.

Q. You reimbursed yourself for the days you lost ?

A. Yes, sir.

Q. How many days did you lose in the months of October, November and December ?

A. I could not tell you exactly—about two weeks or something like that.

Q. You are right there ; there were 13 days.

Q. And this money was spent in general entertainment of yourself and friends ?

A. Self and friends.

Q. It wasn't all spent upon those who were likely to have some effect ?

A. Yes, sir.

By Captain Quirk :

Q. Were these high-priced meals, or cheap meals ?

A. It depended upon the places we struck.

---

*Thomas Jones, sworn.*

Q. You are a member of the original Committee of Seven ?

A. Yes, sir.

Q. How much did you receive from Mr. Winnemore ?

A. The first payment I received about \$50. In the neighborhood of about \$50 in the first two payments, and the third payment I received about \$20.

Q. That makes \$70 ?

A. Yes, sir.

Q. When did you receive the first and when the last payment ?

A. Same time as the rest of the committee.

Q. You got no receipt for it ?

A. No, sir.

Q. None was asked ?

A. No, sir.

Q. What did you do with it ?

A. Spent it.

Q. How ?

A. Lost time, car fare, paid for the circulars that were printed.

Q. Just tell us. Were you on the Printing Committee ?

A. Yes, sir.

Q. Tell us the printing you had done ?

A. That's the printing I had done (indicating a circular in the hands of the Director.) 1,500 of those copies.

Q. That's the printing of a circular like one was issued some years ago ?

A. Yes, sir ; with a few changes.

Q. That different information was acquired by writing to the various States ?

A. Yes, sir.

Q. And you had 1,500 printed ?

A. Yes, sir.

Q. And you mailed it to the members of Councils and other persons ?

A. Yes, sir.

Q. And that's the limit of your printing ?

A. So far as I was concerned.

Q. How much did it cost, ten dollars ?

A. I don't remember. \$13 I believe.

Q. Within \$20 ?

A. Yes, sir.

Q. What did you do with the rest of the money ?

A. Spent it on car fare, meals, loss of time, various things.

Q. How much time did you lose ?

A. I don't remember.

Q. Would you be surprised to learn that you lost just one day as the records of the Bureau show in October, November and December ?

A. Yes, sir.

---

*Thomas McLees*, sworn.

Q. You were a member of the original Committee of Seven ?

A. I think I was ; I won't be certain.

Q. How much money did you get ?

A. \$50.

Q. What did you do with it ?

A. Spent part, and the rest I have in my pocket.

Q. How much did you spend ?

A. As near as I can get at it between \$10 and \$15. I kept this money with the calculation of making a settlement as is always customary in such things as that.

Q. Were you at the meeting when they adjourned *sine die* ?

A. No, sir ; there were several meetings that I missed.

---

*John Myers, sworn.*

Q. You were a member of the enlarged Committee of Fourteen ?

A. Yes, sir ; I was.

Q. Did you receive any money from Mr. Winnemore ?

A. Yes, sir.

Q. How much ?

A. \$25 at one payment and \$10 afterwards.

Q. When did you receive the first payment ?

A. I think it was in December.

Q. When did you receive the second payment ?

A. About the time the Police Committee met on our bill ; you were there. I think it was that day or the day before that the Police Committee met on the bill.

Q. Do you mean the bill introduced by Mr. Harvey ?

A. Yes, sir ; you introduced that bill, I think, and scheduled it, and Mr. McAllister was there.

Q. That was before the Finance Committee of Councils in the early part of December ?

A. That's about the time.

Q. What did you do with the money you received ?

A. I told you the other day that I had lost 6 days, but I found afterward that I had lost 8 or 9 days during these months. The rest I spent for the expenses, running around, meals, car fare, etc.

Q. You lost 11 days ?

A. I knew it was quite a number of days. I would like

to make a statement with regard to my connection. The association was formed, committee appointed, President and Chairman of Committees appointed, and the Second District was not represented. They sent down for a representative, and Mr. Roach and I went there to the meeting and they all had paid in, I understood, one dollar. The Second District was called and I told them it was the first meeting I came to and I knew nothing about their doings, and they gave me one week for the Second District to pay up their assessment. I says, is the Director favorable to this movement? And the President said, the Director assents to all we are doing, and then I said I shall go back and tell the men in the District, and I told them, and they thought it was big money to be collected, and they wanted to know what was going to be done with it, and I told them I didn't know.

Q. Who told you the Director had assented to this?

A. The President of the Association.

Q. Mr. Stewart?

A. Yes, sir; and he says I will say the Director has given us authority to go among our Councilmen and do all we can, and I told the men and they contributed, I think, \$101.

Q. And you got \$35?

A. Yes, sir; all told.

Q. And you spent it as you have stated?

A. Yes, sir. I would like to say that I have frequently called on Mr. Winnemore, not knowing what had been done with this money, and I said to Mr. Winnemore we ought to call a meeting of the Finance Committee and settle up accounts. My people are asking in the District and I can't give them any information. He said the Director won't allow us to hold any meetings. I said, he'll allow you to hold a meeting to settle up the accounts, surely, and being connected in this thing I wanted to know what became of the money and think I had a right to know.

Q. Is that all?

A. Yes, sir.

*Daniel Dougherty, 1, No. 2128, sworn.*

Q. You were a member of the Executive Committee of Fourteen ?

A. The last committee ; yes, sir.

Q. Did you get any money from Mr. Winnemore ?

A. I got money on the table, pushed to me by the Secretary.

Q. Mr. Winnemore really gave the money ?

A. Yes, sir.

Q. What did you do with it ?

A. Spent it.

Q. How much was it ?

A. \$25.

Q. How?

A. Car fare, meals, cigars, and general refreshments. Took my friends in sympathy with our cause.

Q. Do you think, and this would generally apply to every one, do you think that was a perfectly fair thing to do to the patrolmen who subscribed this money to expend it in general refreshments for yourself and friends?

A. It wouldn't be, but they gave us the privilege of using it the best way we could.

Q. What were you really doing for the benefit of this cause ?

A. I don't know that I was doing anything particular any more than as far as my ability was concerned. I was asking or making inquiry with reference to those who had interest who would talk to men who would do something for our cause, and I would get them to promise that they would work for us and I thought as men of honor they would do so.

Q. Then you saw your friends hoping that your friends who would see other friends who would see Councilmen ?

A. Exactly. I did it with the understanding that you were in full co-operation or I should not have done it, for I do not think the Director of Public Safety should be left but of consideration in these matters. I always like to obey orders in every case.

*Samuel Albright*, sworn.

Q. You were a member of the Executive Committee ?

A. The extended Committee ; yes, sir.

Q. How much money did you get from Mr. Winnemore ?

A. \$25.

Q. When ?

A. I cannot really say the date ; I think some time after our second meeting here in the hall ; some time in the latter part of November or the beginning of December.

Q. What did you do with it ?

A. I spent it. My expenses were small. I visited Councilmen ; travelled around, and when I met friends. There wasn't anything else.

---

*Henry Stewart*, sworn.

Q. You were appointed President of the Executive Committee, when ?

A. I was elected President at the first meeting.

Q. How much money did you receive from Winnemore ?

A. \$25.

Q. Is that all ?

A. That is all.

Q. When ?

A. At the first meeting.

Q. What did you do with it ?

A. Spent it traveling around seeing Councilmen, travelling to and fro, coming to City Hall to the meetings and going home, and when I would come down I would have to buy my dinner. I spent it on myself and friends whom I would meet around City Hall and in travelling.

Q. Did you hear the testimony of Officer Myers ?

A. I was not paying attention.

Q. He stated that you said to him or gave the impression that I was familiar with the fact that you were collecting money ?

Officer Myers : I made the statement that I had not been up to some of the meetings and when I got there the Second District was delinquent, and I asked the President whether the Director was favorable to this movement. The President said, "The Director sanctions all we are doing and furthermore the Director has given us the privilege of going around to all the Councilmen."

Q. (To Stewart). You did not state that the Director had knowledge of the collection of this money ?

A. There were no collections made in our District, the men subscribed it and therefore I could not say that you were in favor of any collections. I said that our Executive Committee of Seven had waited on you and you were in favor of our movement.

Q. You stated that I was in favor of the movement for the increase of salary ?

A. That is all.

Q. You never stated to me that you were making these subscriptions or collections, did you ?

A. Never, sir. I do not think I made the statement to the gentleman.

Q. You never made it to me ?

A. Never.

Q. How much did you receive from Winnemore ?

A. \$25.

Q. How did you use it ?

A. Travelling about and seeing Councilmen. We have seven Common Councilmen and one Select. I have seen the majority of them. I had to come to City Hall and bought my dinners, and in the evenings or afternoons when I was off I would meet friends and buy a cigar. I spent it on myself and more too.

Q. You saw your friends who would see Councilmen or saw them yourself ?

A. I saw them myself and asked them to vote for it.

Some Councilmen were not in favor of taking the whole bill and I had to go to see them several times to induce them to vote for the bill as a whole, and finally persuaded them and they came down and voted for the bill as a whole.

Q. No receipts were given or taken by the Treasurer ?

A. I did not get any. I did not want any. I and the body placed our confidence in these men and I did not want any. I did not take a receipt or anything.

---

*Spencer Handley, sworn.*

Q. Were you a member of the Executive Committee of Fourteen ?

A. Yes, sir.

Q. How much money did you get from Winnemore ?

A. \$25 first and \$10 afterwards.

Q. When did you get it ?

A. When I was apointed on the Committee.

Q. Some time in November ?

A. I disremember when it was.

Q. What did you do with it ?

A. The first \$25 I spent with my friends and the friends of Councilmen in the Ward. We have a big majority in Common Councilmen in the Ward and one Select Councilman. I went around myself and saw four of them when it was my day off, or when it was my night off. I went to see Councilmen's friends and spent the money in that way, treating them whatever they chose to take, whiskey, beer or cigars.

Q. How much did you spend all told ?

A. I spent the money that was given to me to spend.

---

*George Milligan, sworn.*

Q. You were a member of the Executive Committee ?

A. Yes, sir.

Q. How much did you get ?

A. \$50, in two payments.

Q. Was it given to you some time in October or November ?

A. Yes, sir.

Q. What did you do with it ?

A. I spent it principally for meals. Our district is an outlying district and every day we would have a meeting I bought dinner and supper and had to pay car fare, forty cents there and back. And I attended every meeting since the start of this until the final passage of the bill. I think we have twenty regular meetings during that time.

Q. There is evidently some confusion in your mind and in the minds of the other members of the committee. The bill for which you were organized was a bill that was introduced by, I think, Mr. Harvey, some time in October of 1896, which provided for a loan for the increase of the salary of patrolmen. That bill is the bill for which you were organized, and for which you labored, is it not, as this organization ?

A. Yes, and for the last bill as a whole.

Q. The bill that was introduced by Mr. Harvey was defeated or in other words it never came out of Committee ?

A. Yes, sir.

Q. And that is the bill you were organized to pass ?

A. Yes, sir.

Q. Have you any money left ?

A. No, sir. Had not enough. Some came out of my own pocket.

---

*Ruel H. Robertson, sworn.*

Q. You were a member of the Executive Committee of Fourteen ?

A. Yes, sir.

Q. How much money did you get ?

A. \$25.

Q. When ?

A. Just about the second instalment, I believe.

Q. Some time in November?

A. I think in December.

Q. Have you spent it ?

A. Yes, sir.

Q. For what ?

A. Ordinary refreshments with friends, and for Councilmen's friends, that I interviewed.

---

*Granville L. Winnemore, recalled.*

Q. In figuring up the amounts stated by you as having been given to different officers, members of the committee, it comes to \$900. The statements of the men show \$865. I suppose that must be correct. You received \$1,450, and I want to call your attention to the fact that the actual amounts received from the Districts was \$1,754, with the Twenty-fifth District not heard from, can you account for the difference ?

A. No, sir ; I have no receipts to show that there was anything like that amount of money turned in to the Executive Committee.

Mr. Director, in regard to the members of the committee that had received the heavy end of this matter their amounts run over what is named there. There is no question about it.

Q. You mean the original seven ?

A. Yes, sir.

Captain Brown declared the Court adjourned.

## REPORT OF JURY.

(Filed March 17, 1897.)

*To the Honorable the Judges of said Court:*

The undersigned jurors, appointed by your Honorable Court, to wit, on the petition of The Phillips Company, Limited, to assess the damages and benefits, if any, for the opening of Torresdale avenue, from Rhawn street to Ash-

burner street, in the Thirty-fifth Ward of the City of Philadelphia, respectfully report :

That after due notice the jurors met on October 21, 1896, for organization. All of the jurors were present at this meeting. At this meeting and at subsequent meetings the jury were attended by J. Bayard Henry, Esq., for the petitioners, The Phillips Company, Limited ; Samuel S. Craig, Esq., for the Estate of Richard J. Dobbins ; Joel De Victor, Esq., for himself, and other property owners, and Messrs. Alexander & Magill, for John Lanahan, a tenant. These were the only claimants for damages. George E. Fili, Esq., Assistant City Solicitor, appeared in behalf of the City of Philadelphia.

That at this meeting, to wit, October 26, 1896, the jury were severally sworn or affirmed by one of their number upon their *voir dire*, and examined touching their capacity to serve as road jurors in this proceeding. Each juror was found to be disinterested, competent, and in all respects duly qualified to serve. The jurors were then severally sworn or affirmed by one of their number to perform their duties of road jurors in the matter of the opening of Torresdale avenue, from Rhawn street to Ashburner street, impartially and according to their best judgment. The jury then organized by electing William S. Blight, foreman, after which the petition was read to the jury, and the official plan produced, which is attached to and filed with this report. The jury then adjourned to meet on October 23, 1896, for the purpose of making a view of the premises. All of the jurors were present at said view. The jury again met for the purpose of hearing testimony, consultation, reviewing, and for argument of counsel, on the following days : October 30, November 6, 13, 20, 27, December 4, 11, 18, 21, 1896 ; January 4, 8, 11, 15, 18, 22, 25, 29, February 1, 5, 11, 12, 15, 19, 20, 1897.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which said street is to be opened, and considering as well the advantages and disadvantages to each and every property on the line of the said street by the opening thereof, and

acting on their best judgment, the jury do find that the following named property owners are damaged in the amount set opposite their respective amounts :

To The Phillips Company, Limited.....	\$8,500 00
To John Lanahan, a tenant.....	200 00
	<hr/>
	\$8,700 00

The jury are further of the opinion that no property in the vicinity is specially benefited by the opening of the said street, and that therefore the whole award as made should be paid by the City of Philadelphia.

All of which is respectfully submitted.

REPORT OF JURY.

(Filed March 17, 1897.)

*To the Honorable the Judges of said Court:*

The jury appointed by your Honorable Court to view and award damages for the opening of Holmesburg avenue,

from State road to Hegerman street, whose report was re-committed to them, under and according to the following Decree of the Court :

“And now, 9th of January, 1897, the report in the above matter is referred back to the jury to report specifically as to such property to the owner of which damages are awarded, what the jury find as its value before and after the opening ; and as to the property against which benefits are assessed, what the value of the said property was before opening and what it is since.

(Signed) ABRAHAM M. BEITLER,  
*Judge.”*

beg leave to report :

In the matter of the Phillips Estate, the jury valued the land (the entire tract) before the taking, at \$56,000, and after the taking, at \$52,000, and awarded for cost of a retaining wall \$5,860, thus awarding an aggregate damage of \$9,860.

In the matter of Charles Hemphill, the jury valued the whole property before the taking, at \$3,500, and after the taking, at \$2,680, and awarded damage in the amount of \$962.

In the case of Amos Toy, the jury valued the whole tract before the taking, at \$6,225, and after the taking, at \$5,450, and awarded damages in the sum of \$775.

In the matter of Samuel Stokes, who is a tenant, \$150 was awarded as consequential damage. The jury, as to the assessment of benefits against the Railroad Company, considered that the entire change of the grades of the vicinity was made for the benefit of the Railroad Company; that it would relieve the company from the danger and annoyance of surface travel across and among its tracks, and thus inure largely to the benefit of the company, the railroad company owning an inconsiderable quantity of land which is not occupied by its trackage. The jury did not consider the decision of the Supreme Court as to value “before” and “after,” as applicable to that case, and treated it as a matter of collateral or consequential benefit such as may arise in many cases where the “before” and

“after” principle could not be invoked as determining the question at issue.

The jury have no disposition nor desire to present argument to the Honorable Court in support of its action, but they beg leave to present the following hypothetical case as illustrating the view governing their original action, and as relevant to the matter under consideration :

B has a large factory, fronting on a narrow street, and having very inadequate ingress and outlet. He has reserved barely enough land on his back front to give him light and air, say three or four feet. The City opens a sixty foot street on that side of his property, giving to him an abundance of light, air, ingress and outlet to any extent. In such a case the benefits would be great but hardly to be controlled in their consideration as the jury have thought, by the rule or principle of the Supreme Court decision, so well known as applicable to road jury cases generally, but as in the opinion of this jury it is impracticable to conform the decision of benefits in this case to the terms indicated by the decree of your Honorable Court, the jury beg leave, with the Court's consent, to withdraw from their original report the assessment made against the Philadelphia and Trenton Railroad Company. The jury held eight meetings in all for consultation.

All of which is respectfully submitted.

### RESOLUTION

Requesting the Director of the Department of Public Works and the Board of Highway Supervisors in considering the plans and issuing permits for the construction of tunnels provided for in Ordinance of February 12, 1897, to approve such plans and locate the tunnel across Swanson street, at a point about two feet north of the north curb line of Bainbridge street, instead of sixty-four feet.

WHEREAS, The Select and Common Councils of the City of Philadelphia did by ordinance approved February 12, 1897, authorize "the Franklin Sugar Refining Company to construct a tunnel under and across Swanson street, between Bainbridge and South streets, and also a tunnel under and across Bainbridge street, east of the Swanson street curb line."

AND WHEREAS, The said ordinance locates one of these tunnels across Swanson street, at a point about sixty-four (64) feet north of the north curb line of Bainbridge street.

AND WHEREAS, The location of this tunnel at about sixty-four (64) feet is found impracticable for business purposes and should be located at a point beginning at the north curb line of Bainbridge street, therefore be it

### RESOLUTION

Of request to the Legislature relative to the classification of the Cities of Pennsylvania.

WHEREAS, There has been introduced into the Pennsylvania Legislature a bill to change the classification of the Cities of Pennsylvania, and bringing into the list of first class cities the City of Pittsburg.

AND WHEREAS, This can only result in frequent complications as the wants of the City of Philadelphia and the City of Pittsburg are varied and different, and might in the future result in great injury to Philadelphia or Pittsburg, therefore be it

*Resolved, by the Select and Common Councils of the City of Philadelphia, That we enter our earnest protest against the passage of this bill and against any bill that will place any other city in Pennsylvania in the first class with the City of Philadelphia.*

*Be it further resolved, That the Clerks of Councils be instructed to send a copy of this resolution to each of the*

members of the Senate and the House of Representatives, and also to the Speaker of the House and the President of the Senate, with request that the same be read in open session.

## LAW DEPARTMENT.

*Philadelphia, March 29, 1897.*

GEORGE W. KOCHERSPERGER, Esq.,  
Chief Clerk of Common Council.

DEAR SIR :—In compliance with the request of the resolution of Councils passed November 21, 1895, I enclose you copy of the report of the jury appointed to assess damages for the opening of Glenwood avenue, from York street to Twenty-second street, Twenty-eighth Ward. Report filed March 27, 1897.

This was a proceeding to determine the necessity of opening Glenwood avenue, from York to Twenty-second street. The jury reported in favor of said opening. The physical opening has not taken place.

Yours very truly,

JOHN L. KINSEY,  
*City Solicitor.*

IN THE COURT OF QUARTER SESSIONS FOR  
THE COUNTY OF PHILADELPHIA.  
C. P. No. 4.

In the matter of the opening of Glenwood avenue, from  
York street to Twenty-second street, Twenty-eighth  
Ward.

(Copy.)

REPORT OF JURY.

(Filed March 27, 1897.)

*To the Honorable the Judges of said Court:*

The undersigned jurors appointed by your Honorable Court to determine the necessity of opening Glenwood ave-

nue, from York street to Twenty-second street, in the Twenty-eighth Ward, of the City of Philadelphia, and if they so determine, to assess the damages, if any, caused by said opening, to property owners and tenants on the line of the said street, respectfully report :

That after due notice the jurors met on January 20, 1897, at 3 o'clock P. M., for organization. All of the jurors were present at this meeting. William Searles was elected Foreman ; after which the petition was read to the jury and the official plan produced for the use of the said jury. The affidavit of service of notice on the registered property owners and tenants along the line of the said street was also produced and is now on record.

That at this meeting, to wit, January 20, 1897, the jury were severally sworn or affirmed by one of their number upon their *voir dire*, and examined touching their capacity to serve as road jurors in this proceeding. Each juror was found to be disinterested, competent and in all respects duly qualified to serve. The jurors were then severally sworn or affirmed by one of their number to perform their duties as road jurors in the matter of the opening of Glenwood avenue, from York street to Twenty-second street, impartially and according to their best judgment. That at this meeting, to wit, January 20, 1897, the following counsel were present, representing property owners and tenants along the line of the said street : Patrick H. Lynch, Esq., for Robert Buchanan, the only claimant for damages, and George E. Fili, Esq., Assistant City Solicitor, appeared on behalf of the City of Philadelphia. The jury then adjourned to meet on January 21, 1897, for the purpose of making a view of the premises. All of the jurors were present at said view. The jury afterwards met on January 26, 29, 1897, February 2, 5, for the purpose of hearing testimony as to the advisability of the opening of the said street.

On February 5, 1897, they reported in favor of the opening of Glenwood avenue, from York street to Twenty-second street. The jury then asked for releases from the owners of property, but were unable to obtain any. The jury then heard testimony as to the question of damages.

For this purpose they held meetings on the following days: January 7, 12, 15, 19, 23, 26 ; March 2 and 5, 1897. For consultation they held twelve (12) meetings.

And now, therefore, after a full and impartial consideration of all the testimony submitted to them, and after a careful view and review of the lines and grades at which said street is to be opened and considering as well the advantages and disadvantages to each and every property on the line of the said street by the opening thereof, and acting on their best judgment, the jury do find that the following named property owner is damaged to the amount set opposite his name :

Robert Buchanan . . . . . \$9,885

The jury are further of the opinion that no property in the vicinity is specially benefited by the opening of the said street, and that therefore the whole amount of the award as made should be paid by the City of Philadelphia.

All of which is respectfully submitted.

### OFFICE OF THE MAYOR.

*Philadelphia, April 1, 1897.*

To the Select and Common Councils  
of the City of Philadelphia.

GENTLEMEN :—I beg to return you herewith, without my approval thereto attached, a bill entitled "An Ordinance to repeal ordinance approved November 23, 1887, entitled 'An Ordinance to authorize the Director of the Department of Public Works to grant permission when advisable to the owners to pave or repave the street in front of their properties with granite, Pennsylvania or

Lambertville blocks, sheet asphaltum, asphaltum blocks, or vitrified brick, where the City will be at no cost or expense.' ”

I do not see that the City is to receive any advantage by the repeal of the Ordinance of November 23, 1887.

The work under this ordinance is absolutely controlled by and is under the direction and supervision of the authorities and the repeal of the same would in many instances occasion inconvenience in the matter of the use of the streets and highways before the appropriations could be secured and would further result in delay in the matter of developing new sections of the City.

I am, respectfully,

### RESOLUTION

Of request to the Board of Education relative to the appointment of Supervisor of Music.

WHEREAS, At a meeting held March 30, 1896, of the Committee on Music of the Board of Education, a communication of Mr. Brooks, Superintendent of Public Schools was received, recommending four candidates from four different States, viz: Cincinnati, O.; Boston, Mass.; Nassau, N. H., and Providence, R. I., to fill the position as Supervisor of Music, in our Public Schools.

AND WHEREAS, It is a disgrace to the City of Philadelphia, noted for its large number of public institutions of learning, to go outside of its own City to find a Supervisor of Music, while there are any number of music teachers fully competent to fill the position, and to better advantage in our own City; therefore, be it

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Board of Education be, and is hereby requested to appoint no other than a Philadelphian to the position of Supervisor of Music in our Public Schools of the City of Philadelphia, if a fully competent one can be secured for the salary.

## RESOLUTION

Of instruction to the Director of the Department of Public Works, relative to re-paving Chestnut street westward, from Forty-second street.

WHEREAS, The Philadelphia Traction Company, lessee of the City Passenger Railway, have occupied, by way of erecting trolley poles, Chestnut street, from Forty-second street westward.

AND WHEREAS, The said "The Philadelphia Traction Company," lessees, have not re-laid with improved pavement in spite of numerous notices to do so; now, therefore,

*Resolved, by the Select and Common Councils of the City of Philadelphia,* That the Director of the Department of Public Works be, and is hereby requested and instructed to notify the said "The Philadelphia Traction Company," lessees, to at once proceed and re-pave with improved pavement the said Chestnut street, west of Forty-second street, as far as they have erected their trolley poles thereon.

*Resolved,* That in the event of the said The Philadelphia Traction Company, refusing to re-pave the said Chestnut street westward, from Forty-second street, after such notice, then the said Director of the Department of Public Works is hereby further requested and instructed to at once, through the City Solicitor, bring such proceedings, judicial or otherwise, as may be necessary to enforce the said notices and demands at the earliest possible moment.

#### APPENDIX No. 304.

*Philadelphia, April 1, 1897.*

To the President and Members of Common  
Council of the City of Philadelphia.

GENTLEMEN :—Your Special Committee appointed under resolution of January 21, 1897, to investigate the supply and distribution of the gas purchased by the City, beg leave to submit the following report :

The object of your Committee was to ascertain what relation, if any, the supply and distribution of the Water Gas had with the quality of gas delivered to the consumers.

The universal complaint of our citizens that the quality of gas sold to them is far below the standard must impress every member of Councils that there is undoubtedly something radically wrong, either in our method of manufacture or distribution of the gas. Whether any part of the responsibility of the poor results obtained can be attributed to the water gas purchased by the City it has been the effort of your Committee to ascertain. In the course of our investigation we have learned something in relation to coal gas to which we shall take the liberty to refer, in justification of injecting this into our report, we find the water gas is mixed with the coal gas immediately after its measure-

ment to the City, consequently the investigation of the distribution of one involves the other. The contract under which the City purchases gas was made with the Philadelphia Gas Improvement Co. in 1888, and was originally for 3,000,000 cubic feet per day of water gas made by the Hanlon and Leadly W. Process. This gas was to be 22 candle power at any point in the City to which it was exclusively distributed, and was not to contain over twenty-four and one-half per cent. of carbonic oxide, and it was further provided that should the City require a greater supply than 3,000,000 cubic feet per day it should give the Philadelphia Gas Improvement Co. six months notice of same. The penalty for the non-performance of this contract on the part of the company as to the supply was the forfeiture of their entire plant. After the plans for this plant had been submitted to and approved by the City, the company, in view of the severe penalty attached thereto, notified the Department of Public Works that to provide against any possible failure on their part they proposed to increase their plant twenty per cent. in generating capacity and fifty per cent. in condensing and scrubbing over that specified in their original plans. This contract is to continue from year to year, until the City shall have given sixty days' notice before the expiration of any year of its intention to terminate the same. Taking the contract as our guide your Committee endeavored to ascertain if the contract was being complied with as to the quality of the gas supplied, and if the conditions were favorable to its proper distribution.

The first meeting of your Committee was held in Room 594, City Hall, February 2, 1897, at which time we examined the Chief of the Bureau of Gas, Mr. Park. Subsequently, in company with Chief Park, we visited the Twenty-fifth Ward Works, where the water gas is made, here the method of manufacturing this gas was explained to us by Mr. Gartley, Superintendent of the plant. Your Committee on this visit also had an opportunity of examining the process of manufacturing coal gas in the works of the City adjoining the water gas plant, and the comparison was anything but favorable to the coal gas process.

Your Committee was particularly impressed with the evidently very much less labor cost in the manufacture of water gas in comparison with that of coal gas.

We also learned that at these works there was manufactured, during February, between eight and nine million cubic feet of gas per day, between seven and eight million cubic feet of which was water gas and one million coal gas.

The process of manufacturing water gas your Committee learned, consisted of first forcing air through fuel to raise the fuel to a high state of incandescence, second, shutting off of air and forcing steam through the fuel to convert it into water gas; third, these gases pass into a highly heated chamber where oil (consisting of different hydrocarbons) is introduced. This oil is split apart and the resulting vapors are mixed with the water gas, and the mixed gases are combined into a fixed gas; this gas passes through the scrubbers and condensers, then to a relief holder used for cooling, after which it passes through the purifying house to the meters of the City where it is measured. Your Committee examined the meters and found that on that day (February 2) the gas was being measured to the City at a temperature of 64 degrees, and the jet photometer indicated 24 candle power. From this examination it would indicate that the contract was being complied with and the City was getting what it paid for.

On March 5, your Committee held another meeting in Room 594, City Hall, and examined Mr. Baldwin, a City employee at the Twenty-fifth Ward Works, whose duty is to take the register of the meters. Also, Chief Park, and Mr. Gartley, Superintendent of the Gas Improvement Company. Mr. Park testified that the average supply of gas was about 60 per cent. coal gas and 40 per cent. water gas. In other words 40 per cent. of the City's supply is purchased from the Philadelphia Gas Improvement Company. He testified that the candle power of the coal gas was between 18 and 19, and of the water gas about 22 candle power, and when mixed in above named proportions would produce between 19 and 20 candle power. He stated that the loss by pressure, necessary to force this gas

through the mains to the consumer, was between 3 and 4 candle power, which would mean that the consumer actually gets between 15 and 16 candle power gas.

From Mr. Park's testimony on this day we learned that the Gas Improvement Company had never been given six months' notice that the City desired a larger supply, and yet the City is to-day purchasing double the quantity of gas originally contracted for from this company.

Mr. Park suggested as a remedy for the loss of candle power in distribution, the laying of larger mains and replacing those worn and rusted out, to reduce the friction, etc., caused by the heavy pressure that is now necessary to force the gas to the consumers.

Mr. Gartley testified as to the manufacture of water gas. From his testimony we learned that the gas is measured to the City at an average temperature of  $70\frac{3}{4}$  degrees, there was no record of temperature Philadelphia consumers received it at, but the records of the United Gas Improvement Co. show that consumers at Harrisburg receive it at 60 degrees. From his testimony we gathered that gas increases 1 per cent in volume for every 3.8 degrees increase in temperature.

Mr. Gartley was examined in relation to the enlargement made at water gas plant in order to supply the increased demand of the City. He stated that while their company had never received six months' notice of the City's desire for an increased supply, they had nevertheless more than doubled the capacity of their works over that at the time the contract was made.

At the meeting of your Committee held March 12, Mr. Gartley was examined at great length upon the question of the candle power of the water gas. He testified that it was of  $23\frac{1}{2}$  to 24 candle power at the works and could not be any less than 22 candle power at any point of consumption in the City, even under the present condition of our mains complained of by the Chief.

There was presented to the Committee a copy of the analyses made of the water gas by the chemist employed by the City. These analyses covered a period of one year,

one being made every sixty days. The percentage of carbonic oxide in these six analyses vary from 27.50 per cent. to 33.20 per cent., showing that it is exceeding the percentage named in the contract. In our investigation to ascertain what effect this excess of carbonic oxide has upon the candle power of the gas Mr. Gartley testified that it had no deleterious effect, in other words the candle power of the water gas was maintained regardless of the percentage of the carbonic oxide.

Your Committee visited the Ninth and Diamond streets holder station, that being the station to which the water gas is pumped from the Twenty-fifth Ward Works. We examined the pipes and the gas liquor as it was pumped from the drips, and found no deposit. The liquor was about the consistency of water impregnated with gas. We had Prof. N. Wiley Thomas present, who took samples of the mixed gases (coal and water) from the holders for the purpose of analysis.

On March 27, your Committee held their final public hearing, when they had before them Chief Park, Mr. Gartley, Prof. N. Wiley Thomas, Chemist, and Mr. Earnshaw, Chemist. Prof. Thomas presented the analysis made by him of the gases taken from the Ninth and Diamond streets holder, which was as follows :

Carbon di-oxide.....	2.50
Heavy hydro carbons .....	7.00
Oxygen .....	.70
Carbon mon-oxide.....	17.40
Methane .....	24.80
Hydrogen .....	31.60
Nitrogen .....	16.00

It was testified that this analysis indicated that the sample contained one-half coal gas and one-half water gas, and the presence of 16 per cent. nitrogen was due largely to the coal gas.

Prof. Thomas was closely questioned on the effect of increased per cent. of carbon mon-oxide in water gas upon its candle power. He testified that the per cent. in the

water gas did not have the effect of decreasing its candle power. He submitted the following analysis of water gas made February 9, 1897 :

Carbon di-oxide.....	2.97
Heavy hydro carbons (illuminants).....	11.50
Carbonic oxide .....	29.10
Oxygen .....	.70
Hydrogen, methane, nitrogen.....	55.73
	<hr/>
	100.00

Professor Thomas was asked if this excess quantity of carbonic oxide did not have an injurious effect upon the candle power of the gas, what effect had it ? He replied, That he considered it would have rather a beneficial effect upon the candle power ; that in the combustion of this gas the carbonic oxide produced a more intense heat which would more readily consume the illuminants in the gas and would produce a whiter light, or, a light nearer incandescent.

Chief Park was questioned in relation to the analysis made of the gas from Ninth and Diamond. He could not account for the presence of so much nitrogen, as coal gas should not have more than 2 per cent. in it. It was a property of the gas injurious to its illuminating powers in excess of 2 per cent. Your Committee, to ascertain how far the water gas was distributed, was desirous of having an analysis of the gas supplied West Philadelphia, and fortunately found that the Drexel Institute made regular analysis of the City gas. The faculty kindly furnished the Committee a copy of the recent analysis made, two of which are given below, showing the lowest and highest per cent. of nitrogen in the six tests.

	Lowest.	Highest.
Carbon di-oxide .....	0.3	0.3
Ettylene, etc. ....	5.9	4.11
Oxygen .....	2.7	0.40
Methane .....	35.4	35.20

	Lowest.	Highest.
Hydrogen .....	40.0	34.74
Nitrogen .....	10.3	19.04
Carbon mon-oxide .....	5.4	6.21
	<hr/>	<hr/>
	100.00	100.00

These analyses clearly indicate that West Philadelphia does not receive any of the water gas and that the coal gas that they do get is of an inferior quality. It is the opinion of your Committee that as long as the coal gas contains an excess of nitrogen the laying of new and larger mains as suggested by the Chief will not entirely remedy the evils now complained of.

The testimony of Mr. Earnshaw was to the effect that the excessive quantity of carbon mon-oxide now in the water gas over that named in the contract, did not deteriorate the gas in any particular, and it could not have any effect upon the candle power.

In arriving at our conclusions we were guided by our examinations of the works and the testimony we have heard, it is a matter of regret with your Committee that there was no appropriation to enable us to secure other expert testimony.

The careful perusal of the testimony, however, leads us to believe that the supply of the water gas is in accord with the contract with the exception of the percentage of carbonic oxide, and that, according to the testimony of Prof. Thomas, Chemist for the City, does not affect the value or quality of the gas in any particular, and is not excessive, and as far as the element of danger from its use, your Committee do not consider it any greater than that of coal gas, and submit, that its almost universal use in all of our larger cities (about 80 per cent. of their supply being water gas) verify our conclusions in this respect.

Your Committee being appointed to investigate the supply and distribution of the water gas, could not extend its inquiry into the supply and distribution of coal gas, except as it affected the water gas. The analyses furnished the

Committee by the Drexel Institute forces us to believe, that in the manufacture of the coal gas there must be something radically wrong, or there would not be such a large percentage of nitrogen which is almost as destructive to the candle power of the gases as carbonic acid, that the mains generally are in bad condition is a matter of record, and the testimony of Chief Park in this respect is simply a reiteration of a fact that is already known to Councils, and there is no doubt in the minds of your Committee that the City suffers a great loss and the consumers have cause for complaint from their imperfect condition.

Your Committee would therefore recommend and suggest that Councils take such action that will enable the City, to test the quality and value of the water gas purchased by supplying one district exclusively with it. This can be readily done, it will entail some expense but the question of the gas supply to the City of Philadelphia is one of great importance and the expense would be justified by the value of the information that would be gained. In determining what is the best supply for the rapidly increasing demand for gas, it can be readily seen this method of distribution would enable us, to not only test the quality of water gas at the points of consumption, the loss by condensation and leakage in comparison with coal or mixed gas, but also the profit accruing from its exclusive sale. Your Committee would further recommend that Councils give its immediate attention to the perfecting of the distribution system of the City by the introduction of new mains which will provide for adequate pressure by which the present evils resulting from insufficient pressure will be done away with.

We also recommend that analysis be made at regular intervals of the gas manufactured at the different works of the City, and also from different sections of the City where it is distributed.

All of which is respectfully submitted.

## APPENDIX No. 305.

*Philadelphia, March 31, 1897.*

To the President and Members of Common Council.

GENTLEMEN :—The Special Committee appointed in pursuance of the passage of the following resolution, to wit :

“Resolution to appoint a Special Committee of five members of Common Council for the purpose of investigating charges of bribery alleged against Robert Harvey, a member of Common Council from the Thirty-fourth Ward,” respectfully present the following report.

On Thursday, March 18, 1897, upon motion of Robert Harvey, the Common Council passed the following preamble and resolution, viz :

“WHEREAS, I, Robert Harvey, a member of Common Council from the Thirty-fourth Ward, having been accused before the Police Board of Inquiry, by one Granville B. Winnemore, a patrolman of the Thirtieth Police District of the City of Philadelphia, on Monday, March 15, 1897, of receiving money illegally for the furtherance of an ordinance known as a bill to increase the salary of the employees of the Police Department of the City of Philadelphia.

AND WHEREAS, The impression seems to have pervaded the public mind that I have received compensation for my services in behalf of said bill ; therefore, be it

*Resolved, by the Common Council of the City of Philadelphia,* That a Special Committee of five members be appointed by the President with power to subpoena witnesses, to investigate the foundation of said charges and make report thereon before the expiration of the present Councils.”

The President appointed the Committee called for by the said resolution.

At the same meeting of the Common Council, the Mayor of the City of Philadelphia transmitted to the said Council, for their consideration, a copy of the testimony

given before a Police Board of Inquiry, held on March 15, 1897, in which the charges above referred to were made.

The Committee at once entered upon the performance of their duties and on March 22, 1897, began public hearings in the matter, in the Chamber of the Finance Committee in the City Hall, and have continued the same until all witnesses known to, or supposed by the Committee, to have knowledge of the matter, were subpoenaed and examined as to such knowledge.

The names of the persons appearing and giving testimony before your Committee, appear in the report of the testimony hereto appended.

These witnesses with the exception of Granville B. Winnemore, all testified in detail to their knowledge of all matters having any relation to the subject matter of inquiry.

Granville B. Winnemore came before the Committee in response to their subpoena on March 24, and after testifying as to the formation of the Police Association, and the raising of contributions of one dollar each from the patrolmen of the police force, or such members thereof as voluntarily paid the same, of a fund amounting, as he admitted, to between one thousand four hundred (1,400) dollars and one thousand five hundred (1,500) dollars, and the distribution of about nine hundred and fifty (950) dollars thereof between himself and fourteen other members of the executive committee of the said police association; refused to give any information whatever as to what had been done with the balance of the fund, which had gone into his hands or to state whether or not any of that money had been paid to Mr. Harvey, or whether or not he repudiated the statements in that respect which he had, as reported to Common Council, formerly made before the Police Court of Inquiry.

The Committee, through the City Solicitor, applied to the proper Court for an order upon Winnemore to answer the questions propounded by the Committee. This the Court, after argument, refused to grant.

Pending this application, the Committee heard such

other witnesses as were brought to their notice as likely to have any knowledge of the matter ; the testimony of these witnesses being taken on March 29th instant.

No other testimony being accessible to the Committee, and the present Councils being now about to expire, before which time the Committee were instructed to make a report, the only remaining duty of the Committee is to forthwith present to your Honorable Body the result of their investigation.

It appears from the testimony before this Committee, that about one thousand eight hundred (1,800) dollars had been collected by an Executive Committee of the Police Beneficiary Association, for the furtherance of a proposed ordinance of Councils, providing for increased pay for the patrolmen of the police force.

This sum was collected by the various delegates who represented the patrolmen of the different police districts, and constituted the Police Beneficiary Association, and was by the authority of these delegates to be paid over to the Treasurer of the Association, to be by him distributed and used according to his discretion without any questions being asked, receipts given or any accounting whatever therefor.

The Treasurer was Granville B. Winnemore. He admitted the receipt of between one thousand four hundred (1,400) dollars and one thousand five hundred (1,500) dollars.

Upon having his attention directly drawn to the probable proof of the payment of about one thousand eight hundred (1,800) dollars into the fund instead of about one thousand five hundred (1,500) dollars, he still declared that he only received between one thousand four hundred (1,400) dollars and one thousand five hundred (1,500) dollars.

It was subsequently shown that one thousand seven hundred and ninety (1,790) dollars had been receipted for by Winnemore in the presence of the Secretary and the President of the Police Executive Committee from whose possession the receipts were produced.

As respects the previous allegations made before the Police Board of Inquiry of payment of money to Robert Harvey, the witness, acting under the advice of counsel who averred as a reason therefor, that an affirmative answer would incriminate his client, refused to make any answer thereto.

There was therefore no testimony whatever before this Committee of any kind or character, which in any wise implicated Mr. Harvey with the receipt, personally, of any money, except the one hundred (100) dollars hereinafter referred to, from either Winnemore or any other member of the Police Executive Committee and none before the Police Court of Inquiry, except that of Winnemore.

Mr. Harvey denied explicitly and positively the receipt of any money whatever, except the sum of one hundred (100) dollars which was received by him in payment of some sort of entertainment tickets issued by the political club of which he is a member, which he averred was immediately paid over to Thomas McGovern, a member of the club.

As respects the actual delivery of this specific sum of money to Mr. McGovern, by Mr. Harvey, the latter was corroborated by McGovern, and by two other witnesses, all of whom were disinterested, intelligent and trustworthy, one of them being the treasurer of the club to whom the money was paid over by McGovern.

It also appeared by other reliable testimony that Mr. Harvey had at times been accompanied by other persons when in company with Winnemore ; at one time with William Kiley when visiting members of Councils ; at another time with Edward Frame at Winnemore's house ; thus indicating that he, Harvey, did not apparently seek secrecy in his meetings with Winnemore, but of course not proving that there were not other interviews between them, during which there were no other persons present.

It thus appears that before this Committee, the testimony contained no accusations by any one against Mr. Harvey.

The evidence material to the question was in fact, all in denial of the allegations reported to us as made before a different Committee or Tribunal.

The Committee, if acting strictly judicially, could therefore only report upon the evidence actually before them, that there was no foundation for the alleged charges, for the simple reason that no charges had been made.

If, however, the Committee consider the allegations made before the Police Board as though made before the Committee of Councils, the situation is not very materially altered.

The matter is then in the position of oath against oath, while Mr. Harvey is entitled to the immemorial presumption of innocence until guilt is proven beyond reasonable doubt, and to such other corroborative support as he has introduced. All other witnesses connected with the Police Executive Committee, denied any knowledge whatever, of any payment of money as charged by Winnemore.

The Committee are of the opinion that they cannot justly in this investigation place any reliance upon the testimony of Winnemore taken before the Police Board for the reason that he refused to either repeat what he had before said or to repudiate it ; so that we are entirely unable to determine what he would at this time testify to in respect to the question involved, or what he would now, in reality have this Committee or the community believe.

Either of two inferences may be drawn from the refusal to testify before this Committee, viz : that he was guilty of bribery or of false swearing before the Police Board.

The Committee do not think they would be justified in condemning any person upon an inference against him, deducted merely from the refusal of a witness to repeat his former testimony against such person upon the alleged ground of self incrimination.

It is more nearly just to infer against the witness himself, who by a refusal to repeat former testimony, does thereby in effect either repudiate or at least discredit it.

The testimony of the witness Winnemore before the Police Court, as reported to us, was moreover vague and indefinite as respects dates and places, contradictory as to amounts when compared with other statements made by

him, and also reported to us ; and in this connection it is not to be forgotten that by reason of indefiniteness, especially as to dates, it was difficult for Mr. Harvey to meet the allegations of that testimony, except by general denial.

Winnemore was also contradicted in parts of his reported testimony by other members of the Police Executive Committee.

In addition to the foregoing considerations affecting the credit which the Committee should give to Winnemore's reported testimony, is the very important one affecting to a great degree its credibility, viz : his positive assertion, heretofore referred to, of the receipt of not more than one thousand four hundred (1,400) dollars or one thousand five hundred (1,500) dollars, when his receipts show the total amount paid to him to be one thousand seven hundred and ninety (1,790) dollars ; over five hundred (500) dollars of which, even if credence be given to his statement as to payments to Mr. Harvey, he has failed to account for before the Police inquiry or elsewhere.

Distrust most naturally arises from these various considerations as to the reliability of the former statements made by this witness and in the judgment of the Committee, becomes so great that no man in the face of his absolute denial, ought to be convicted of any offence upon testimony of so unsatisfactory a character, unless corroborated by trustworthy evidence or circumstances.

So that in no aspect of the matter do the members of the Committee feel justified in reporting to your Honorable Body that the allegations are well founded.

The exact truth may never be known. It rests only in the knowledge of Granville B. Winnemore and Robert Harvey ; but impartial justice to Mr. Harvey, which in this land is always due to every accused person and is the only safe-guard of the reputation of all citizens, requires that the result of this investigation shall be determined upon the character of the evidence in our possession ; and upon a just and unbiased consideration of that evidence, the charges against Mr. Harvey ought not to be sustained,

and must therefore be reported by this Committee, as at this time, without foundation.

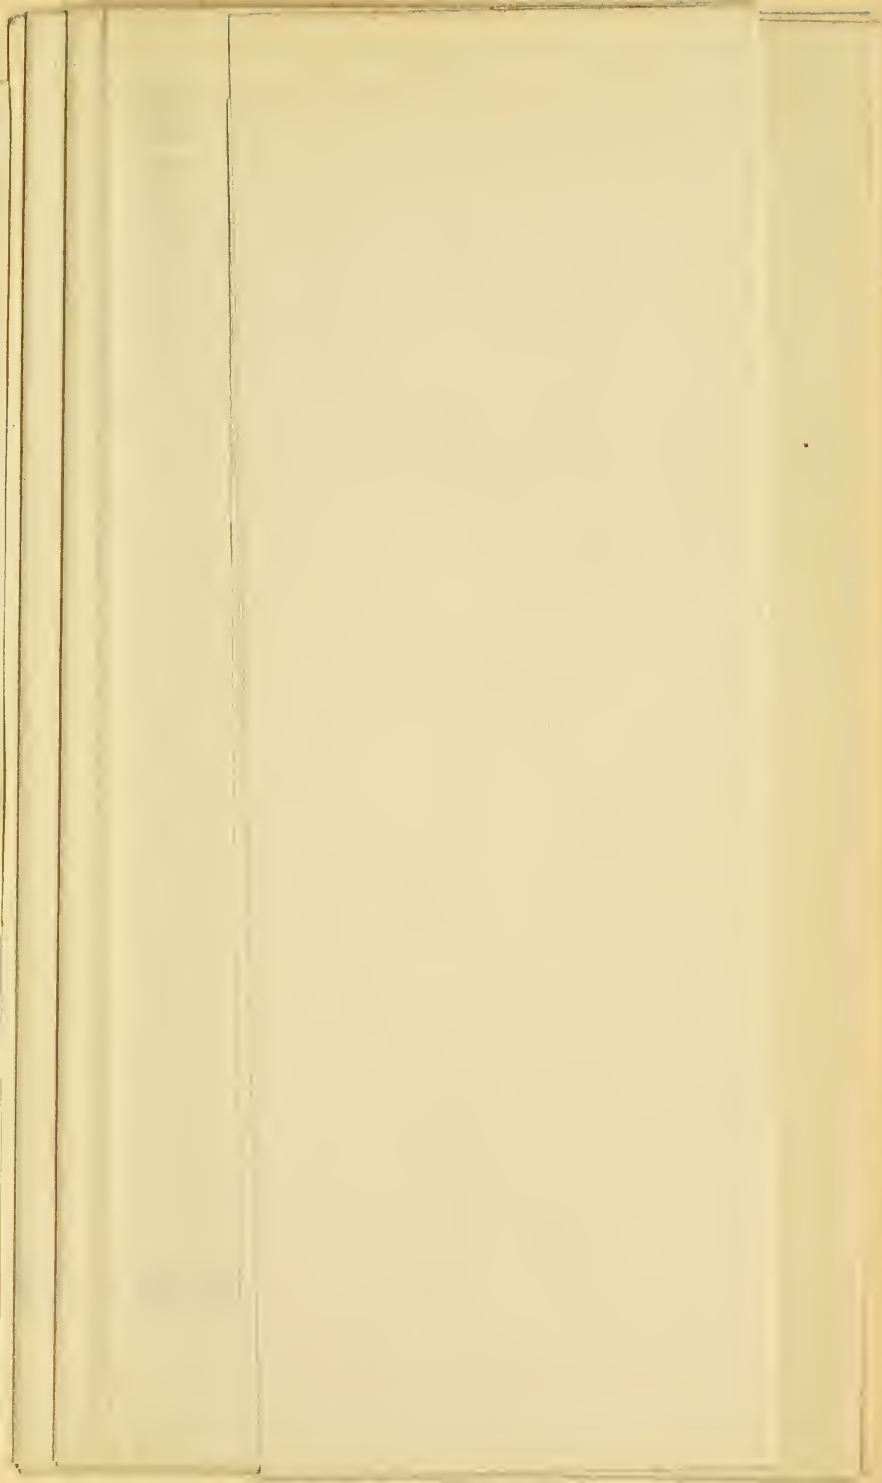

To the Committee, however, it seems that the established Courts of Justice constitute the appropriate tribunals for the redress of injuries to the reputation as well as to the person and to property, and they would therefore recommend that in this instance they should be applied to for such remedy.

Respectfully submitted,
